My parents, uncles and aunts had been planning this Caribbean cruise for a while. Dad made it clear that it was a couples-only cruise. When I offered to bring my girlfriend, he laughed out loud.

“You are welcome to come along with whomever you wish,” he then said, “as long as you pay for it.”

“You know, I can’t afford it,” I said.

“Of course I do,” he smiled.

“I thought spring breaks were meant for us to have fun not for our parents,” I said.

“You are wrong,” he said. “They were meant for you to study!”

Uncle George, mom’s little brother, announced that he had to leave to Japan for a week. Uncle Ken, Aunt Leanne’s husband, had an urgent business trip to Boston. Therefore, Aunt Meg and Aunt Leanne were not going on the cruise. I offered to take one of the vacant cabins; dad only laughed at me.

“Meg’s sister Tami, her husband, Kevin, Fred’s brother Doug and his wife, Robin, are filling in,” mom said.

On Friday evening, Uncle Tim, dad’s brother, Aunt Kate and their daughter Abbey, Aunt Susan, dad’s sister, Uncle Richard and their daughter Tracy, Aunt Michelle, mom’s sister, Uncle Fred, their daughters Claire and Mary, Doug, Uncle Ken’s older brother, Robin and their daughter Kimberly, Tami, Aunt Meg’s older sister, Kevin and their daughter Amber arrived. My cousins Craig, Uncle Tim’s son, Brian, Aunt Susan’s son, Jim, Aunt Michelle’s son, Lyndon and Brandon, Doug’s sons and Paul, Tami’s son, had their own plans. Naturally, I tried to do the same, but dad shut me off. I did not care much because my girlfriend was away with her family.

Gatherings like this always emphasized the fact that in my extended family, only I, my father and his father had brown hair. Everybody else had blond hair. Naturally, Amber was an exception, being half Japanese.

On those reunions, my mom and aunts donned sexy attires and wore generous makeup. I got glimpses of their panty crotches, and saw the men check them out, copping feels whenever they thought no one was around. I once caught mom playfully grab Uncle Fred’s crotch in the kitchen as he squeezed her tight butt. I had to admit that she had a great one. From then on, I learned how to catch others doing similar acts. Some scenes gave me boners.

Everybody sat in the family room, chatting and laughing. Later we kids moved to living room. We chatted for a couple of hours, occasionally a bare tight pussy peeking out to say hi and make my cock twitch. The girls finally left to have girl talk. Assuming that I would not be welcome in the other conversation, I returned to my room.

On Saturday morning, my parents, uncles and aunts left, leaving the girls to spend spring break with me. Mom gave me two thousand dollars and a private lecture on being the man of the house.

“You’ll be in charge even when your aunts join you,” mom said. “Remember that drinking and wild parties are not allowed—even for your aunts. Have fun responsibly and take good care of the ladies.”

A Long Nightingale Classic

Man of the House

We lounged in the family room, chatting, drinking sodas, and watching television. Claire and Mary were wearing loose tank tops and loose shorts. It was obvious that they did not wear any underwear. During the course of our chat, on more than one occasion, I glimpsed a bare tit or a hairless pussy. They did not seem to notice that they were giving me a free peep show. I tried to look away, but their exhibition seemed to be the main attraction. Furthermore, they looked too pretty for me to be able to look away. Fortunately, everyone seemed too busy to notice. I did not get a hard-on, but I surely enjoyed the view.

“Let’s get our swimsuits and take a dip in the pool,” Claire said finally, breaking my trance as I was looking straight at her sister’s exposed pussy.

"I'll catch up with you in a little bit," I said as I remained sitting there.

A few minutes later, all the girls passed before me, dressed in skimpy swimsuits: thongs and tiny tops.

"They can have fun," said Claire. "So do we. We are really going to enjoy our spring break."

They actually paraded before me, letting their asses twitch. I had to watch every pair of tight ass cheeks twitch and flex. That was the first time my cock twitched as I watched my sister and cousins. They all looked gorgeous and ripe, but forbidden. The sense of guilt that hit me did not affect my apparently autonomous cock.

A cold shower only seemed to make my cock stand harder. I watched a few sex video clips and jacked off to take my mind off the girls' asses. I took another shower and put my swimsuit on. As I left my room and stepped down the stairs, my cock started to stir. I tried to think of other things as I walked to the pool.

"Come on, jump in," called Claire.

When I looked at her, I saw her bare tits above the water.

"Claire, you seem to have lost your bikini top," I said.

"We are skinny dipping," called Alex, waving to me, her tits fully exposed. "Strip and jump in."

"You, girls, are crazy," I said. "You can't do this."

"We are all girls," said Abbey. "Come on. Join us. Don't be dull."

"If I join you, it'll no longer be all girls," I laughed.

"That's okay," said Abbey. "You are our cousin."

Their cousin already had a growing boner. It would be worse if he took his swimsuit off and jumped in.

"I don't think so," I said, having trouble hiding my boner with a swimsuit not to mention without it.

When Claire dived, her bare ass emerged above the surface. She swam to the close end. She and Abbey got out of the pool and walked toward me. No matter how hard I tried, I could not take my eyes off their jiggling ripe tits and hairless pussies. My cock head was threatening to pop out of my waistband.

"Nick, please, join us," said Claire as they continued to walk towards me.

"Yes, Nick," added Abbey as they stood next to me. "It's not the same without you."

"I think this borders on the wild parties mom banned," I said.

They suddenly grabbed me and pulled me toward the pool. If I was having a problem with looking at their naked bodies before, then their tits were rubbing over my arms and sides as they carried me toward the pool, giggling. They threw me into the pool and jumped behind me. Before I resurfaced, someone pulled my swimsuit off, leaving me skinny dipping. Alex giggled as she threw my swimsuit out of the pool.

"You see, cousin," said Tracy as she jumped at me, wrapping her legs around my waist. "It's not that bad."

Her tits were inches off my eyes. I instinctively held her by her ass and looked up at her. Meanwhile, someone stroked my full boner underwater. I could not tell who it was. I could only tell that my secret was out.

"Nick, you must be in heaven now," teased Alex. "You are in the pool with seven naked beautiful girls. What else can a guy ask for?"

"I am sure this is every guy's dream," I said as I felt a pair of lips kiss my cock head. "I must be the envy of every man in the country."

"Isn't this what they have in the playboy mansion?" asked Tracy.

"The girls are just a little older," I said.

"What we lack in experience," said Abbey, "if any, we more than compensate for with energy and eagerness."

"I bet you do," I said as someone stroked my cock underwater.

We swam and traded water. I could not look anywhere without seeing bare tits, asses and even open pussies. The girls did not mind sitting at the edge of the pool with their knees parted wide or bending over while climbing out of the pool to dive in again. As if that was not enough, my boner was grabbed often, never getting a chance to stand down. I never could decide who grabbed it at any given time. After a while, I was standing in the middle of the pool, resting, when someone jumped on my back. She wrapped her legs around my waist and covered my eyes

with her hands. While I was fighting with her, what only could be an expert mouth swallowed my entire boner and gave it one quick suck. By the time I lowered my hands to defend my cock, whoever did it had been gone. When I finally managed to uncover my eyes, I found out that who was on my back was Mary. Everyone else was standing at the far end, giggling.

The teasing continued nonstop for over an hour. My cock had been constantly hard, leaking into the water. It got sucked entirely into one gifted mouth or another several times. At the end, they all got out of the pool but me.

"We all know you have a huge boner," said Claire, smiling impishly. "Come out. Let's see it."

Covering my hard cock with both hands, I left the pool. When I was near them, Claire and Abbey forcefully pulled my hands away, fully exposing my outrageous boner. Everybody laughed, eyeing my cock. I blushed.

"Don't be shy," said Claire. "It's beautiful. Isn't it, Alex?"

"Yes, it is," said Alex, looking at my cock intently. "I told you my big brother had a gorgeous cock."

"Even your sister says it's beautiful," said Claire. "Does anyone here think this cock isn't magnificent?"

All the girls shook their heads.

"Feel free to check out our tits, pussies and asses," said Tracy. "We are all family."

Everybody laughed at that, embarrassing me. To make it worse, they all bent over and spread their asses.

"You can check us out all you want," called Abbey. "We are not looking."

Since they really were not looking, I could not resist checking out every offered ass, studying the shape of every ass, every pussy and every puckered asshole. They were all hot. I guiltily recognized that my sister's ass was among the hottest. How I wished they were not my relatives! I'd be inspecting them with more than eyes.

"Are you done?" asked Abbey.

"That's enough," I said, embarrassed.

They dried each other, and I dried myself before I finally walked to my swimsuit and picked it up.

"No need to put it on," said Claire.

Every girl picked up her swimsuit, making sure to be facing away from me and bending over much longer than necessary. We then walked inside, carrying our swimsuits.

We sat down in the family room. Claire led me to a couch, which faced most other seats. Each girl sat down and spread her legs, putting her beautiful pussy on full display, including Alex. My cock was not meant to go soft.

"You know, Nick, it's not fair," said Claire. "Some of us grabbed you and even sucked you in the swimming pool, and you remained a gentleman and didn't touch anyone. You should get even, but since we want to protect the guilty, we have to blindfold you. I'll call the misdemeanor, and the guilty girl will step up to you. If it's grabbing, you get to grab her tits and play with them for half a minute. If it's sucking, you get to suck her tits for half a minute. Each girl will be punished for each account of misdemeanor."

"I don't think that's necessary," I said. "I forgive you all."

"You can't do that," said Claire. "If you forgive the guilty, you encourage them to do it again. They have to be punished strictly. Someone bring a blindfold."

It was funny calling tit fondling and sucking a punishment. Alex volunteered to bring a blindfold, and I was well blindfolded. I could not see anything through or around the blindfold. Naturally my cock was harder than steel and remained that way, leaking constantly.

"To make sure we are fair," said Claire, "each girl has half a minute to act out her crime shamelessly in front of everyone. If she would do it now then she definitely would not have been too shy in the swimming pool. While each acts out her crime, you need to hold one of her hands to make sure it's she whom you'll be punishing."

"Alex, your brother really has one nice big juicy cock," said Abbey. "How would I love to stuff it all the way down my throat!"

"It's prettier than your brother's, isn't it?" teased Alex.

"Of course it is," said Abbey. "If my brother's was this beautiful I'd be bouncing on it every chance I get. You must be an iceberg to leave this cock alone."

“Would you take it up the ass, you slut?” asked Alex.

“I am not sure of that,” said Abbey.

“Well, my brother’s an ass man,” said Alex. “He isn’t too much into pussies.”

Alex shocked me. I did not know how she knew that.

“He then must be virgin,” Abbey laughed. “Who the hell would take that big fucker up her little asshole?”

“I am sure enough would,” Alex said. “By the way, Nick has had more sex than the rest of us combined.”

“I don’t believe that,” said Abbey.

“Nick, how many hours of sex have you had?” asked Alex.

It took me a few seconds to come up with a number.

“Maybe two thousand hours,” I said.

“How much of that was anal sex?” she asked.

“Maybe two thirds or three quarters of that,” I said.

“Has any of you had two hundred hours of sex?” asked Alex.

I did not hear an answer.

“I didn’t think so,” said Alex. “He probably has had anal sex alone double the sex we all had.”

“If this is true, he must be one super stud,” said Abbey. “In that case, we got to be very careful because he’ll certainly be coming after our asses like a wounded bear to rip through our virgin assholes.”

Since my secret was clearly out, I had to defend myself.

“Girls, it’s not like that,” I said. “Since you think I am a pervert anyway, I may as well explain it to you. Anal sex is not about tearing little assholes or taking revenge on girls. It involves the delicate art of lovingly coaxing the girl’s asshole open so it can accommodate the man’s loving hard cock no matter how big it is. It’s about lovingly and lustfully thrusting deep and hard into a girl’s tight receptive ass. It’s about the intense pleasure it gives to both parties. I am not into pain, and I’ll never subject my lovers to pain even if they want it. I’ve never fucked a female in the ass who didn’t enjoy it much more than pussy fucking even if she had been an anal virgin before.”

“Nick, thanks for the clarification,” said Claire. “I’ve always thought you were a gentleman. Now we need to go ahead with our special court session. Grabbing first defendant.”

Someone sat on my thighs, facing me. She gave me her left hand and used her right hand to stroke my rock hard cock. I heard a beep before she turned around and sat in my lap, facing away. The moist lips of her pussy pushed my cock down to point forward. She guided my hands to her tits. I fondled them, teasing the nipples.

“Don’t be shy, Nick,” encouraged Claire. “The little slut wasn’t when she fondled your big beautiful cock. You know she’s guilty as sin, so punish her shameless mouthwatering tits without mercy.”

The girl gasped softly and trembled, her leaky pussy rubbing along my hard shaft as I punished her.

I heard another beep, and the girl got replaced with another, who started fondling my cock.

Claire called all accounts of grabbing one after the other, totaling nearly thirty accounts. I was a little shy at the beginning, but soon I started to punish them mercilessly. Finally the accounts of grabbing finished. The upper side of my cock was soaked with pussy juices.

“Now sucking,” called Claire. “Sit in his lap, facing him. Nick, you can hold her butt for leverage, but you are not allowed to lovingly coax her virgin little asshole open.”

Everybody laughed at my embarrassment.

The first girl gave me her left hand as she knelt between my feet. She started by licking and teasing my cock head with her tongue for a few seconds before she took it in her mouth and proceeded to swallow more of my shaft with every new stroke. Our timer beeped, and she sat in my lap, pushing her leaky pussy against the underside of my cock. I grabbed her ass as instructed. As I licked and sucked her erect nipples, she gasped and shook, grinding her dripping pussy into the underside of my rock-hard cock. The accounts of sucking totaled nearly twenty—more than I expected. I did not intervene while each girl sucked my cock, but I was not shy at all as I took my revenge on

each pair of tits and sucked the erect nipples to painful hardness. I also could hear gasps of remorse and feel tears of shame drenching my cock and balls as I went ahead with the punishment.

The blindfold was finally removed. After I got used to the light, I noticed that every nipple in the room was red and hard. Where they all guilty of sucking my cock? Where some of them pinching and pulling at their nipples as they watched justice take its course? I did not think that made any difference.

“Nick, thanks for helping discipline the brats among us,” said Claire.

“Thanks,” I said. “I hope it works.”

“I am sure it will,” she said.

Everybody was looking at my leaking, glistening hard cock, so I left to my room hurriedly.

After relieving myself and showering, I went out of my room to check on them. What I saw made me freeze in my tracks. Claire, who was the wise one, was halfway reclining in a sofa. Alex and Mary were sucking her tits while she fingered their pussies. Abbey rode her tongue, and Tracy licked her pussy. Kim was licking Amber’s pussy in a loveseat. Muffled moans and gasps filled the room. I naturally had an instant full boner.

Those girls were really out of control, including my sister. After watching for a minute, I walked back to my room. I waited a few more minutes then came back out, making enough noise for them to notice. When I saw them, they were sitting innocently and chatting—still naked.

“We need to shower and change,” announced Claire.

The girls grabbed their swimsuits and left. An hour later, they joined me in the family room.

“We need to eat,” called Mary.

Alex and Claire volunteered to prepare lunch. Abbey sat next to me. Mary and Tracy soon left to the kitchen.

“I loved your cock,” said Abbey.

“You shouldn’t say that,” I chided.

“It’s the truth,” she said. “Your cock is beautiful. It was so hard and big.”

“You are a bad girl,” I said.

“Don’t you like bad girls?” she teased, smiling.

“Not if they are my cousins,” I said.

“We have to change this opinion of yours,” she smiled before she left, letting her ass twitch seductively.

“Good luck,” I said honestly.

Being the man of the house was not going to be easy at all, but it definitely seemed most thrilling.

After lunch, we watched television and played cards, including strip poker, and other games. Before we knew it, it was evening. The girls disappeared, leaving me alone. Half an hour later, I saw Abbey and Amber go to the kitchen dressed sexily and in full makeup. I could smell their perfume as they passed by. Claire came to me dressed as sexily and drenched in perfume.

“Your sister is throwing a dance party in her room,” said Claire, taking my hand. “You are invited.”

“Why in her room?” I asked. “Why not here? Her room is too small.”

“We are only eight,” said Claire. “It’s her private party, and she decided to have it in her room.”

While I walked with Claire toward the stairs, Abbey walked behind us, carrying sodas and snacks.

“The party has a theme,” said Claire.

“What theme?” I asked.

“No underwear,” she said.

“What does that mean?” I asked.

“It means underwear is not allowed in the party,” she said. “I hope you are not wearing any.”

“Of course I am,” I said.

“Well, you have to take it off if you want to attend the party,” she said.

"You are kidding," I said.

"Not at all," she said. "No one in the party will be wearing any underwear. You shouldn't either. If you come to the party, every girl has to verify that you comply, and you get to verify that every girl does. You'd have to certify that no girl is wearing any bra or panty."

"You, girls, are crazy," I said.

"We are trying to have fun," she smiled. "Now swerve into your room and lose your underwear."

After all that teasing, I did not have a problem going to that party. Since Claire was wearing perfume, I took the chance to spray myself with perfume. The music was already playing when Claire and I entered Alex's room. Everyone was waiting for us, gently swaying to the music.

"Before we can start, we have to verify that everyone complies by the rules," said Alex. "Nick, check the girls. Only one layer of clothing is allowed to cover the breasts or the crotch."

"Sure," I said, starting with Claire.

It was obvious that her loose tank top did not have anything underneath. I dutifully pulled it open and looked down at her bare full breasts.

"Make sure she doesn't have a hidden or an invisible bra," giggled Abbey.

Kneeling before Claire, I slipped my hands up the leg openings of her shorts and ran my fingers up her ass crack, making sure she was bare.

"You are next," I said to Abbey, walking toward her.

"They all know I am a treacherous girl," she giggled. "If I were you, I'd check thoroughly."

"Don't worry," I said, looking down her crop top. "I will."

After taking a good look at her ripe tits and erect nipples, I turned her around and slipped my hands up her top. I cupped her tits and felt them up thoroughly.

"You are clean," I said as I pinched her nipples, making her gasp.

"You are not done yet," she said. "I may be hiding panties."

"We'll see," I said, kneeling behind her.

She was wearing a short skirt. Spreading her legs, I slipped my right hand between her legs from behind. She gasped when my fingers touched her wet pussy. I reached up the back of her skirt and cupped both ass cheeks, running my thumbs along her ass crack.

"You are clean," I said, getting up.

"I told you I was a treacherous girl," she giggled.

Mary was next, dressed much like her sister. Tracy was wearing a square neck top showing most of her tits and a skirt like Abbey's. I was naturally gentler with her than I was with Abbey. Her nipples were erect, and her pussy was dripping wet too. I was a little too gentle with Amber and Kim. Amber was wearing a crop tank top and a short skirt. Kim was wearing a halter top and a short skirt. They too were leaking like loose faucets. Naturally I had a huge boner, tenting the front of my shorts. The girls did not try to be too discreet when they looked at it.

"The hostess is not allowed to wear underwear either," said Alex when I got up, thinking I was done.

"Don't be lenient with her because she's your sister," called Abbey. "She may be taking advantage of you."

"It's okay," said Alex. "Do what you have to do."

"Search her like you searched me," said Abbey.

"I am okay with that," said Alex a little nervously.

She was dressed exactly like Tracy. They both were at the same age and had the same build. Even when I saw them naked earlier, they looked much like sisters. Outlined by the thin fabric of her top, Alex's nipples were obviously erect. I looked down her top, thoroughly admiring her ripe tits topped with hard pink nipples. I then turned her around and slipped my hands up her top, cupping her tits. She moaned when I squeezed her tits gently. I teased her nipples, making her gasp, and pinched them before I went down to my knees. Her pussy was no doubt the

wettest. She gasped and her pussy twitched when I dipped my fingertip inside it. She was really excited. I felt up her ass a little then got up.

They all had been wearing sweet but different perfumes.

"I have searched you as thoroughly as I had searched Abbey," I said to Alex, teasing Abbey. "You are as clean as she is, but you have a hotter ass and a juicier pussy."

Alex blushed.

"You are biased," protested Abbey. "You are just saying that because she's your sister."

"Maybe I am not," I teased.

"Well, it's your turn to be searched, buster," said Abbey.

The girls searched me in the order I searched them. They all reached under my shirt and stroked my chest, teasing my nipples. Every one of them squeezed my huge boner gently, cupped my balls and teased my asshole.

"You are clean," Abbey said, stroking my bare cock through the leg opening of my shorts.

"Hey, I didn't finger your pussy," I protested while I enjoyed her ministrations.

"I wouldn't have objected if you did," she smiled, giving my cock one last squeeze.

The others were less bold than she was.

"Nice thick cock, big brother," said Alex as she finished checking my crotch. "I am sure Abbey would love to suck it until she drained those heavy balls down her throat."

"As a matter of fact, I'd love to," said Abbey.

"Dream on," teased Alex.

"Can't a girl dream?" said Abbey.

"Of course she can," smiled Claire. "I am dreaming about much more than sucking."

"I am sure we all are," said Alex. "Let's party."

We danced to fast music for about fifteen minutes. Every girl took her turn before me. The lack of underwear let everything jiggle and bounce, including my hard cock. I had never danced like that. With the low necklines, it was fun to watch those ripe firm tits jiggle, their erect nipples rubbing against the soft fabrics of the tops. My cock did not lose any of its hardness. On the contrary, it might have become harder. I freely ogled their tits because they were busily checking out my bouncing boner.

Finally a slow song started, and Claire wrapped her arms around my neck. I wrapped mine around her waist. Suddenly the lights went out.

"What happened?" I asked.

"Mood lighting," answered Alex.

"What mood lighting?" I said. "This is pitch-black. I can't see a thing. We'd be tripping over each other."

"Don't worry about that," replied Alex. "The rest of us will be on the sidelines, waiting our turns."

"I wouldn't mind if you felt me up a little," said Claire, guiding my hands down to her ass. "Remember I am not wearing any underwear."

"Do you ever wear underwear?" I asked as I squeezed her ass cheeks gently, feeling my cock get even harder.

Her shorts were so thin I could feel the warmth and texture of her ass like they were not there.

"Definitely not when I am around boys," she said, pushing her pussy into my hard bulge.

"I take it that you don't mind that this boy is your cousin," I said.

"As far as I am concerned, your being my cousin certainly doesn't make you a girl," she said.

"So, you think it's okay for you to tease me?" I asked.

"Just a little," she said. "By the way, I am not teasing you; *you* are teasing *me*. I am actually trying to break your resistance."

"I don't think you can succeed," I said.

“You must be a great liar to be able to say that with a straight face while your huge boner is pushing into my wet pussy so hard it’s about to rip through our clothes,” she said.

“I am just teasing you back,” I said.

“I bet,” she laughed.

“I guess I can’t keep my hands on your ass,” I said, pulling my hands up.

“You can put them on my tits,” she whispered as she turned around.

She guided my hands to her tits and started to grind her ass into my hard cock.

“We shouldn’t be doing this,” I said, feeling up her ripe tits.

“Why not?” she asked.

“That would make my boner even bigger,” I said. “Everyone here will be bumping into it.”

“They are all girls,” she said. “They’d love to bump into a nice big boner. Have you already forgotten what they did to you in the pool and in our court session? I am sure you also noticed how wet their pussies were.”

“It’s still not appropriate for me to walk with a huge boner with nowhere to stick it,” I said.

“How can you say that with me available to satisfy your every whim not to mention the others?” she pouted. “You are insulting all of us.”

“Don’t take it that way,” I said. “I wish we could do that, but you are my cousins—forbidden fruit.”

“You just can’t get it,” she said. “It’s okay to enjoy the forbidden fruit. It’s sweeter.”

“I agree, but I can’t get myself to do it,” I said.

“You know what, Nick?” she said. “You should have felt my ass up when you sucked my nipples.”

“Were you one of those who sucked my cock?” I asked.

“At least in the court session,” she said. “I am sure you’ve noticed that you got to punish more defendants than there had been crimes.”

“I see,” I said. “I wanted to feel up every ass, but I didn’t want to get slapped and humiliated.”

“You could have fucked all of us and not heard a protest—only encouraging moans and gasps,” she said.

“You are kidding,” I said.

“You don’t seem to have an idea how horny we really are,” she said as she turned around to face me.

She lowered my hands back to her ass.

“It’s too hard to believe,” I said.

“Your cock?” she giggled. “Yes. My pussy’s too wet to believe too.”

“I wonder how it tastes,” I teased.

“I am sure you won’t take my word for it,” she said. “You’ll have to find out yourself.”

“I wish I could,” I said.

“You can, and you should,” she said. “I am also sure you will—in due time.”

“You know, Claire, you have one hot tight ass,” I said.

By then I was feeling up her ass freely. I occasionally traced up and down her ass crack, making her gasp and shove her excited pussy into my rampant cock.

“I am glad you like it,” she said. “I’ve wanted you to put your hands on it for the longest time. I wore my thinnest silkiest shorts so you can feel my ass closest to being bare. I wore it especially for you. Do you like that?”

“I love it,” I said.

“If you want to be a little daring, you can slip your hands up the leg openings and feel my bare ass,” she said. “I’d really like that.”

“I am sure you would,” I chuckled.

“Come on,” she said. “Feel up my bare ass just a little.”

"I can't do that," I said.

"Oh, yes, you can," she said. "You owe it to me. It should have been included in the punishment."

"Someone may see us," I said.

"Can you see a thing?" she said. "You can hardly make out my figure. We are on our own. Besides, they've already seen me suck your cock in our sex court session."

Without occasionally hearing the other girls talking together over the sound of the music, it would have been impossible to tell whether there was anyone else in the room. Even film processing dark rooms were not that dark.

"It looks like you've planned it well," I said.

"I certainly did," she said. "Let's not waste time now. Play with my bare ass a little."

"Just a little," I said, succumbing to her wishes.

"Yes, just a little," she said. "You don't even have to fondle my entire ass although I'd like that. At least play with the lower part."

The lower part of her ass was incidentally where her little asshole lay.

"Just the lower part," I said, reaching for the leg openings of her shorts.

She reached back and popped the crotch of her shorts open, giving me full access to her bare ass. Acknowledging that, I took two handfuls of her ass and spread her cheeks apart.

"How do you like that?" she said.

"I like it very much," I said. "How nice it is to have a naughty cousin like you!"

"I've never been this hot in my life," she moaned.

With her ass completely offered and my cock trying to rip a hole through my shorts on its way to her pussy, I started to tease her asshole.

"Oh, you are a bad boy," she gasped, mashing her mushy pussy into the base of my hard cock, as I tickled her asshole with my fingertips.

"Do you like what I am doing?" I asked, continuing with my assault on her asshole.

"Oh, I love what you are doing to my little asshole," she moaned, continuing to grind her pussy hard into my cock. "It's just that no one else has ever touched it before."

"Haven't you ever had anyone finger you or fuck you up the ass?" I asked.

"Of course not," she said. "Neither has any other girl here. Did you think we were sluts?"

"I don't hold a girl's sexual preferences against her," I said. "I am sure there are some fine girls who take it up the ass like cheap whores."

"Well, I am not one of them," she said.

"I am sure you aren't," I said, "but most people would think you are acting like one right now."

"If you keep it up, you are soon going to be one of them," I thought.

"I am acting like that with you," she said, "but you are not taking the hint."

We kissed deeply for a few minutes as I dipped a fingertip in her wet pussy then maneuvered it into her asshole. She ground her pussy urgently into my cock as I gently reamed out her asshole. Her horny little hole twitched around my fingertip frequently. When she was close to coming, I broke the kiss and pulled back.

"Let's not get caught," I said.

"I guess I shouldn't hog you all night, either," she said. "There are others who want to *dance* with you."

When my new partner wrapped her arms around my neck, I went straight for her ass. She did not resist; she molded her body to mine, pressing her pussy against my hard cock. As soon as she did that, I kissed her. We kissed deeply for a long time. She kissed as well as Claire, grinding her pussy into my cock as I felt up her tight ass thoroughly. We finally broke the kiss, gasping.

"I like a man who knows what he wants and takes it," she said, whispering into my ear.

Although she was whispering, from the way she talked, I thought she must have been Abbey. With that assumption, I hiked her skirt and helped myself to two handfuls of bare ass cheeks.

"You really like to play with a girl's ass, don't you?" she said as I started to fondle and knead her tight ass.

"Only if she likes me to," I said.

"This girl sure does," she said, punctuating her word by grinding her pussy into my hard bulge.

"You said you liked a man who knew what he wanted," I said, spreading her ass. "What do I want?"

"Me, I hope," she said, circularly grinding her pussy into the base of my hard cock.

"I do, but I can't have you," I said, boldly tracing her ass crack. "You are my cousin."

"I am sure your big hard cock doesn't mind that," she said. "Maybe it wants me even more."

"You may be right," I said, dipping a fingertip into her dripping pussy, "but my cock doesn't control me."

"So, you are deliberately making it steel hard against my pussy?" she gasped as her pussy twitched around my fingertip, bathing it in fresh juices.

"Maybe I am," I said.

"What does it take to make you make it steel hard on the other side of my wet pussy?" she asked.

"If there is such a thing, you have to find it out yourself," I said, using my slick fingertip to massage her asshole. "I am not telling."

"Don't worry," she said, shoving her pussy into me. "I'll find out."

"You sound too confident," I said, dipping my fingertip again into her pussy.

"You can't resist forever," she said. "Everything has a limit."

"I don't have to resist forever," I said, returning my fingertip to her asshole. "It's only ten days."

"That's a long time for a horny guy like you," she said.

"I guess there's only one way to find out," I said, worming my fingertip into her ass.

"I bet you can't last for one day," she gasped as my fingertip popped past her sphincter.

"Is that how weak my willpower is?" I said, pausing my fingertip within her ass.

"No," she said, her asshole milking on my fingertip. "It doesn't have anything to do with your willpower. It has to do with your smarts. I think you are smart enough not to miss this opportunity to have the orgy of a lifetime. If you miss it, do you think you'll ever have seven willing teenage sluts at your feet? Not even in your dreams."

Seven teenage sluts? That must include Alex. The thought made my cock twitch. She probably felt it.

"I think you are right," I said, gently swirling my fingertip within her asshole.

"This is the opportunity of a lifetime," she said, her asshole twitching. "Take it, and then you have a lifetime to put it behind your back if you ever regret it. I am sure you are not dumb."

By then, her asshole had loosened up a little. I dipped my finger again in her wet pussy for a fresh coat of her juices before returning it to her ass.

"I hope I won't disappoint you," I said, gently working my fingertip in and out of her ass.

"You like finger fucking my virgin asshole," she teased.

"I actually do," I said. "Do you?"

"I do too," she said. "Do you know that you are the first ever to touch me there?"

"I guess I am a lucky guy," I said. "Your little asshole is too sensitive to ignore."

"This is a revelation to me," she said. "You seem to know your way around a girl's horny body, don't you?"

"You tell me," I said.

"I want you even more," she said.

"How did you manage to keep your tight ass virgin?" I asked.

"You think I am a slut, don't you?" she said.

"You act like one," I shrugged.

"I am not," she said. "I have only had one boyfriend. I'd freak out if he tried to touch me back there."

"You are letting me touch you back there now," I said, sticking my finger deeper up her ass.

"You somehow got past my defenses so to speak," she said.

"I am glad your receptive asshole likes what I am doing," I said, bringing my mouth to hers.

"Me too," she said before her lips met mine.

We kissed feverishly, our tongues dueling wildly, as we shoved our crotches together. My finger went as deep as it could up her twitching asshole, driving her closer to orgasm. She humped me violently as her orgasm neared, but I put an end to that, breaking the kiss and pulling back. We both panted.

"Let's not draw much attention," I said, withdrawing my finger from her ass.

"You won't be able to run away from my pussy," she gasped.

"A guy in his right mind would never run away from such a hot pussy," I said.

"I hope you get in your right mind very soon," she said.

"So do I," I said.

Another girl walked up to me and wrapped her arms around my neck. I held her ass. She was wearing shorts like Claire's, so I knew she must have been Mary unless those treacherous girls played another trick. No sooner had I squeezed her ass than she started to grind her pussy into my cock. I started to feel up her ass freely.

"Great ass," I said, squeezing her cheeks.

"I like how you play with it," she whispered. "I also like the feel of your cock as it grinds into my wet pussy."

"How wet is your pussy?" I teased as I crushed her pussy into my hard cock, making her gasp.

"It's so wet it can soak the front of your shorts through mine and not lose any of its wetness," she said.

"It sounds like a juicy little thing," I said. "It must be perfect for eating."

"I believe so," she said.

"How many lucky boys have eaten your delicious hot pussy?" I asked.

"None," she said. "Do you think boys my age know how to eat a wet pussy? They only care about their own needs. I am still an innocent little girl."

As my hands stroked up and down her ass, I discovered the snap holding the crotch of her shorts together. I unsnapped it open and held both her bare cheeks.

"I hope you don't mind," I said, squeezing her cheeks.

"On the contrary, I love what you are doing to me," she said, grinding into me harder.

"Let's see how you like this," I said as I spread her cheeks and tickled her asshole.

"What are you doing?" she gasped.

"I am tickling your sensitive asshole," I said. "Relax and enjoy."

"Oh, I like that," she moaned several seconds later, grinding her pussy into my cock.

"Are you virgin in the ass?" I asked as I dipped a fingertip in her leaking pussy juices before I used it to massage her asshole gently.

"I am a complete virgin," she said, shocking me. "I haven't even sucked a guy's cock ever. The only guy who has ever put his cock in my mouth or fondled and sucked my tits was you."

"So, what are you doing, letting me do this to you?" I asked, still massaging her asshole.

"I don't want to stay virgin forever, you know," she said. "I was hoping you'd help me with that."

"Being your cousin, I am not sure I can do that," I said, "but I'll sure think about it."

"I want you to do it because you are my cousin," she said. "You are the only considerate male cousin I have."

“Thanks for the compliment,” I said, “but that still doesn’t make it right for me to do it. You may want to find a boy your age who loves you and let him do it to you.”

As I was saying that, my slick fingertip was worming its way up her ass.

“I want someone who cares about me to do it,” she gasped as my fingertip popped past her virgin asshole. “I am sure you do.”

“Of course I do,” I said, gently reaming out her asshole. “There’s yet another problem. If I take your innocence, you won’t be left with the slightest shred of it. You’ll have to become a total depraved slut for me. I don’t want a nice girl like you end up like that.”

“I want to,” she said, grinding her pussy into my cock desperately as her orgasm approached. “I want you to do to me the nastiest things you can think of.”

“So, you want to be my dirty little whore?” I teased.

“Yes,” she hissed.

“You are trying to drive a hard bargain,” I said.

“It can’t be harder than your cock,” she said.

“I am afraid you are right,” I said.

We kissed feverishly while she continued to chase her orgasm. She was not a bad kisser for a complete virgin. Neither did I remember a bad cocksucker from sex court.

“If you manage to seduce me,” I said, breaking the kiss and pulling back from her steamy pussy, “you may be able to get your wish.”

My next partner wrapped her arms around my neck, and my hands went to her ass. Before long, I was holding bare flesh and kneading her lovely ass. She ground her pussy into my bulge. My fingers probed her leaky pussy, transferring juices to her asshole, where they were needed most. When her asshole was slippery enough, I slipped a slick finger in, making her grunt softly. I worked more juices into her asshole as I loosened it up. When I started to finger fuck her ass, she humped my cock in that rhythm.

“Play with my tits,” she said, guiding my left hand under her crop top.

She left my hand on her firm tit. I fondled it gently and teased its erect nipple. After a little while of playing with her tit, I moved my hand to the other. Meanwhile, she reached inside my shorts and started to stroke my bare cock while she still ground her pussy against its base. With one hand fingering her ass and the other squeezing her tits, I could not complain. Her rhythm became more and more urgent as I finger fucked her tight asshole smoothly.

She knew that her turn had finished just when she was about to come. When I removed my hand from her ass, she brought it to her mouth and sucked my fingers. She gave me a deep kiss before she walked away.

My new partner wrapped her arms around my neck and proceeded to kiss me. We kissed deeply as I felt up her ass through her skirt. Her pussy naturally humped my stiff bulge. Her skirt was soon out of the way as my hands stroked the smooth skin of her ass cheeks. My fingertips worked their way to her crack, and I tickled her asshole before I probed her wet pussy. I lubed the tight little orifice with her pussy juices and massaged it well before I pushed my fingertip in, making her moan as her asshole opened slowly to welcome the intruder.

“Suck my nipples,” she said, pulling my head down to her chest, as I reamed out her tight asshole.

My lips touched her bare flesh as I discovered that she had been topless. I did not hesitate to suck her sweet erect nipples while kneading her tits with my free hand. She moaned contentedly, holding my head to her chest. She had to be Kim, I thought.

“Hump my pussy,” she finally said, pulling me up.

She ground her pussy into my bulge like a woman possessed as I continued to finger her asshole and fondle her bare tits. She was definitely getting very close to orgasm as I pinched her stiff nipples. I suddenly pulled back.

A new girl joined me, immediately wrapping her arms around my neck. When I put my hands on her ass, my hands touched bare flesh. She shivered as I cupped her bare ass cheeks. She must have been Amber because there was no way Alex would dance with me with a naked ass.

“Where is your skirt?” I asked, familiarizing myself with her tight ass.

“Hush,” she whispered, grinding her bare pussy into the hard bulge of my cock. “Just enjoy.”

“You must be crazy,” I said.

“Hush,” she said, covering my mouth with hers.

A good kisser, my partner kept her tongue inside my mouth throughout our dance. I felt up her ass thoroughly before I assaulted her asshole. She just moaned, mashing her pussy into my cock, when my fingertip popped into her asshole. She deftly undid my fly and let my cock out. She urgently ground her pussy into my cock head and upper side as I toyed with her asshole. She naturally wanted to come badly, but I did not let her. She lifted her right leg and popped my cock into her pussy, which twitched around my cock head. I almost came, and she had a similar reaction. I quickly pulled out but continued to rub my cock against her leaky pussy. Before she finally walked away, she bent over and kissed my dripping cock head.

My hands also met bare ass flesh when I wrapped my arms around my next partner. I must have lost Alex because my new partner was stark naked. I verified that by running my left hand up her front and cupping her bare right tit. I squeezed it gently and pinched her erect nipple, making her moan softly.

“You are naked,” I said. “You must be out of your mind.”

“Shut up,” she whispered before her lips met mine.

While I was trying to deal with her aggressive tongue, she took me off guard and slipped my cock deep in her pussy. When that happened, I had not yet touched her asshole. Her pussy felt so hot and tight as it engulfed most of my aching shaft. With one of her legs hooked behind my ass, we continued to kiss like nothing out of the ordinary had happened. My hands continued with their quest for her asshole. In a minute, I had her asshole wet and ready. She moaned into my mouth as I pushed my finger up her ass.

“Kiss the mouth that is going to swallow your come,” she said, briefly breaking the kiss.

Her lips never left mine after that, and her tongue wrestled with mine most of the time. I thoroughly fingered her asshole, occasionally squeezing one ripe tit or the other, while her happy pussy bathed my cock in its copious juices. The front of my shorts was soaked with pussy juices, and she was adding more. I freely toyed with her asshole, making her shove her pussy into me more and more urgently. When she was so close to her orgasm she could taste it, I pulled back while we were still kissing.

“That was so nice,” she whispered, gasping as she broke the kiss.

Before I could react, she was on her knees and my cock was halfway down her throat as my shorts hit the floor. By the time I knew what happened, my aching cock was balls deep in her warm, moist mouth. I immensely enjoyed her heavenly mouth. She worked her lips rhythmically back and forth along my entire shaft, and I fucked back, meeting her halfway. She cupped my balls while pulling me by the ass deeper down her throat.

“You’ll have to make me come if you want to come in my mouth,” she said as she got up.

Before I knew it, she had turned around and backed into me, guiding my cock into her pussy. Always the gentleman, I grabbed her hips and proceeded to fuck her to orgasm since it was so dark no one could tell we were not still dancing. We were actually still dancing in a way—to our own rhythm. She finally convulsed, gasping softly, as a violent orgasm took over her. Her pussy twitched wildly around my cock, drenching it with juices.

When she calmed down, she turned around and knelt before me, immediately swallowing my entire shaft. She was a great cocksucker. She demonstrated to me that she could suck me all night long without ever letting me come, but she wanted me to come. I could not resist for long when she decided my hefty come load belonged in her mouth. I instinctively held the back of her head as my cock swelled and started to twitch, forcefully spurting come against the back of her eager throat. She swallowed it all and sucked me dry before she pulled my shorts up.

“That was wonderful,” I whispered when she got up.

“That’s how I’d describe it,” she said.

We shared our last deep kiss. Her tongue tasted of my come. When we pulled away from each other, I heard applaud. The party had officially ended. Soon the lights went on. We all had to blink until we got used to the light. The girls were already dressed in their original clothes.

Some of us watched television while the rest prepared dinner. At the dinner table, the girls were talking about how I had been a great dancer and how it was the hottest dance of their lives. We all knew it had nothing to do with dancing, but I played a long.

"It was so much fun dancing with these seven hot young ladies," I finally said. "You are all sizzling hot."

After dinner, I went to my room to reflect on what had just happened. One of those girls that I danced with, fondled their asses and fingered their assholes was my sister. I enjoyed kissing and fingering my horny sister, thinking she was someone else. She also did not mind my thorough search before the party. She actually enjoyed it. If my own sister acted like a slut, how could I blame the others? They all wanted me to fuck them silly and were not the least bit shy about it. I felt like I was in a whorehouse and the whores were competing for me. I was like the last man on earth.

My cock hardened at the prospect of my going with the flow and fucking the seven of them like Abbey had suggested, assuming that was Abbey, and someone else, maybe her, carried it out. I started to stroke my cock as I thought about what I would do to Abbey if I granted her wish. She definitely would not be virgin anywhere in her body if I had my way with her. They all had nice tight asses that any real guy would love to enjoy thoroughly.

While I was in the middle of my reverie, someone knocked at the door.

"Come in," I said, sitting up to hide my boner.

It was Claire. She was wearing tight hot pants and a tight skimpy top. She was fully made up, and her fingernails and toenails were polished. She was wearing high-heeled sandals. I could smell her perfume as soon as she entered and closed the door.

"Hi, Nick," she said.

"Hi, yourself," I said.

"Did you really enjoy our little dance party?" she said, standing before me.

"As a matter of fact, I did," I said, standing with her. "I enjoyed feeling you up quite a bit."

"I did too," she said. "It was really the hottest dance of my life."

"I see that you have changed your outfit," I said. "You look very sexy."

"Thanks," she said. "I've been too cruel to you, flashing you my pussy and tits every chance I got. I thought I'd put on a modest outfit."

Her little shorts were painted on her body. When she turned around to close the door earlier, I saw the beginnings of her ass cheeks hanging outside the leg openings. As she moved closer, I could make the outline of her pussy. Her top held her tits up and out, exposing most of her tit flesh and clearly outlining her erect nipples. Her modest outfit reminded me of my prudish grandmother's conservative dresses.

"You are a guest here," I said. "You should make yourself at home."

"I am really feeling more than at home," she said. "Did you think I could flash my pussy and tits at home?"

"You couldn't?" I asked in mock shock.

"Of course not," she said. "My mom would kill me."

It was not appropriate to tell her of the time I caught dad sucking her mother's tits in the bathroom.

"Mom, dad, I am sorry," I apologized as I closed the door, saving them the embarrassment, but I knew fully well it was not mom since I had just seen mom in the kitchen. I even went to the kitchen and made sure mom was still there. I then disappeared so they would not find out I had caught them.

"I didn't know your mom was such a prude," I said to Claire.

"You know the old generation," she said. "They are always too protective."

"Anyway, despite its modesty, your outfit is even hotter than your other one," I said.

"Do you really like it?" she smiled, turning left and light.

"I think so," I said. "Why don't you turn around and bend over so I can see your pussy is not peeking out?"

"Sure," she said, turning around. She bent halfway down. "Like this?"

"I must compliment you on your great ass," I said.

"Thanks," she giggled. "I am glad you like it."

"I have to like something this tight and round," I said, squeezing both her ass cheeks.

"Can you see my pussy peeking?" she asked.

"Not at all," I said, standing up. "Let's check your tits. Stand up."

When she stood up, I stood behind her and looked down at her tits. I held her tits in my hands and squeezed them gently. I started to tease her stiff nipples through her thin top, making her gasp. She pushed her ass back, trapping my hard cock between my belly and her ass crack.

"You are enjoying this, aren't you?" she teased, grinding her ass into my cock. "You have a big boner."

"I always do," I said, pinching her nipples. "Besides, I like helping you choose the right outfit."

"Do you like my tits too?" she moaned.

"As a matter of fact, I do," I said, kneading her tits.

"Can you see them peeking?" she asked.

"Absolutely not," I said as I pulled her top forward and looked down at her bare tits.

"I told you I was wearing a modest outfit," she said.

"I told you that I liked it too," I said. "If someone wants to see your lovely tits, he has to deliberately pull your top open like this."

"I wouldn't let him though," she said. "I am a good girl; I don't let just anyone do this to me."

"Of course you don't," I said as I pulled back and turned her around.

"I only let very special people peek at my tits," she said.

"I guess the only way to have a good look at these lovely darlings is to get your top out of the way," I said as I pulled her top up over her tits, setting them free.

"That would be outrageous," she said as I lowered my head to her tits.

She moaned as I closed my lips around her left nipple and started to suck gently. She held my head to her tit just like her mom did with dad when I caught them in the bathroom. I switched my mouth from nipple to the other.

"You are making my pussy all wet," she moaned.

Simply cupping her pussy with my left hand verified that she was right. I could feel the moisture and heat through her thin hot pants. I massaged her pussy as I continued to suck her nipples and fondle her tits.

"I like your outfit," I finally said as I stood up and pulled her top back on.

"Now that you approve, maybe I can ask you for a little favor?" she said.

"Sure," I said, smiling.

"Can we drink a little wine?" she asked.

"You, girls, are out of control without getting drunk," I smiled, feeling my cock pulse.

"We don't want to get drunk," she said. "We just want to drink a little whine."

"Unfortunately I can't help you with this," I said. "All of us are under legal drinking age, and mom has explicitly disallowed it."

"I'll pay for it," she said.

"My guests can't pay for food or drink," I said. "If it were okay, I'd pay for it."

"Come on, Nick," she begged. "Your mom won't be able to find out."

"That may be true, but my honor comes first," I said. "I gave her my word."

"If you did that for me, I'd return the favor," she teased, licking her lips as she brushed her fingertips along my hard shaft through my shorts.

"How would you do that?" I asked, playing along.

"I'd help you with your huge boner," she said, sucking a finger into her mouth. "I'd suck it well for you."

My cock twitched at the thought of sinking between her sensuous lips.

"I don't think so," I smiled. "That's not good enough."

"I deep throat," she teased.

She surely was not the only one.

I shook my head silently, feeling my cock grow harder.

"I swallow," she said.

She was not the only one, either. I shook my head, but that did not keep my cock from growing even harder.

"Even if I am the best cocksucker you can ever have?" she asked in challenge.

"I don't think so," I said. "I've surely had better."

"Let's make a bet," she said.

"What bet?" I asked.

"If I wasn't the best cocksucker you've ever had, I'll be your sex slave for a full day," she said. My cock nodded. "If I was, then you have to be my sex slave for a full day. The master gets to do whatever with the slave."

"I don't think you know what you are talking about," I said. "I was initiated by an older woman. She really knew how to suck cock. There's no way you can even compete with her."

"Was she married?" she asked.

"Yes," I said.

"She doesn't have a chance with me," she said. "She probably gets to suck cock once a month if ever. I suck cock on a daily basis, and today isn't about to be different. You don't know what your friend is up against."

"If you lose, I am going to take full advantage of you," I said earnestly. "I'll fuck your ass open."

"Whatever," she said. "I don't intend to lose. You'll be my slave. I have a few things in mind for you."

"Let's do it," I said.

She went down to her knees and helped me out of my shorts, unleashing my hard cock.

"What a beautiful cock!" she said, admiring my rampant cock. "Your sister has every right to brag about it."

My sister was bragging about my cock? What a crazy family!

She leaned forward and planted a kiss on my leaky cock head that made my cock jump.

"I like your cock, and it likes me," she said.

"It apparently does," I said.

"It's not fair to expose you while I am dressed," she said, standing up.

She smiled as she pulled her top over her head and put it aside, baring her lovely tits. I eyed them openly. She then pushed her shorts down and kicked them off, leaving herself naked.

"I feel sexier when I do it naked," she said, fondling her tits and teasing her nipples.

"You look sexier when you are naked," I smiled.

"Do you like my tits?" she asked seductively.

"They are wonderful," I said.

"Come on, give them a kiss," she said.

I planted a light kiss on each of her erect nipples.

"Do you call that a kiss?" she said sarcastically. "Give them a real kiss. You are acting like you haven't ever sucked them greedily."

I held her waist and closed my lips around her left nipple. I licked it and sucked it gently for several seconds.

"This is what I was talking about," she moaned.

I switched to her right nipple and gave it the same treatment.

"You haven't taken a good look at my pussy," she said as she sat on the bed.

She leaned back and pulled her feet onto the edge of the bed, spreading her knees. That exposed her pussy completely. Her little asshole peeked shyly below.

“Do you like it?” she asked.

“It’s so pretty,” I said, admiring her pussy openly. “It’s so wet too.”

“It’s dripping,” she said. “Is that a surprise after you teased me all day? Besides, my poor little pussy can sense the presence of a big hard cock. My needy pussy must be so hungry for your cock.”

“I think it really needs cock,” I said.

“Kiss it,” she whispered. “Feel how hungry it is.”

“Does it know how to French kiss?” I teased.

“It knows all kinds of kisses,” she said. “Try it.”

“It’s making my mouth water,” I said, licking my lips.

“Kiss it, baby,” she whispered.

Tilting my head to the side, I parted my lips and stuck my tongue slightly out as I brought my mouth to her pussy. I pushed my tongue between her wet pussy lips as I sucked her pussy into my mouth. She shuddered, and her pussy twitched around my tongue, squeezing a fresh load of juices into my mouth. I shared a long deep kiss with her delicious pussy, which ground into my face and sucked on my tongue, practically kissing back. She moaned as her pussy continued to leak into my eager mouth until I broke the kiss.

“Did you see how hot it is for you?” she said as I got up.

“It’s so hot, wet and delicious,” I said.

“I bet you want to look at my ass too,” she said, turning around onto all fours.

She thrust her hot ass in my face and looked over her shoulder.

“Do you like it?” she asked as I admired her ass intently.

Her ass was so tight it was spread almost as wide as was possible. Her pink little asshole looked so sweet. It looked like a cute little mouth puckering for a kiss. It was irresistible. I instinctively lowered my mouth to it for a kiss as if I was in a trance. I touched my tongue tip to the center of her asshole as I kissed her pucker, making her gasp. Her asshole clenched involuntarily, but she did not pull away.

“You shouldn’t do that,” she said, gently grinding her ass into my face.

“I think I should,” I said, breaking the kiss. “Your asshole is beautiful. It’s mouthwatering. It deserves to be kissed no less than the prettiest and most delicious of juicy pussies.”

“Are you ready to let me at your juicy cock?” she said as she got off the bed.

“I guess I am,” I said, looking down at my throbbing cock.

“You’ve enjoyed inspecting my body, haven’t you?” she said, smiling as she looked at my leaky hard cock.

“I can’t deny that,” I said as she teased my dripping cock head with a fingertip.

“I don’t have to drop to my knees and swallow your cock like a starved animal,” she said, squeezing my cock. “We can kiss and pet a little. You can feel me up and finger me. Help yourself to my horny body.”

“That’s not a bad idea,” I smiled, beckoning her with my finger.

“What are you going to do to your poor innocent cousin?” she teased, moving closer to me, still holding my hard shaft with her right hand.

“Nothing she doesn’t want me to do to her,” I said as I placed my hands on her hips and pulled her closer.

“Are you going to kiss her and make her feel good?” she cooed.

“Yes,” I said, cupping her ass cheeks.

“Where are you going to kiss her?” she teased.

“On her lips,” I said.

“Which lips?” she teased mischievously.

“The lips she wants to wrap around my cock,” I said.

“You mean both sets of lips?” she teased.

“You only have two sets of lips you want to wrap around my cock?” I teased.

“What do you mean?” she asked quizzically. “You don’t mean...?”

“I am afraid I do,” I said.

“I can’t believe you really kissed me back there,” she said.

“I wouldn’t stick my finger or cock where I wouldn’t stick my tongue,” I said.

“Well, kiss me wherever you want,” she said.

“Turn around and thrust your hot tight ass out,” I instructed.

When she complied, I knelt behind her and held her hips. I was face to face with her virginal anal orifice.

Her wet pussy leaked as I continued to admire her asshole.

“Kiss it,” she hissed, shuddering.

“Spread your cheeks a little and ask nicely,” I teased.

Her asshole was already utterly exposed, but I wanted her to feel her vulnerability and lewdness. She reached back and spread her ass wider, making her asshole look even more tempting.

“Please, kiss my asshole,” she hissed.

“I can’t believe that a sexy goddess is begging me to kiss her sweet asshole,” I said. “I should be the one begging, but I guess I am a very lucky guy.”

She gasped when my lips touched her asshole. I gave her a few light kisses before I started to kiss her with an open mouth, letting my tongue taste and feel her twitching pucker. She gasped softly, holding herself open for my mouth like a statue as she tried to come to terms with the new sensations. Her asshole relaxed, and she started to moan in pleasure, gently grinding her ass into my mouth as I stroked her thighs and inner thighs. I pushed her hands off her ass and started to fondle and knead her ass cheeks. Her asshole nibbled gently at my tongue tip. I occasionally pulled back to watch her little asshole wink invitingly at me.

“Oh, this feels so good,” she moaned as I probed her asshole with my tongue. “I didn’t know my little asshole was so sensitive.”

“Your little asshole is wonderful,” I said. “It’s perfect for fucking.”

She let out a long moan as I rubbed her leaky pussy with two fingers. I gently slid one then both fingers into her pussy and started to pump her pussy in a slow rhythm. Her pussy milked on my fingers as her asshole continued to nibble at my tongue tip. I swirled and twisted my fingers within her pussy, making her asshole twitch. I finally moved my mouth off her asshole, leaving it covered in drool. I removed my slick index finger from her pussy and gently wormed it into her asshole, making her moan. I spit on her asshole and worked the spit inside with my index finger, loosening up her tight sphincter. As her asshole accepted my finger, I fucked her pussy and asshole rhythmically with a finger each. She fucked back, humping my fingers urgently. I stopped moving my hand, but she continued to fuck my fingers.

“Slow down,” I instructed, steadying her ass with my free hand.

She slowed down a little, and I resumed pumping her horny holes.

“I am going to come,” she moaned, shoving her ass back harder.

She was disappointed momentarily when I yanked my fingers from her needy holes, but I quickly slipped my middle finger into her asshole. I finger fucked her ass vigorously until she was about to come then I stopped.

“Oh, Nick, you are a tease,” she said in frustration. “I need to come.”

She had practically declared the beginning of the countdown for her virgin little asshole. My cock twitched.

She humped my finger gently as she calmed down. I finally removed my finger from her asshole and covered her asshole with my mouth. While I probed her asshole with my tongue, I brought the sticky fingers that had fingered her ass to her mouth. She moaned as she sucked them eagerly, grinding her ass into my mouth. I removed my fingers from her mouth and spread her ass with both hands, obscenely exposing her drenched pussy. I gave her sticky pussy a deep kiss, probing it with my tongue. I swirled my tongue inside, savoring her juices for a minute, before I broke the kiss and stood up.

“Did you enjoy the way I kissed your hot fuck holes?” I teased as I turned her around to face me.

“Oh, yes,” she said. “It was incredible, but I still need to come.”

“I guess you’d enjoy it a lot if you lost your bet,” I teased, tickling her ass cheeks with my fingertips.

“I think I would,” she said, shuddering as I teased her sticky asshole with a fingertip.

“Good for you,” I said. “Now let me kiss the first set of sexy lips you want to wrap around my hard cock.”

She gasped when I popped my fingertip up her asshole. While we kissed, I fondled her ass and fingered her asshole. She moaned into my mouth, grinding her pussy into my cock. We ground our crotches together wildly. I alternated between crushing the base of my cock against her mound and sliding its upper side against her pussy. Once my cock head got caught in her pussy hole and popped inside when I thrust. She broke our hungry kiss and gasped. She started coming and convulsing in my arms. Both her pussy and asshole twitched desperately around me. I wanted to pull out, but that would have been too cruel for her. Instead, I pulled her ass hard, driving my cock balls deep into her fluttering pussy. She had multiple orgasms as I finger fucked her asshole and she smashed her pussy into my pubic bone, drenching my balls in her juices.

“I really needed that,” she panted when her orgasm subsided and she could talk.

She showered my face with kisses. Our lips met again in a wild kiss as she started to thrust her pussy against my cock. She broke the kiss and started coming again within a minute or two.

“You were really starved for cock,” I said as she showered my face with more kisses.

“I can’t stand being teased for hours,” she panted.

My poor cousin must have believed that I had been really teasing her.

“I really appreciate that,” she panted. “I am going to suck your cock like I’ve never sucked cock before.”

She pulled back, letting my dripping cock pop out of her drenched pussy. She dropped down to her knees and was face to face with my glistening cock. I let her suck my sticky finger that had been up her ass. She moaned as she sucked my finger, intently eyeing my throbbing cock.

“Why don’t you set back and let me at your beautiful cock?” she suggested, pushing me toward the bed.

She pushed me back onto the bed, and I sat down, spreading my legs. She knelt between my feet, and I sat back, watching her.

“I drenched your cock with my pussy juices,” she smiled. “Don’t worry; I am going to lick it clean.”

My cock jumped when she proceeded to lick and tease my balls, looking up at me.

“They must be so full of creamy come,” she said. “I can’t wait to drain them down my throat.”

Her comment made my cock twitch.

“You can’t wait either, can you?” she teased, smiling at me. “Wait until you feel my hot lips wrap around your big juicy cock.”

That made my cock twitch again.

“You are a little tense,” she said. She teased my cock head with her tongue tip, making my cock jump. “You need to relax so you can enjoy the best blowjob of your life.”

She kissed her way down the underside of my cock back to my balls. She licked my cock thoroughly from my balls all the way up to the leaky tip.

“My pussy juices taste good off your tasty cock,” she said. She closed her lips around my cock head and sucked gently, sipping the leaking fluids. “Your juices taste even better.”

“I love sucking a juicy cock and taking it down my throat,” she said. “Most guys are impatient. I hope you don’t mind my taking my time sucking yours. It makes my pussy all wet and sticky and ready to fuck. My horny little pussy is already leaking as it thinks about stretching its lips around your thick hard shaft again.”

“My pussy is not my only drooling orifice,” she cooed. “My mouth is also watering as it thinks about sucking your big cock all the way down my throat.”

“You are not the only one,” I said. “My cock is drooling at that prospect too.”

"I love a juicy cock that keeps drooling in my mouth," she said. "I love it when its drool mixes with mine. It gets me hotter and readier to swallow come."

"You sound like a natural cocksucker," I said.

"I think I am a born cocksucker," she said. "Right now I am a hungry one. I have to suck your cock before my drool starts leaking out of the corners of my mouth."

"Suck it, baby," I said as if she needed any encouragement. "Suck it all you want."

Holding the base of my cock with two fingers and one thumb, she kissed and licked my leaky cock head for a few minutes. That helped calm down my twitching cock. When she finally closed her sexy lips around the bulbous head, my cock jumped with delight and started throbbing. She palmed my balls tenderly as she sucked the head gently, swabbing it with her tongue. She moaned softly as she did that, constantly maintaining eye contact.

After a little while of that, she let her stretched lips slowly slide down my thick shaft. She sucked my cock into her mouth little by little, working her lips a little down then a little up. She took her time taking my cock in, finally letting my cock head pass her tonsils and sink deep down her throat. Her lips finally stretched around the hard base of my cock, her lower lip touching my balls and her nose pressing against my pubic bone. She was still looking into my eyes. The way she milked on my cock with her throat made my cock twitch and ooze fresh sex drool past her throat. She winked at me before she proceeded to slide her lips tantalizingly slowly up my shaft toward my cock head. She occasionally slid her lips down my shaft in sudden jerks, making my cock twitch.

She definitely knew what she was doing. I really enjoyed watching and feeling her suck my cock like nobody else ever had. My leaky cock stood rock hard in her mouth as she masterfully teased it and pleased it with her sexy mouth. She also enjoyed herself, moaning around my cock continuously.

She spent over ten minutes sucking my cock at different depths ranging from balls deep to cock head deep. She was so dynamic her lips, tongue and throat felt all over my cock all the time. Her unique technique was so pleasurable my cock leaked continuously in her eager mouth.

She suddenly took her mouth off my cock and plopped astride me, swallowing my cock balls deep into her pussy with a sharp gasp. That made my cock twitch.

"I am not through with sucking your cock," she gasped as she started bouncing on my cock. "I just want to let it soak in my juices a little."

She leaned forward, so I was able to suck her nipples as her tits swung back and forth.

"I love your cock," she gasped. "It feels so good in my pussy."

"Your forbidden pussy feels so good too," I said. "I love fucking it although I shouldn't."

She took my right hand and sucked my index and middle fingers into her mouth. She soaked them in her drool before she guided my hand back to her ass. She slowed down as I massaged her asshole with my fingertips. She gasped when I popped the tip of my middle finger up her ass. Both her pussy and asshole twitched. Her asshole loosened up gradually, and I started to finger fuck it and ream it out with my finger. Her pussy continued to drool over my cock like a leaky faucet.

"You really like my ass, don't you?" she teased as I continued to swirl my finger within her relaxing asshole.

"Of course I do," I said, working my finger in and out of her ass. "You have a wonderfully hot ass."

"You bad boy, Nick, are you really plotting to fuck my virgin asshole with your big cock?" she teased, her pussy twitching around my throbbing cock.

"Claire, I don't know what kind of boys you've been with, but I'd have not to be human not to," I said. "You have a perfect ass: it's gorgeous, it's curvy; it's tight, it's hot, and it's very responsive. Who am I even to think it's not good enough for my cock?"

"Maybe you should think it wasn't meant for your cock," she said.

"Claire, your lovely ass is prettier, more delicious, tighter and more responsive than any pussy I've ever seen," I said. "If this fine specimen of female ass wasn't meant to be fucked, nothing was."

"So, you want to tear my little ass apart with your big cock," she pouted.

"That would be blasphemy," I said. "I want to worship your divine ass and fuck it through the best orgasms of your life so you have to come and come and come back for more."

“Do you think you can fit that huge cock of yours in my little asshole?” she asked.

“I don’t have a doubt in that,” I said. “Your ass wouldn’t be perfect if I couldn’t, but you have a perfectly responsive asshole. All I have to do is to win its trust and let it relax a little, but I don’t want it to relax yet. I want to toy with your timid innocent asshole before I totally rid it of its innocence and turn it into a bold lustful orifice. I promise you that you’ll be soon begging me to fuck your ass hard and deep, but I want to tease you first.”

“You are so wicked, Nick,” she said. “You want to turn your nice cousin into a wild anal slut.”

“Of course I do,” I said. “Don’t you want me to?”

“Do you know why I do,” she teased.

“Why,” I asked.

“Because you are making me think like a bad girl already,” she said.

“You are a good girl, Claire,” I said. “Thinking like a bad girl only makes you more of a good girl.”

“Don’t you want to be a good boy and feed me your come yet?” she teased. “I am starving for it.”

“Be my guest,” I said.

“I am going to be good to you and let you play with my ass while I do that,” she said, rocking on my cock. “I want to come on your big cock one last time first.”

She picked up the pace, and I matched her with both my cock in her pussy and my finger up her ass. She could only last for a few minutes. She finally lost control and started shoving her pussy into the base of my cock as her wild orgasm took over her. I had to steady her so she would not fall off the bed. Her pussy and asshole twitched crazily as she drenched my cock with fresh juices. When her orgasm finally subsided, she was out of breath.

We kissed lewdly as we ground into each other gently. She finally reached back and pulled my hand off her ass. She sucked my fingers before she dismounted me and turned around, straddling me in the sixty-nine position. I drooled on her asshole and slipped a finger in. I gently reamed out her asshole while I ate her drenched pussy. She was meanwhile sucking my cock deeply, replacing her pussy juices with drool. She moaned over my cock, urgently grinding her pussy into my face. When she came, she dropped my cock from her mouth until her orgasm subsided.

When she resumed sucking my cock, I proceeded to licking her luscious asshole. I occasionally fondled her tits and lapped the leaking juices off her pussy so she would not make a pool on my chest. Her asshole loosened up and started to suck on my tongue tip. My cock was so hard I had to come very soon, and she sensed it.

“In what position do you want to come in my mouth?” she asked as she continued to ride my face.

“I want you on your knees on the floor,” I said.

“I like that position,” she said, dismounting me. “It makes me feel like a cheap cocksucker.”

“That’s why I like it,” I said as I hopped off the bed.

“Are you ready to fill your cousin’s mouth with hot come?” she teased, smiling at me.

“I’ve never been readier,” I said.

“I’ve never been this thirsty for come either,” she said as she pulled me toward her by my butt.

“I want to fuck your throat,” I said.

“I am your cocksucker,” she said. “Fuck my mouth any way you want.”

“I will,” I said. “I have to put you through your paces.”

“I want you to,” she said.

Her mouth was wide open an inch or so before my cock. I thrust my cock balls deep down her throat, holding the back of her head with my right hand to make sure my cock could not go any deeper. She also pulled me deeper by my butt to make sure I was not holding anything back from her.

We started by fucking her face hard, me thrusting into her throat and her pulling me deeper. I sometimes took my cock out of her mouth to slap and rub her face with it. She sometimes did that and flicked my cock against her tongue while sticking it out. She was one greedy cocksucker.

After a while of that, I pushed her hands off my butt and took full control. I held the top of her head and thrust in her throat at my own pace. I cyclically alternated between fucking her mouth hard until I was very close to

coming and slowing down until the urge went away. Her oral skills made it harder and harder to last, and she knew it, often winking at me whenever I was dangerously close.

Since she was on the test, I decided not to give her any hints and see how she would handle my come. I thrust into her throat until my cock swelled. She pulled me out and held my shaft in her right hand. She jacked me off vigorously while opening her mouth wide and sticking her tongue all the way out. My cock twitched, shooting thick jets of come against the back of her throat. She continued to jack me off until my come spurts diminished. She tilted her head up and showed me her mouth full of my come. She swallowed it all and took my cock in her mouth. She sucked it dry and only let my cock go when it was totally soft.

She was indeed a champion cocksucker.

"What do you think?" she asked, smiling at me wickedly and occasionally licking her lips. "Was it the best blowjob of your life or not?"

"You won, you slut," I said, smiling back at her.

"I told you I would," she said happily. "Now you are my sex slave for twenty-four hours."

"What do you want to do with me?" I asked.

"I want to feel like a real woman," she said. "I want you to take advantage of me and use me completely. I want you to treat me like a depraved slut and fuck me like a cheap whore."

"Why do you think that would make you feel like a real woman?" I asked, surprised by her request.

"A woman's body was designed to please her man," she said. "The more pleasing a woman to her man, the more of a woman she is. The ultimate a woman can do to please her man is to be his total slut, doing to him and letting him do to her whatsoever he wants. Fuck my virgin asshole and treat me like a cheap whore."

My cock jumped at that to half hardness almost immediately.

"You like that, don't you?" she giggled, taking my hardening cock in her hand.

"I guiltily do," I said as she started to stroke my cock.

"If you think I have a nice ass, you should," she said as she got on her forearms and knees on the bed, thrusting her ass out.

"You no doubt have a dream ass," I said as I reached out and proceeded to finger her leaky pussy.

"Do you think my ass deserves the best?" she asked.

"Of course it does," I said, teasing her anal pucker with a dripping fingertip.

"Do you think my virgin tight ass deserves to be deflowered by a jerk?" she asked.

"Of course not," I said. "A jerk doesn't even deserve to see your ass in baggy pants."

"It's settled," she smiled. "You should fuck it."

"Why do you think so?" I asked, popping my slick fingertip into her asshole.

"Because you are apparently the best ass fucker in the state according to your sister," she said.

"How did my sister know?" I asked in surprise, moving my fingertip in tiny circles within her tight asshole.

"I don't know," she said. "Maybe she spied on you. Maybe you were too loud. Maybe your girlfriend told her. I honestly don't care, but I trust her judgment."

"I really value your trust and hers," I said. "I am not pure enough to be able to resist your lovely ass. I am only pure enough to do my best to please it as much as possible. I shamefully admit that I can't wait to fuck it."

"You are a good slave," she laughed, her asshole twitching. "You are dying to please."

"I am always dying to please," I said.

"Please me," she moaned. "Get my virgin ass ready for that big cock of yours."

"Yes, ma'am," I said as I popped my finger out of her reluctant asshole and brought it to her mouth. She sucked it gently. "So, for the next twenty-four hours you are my mistress and slut."

"I sure am," she moaned around my finger.

"Spit in my hand," I said, removing my finger from her mouth.

She spit in my hand, and I applied her spit to her asshole. I finger fucked her asshole with my middle finger, working her spit inside her ass. She moaned softly, rocking gently as her asshole milked on my finger. I removed my finger from her ass and had her suck it thoroughly. While she sucked my finger, I pressed the underside of my hard cock to her slippery pussy and sticky asshole. She ground her pussy against it. My cock head continued to leak just like her pussy. When she finished sucking my finger, I used my dripping cock head to massage her asshole, which initially clenched defensively.

“Relax,” I said softly, pressing my bulbous cock head into her apprehensive little anal pucker. “I am not going to penetrate your ass yet. I am just testing your asshole and playing with it.”

Her asshole relaxed a little as I continued to massage it with my leaky cock head. She started to moan and push back, enjoying my ministrations.

“Is my slut enjoying herself?” I teased.

“Yes,” she hissed.

“Your beautiful asshole is so hot and playful,” I said, flicking my cock head against her asshole. “I love it.”

When my cock head dried and became sticky, I dipped it in her dripping pussy and returned it to her asshole. When it dried again, I left it pressed gently against her asshole while I adjusted her position. I made her stand on her knees. I parted her knees a little and parted her feet as wide. I adjusted her posture by having her thrust her ass back and her chest forward, leaning a little forward. Her pussy and asshole were offered obscenely. Her asshole aimed back and slightly down.

“Spread your ass gently,” I instructed, guiding her hands back to her parted cheeks.

When I stood behind her my cock was in line with her asshole. I drooled generously on my cock head and used it to apply the drool to her pucker. I held her hips and pushed ever so gently into her ass. My cock doubled in hardness as it pressed into her virginal anal opening. Her asshole clenched involuntarily.

“Relax,” I reassured her. “I am just testing the elasticity of your virgin asshole before I ready it for my cock. Take a deep breath and hold it in. Push out very gently with your anal muscles. That would help you dilate.”

As she tried to relax, I could feel her asshole loosen up slightly and start to open up. I gently held my cock head against her asshole. Her asshole continued to dilate slowly until it reached half the width needed for my cock head. My cock head was nestled in the hollow of her anal cavity. Her asshole squeezed around the tip of my cock. I could feel the pulse of her heartbeat in her asshole. The heat of her sphincter made my cock throb and leak.

“Your asshole is so hot,” I said, cupping her tits. “Do you like how my cock head feels against it?”

“Yes,” she hissed. “It feels so big.”

“You make me very hard,” I said, teasing her nipples. “My cock is drooling right inside your open asshole.”

“It’s making my pussy drool too,” she gasped.

“Let’s enjoy the sensations a little more,” I said. “Keep pushing out with your anal muscles.”

As we held that position, her asshole relaxed a little more and my cock inched a couple of millimeters deeper.

“French kiss my cock head with your asshole,” I instructed.

She started to roll her ass in tiny circles while gently milking on my cock head. That felt really good. In turn, I fondled her tits, teasing and pinching her erect nipples.

“You are a great kisser,” I said.

“I love kissing,” she moaned, “especially kissing nice cocks.”

“You really know how to kiss a hard cock with every hot hole in your horny body,” I said.

“I am a born cock lover,” she said. “Every girl is supposed to be like this.”

“You are a true girl,” I said. “I am sure you’ll be a natural slut.”

“I’ve never been a slut for anyone,” she said. “I can’t wait to be yours.”

“I am working on it,” I laughed. “I want you to freeze in this position as I push you onto your stomach.”

“Okay,” she said, holding her position stiffly.

I gently pushed her forward, climbing onto the bed as I lowered her gently onto the bed. Her asshole was then pointing up and slightly back.

"I am going to do some kissing of my own," I said, bending over her ass.

As she spread her ass for me, I proceeded to kiss her asshole with an open mouth.

"Yes, baby," she moaned. "A good slave should really know how to kiss ass. You sure do."

For the following five minutes, I kissed and licked her asshole continuously, and she moaned happily, grinding her ass into my face.

"Spit in your hand and finger your asshole," I instructed as I finally broke the anal kiss.

As she used her right hand to comply with my instruction, I used my right hand to pull her right cheek out.

"Don't ream it out," I said. "Just work your spit inside."

While she continued to finger fuck her ass, I drooled into her asshole and watched her work my drool inside. I retrieved the specially thick lube I usually used for marathon ass fucking and squeezed some onto her asshole.

"Work it all inside," I instructed as I continued to squeeze thick lube onto her asshole.

She eagerly worked all the lube I provided inside her ass. I finally pushed her hand away and popped my cock head past her sphincter, making her gasp. With her on her hands and knees, I covered the upper side of my shaft with lube. I pulled her upright and wrapped my arms around her outside her arms and cupped her tits.

"Use your hand to spread the lube all over my shaft while you milk on my cock," I instructed.

She soon had her right hand stroking my slick shaft while her tight asshole milked on my cock head. Meanwhile, I fondled her tits and teased her nipples, pinching them occasionally.

"Are you ready to work that hot ass of yours all the way down my cock?" I teased.

"Yes," she hissed, her asshole twitching.

"Do it, baby," I suggested. "Let's get your horny ass stuffed tightly with thick hard cock."

She started to rock her ass gently. I pushed forward against her thrusts.

"Spread your ass lewdly while you do that, you slut," I instructed.

While she pushed her ass back, I continued to fondle her tits and nibble on her earlobes, occasionally kissing her neck or the side of her face. My cock sank slowly but surely into her virgin depths with every little thrust. We met a little resistance that she easily overcame as my cock head advanced past her second sphincter. We met a little more resistance when my cock head pushed past her rectum.

"Relax and breathe deeply," I reminded as she struggled to swallow the last inch or two up her receptive asshole. "When you are ready give it a hard push while you push out with your rectal and anal muscles."

She carried out my instructions as I held her hips gently. She gave a grunt as my shaft slipped all the way up her ass. As my cock slid deeper inside her, I pulled her tightly into me, making sure I was balls deep inside her magnificent ass. Her ass contracted around my entire shaft, especially its thick end.

"Good job," I said, clapping my hands. "You were made for this, you slut."

"Oh, boy," she moaned as I returned my hands to her tits. "Your cock feels as if it's stuffing every cell in my body. It feels as if it's going to come out of my throat. I've never been so full of cock."

"Do you like the feeling?" I asked, fondling her tits.

"Oh, yes," she said, wiping her pussy with her hand. That made her asshole twitch. "I love it. My pussy's leaking like a loose faucet."

She raised her hand, showing me her glistening fingers.

"Let me see," I said, holding her wrist. I inhaled her pussy smell deeply. "I love this smell."

I sucked her pussy juices off her fingers one by one.

"I told you ass fucking was all about wild lust and intense pleasure," I said. "Besides, you are a hot scorcher."

"Do you like how my ass feels around your cock?" she asked, milking on my cock.

"I love it," I said. "My cock's leaking as profusely as your pussy, but it's leaking so deep up your wonderful ass. Keep milking on it and move your hot ass back and forth so it can keep leaking inside you."

She started with short gentle thrusts as I milked on her tits to set her rhythm. She soon synchronized her milking and rocking movement to my rhythm.

"Oh, yes, baby," I encouraged. "We are going to indulge your horny ass and get it fucked to satiation."

Our strokes got constantly longer and smoother, always ending with pressing my balls against the back of her leaky pussy. I occasionally wiped her drenched pussy. I alternated between sucking my sticky fingers and letting her suck them. With my hands holding her hips and pacing her, it took us a few minutes to be fucking at a nice rhythm. She was working her responsive asshole back and forth along the full length of my shaft.

"There's nothing like fucking a hot tight ass for the very first time," I said, returning my hands to her tits.

While thrusting in her ass to meet her strokes, I squeezed her tits and pulled on her stiff nipples continuously, driving her nuts. She fucked faster and harder, gasping and moaning.

"Yes, Nick, that's it," she panted. "Fuck my ass nice and hard."

"You just have a good time," I assured. "Leave your hot tight ass to me. I am going to fuck it wide open."

"Oh, I am having a wonderful time," she moaned.

"Me too, baby," I said. "I love your ass very much. I am going to have a hard time getting enough of it."

"Good for me," she giggled. "It's so hungry for your cock."

As our flesh slapped audibly, I turned her head back and kissed her savagely. She kissed back hungrily.

"Do you like the feel of my asshole on your cock?" she teased.

"Can't you feel how hard and big you are making my cock?" I said.

"Oh, yes," she said. "Your cock feels as hard as an iron bar and as big as a telephone pole."

"That's how much I like your hot tight asshole," I said. "I just hope I don't fuck you all the way to death."

"I wouldn't feel a thing," she laughed, "because I've already gone to heaven."

"I hope it doesn't happen," I said. "I wouldn't be able to explain it to your parents. Besides, I'd have lost a great cousin and a wonderful friend."

"Let's not think about that," she said. "I just want you to fuck me as if you are trying to fuck me to death, for I've never felt this hungry for cock."

"Have you every felt so full of cock?" I teased.

"Of course not," she said.

"Then don't worry," I said. "I'll fuck you all the way to satiation then some, and I want you to take your sweet time. You are going to get fucked like you've never been fucked before in quality and quantity."

"You are going to spoil me for my poor boyfriend," she said.

"Hey, whenever you need extra cock, you know where to come," I said.

"I'd have to live here to get enough cock after this," she said.

As our fuck progressed, she was leaning forward and holding my hips, pulling me into her. I was holding her tits and squeezing them as I thrust into her eager ass. We fucked harder and faster as her orgasm approached. She finally gasped sharply and stiffened, but I fucked her even harder. She lost control and bucked her ass wildly as her orgasm took hold of her. I drilled her twitching asshole vigorously as she gasped for air, convulsing in a long, hard orgasm. She finally went limp, leaning back against me. We kissed lewdly as she continued to pant, my cock thrusting gently in her asshole.

"How do you do that?" she panted. "That was the best orgasm I've ever had."

"You did that, baby," I said. "You have a very sensitive asshole. You are a very hot anal slut."

"You haven't come yet," she said, squeezing my cock with her asshole. "You are still as hard as rock."

"I won't come until I've fucked your asshole loose," I said. "Only then am I going to pump your bowels full of thick come."

“Oh, baby,” she moaned. “Is this heaven or what?”

“This is anal heaven,” I said. “Now you know that ass fucking is not savage rape of little delicate assholes.”

“I must be a pervert to enjoy ass fucking this much,” she said, smiling.

“Of course you are,” I smiled. “Everybody’s a pervert. I’ve never met anyone who hadn’t been one.”

“I hope you don’t think badly of me for turning out to be a dirty slut,” she said.

“Don’t you worry about that,” I assured. “I love dirty sluts so much and respect them if they are nice.”

“Am I a nice dirty slut?” she asked.

“Of course you are,” I said. “If you weren’t nice, I wouldn’t have my cock balls deep up your lovely ass. I never fuck a girl I don’t respect, especially up the ass. The more I bugger you, the more I respect you.”

“I am your mistress,” she said, squeezing her asshole. “You need to show me more respect right now.”

“Why don’t you get down on all fours like a good girl and show me your gorgeous ass while I fuck it,” I said. She complied eagerly.

Her little asshole looked so beautiful with my cock stretching it wide.

“It’s gorgeous,” I said. “Now move it back and forth and milk on my cock while you fuck your ass with it.”

Gently spreading her cheeks, I paced her as she rocked back and forth. I loved watching her stretched asshole sliding back and forth over the full length of my shaft, milking on it lustfully but lovingly. She moaned softly as she got her ass skewered again and again with my cock, using smooth deliberate strokes.

“Does it feel to you as good as it looks?” I asked.

“I don’t know how good it looks,” she said. “I know it feels *so* good though.”

“That’s what I want to hear,” I said as I started to thrust back, meeting her strokes.

While watching her cute asshole intently, I fucked it through a hard orgasm. When she finished gasping, I wiped her copious juices off her pussy and shared them with her. I held her tits and pounded her receptive ass through another wild orgasm.

When she calmed down, I gently pulled my cock out of her asshole, leaving it with a soft plop. I spread her cheeks wide and gave her asshole a long deep kiss, sticking my tongue inside. She moaned and nibbled at my tongue as I probed her drenched pussy with two fingers. Breaking the kiss, I sucked my sticky fingers.

I pulled her to me, and we kissed lewdly as I helped her get down on her knees on the floor.

“I love your cock,” she said, looking up at me with a wide smile as I thrust my cock in her face.

She eagerly swallowed my cock and deep throat me for several minutes. She reluctantly let me pull away.

“Hey, it’s not going anywhere,” I said. “It’s going back up your ass.”

That made her smile and cooperate eagerly as I arranged her on her back on the bed, pushing her legs over her head. I had her hold her legs by the heels. I ate her leaky pussy for a couple of minutes while working fresh lube inside her ass.

“What do you want?” I teased as I poised my slick cock head on her glistening asshole and gently moved it around, teasing her asshole.

“I want you to fuck my ass and never stop,” she said, looking at me lewdly.

“That’s coincidentally what I have in mind,” I said.

She gasped as I popped my cock head past her sphincter. I smoothly slid my cock all the way up her ass and leaned forward on top of her. We kissed deeply as I fucked her ass gently but deeply.

Needless to say, I fucked her horny ass in every position and pace we could think of. At the end, I arranged her on her face and knees on the floor in the pile driver position. I had her spread her ass and fucked her hard and deep, making her asshole gape wide. I occasionally kissed her asshole deeply, sticking my tongue all the way up her open ass. When she started coming, I pumped my come deep inside her twitching bowels. Her anal spasms drained my balls and milked my cock dry.

When we calmed down, I gently pulled out of her asshole, which remained open. I knelt behind her and moved her hands off her ass. I proceeded to kiss her asshole deeply, and her asshole nibbled at my tongue. I continued to kiss her asshole and pussy until her asshole tightened up and closed shut.

“Suck my cock clean,” I said, kneeling before her.

She smiled at me as she rose up onto her hands so she was on her hands and knees. She swallowed my cock and continued to suck it until it was fully limp. She held my eyes as she teased my cock head with her tongue tip. She then resumed sucking my cock until it was hard again.

“You haven’t had enough?” she asked, smiling.

“We have to go to bed though,” I said.

We turned the lights off and went to bed. It was not easy to fall asleep with my hard cock brushing her juicy pussy or ass every once in a while.

Two hours later I waked up with my hard cock pushing against her ass. I was so horny. I went to the bathroom but it did not help. I turned the bedside lamp on. She was then on her back, her legs parted. I proceeded to suck her nipples gently and tease her pussy while gently thrusting my cock against the side of her thigh. Her nipples responded favorably, and her pussy got wet. She held my head against her head while still sleeping.

“Fuck me,” she suddenly moaned. “Fuck me.”

She started to pull me on top of her.

“Are you awake?” I asked as she still had her eyes closed.

“I am awake enough to know that I need cock,” she said.

With that settled I got on top of her and pushed my cock into her wet pussy. I fucked her gently at first. By the time she came, she was fully awake.

“Fuck my ass,” she said, pulling her knees against her tits.

I grabbed the lube and lubed her asshole generously. I also lubed my cock head before I popped it past her sphincter. I fucked her ass hard in several positions.

“Come in my pussy this time,” she panted when she felt that I was ready to come.

I flipped her onto her back and pumped my come deep inside her twitching pussy.

She used a wad of soft tissues to avoid a nasty wet spot.

It wasn’t yet six in the morning when I waked up with my cock engulfed in a warm skillful mouth and a wet pussy rubbing over my face. Naturally I proceeded to eat the juicy pussy offered. In return I received a more energetic cock suck. Before long my tongue was exploring the twitching asshole. I loved how assholes regained their tightness after a long vigorous reaming.

We spend several sweet minutes in sixty-nine. I made her come, enjoying the way her asshole twitched against my tongue. My horny partner turned around and swallowed my cock up her drenched pussy in one big gulp. With the lube at arm’s length, I lubed my fingers and proceeded to finger her tight asshole. We started kissing feverishly while her asshole milked on my slick finger and her pussy bathed my cock in copious juices.

“You are so hot, Claire,” I said, breaking our heated kiss.

“I am not Claire,” moaned in my ear the girl riding my cock and fingers. “She’s sleeping right next to you.”

She was right. I could see the silhouette of Claire, sleeping peacefully next to me.

“Who are you?” I asked.

“I am Alex,” she whispered.

“Alex!” I said in shock, my cock jumping inside her pussy. “What are you doing?”

The shock made me stop thrusting in her pussy, but she did not miss a beat. I turned the bedside lamp on.

“Hush,” she whispered. “Don’t wake her up. I am trying to get my virgin asshole fucked like hers.”

“Are you nuts?” I said, my cock twitching. “You are my sister.”

“That didn’t stop you when you fingered my asshole and fucked me on the dance floor,” she said.

“What?” I said in shock. “Was it you?”

“Yes, baby,” she said. “Being your sister is not enough for me. I also want to be your slut.”

“You are crazy,” I said.

“I’d be crazier if I didn’t take advantage of your beautiful big cock,” she said. “You’ve fucked me on the dance floor like no one else ever has. I want more.”

“I didn’t know it was you then,” I said, absently thrusting in her leaky pussy.

“I know, silly,” she laughed. “It felt wonderful then, and it feels wonderful now.”

“We shouldn’t be doing this,” I said as I resumed fingering her tight asshole.

“I know that too,” she said. “I want to do to you everything I shouldn’t do, and I want you to do to me everything you shouldn’t do.”

“You are a bad girl,” I said.

“This bad girl wants to be totally yours,” she said. “I want you to do to me everything you’ve ever wanted to do to a girl. You can do to me what no cheap whore would ever let you do to her.”

“You are out of your mind,” I said.

“Don’t you want to take advantage of me?” she teased, still bouncing on my hard cock.

“I’d be out of my mind if I didn’t,” I said.

“Yet there is one thing a cheap whore would do that I wouldn’t,” she said.

“What’s that?” I asked quizzically.

“I won’t take money,” she said.

“In that case, you are going to get fucked like you’ve never dreamed,” I said.

“That’s what I’ve always wanted,” she said. “That’s what I am here for. I want to be your sex slave forever.”

“What?” I said in shock.

“You’ll be able to do to me whatever you want forever,” she said.

“Forever is a long time,” I said.

“I trust you enough to make that commitment,” she said.

“You certainly don’t mean forever,” I said. “You must mean until you are serious with someone.”

“That wouldn’t be forever,” she said. “Forever is forever.”

“That’s a sure recipe for making sure you don’t stay attached for long,” I said.

“That’s not true,” she said. “There are men who like to share. Don’t you want to be able to do to me what my future husband can’t?”

“Of course I do,” I said. “You are a very bad girl.”

“Are you ready to fuck your new sex slave up her virgin asshole yet?” she teased.

“Not before I toy with your asshole some more,” I said. “I want to kiss your virgin asshole goodbye.”

“So, what do you want me to do?” she said.

“I want you to come,” I said, working two fingers deep into her asshole.

It hardly took her a minute to drench my cock and balls with her abundant juices. I pounded her twitching pussy until she went completely limp. I kissed her face a few times and let her relax for a minute.

“Now I want you to lie back and pull your sexy legs over your head,” I said, pushing her off me.

She lay across the bed, her ass at the edge and pulled her knees against her shoulders, exposing her ass lewdly. She even spread her cheeks with her hands. I knelt on the floor and admired her horny holes.

“Your asshole is so pretty,” I said. “It’s so small and tight. It’s the type I like to stretch with my thick cock.”

“It’s all yours, baby,” she said. “You can stretch it all you want.”

Pushing her hands away, I showered her asshole with little kisses. That made her gasp. I kissed and teased her asshole with my tongue for minutes, driving her crazy before I buried my face between her lovely cheeks.

“Yes, baby,” she gasped. “Eat my virgin asshole.”

She moaned her way to orgasm while her asshole nibbled at my probing tongue. I ate her drenched pussy and fingered her asshole through another orgasm, working a generous amount of lube inside her ass.

“Are you ready to get your virgin asshole fucked?” I teased, gently fingering her slick asshole.

“I am more than ready,” she said.

“I am going to kiss your virgin asshole goodbye,” I said, lowering my mouth to her asshole.

She moaned as I gave her asshole a long kiss, slipping my tongue inside it.

When I got up and stood up, I was shocked to find Claire sitting in bed, watching me.

“What’s going on here?” she asked.

What an embarrassment to get caught while getting ready to fuck one’s sister up the ass.

“He’s about to deflower my asshole,” answered Alex nonchalantly.

“Really?” shouted Claire excitedly. “That’s so hot.”

“Come on, Nick,” urged Alex. “Put it in my ass.”

“Put what in your ass?” I teased.

“Put your big cock in my virgin ass,” she begged impatiently. “Please.”

“Let me lube your cock first,” said Claire.

She did not wait for an invitation. She grabbed the lube and proceeded to apply a thick coat to my cock.

“Now fuck her,” she finally said, fingering her pussy with her slick fingers while playing with her tits with her other hand. “Come on. Drive your big cock up your sister’s tight virgin asshole.”

“Guide it into your ass,” I instructed as I pushed Alex’s knees further down, raising her ass and tilting it up.

She eagerly held my slick shaft and touched my cock head to her glistening asshole. My cock felt harder than steel as I patiently applied gentle pressure to my sister’s offered asshole. Her sphincter relaxed slowly, and my bulbous cock head started to indent her anal pucker.

“This is so wild,” commented Claire as she watched intently.

Alex’s asshole opened slightly, and my cock head started to sink inside ever so slowly. A minute later, she let out a soft grunt as my cock head popped past her sphincter. I paused. I had been still pinning her knees down. I released her knees and guided her hands to her ankles. I braced my hands on either side of her.

“Your ass is a piece of heaven,” I said to Alex as I savored the way her sphincter squeezed my cock.

“This is amazing,” said Claire. “Your big cock really stretches a girl’s tight asshole.”

“This is what it’s all about,” I said.

“It feels big, doesn’t it?” Claire asked Alex.

“Oh, yes,” Alex hissed. “It feels so big.”

“It is big,” said Claire. “It looks so pretty as it stretches your little asshole so wide.”

“Do you like the feel of it?” I asked Alex.

“Oh, yes,” she said. “I am finally getting my ass fucked.”

“Milk on his big fucker,” Claire advised Alex, teasing her clit. “It helps you relax and open up.”

Alex’s asshole twitched as Claire touched her clit. Soon her asshole started to milk on my cock. I let her do that for a minute before I resumed pushing gently into her ass. She grunted, and I made another pause as I slipped past her second sphincter, but I soon resumed sinking into her hot tight rectum. When I met resistance again, I applied continuous firm pressure until my cock was all the way up her ass.

“How does it feel now?” asked Claire.

“I feel completely full of cock,” Alex said.

“Look at your pussy,” said Claire. “It’s running like a river.”

Alex shuddered, and her asshole twitched around my cock as Claire wiped her drenched pussy.

“Can you see it?” asked Claire, showing Alex her glistening fingers.

I grabbed Claire’s hand and licked the juices off.

“Keep milking on it,” I instructed Alex as I started to rock gently just to move my cock within her tight ass.

Claire sat behind Alex’s head and proceeded to fondle Alex’s tits. She synchronized her ministrations to my thrusts, which I synchronized to Alex’s rhythmic milking. My cock started to move in and out in short strokes. Within a few minutes, I was fucking her ass with long slow strokes. She gasped and moaned in pleasure. Before long, I was fucking her ass nice and hard, and she was heading toward a big orgasm. I pounded her receptive ass vigorously through the wildest orgasm of her young life, and then fucked her gently until she calmed down.

When she caught her breath, I rolled her onto her hands and knees. I fucked her ass deeply while Claire spread it for me. I enjoyed watching her stretched asshole swallow my entire cock again and again as we thrust into each other, making flesh slapping sounds.

Alex enjoyed my cock up her ass in several positions, having consecutive wild vocal orgasms. I sometimes let her suck my cock and sometimes let Claire do that. She was riding me in the cowgirl position when I remembered the beginning of our encounter.

“Alex, who told you I had fucked Claire up the ass?” I asked. “Was it she?”

“Hey, I haven’t left the room or talked to anyone ever since I came in,” said Claire. “Alex, tell him the story.”

“What story?” I asked.

“Well, do you remember when you fucked me while dancing last night?” Alex asked.

“How can I forget?” I said.

“Well, the girls watched us fuck,” she said.

“What the hell are you talking about?” I said. “It was pitch-black. Even I couldn’t see whom I was fucking.”

“Yes, I know,” she said. “However, the girls were using a night-vision camcorder. They could watch everything. We watched you make out with each of your dance partners, and we have it all on tape!”

“No kidding?” I said.

“No kidding,” she said.

“Okay, what about Claire?” I asked. “Nobody else was with us in the room.”

“That we had it broadcasted over our local network to my PC,” she said. “The rest of us watched it all.”

“What about now?” I asked.

“The girls are watching you fuck my ass senseless,” she said.

“Whose idea was that?” I asked. “Was it Abbey’s?”

“Yes, it was my idea,” I heard Abbey’s voice coming out of my PC speakers.

“Abbey, I am going to fuck your ass until it gapes really wide,” I said.

“I can’t wait,” she giggled.

I pushed Alex off me and arranged her in the pile-driver position.

“Claire, zoom the camera in on Alex’s ass,” I said. “I am going to show them how wide their assholes are going to gape.”

“The camera has been zoomed in on the bed area,” Claire said as she walked toward the camcorder which was hidden in the corner sitting on a tripod. “They’ve been getting a very nice view.”

Claire adjusted the camera and returned.

“Spread your cousin’s ass,” I said to Claire as I shoved my cock deep into my sister’s ass, making her grunt.

Claire carried out my instructions, and I proceeded to work on Alex’s gape. Claire and I took turns spitting inside Alex’s open rectum as I made it gape wider and wider. I finally came inside Alex’s ass. I shot the first jet of

come from outside her open ass so our audience could tell I was coming. Then I shoved my cock balls deep into her ass and shot the rest of my come load into her twitching bowels while she continued to come.

“Abbey, this is what’s going to happen to you,” I said, pointing at Alex’s open asshole, as I thrust my sticky cock into Claire’s mouth.

I returned my clean cock to Alex’s open ass.

“Milk on my cock, slut,” I told Alex.

She continued to milk on my cock until her asshole regained its tightness and was able to close shut, locking my come inside. I had her suck my cock to full hardness.

“Claire, bring the lube and follow us to the family room,” I said as I took Alex’s hand and led her out. “Girls, meet us there.”

We all met in the family room. After placing the lube on the cocktail table, Claire disappeared then reappeared with a camcorder, ready for business.

I started with Abbey. I pulled her to her feet, and we proceeded to kiss feverishly while I groped her body freely especially her tits and ass, taking off her tank top and skirt. When she was naked, I nudged her shoulders down and shoved my cock in her face. She eagerly swallowed it and proceeded to treat it to a wonderful deep throat blowjob. I held her head and fucked her throat, and she took it all in stride.

Arranging her on her hands and knees, I knelt behind her. I fucked her pussy to orgasm while I drooled on her asshole and toyed with it. After she came, we had a sixty-nine round where I ate her delicious pussy to orgasm while she sucked her juices off my cock and balls.

After drinking her juices and licking her drenched pussy dry, I slithered out from under her and knelt behind her. I proceeded to eat her asshole to a new orgasm while she squirmed and gasped, thrusting her ass into my face. I cleaned her pussy with my tongue then proceeded to lube her asshole. I took my time reaming out her asshole and lubing it thoroughly. When she was able to take three fingers up her ass comfortable, I pulled away.

“Lube my cock, slut,” I said, giving her the lube.

She sucked my cock for a minute before she dressed it in a coat of lube. I deflowered her ass in the doggy position, watching her virgin asshole slowly but eagerly swallow its first cock. I fucked her ass harder than I fucked either of Claire and Alex but not savagely so.

Anal virgins watched, playing with their pussies, and Claire got it all on tape. I was fair with Abbey, fucking her ass in many positions always to wild orgasms. She was very eager, even more so than Claire and Alex, to take every deep thrust I subjected her ass to. She wasn’t shy either to express her pleasure and beg for more. After I made her ass gape wide as promised, I filled it with come.

“Thanks, cousin, for fucking me like I deserve,” she said, smiling, after she sucked me to full hardness.

“You are welcome, cousin,” I said.

Up next was Tracy. I treated her to the same treatment and came inside her ass. Afterward, I did Kim then Amber, leaving Mary to the end because she was a complete virgin. I gave Mary the same treatment except for leaving her pussy virgin and fucking her ass less hard so she would have energy for losing her pussy cherry.

“Are you sure you want to lose your virginity?” I asked Mary, thrusting in her ass after her last orgasm.

“Yes,” she hissed, her asshole twitching around my cock.

I ate her pussy through a fresh orgasm while finger fucking her asshole with two fingers. I licked her pussy dry and lubed it thoroughly. Finally, I had her deep throat my cock for a few minutes.

“Are you ready?” I asked, slapping her face gently with my sticky cock.

“Yes,” she nodded.

“Lube my cock,” I instructed.

She lubed my cock thoroughly then I arranged her in the missionary position and pushed her legs over her head. I dry humped her leaky pussy until she was about to come. I then aimed my cock head at her pussy hole and lunged in. She grunted and came as my cock head tore her hymen. I thrust in her pussy vigorously, dumping my come load deep inside her virginal insides.

I finally pulled out of Mary and shoved a wad of tissues against her pussy. Alex led her to the bathroom while I went to another bathroom to wash up.

It was past two in the afternoon when Alex and Mary returned.

"Pay-up time, girls," said Alex.

Each of the other girls came up with a few bills and gave them to Alex.

"What's this for?" I asked.

"It's a bet," said Abbey.

"What bet?" I asked.

"Let your sister tell you," she said.

"What is it, Alex?" I asked.

"I bet them that in three days you'd leave no virgin ass in the house," she said, smiling widely. "I knew you'd fuck us all up our virgin assholes."

"What was the ante?" I asked.

"Fifty dollars each," she said.

"So you made three hundred bucks?" I asked.

"I could have lost that much too," she said. "I just was lucky."

"We all were lucky," said Abbey, smiling. "Some people are luckier than others, I guess."

"Alex, you should return their money," I said, "or share it with me."

"It's no longer theirs," she said, "not after they willingly lost it to me."

"You should return it," I said. "This is not an acceptable behavior."

"I won't return it," she said, "but I'll give them a chance to win it back. Do you girls agree?"

"Depending on the new bet," said Claire.

"We'll work out something," Alex said.

The girls disappeared for fifteen minutes.

"We agreed on the new bet," said Alex.

"What is it going to be?" I asked.

"It's a secret bet," she said. "We'll tell you when it's over."

"Do you, girls, think it's fair?" I asked.

They all nodded.

"Have fun," I said.

"Girls, let's clean up and prepare lunch," called Claire.

We were really hungry, having not had breakfast.

We had showers, and then the girls went to the kitchen, still naked. With all the twitching asses before me, it was not long before I started to grope asses and tits. Soon, my hardening cock was getting fondled and stroked.

"Nick, you are distracting us," admonished Claire as Tracy swallowed my cock.

"You don't need seven persons to prepare lunch," I said as I held Tracy's head, fucking her throat deeply.

"We can't concentrate with your rampant cock loose," Claire said.

"You can concentrate if you don't think about it," I said as Tracy used vegetable oil to lube my cock.

Tracy mischievously motioned me to Claire as she stroked my glistening cock. Claire had her back to us as she stirred something on the stove. With one arm around her waist, I used my free hand to guide my cock into her ass. She grunted as my cock head pushed into her asshole for a few seconds before it popped past her sphincter.

"Am I distracting you now?" I teased as I cupped her tits and proceeded to thrust in her ass.

“Oh, Nick, of course you are,” she said, pushing her ass back into me.

“Do you want me to stop?” I teased.

“Of course not,” she moaned.

“Let someone else take care of this while I take care of you,” I said as I steered her toward the table.

“I’ll take her place here then her place on your cock,” said Abbey.

“Sure,” I said as I bent Claire over the dining table.

Holding Claire’s hips tightly, I proceeded to make her come within five minutes. She returned to preparing lunch as I slipped my cock down Abbey’s throat. She sucked my cock for a minute before I stuffed her ass with it.

Needless to say, by the time lunch was served, I had fucked each girl to orgasm and had dumped a big come load up Mary’s virgin bowels. My lovely cousin sucked my sticky cock thoroughly.

After lunch we cleaned up and played sex games. We had a cock sucking contest, a pussy eating contest and an ass gaping contest. After dinner we were all tired, so we cooled it down a little and watched television. Naturally some fondling and teasing was still going on.

We decided that I would sleep alone because I had been fucking all day. However, I waked up at around two in the morning with someone sucking my hard cock. The bedside lamp had been already lit.

“Amber, what are you doing?” I asked.

“I dreamed that you were fucking me up the ass,” she said, stroking my cock. “I waked up very horny.”

“Now you want to make your dream come true?” I asked as she reached for the lube.

“Yes,” she said. “I hope you don’t mind.”

“Did I eat your pussy and ass in your dream?” I asked.

“Oh, yes,” she smiled, turning around.

Needless to say, in the following hour and a half we realized more than her dream if she really had one.

“Did you really have that dream?” I asked as we cuddled after I pumped her bowels full of thick come.

“Of course I did,” she smiled. “I was awake though.”

“Go back to bed and don’t mention this to anyone,” I warned.

“Of course I won’t,” she said.

In the morning, I had a quick tour of the girls’ cock-hungry orifices before breakfast. After breakfast, I was relaxing and Claire was sucking my cock when the phone rang. Alex answered.

“Aunt Meg and Aunt Leanne are joining us in the evening,” Alex announced after hanging up.

“Bummer,” I said.

“It shouldn’t be that bad,” said Alex. “We can still sneak around them.”

“We sure can,” I said, “but we won’t be able to have a big family gathering like this.”

“Don’t worry, Nick,” said Alex. “We’ll worry about that later.”

Claire neither took her mouth off my cock nor slowed while we had that discussion.

“Let’s make the best of the time we have,” I said.

That was Claire’s cue to squat on my cock and guide it into her ass.

“This is what I meant,” I said as Claire’s asshole slid all the way down my cock.

“I know,” she smiled, stuffing her right tit in my mouth.

Holding her ass, I spread the cheeks and started bouncing her on my cock.

“I am sure if our aunts knew how good this feels they wouldn’t give us any hard time,” gasped Claire.

“Oh, yes, they would,” said Abbey. “They’d be fighting with us over Nick’s cock.”

“That would be fun too,” said Claire. “I’d love to see Aunt Leanne and Aunt Meg take it up the asses.”

That made my cock twitch.

“Me too,” said Abbey.

“I am sure Nick would love that too,” teased Claire. “Right, Nick?”

“Shut up, you slut,” I admonished. “They are my aunts.”

“What are you talking about?” said Claire. “You’ve fucked your sister in every hole she has.”

“I am next,” said Alex.

“Now tell her she’s your sister,” teased Claire.

“You are my sister, Alex, you slut,” I said. “Get your ass ready.”

“That’s the spirit,” laughed Claire.

Alex immediately lubed her asshole. She teased her clit while watching Claire’s ass bounce on my cock. Claire’s pace accelerated, and she soon was convulsing in orgasm. I steadied her while she jerked uncontrollably until she went limp. I then worked her ass gently up and down my cock while we kissed.

Alex finally popped my cock out of Claire’s asshole and into her own mouth. Claire dismounted me and sat next to me, watching Alex deep throat my cock. Alex soon sat on my cock, facing away. I spread her ass for her while she lowered her ass onto me, swallowing my cock balls deep. She moaned as I bounced her ass on my cock.

Tracy knelt before Alex and proceeded to lick her pussy. I occasionally popped my cock out of Alex’s ass so Tracy would suck it. I squeezed Alex’s tits and pinched her stiff nipples as she bounced her ass to orgasm. She finally gushed into Tracy’s eager mouth while I held her hips and bounced her on my cock rhythmically.

Naturally it was Tracy’s turn next. I arranged her on all fours on the sofa and entered her ass. Returning the favor, Alex spread Tracy’s ass for her, watching as I made gape wide. I often let Alex suck my cock when I popped it out of Tracy’s ass. Alex would usually spit inside Tracy’s open rectum or on my cock head before popping my cock back in. I finally grabbed Tracy’s tits and proceeded to pound her ass vigorously until she came very hard.

When Tracy calmed down, I pulled Mary’s head to her ass. I popped my cock out of Tracy’s ass and into Mary’s mouth. I fucked her throat for a couple of minutes before I arranged her on the sofa in the missionary position, pushing her legs over her head. Kim and Amber sucked her nipples while I drilled her responsive ass to a wild orgasm. Abbey provided the cock sucking services every time I popped my cock out of Mary’s gaping asshole.

Next, Amber’s ass got its share of my cock as she was on all fours across the sofa. Kim bent over backward and proceeded to suck Amber’s tits. I often spread Amber’s ass to see how wide it gaped while Mary sucked my cock, applying a thick coat of spit to it. After Amber came, Kim slithered out from under her and proceeded to suck my cock, making sure it was ready for her own ass.

Lying back on the carpet, I helped Kim straddle me in the cowgirl position. I spread her ass while Abbey lubed my cock and guided it into her ass. While Kim rode my cock, Abbey licked my balls, occasionally taking my cock out of Kim’s ass and into her own mouth.

“Ride it hard, slut,” Abbey urged, often slapping Kim’s ass playfully.

After Kim came, Abbey swallowed my cock. While deep throating me, she pushed Kim off me and brought her own dripping pussy to my mouth. I ate her leaky pussy and tingling asshole hungrily while she deep throat my cock eagerly. Her asshole opened up and started to nibble at my tongue. She finally dismounted me and got onto her knees, pressing her face and chest to the floor and thrusting her ass out lewdly.

“Nick, fuck my ass and fill it with come,” Abbey begged, spreading her ass obscenely.

Although I had just been devouring her pussy and asshole, I could not resist diving again between her splayed cheeks. I gave her responsive asshole a long French kiss, slipping my tongue inside her ass while fingering her leaky pussy with two fingers. She squirmed, and her orifices milked on my tongue and fingers, her pussy leaking fresh juices. Upon breaking the kiss, I squeezed lube onto her asshole and gingerly worked it inside her ass, using one middle finger then both middle fingers and finally both middle fingers and index fingers.

“Put your cock in my ass,” she groaned. “I need it badly.”

I jerked my fingers in and out of her asshole a few times before I popped them out with a soft plop as her asshole closed shut, but remained relaxed. I crouched astride her and sank my cock into her ass. She let out a long soft moan as my shaft slowly but smoothly slid all the way up her ass.

“Oh, baby, this is what I want,” she moaned. “Now fuck my ass nice and hard.”

The other girls watched as I pounded Abbey's offered ass, my full balls spanking her sticky pussy audibly. She hissed, begging for more, with every thrust as she got closer and closer to her orgasm. I occasionally pulled out and peeked through her gaping asshole, enjoying the view. Each time I let a different girl spit inside Abbey's open rectum. On the seventh time, I spitted inside her open asshole then proceeded to fuck her ass with merciless vigor.

"Get ready to fill my bowels with come," she groaned as her orgasm got imminent.

In response to that, I doubled my efforts at drilling her asshole. When she started to convulse in orgasm, I slammed my cock all the way up her ass and let go, spewing come past the end of her twitching rectum. Her anal spasms utterly drained my balls into her bowels. I hammered her ass with short thrusts until my cock went limp.

"Stay as you are, Abbey," I said as I slowly pulled out of Abbey's ass. "Girls, each one of you has to have a little taste of my come out of her ass. Be nice and leave some for the others and for her. She's going to eat the rest."

Alex was the first to dive into Abbey's offered ass.

"It's delicious," moaned Alex, smacking her lips. "It's too bad I have to share."

Claire was the last.

"Can I suck it all then share it with her over a kiss?" asked Claire as she took her place at Abbey's ass.

"If it's okay by her," I said.

"Do it, Claire," called Abbey.

Claire was only eager to oblige. She ate Abbey's ass thoroughly for a minute before she finally pulled away. Abbey sat up, and both sluts kissed lewdly, passing saliva-diluted come back and forth.

"Let's cool down in the pool and do some skinny dipping," suggested Alex.

Everybody liked the idea. We applied sun block lotion onto one another before jumping into the pool. The splashing and teasing started immediately. Before long they were fondling my cock and sucking it underwater. In response, I fondled their tits and asses until someone else pulled them away to take her turn.

Before long we were outside the pool. We dried one another and proceeded to make out on the towels. My cock was being buried in some mouth or another as my face was being buried in some fuck hole or another. I also got to kiss their mouths, fondle and suck their tits.

"Boy and girls, remember we are relaxing here," said Alex, whose asshole I was eating hungrily at the moment. "Let's take it slow and easy."

We slowed down a bit only for a few minutes. Alex dismounted my face once she gushed into my mouth. Claire lubed her asshole and got on all fours in a lewd invitation. I knelt behind her and drilled her ass to orgasm. By the time I was through with her, her sister Mary had lined up next to her, fingering her asshole shamelessly. I removed her fingers from her ass and licked them before I stuffed her ass with my cock.

Abbey was next. She sucked my cock fresh out of Mary's ass and pushed me onto my back. She took my cock up her ass and rode me in the cowgirl position. Meanwhile, Kim rode my tongue. After they came and dismounted me, I fucked Tracy's ass in the missionary position, pinning her feet on either side of her head while she spread her ass wide for my hard thrusts. Alex sucked my cock before I drilled her ass in the pile-driver position.

"Oh, Nick, please, don't think I am a slut for loving your cock so much," said Amber as she straddled me, taking my cock into her wet pussy.

"What's wrong with thinking you are a slut?" I asked.

"It's hotter to think I am an innocent little girl but fuck me like a slut," she said.

"I can't agree more," I said.

Amber switched my cock between her pussy and asshole several times. She was pushed off my cock after she bathed it with her copious orgasmic juices. Kim used Amber's copious juices to ease her asshole down my shaft. While Kim bounced on my cock, Tracy rode my tongue to a screaming orgasm. After both my riders came and dismounted me, Mary and Alex took turns sucking my glistening cock until they shared my come, licking it off each other's face and kissing lewdly.

Most of us jumped into the pool while Alex disappeared inside the house. A few minutes later, Alex returned.

"Aunt Leanne and Aunt Meg have just arrived," Alex announced loudly.

“What do we do now?” asked Kim.

“Relax,” assured Alex, still naked. “We are nude tanning and skinny dipping. I am going to let them in.”

Everybody was nervous when Aunt Leanne and Aunt Meg joined us a minute later, fully dressed. Although the news did not give me a chance to regain my hardness, I made sure I was in the water. A few girls were lying down silently on their bellies on towels. Abbey was in the water. She was stroking my cock with her foot.

“Hi, everyone,” called Aunt Leanne and Aunt Meg waving.

“Hi, Aunt Leanne,” we replied. “Hi, Aunt Meg. Nice seeing you.”

“Why don’t you go change into your skinny-dipping suits and join us?” suggested Alex.

“That’s a good idea,” Aunt Meg said. “We’ll be back in a few minutes.”

“You are a lucky bastard,” said Abbey, stroking my cock with her hand as my aunts turned their backs and walked away. “You are going to see your aunts naked.”

“Abbey, shut up,” I said, reaching for her pussy.

“If I were you, I’d fantasize about fucking them in the ass,” she teased. “Do you think they are anal virgins?”

She did not let go of my cock until it was rock hard and my aunts came back totally naked.

“Don’t you want to fuck their big ripe tits?” she teased, stroking my stiff cock with her foot. “You know, women have tits too. I want you to fuck mine some time. They are not as big as your Japanese aunt’s though. Do you think she’d let me play with her big ones? I’d love to play with them while you ream out her tight asshole.”

The girls got out of the water, and everybody went to greet my aunts. I was left alone in the water with a big boner to hide.

“Nick, come out and give me a hug,” called Aunt Leanne after hugging the girls.

“He can’t come out,” snickered Abbey.

“Why not?” asked Aunt Leanne.

“He has a big hard-on,” said Abbey.

My face must have turned ten shades of red as the blood rushed to my head.

“That’s okay, Nick,” said Aunt Leanne. “Meg and I are big girls. We’ve seen it all. It’s nothing to be shy about. Come on, give us big hugs.”

“Come on, Nick,” teased Abbey. “It’s actually something to be proud of.”

I glared at her, but she just giggled.

“That’s right, Nick,” said Aunt Leanne as I came out of the water, my big boner leading the way. “You don’t have anything to be shy of. Give me a big hug.”

As I hugged Aunt Leanne, I tried to keep my protruding cock away from her, but she hugged me tightly. I could feel her erect nipples poke into my skin as she flattened her big tits on my chest and squeezed my hard cock between her belly and mine, touching the top of her pussy to my balls. The hug seemed longer than usual, but that might have been caused by my embarrassment. She kissed me on both cheeks. Aunt Meg treated me similarly.

“We need sun block,” said Aunt Leanne.

“Nick can help you with that,” said Alex.

“Would you do that for me, sweetheart?” asked Aunt Leanne with a lovely smile.

“Sure,” I said.

“I’ll help you with that,” Abbey said to me.

“Would you do me next?” asked Aunt Meg.

“Sure,” I said politely.

Alex provided towels for our aunts. They lay prone, putting their lovely asses on display. Abbey brought the sun block and sat to the right of Aunt Leanne as I sat behind her feet. Abbey squeezed some lotion on my cock and used her left hand to rub it in while she squeezed lotion on Aunt Leanne’s soles and calves. I glared at her and

pushed her hand away, but she only smiled as she returned her hand to my cock and resumed stroking it. I proceeded to rub the lotion into Aunt Leanne's feet and legs.

Abbey squeezed lotion onto the backs of Aunt Leanne's thighs, and I rubbed it in, getting dangerously close to her pussy. Abbey squeezed lotion onto Aunt Leanne's ass and ass crack, making her gasp and her ass twitch. I shyly rubbed the lotion into my aunt's ass, but avoided going between her cheeks and thighs.

"You need to take care of the delicate areas in the middle," said Abbey, embarrassing me. "If you are too shy, I can help, but sensitive areas cannot be neglected."

I shyly started to get closer and closer to my aunt's ass crack. Since she did not show any resistance, I kept going. She stiffened as I gently spread the lotion over her anal area and outer pussy lips. Abbey had never stopped stroking my hard cock ever since I started working on my aunt's feet.

It was a piece of cake to work on my aunt's back, neck and arms. She then rolled over. Abbey immediately squeezed lotion onto her thighs, belly, chest and tits. As soon as I started to work on my aunt's thighs, Abbey proceeded to rub lotion onto her chest. Abbey was soon massaging Aunt Leanne's tits. She smiled at me as she kneaded my aunt's tits, making sure to brush her nipples with every stroke.

"Aunt Leanne, your breasts are so beautiful," said Abbey as she continued to knead Aunt Leanne's tits.

"Thanks, Abbey," said Aunt Leanne, smiling. "You are so sweet and gentle."

Abbey winked at me. Aunt Leanne occasionally let a soft moan escape her lips, but did not resist or say anything. Abbey continued to play with my aunt's tits until I finished applying the lotion to her belly. Abbey proceeded to apply lotion to my aunt's face very gently and carefully.

"That was so nice," said Aunt Leanne as we finished with her. "Thank you, Nick and Abbey."

"Our pleasure," said Abbey. "You have such a great body."

"Thanks," said Aunt Leanne.

We moved next to Aunt Meg. Abbey did not stop stroking my cock while I worked on Aunt Meg's legs and back. When she rolled over, Abbey did not shy off playing with her tits thoroughly.

"Aunt Meg, your breasts are so full and firm," said Abbey. "I like how they feel."

"Thanks, honey," said Aunt Meg. "You are such a lovely young woman."

I took my time working on Aunt Meg's thighs and belly, giving Abbey a very long time playing with my aunt's tits, but my aunt did not complain at all except for some occasional soft moans.

"Thanks, Abbey and Nick," finally said Aunt Meg. "You, guys, are so good."

"Any time," replied Abbey, smiling wide. "It was a pleasure to work on your beautiful body."

"Nick, lie down and let me apply sun screen to you," offered Amber.

Since I wanted to take a break, I lay down on my front, trapping my boner under my belly. Amber worked my legs quickly but took a long time teasing my asshole and balls before she continued up my back. When I rolled over, my rampant boner greeted her. She was soon working on it. After a while she moved up my belly and chest, straddling my hips. She guided my slick cock into her ass, holding her finger to her lips to hush me. She rode my cock gently while she took her time rubbing my chest.

"Do you like the way I work on your chest muscles?" she teased, winking, as her asshole milked on my cock.

"That feels good," I said. "Don't stop."

A couple of minutes later, I reached between her legs and diddled her clit until she had an orgasm, biting her lip so she would not draw unnecessary attention. She slowly pulled her ass off my cock. Seeing that she was in our aunts' blind spots, she sucked my cock a little.

Sitting up, I considered taking a quick dip in the pool to cool down, but I thought I would be mostly parading my boner for everyone. I was sitting behind Aunt Leanne and Aunt Meg, so I enjoyed the view of their asses. A minute later Aunt Leanne started to stretch. She started by extending her arms up and stretching her legs apart and pushing her toes away. She then started to bend her knees and raise her ass slowly. She was soon in the pile-driver position, thrusting her ass out and exposing her pussy and asshole obscenely. Her pussy glistened with what must have been her juices. I had to squeeze my twitching cock when I saw that. She kept moving her ass back until her

pussy touched the towel between her feet. She stayed like that for a minute before she started the return trip. She lay flat on her front for a minute then rolled over. She spread her legs and bent them at the knees. That position aimed her pussy directly at my face. She stayed like that as if nothing out of the ordinary was happening.

Abbey, who was lying a few feet away from me, stretched toward me and started to stroke my hard cock. Since there was no point in attempting to stop her, I reached out and started to finger her ass.

"Girls, let's prepare for the barbeque," called Claire, standing up.

The girls left, leaving me with Aunt Leanne's pussy and Aunt Meg's ass. Aunt Meg put out an ass show of sitting up. She then turned around and stretched her arms over her head, giving a tit show. She crawled toward me then knelt up.

"Nick, I want to have a word with you," she whispered, taking my hand.

I was naturally concerned, preparing myself for the worst as we stood up. We moved several feet away from Aunt Leanne, but we remained in a straight line with her pussy. Aunt Meg was standing between me and Aunt Leanne, but I could still see Aunt Leanne's pussy.

"Can I touch your boner?" Aunt Meg said, opening the conversation.

I didn't know what to say as she took my hard shaft in her right hand, making it twitch.

"Sure," I finally said, shrugging.

"You have a nice big one," she said, stroking my cock up and down. "I love its shape and size. I also love the fact that it's always hard."

I was dumbfounded, but my cock twitched and started to leak sex fluids.

"Do you like having sex with girls?" she asked.

"Sure," I said.

"I am sure they love how it fills them up," she said.

"I don't get complaints," I said with a hint of pride.

"Of course not," she said. "What's there to complain about? Do you make them come?"

"Of course" I said with pride, "many times every time."

"You must be a real stud," she said.

"I don't know," I said.

"I do," she said. "Do you like girls to suck it?"

"Of course," I said. "Who doesn't?"

"Can they deep throat it?" she asked.

"Those who can't can always learn," I said.

"With a specimen like this, who doesn't want to learn?" she said. "I love sucking."

"You are a very sexy woman, Aunt Meg," I said.

"Thanks," she said. "Please, allow me to give it a little kiss."

Awe-struck, I watched her bend down and bring her mouth to my leaky cock. She dragged her tongue up the underside of my cock head, licking the leaking juices, before she kissed the tip of my cock, making my cock twitch. She finally kissed me on the cheek, letting her erect nipples brush my chest and my cock head brush her belly. She turned around and walked to the house, her tight ass twitching sexily. I watched her ass until it disappeared.

I blushed when I saw Aunt Leanne sitting up and watching me. She soon stood up and came over.

"You have a nice one," she said, taking my stiff cock in her hand. "Is it always hard?"

"You know boys at my age," I said.

"I don't know," she said as she started to stroke my cock. "I once had a boyfriend your age, and he wasn't always hard. I actually had to work hard to get him hard."

"Are you sure he wasn't gay?" I said. "I am sure with your beauty you can make a gay man hard."

"Do you thin so?" she smiled widely. "Judging by the way he neglected my butt, I don't think he was gay."

"Maybe he was impotent," I said. "There was certainly something wrong with him."

"Do you really think I am that sexy?" she asked.

"Of course I do," I said. "Do you have any doubt?"

"Thanks, Nick," she said. "You are so sweet."

"I have to be honest," I said.

"If I were your girlfriend, would you be always hard for me?" she asked.

"Of course I would," I said. "I'd be making love to you every way I can think of every chance I get. If you ever complained, you'd be complaining of excessive attention to your hot body."

"Have you ever attempted to sodomize a girl with this big beautiful thing?" she asked.

"Always," I said. "Sodomy is a basic part of my love life. I've always managed to sodomize my girls."

"Have you ever sodomized an anal virgin?" she asked.

"All of them except one were anal virgins the first time we did it," I said.

"Did it hurt them at all?" she asked curiously.

"Not with me," I said. "I never hurt a girl. I am not into pain."

"But you are too big for an anal virgin," she said.

"There's no such thing as too big," I said. "All sizes hurt if the girl isn't ready and all sizes feel good if the girl is ready. The key thing is to get the girl well prepared psychologically and physically."

"I wish I had a boyfriend like you to sodomize my virgin butt," she said, making my cock jump in her hand.

"You are an anal virgin?" I asked in disbelief.

"Yes," she said. "Do you think all lovers are as considerate as you are?"

"I don't know," I said.

"I really envy your girlfriends," she said.

"They envy you too," I said. "You are so beautiful and sexy. I envy Uncle Ken for having such a lovely wife."

"You are so sweet," she said. "If I were your girlfriend, would you sodomize me?"

"If you were my girlfriend, you wouldn't have a chance to ask this question," I said.

"Do you really like my butt?" she asked.

"Very much," I said. "If you don't mind, may I give it a kiss?"

"Sure," she said, letting go of my cock and turning around.

When she bent over, her wet pussy humped into the underside of my shaft, making us both gasp. She did not pull away immediately. I knelt behind her and gently spread her cheeks, exposing her hot asshole and leaky pussy.

"You are so beautiful," I said after admiring her pussy and asshole silently for several seconds.

I licked her leaky pussy from her clit all the way to her asshole, making her gasp, before I gave her little asshole a long tongue kiss, making her squirm and grind her ass into my face. I enjoyed the way her innocent asshole twitched against my tongue tip. I finally broke the kiss and slapped her ass playfully.

"You are so nice," she said. "Nobody else has ever done that to me."

"Aunt Leanne, you are delicious," I said. "Whenever you need some ass kissing, you can come to me."

"Now it's my turn to give you a kiss," she said, going down to her knees.

She licked the underside of my cock from bottom to top before she kissed my leaky cock head, giving it a sucking kiss that made it twitch and jump. She pecked me on the lips before she left to the house, walking happily and letting her lovely ass twitch seductively.

I was again left with a huge boner that leaked profusely. Why was everybody doing that to me? Were my aunts teasing me? Were they seducing me? Were they just innocently expressing their frustration with their love

lives? I wondered for a few minutes before I finally decided to go inside and take a cold shower to cool down. Naturally the cold shower did not cool me down at all. Since everybody else was dressed, I put on a T-shirt and shorts before I went down.

"Nick, you need to start the grill," called Alex as I sat in a sofa in the living room.

"I'll be there in a minute," I said as everybody left to the backyard.

"I'll have a word with Nick then we'll catch up with you," Aunt Meg said to the others.

"Don't take too long," Aunt Leanne said.

"What's up?" I smiled as she knelt before me.

"Have you ever made anal love to an Oriental woman?" she asked.

The shock took my eyes off her generous cleavage.

"Sorry, Aunt," I said, looking at her with a smile. "What did you say?"

"Let me whisper it in your ear so no one else can hear it," she said, getting up.

She bent over, pushing her full tits next to my face as she brought her mouth to my right ear.

"Have you ever fucked an Oriental woman up her virgin asshole?" she whispered.

"What do you mean?" I stuttered.

"That was plain English," she said, smiling at me as she returned to kneeling. "Don't be shy."

"As a matter of fact, I haven't," I said.

"Would you like to?" she teased.

"At this age, I'd fuck anything that moves," I said.

"That's what I wanted to hear," she smiled. "Tonight, I am going to visit you and show you that *I* move."

I opened my mouth to speak, but nothing came out.

She got up, turned around, bent over, hiked her dress and spread her bare ass. My mouth remained wide open as I sat there in a trance, looking at her splayed asshole and moist pussy. My state of shock did not prevent my cock from sprinting to full hardness almost instantly although it had not been soft to start with. She held her position for several seconds, and I held mine. She stood up and looked at me with a wide smile before she left.

Up to then, what we had done could be considered getting carried away while playing and teasing, including their playing with my hard cock and my licking Aunt Leanne's pussy and asshole at the pool.

What she did left me disoriented. I tried to collect my thoughts but in vain. I tried to take my mind off what she had done, but I could not. I could not tell whether she meant it or she was just teasing. That kind of teasing was what Claire or Abbey would do but not Aunt Meg. If she meant it, it would be a scary situation. Getting caught fucking one's cousins or sibling is nothing like a married woman's getting caught fucking her nephew. Even rumors about it can be deadly. In addition to that, the dynamics of the relationship are complicated. Being from different generations, the peer relationship would no longer hold.

My cock softened a little, allowing me to join the barbeque party. The event was normal except for Aunt Meg's brushing her butt over my crotch or her tits over my arms or back a few times. Naturally the girls were constantly teasing me with their half-naked bodies, so my cock was never completely soft.

"Claire, we need to calm down tonight until we figure out how to deal with our aunts," I said. "We almost got caught around the pool. Let's not risk it again."

After the food and lounging in the family room, chatting, playing games and watching television, I decided to go to my room early and see what would happen. I announced that I needed some rest and left. A few minutes later, I heard knocking at the door, so I walked to the door.

"Who is it?" I asked in a very low voice.

"Virgin ass," whispered my guest.

Opening the door, I found Aunt Meg. She was wearing a silk chemise that reached just below her crotch. My cock hardened instantly. She snuck into my room quickly. I looked around and could not see anyone. I closed the

door and turned the lights on. She locked the door and went inside. She sat at the edge of my bed, and I sat next to her. Her legs were completely exposed. Her chemise also outrageously exposed her generous cleavage.

"Aunt Meg, it's nice to see you," I said.

"Wouldn't you prefer to see me naked?" she teased. "You already have."

"Who wouldn't?" I said. "I don't think it's a good idea though."

"Why not?" she teased. "Don't you want to see my tits and ass?"

"I may rape you if I did," I said.

"No, not a chance," she smiled. "You can't rape me. You can't rape a willing partner."

"Why, you are such a naughty girl," I said.

"Why do you say so?" she asked.

"You are teasing me while you are married to my uncle," I said.

"I am not teasing you," she smiled. "I am seducing you."

"That's even worse," I said.

"Why?" she asked, feigning ignorance. "Don't you like sex?"

"I do," I said, "but if my uncle found out even that we were having this conversation, he'd kill us."

"Nay, he wouldn't kill us," she smiled, "but don't let him find out anyway."

"I'll try," I laughed, "but why did you choose me?"

"Because I thought you were taking after your dad," she said.

"What about dad?" I asked.

"Last year, he wanted to fuck me up my tight virgin asshole, but I didn't let him," she said. "I wasn't ready then to lose my last cherry. Now I am ready to have a nice hard cock stretch my little asshole and stuff me tightly."

"My dad wanted to fuck you up the ass?" I asked ironically. "It sounds much like him."

"Let's not talk about your dad," she said. "Let's talk about sex."

"Are you serious about...?" I asked.

"Getting your big cock up my virgin little asshole?" she said.

"Yes, if you put it this way," I said.

"Of course, but your cock looks so intimidating," she said. "Have you ever fucked a girl up the ass with it?"

"Too many times," I said.

"Do you think it can fit up my virgin Japanese asshole," she asked.

"It sure can," I said. "If it could fit up the virgin assholes of sixteen-year old girls, it can fit up yours."

"Are you suggesting that my asshole is not tight?" she glared.

"No, of course not," I said. "I meant that your virgin Japanese asshole must be riper, juicier, more responsive, more receptive and more delicious. You are fitter for sucking, fucking and ass fucking than they are."

"Thanks for the sweet compliment," she smiled. "So, do you want to fuck me up my virgin Japanese ass?"

She did not let me answer by covering my mouth with hers. Her right hand massaged my cock through my boxers while our mouths opened up to each other and our tongues met. She was soon stroking my bare cock as we kissed feverishly. I gathered my courage and pushed my right hand between her legs, which were already parted. She moaned into my mouth as I started to finger her leaky pussy and tease her stiff clit. We kissed for a while before we finally broke the kiss, gasping. She looked at me with questioning eyes.

"Yes," I said, my finger still sliding in and out of her dripping pussy.

"With this big cock of yours?" she teased.

"What else?" I said as I tickled her asshole with my slick fingertip, making her gasp.

Holding her eyes, I withdrew my hand and licked my sticky finger.

“Good boy,” she smiled, lowering her mouth to my cock. “I guess I should give you a good cock sucking to show you that I really mean business.”

“I think you should,” I said as her mouth closed on my engorged cock head. “By the way, you are really more delicious than little sluts. I’ll definitely enjoy eating your juicy pussy among other things.”

She just moaned around my cock.

With her lips halfway down my hard shaft, she scooted off the bed into kneeling on the floor. She worked her magic lips halfway up and down my cock for a minute before she let my cock go.

“You have such a nice cock,” she said, pulling my boxers off. “I am really going to enjoy playing with it.”

“Me too,” I said as her tongue started at the bottom of my balls.

“I hope you are not in a hurry,” she said as her tongue finished gliding to the tip of my cock.

“Not at all,” I said.

She spent a few minutes kissing, licking and teasing my balls. She spent a few more minutes giving my shaft the same treatment, maintaining eye contact most of the time. My cock was glistening in her saliva when she swallowed it down her throat, making me groan. With her lips wrapped around the base of my cock, she looked up at me and winked. While she held my cock completely engulfed within her mouth, she was not passive; her throat tongue and lips massaged my cock. Her fingertips teased me from my asshole to the bottom of my balls.

Claire would have risked losing her bet if she had not beaten Aunt Meg to my cock. My Japanese aunt knew how to compete with any American cocksucker. She sucked cock like the best American sluts. I suddenly lost the energy to remain sitting upright. I lay on my back. She rose to her feet because of the change of the angle of my cock. She deep throat me for a few minutes before she pulled away.

“Lay along the bed,” she said.

When I complied, she got on her forearms and knees between my legs.

“I am falling in love with your cock,” she said, smiling at me.

“Are you falling in love or in lust with it?” I said.

“I fell in lust with it when I first saw Alex and Mary suck it near the pool,” she said nonchalantly, making me cough and tense jerking my head up. “My pussy has been leaking ever since. Now I am falling in love with it.”

“You saw them suck my cock?” I said nervously. “You haven’t mentioned it before.”

“I didn’t want to scare you off,” she said, stroking my hard shaft. “I wanted your cock. I thought, if your cock was available to your sister and cousins, I should be easily able to get it. I was right. As you can see, your cock has been the easiest cock I’ve ever been able to get.”

“Did Aunt Leanne see what you saw?” I asked nervously.

“Maybe she has her own designs,” she smiled. “I can’t blame her. I am glad I beat her to the jackpot.”

Aunt Leanne would most probably not be interested in my cock, but the reality was that the regular rules of logic and commonsense were no longer valid at this house. The feel of Aunt Meg’s lips wrapped around the base of my cock brought me back to the sweet reality. My cock immensely enjoyed its new heaven for over fifteen minutes before she finally came up for air.

“Do you want to come in my mouth?” she asked. “I want to taste your come and swallow it all.”

The smile on her face implied that she got her answer from the way my cock jumped and twitched in her hand. I did not bother to answer. Her lips were already near the base of my cock. She let me enjoy myself extremely for a few more minutes before she allowed the pressure to overpower me. She sucked even harder when my cock swelled and started to twitch, but then her lips were jerking up and down just below the head.

My cock impressively withstood the power of the first jet of come as it blasted against the back of her throat. I was really glad my cock did not explode. Several jets of thick come shot into her sucking mouth before the stream dried down to a dribble. Only then did she swallow my come, keeping her lips wrapped tightly past my cock head. She sucked my cock dry, working her lips up and down the entire shaft. When her lips dropped my cock, it was totally limp. She showered it with kisses from the base to the tip.

“Let’s let it rest while you show me why Tracy was screaming,” she said.

If she had watched Tracy ride my tongue then she had definitely watched Kim work her stretched asshole up and down my thick shaft. She could even have seen me drill Alex's ass like a wild animal.

"How long have you watched before you made an entrance?" I asked.

"Just for a few minutes," she said. "Leanne and I were afraid we'd soak our panties."

"So, she saw it too?" I said.

"She'd have to be blind not to," she said.

"Do you think she may tell mom?" I asked in fear.

"If she wanted to tell your mom, would she take her clothes off and lie naked under your nose, shamelessly showing you her erect nipples and wet pussy?" she said sarcastically. "She was obvious. She even ground her wet pussy into your hard cock skin to skin and let you lick her pussy and ass. The only thing she didn't do was begging you to fuck her right then and there. Seeing your response to her advances, I knew that if I kept flashing you my pussy and ass day and night for a year you wouldn't take the hint. So, I told you what I wanted and spread my ass for you. You probably still had doubts. You have no clue about women, do you? The girls must be having a ball, taking advantage of you. If I haven't seen them with my own eyes, I'd think you are still virgin."

That was an embarrassing lecture, but I was not supposed to look for those signals from my aunts. It was only two nights ago that I accepted having sex with my cousins and yesterday morning that I accepted having sex with my sister. How could I know that I was coming from a sex-crazed family? Even after this painful lecture, I was still not comfortable with making the first move on Aunt Leanne.

"Why don't you lick my pussy while I give you some advice?" she said.

She lay in my bed comfortably on her back and spread her legs invitingly. Her skimpy chemise was conveniently out of the way. Her wet juicy pussy was utterly displayed and lewdly offered. Her little virgin asshole peeked shyly from below. I sat between her legs. Holding her ankles and looking constantly at her pussy, I slowly raised her legs until her knees were next to her chest. I silently admired her obscenely splayed pussy and asshole.

"You are so beautiful," I said without taking my eyes off her juicy orifices.

"You are a bad boy, Nick," she said. "You are having me expose myself shamelessly."

"You are most beautiful and delightful when you do," I said.

She held her legs in position when I left them over her head. I guided her hands to her ass.

"Spread your lovely ass," I said softly.

"Oh, you are making me assume lewd positions," she cooed. "I don't even let my husband see me like this."

"Maybe you were afraid he'd think you were a shameless cock-hungry slut," I said. "I am different; I love shameless cock-hungry sluts. When you are with me, you can comfortably be yourself."

"Your tongue drips honey," she said. "My pussy's dying to feel its sweetness."

"Please, allow me to kiss you first," I said, lowering my mouth to her crotch.

She gasped when I planted a soft kiss on her puckered virginal asshole.

"Oh, Nick, you are the first ever to kiss me there," she said.

"I can't resist kissing the most beautiful parts of a sexy woman's body," I said.

Because her pussy was wet, I gave it a full deep kiss, making her moan.

"I like the way you kiss," she moaned, grinding her pussy into my mouth as if she was kissing back.

"I like the way you kiss and taste down here," I said. "You are delicious."

"You like my imported fine pussy?" she teased.

"I love fine pussy and top-notch ass whether domestic or imported," I said. "I certainly love yours."

"Enjoy yourself, baby," she said. "My pussy likes to be kissed, licked, teased and fingered. My little asshole has never tried it, but that's why I am here."

"I am going to indulge in this special treat," I said. "I really appreciate the privilege of being with you here."

"It's my pleasure, Nick," she said. "Anyway, back to you. Life is full of fine lines dividing different things. If you pay attention, you can easily push or cross a fine line without making a scene. For example, there is a fine line between pleasantries and playfulness. There is a fine line between playfulness and flirting. There is a fine line between flirting and teasing. There is a fine line between teasing and seduction. There is a fine line between seduction and foreplay. There is a fine line between foreplay and sex. Once you smoothly get close to a fine line, you can push it or cross it into the next level."

She punctuated her sentences with gasps and moans as I ate her leaky pussy.

"With men, you can easily move from pleasantries to sex," she continued. "However, with women, you have to be more delicate as you move from one level to the next. Since those fine lines are not engraved in stone, you can make your own classification of acts with small error. Let me give you an example. When a woman rubs her wet pussy over your hard cock with nothing between her pussy and your cock except her leaking juices, it's either seduction or foreplay even if the woman is your own mom or the holiest woman in the world. It's usually foreplay, but it's never flirting and hardly ever teasing. All you need to do to cross the line is to aim your cock head at her pussy hole and drive it in. Even if she begs you to stop, don't until she's about to come. You may then stop as she begs you not to—if you still mistakenly think it's teasing after all that fucking."

While she tried to catch her breath, I made her gasp her way to a wild orgasm.

With her in that position and with her asshole glistening in her pussy juices, I immediately proceeded to eat her asshole. Because she was already hot, I devoured her asshole hungrily. It clenched defensively for a minute but then started to relax and open up. She meanwhile gasped and moaned, urging me not to stop. Her asshole took to nibbling at my tongue tip by the time I made her come. I continued to tongue fuck her asshole while she recovered.

She was panting softly as I applied lube to her asshole and proceeded to lick her drenched pussy leisurely. I massaged her asshole gently while deeply kissing her pussy. She gasped and her asshole twitched as my middle finger tip popped past her sphincter. I massaged her clit with my tongue until her asshole unclenched.

She squirmed and humped my fingers as I slowly reamed out her asshole with my fingers until she was able to accommodate three fingers. I sucked her clit very gently as I vigorously fucked her ass with three slick fingers. She moaned, begging for more, and tried to fuck back, but her position restricted her movement. She soon came, gushing copious juices into my eager mouth.

She recovered while I worked more lube on and inside her asshole. My cock was harder than rock. I adjusted my position, aiming my cock at her asshole while I continued to ream out her asshole with my fingers. I continued to finger her asshole until she relaxed completely. When she least expected it, I popped my fingers out and pushed my cock in. When her natural reflex clenched her asshole, my cock head had already been past her sphincter.

"Is that your cock?" she asked as I gently massaged her pussy and pussy lips.

Raising my hands up, I ground delicately into her ass just to make her feel it. I returned my hand to her pussy and resumed massaging her clit until her asshole relaxed a bit.

"Oh, Nick, you are finally fucking my ass," she moaned as I thrust ever so gently into her ass.

"How does it feel?" I asked.

"It's the hottest thing I've ever done," she said. "I've never been this horny."

"That's very good," I said. "You are about to get fucked like you've never been fucked before."

"That's why I am here," she smiled. "I've never had sex behind my husband's back."

"We'll make it worth it," I said. "Sit back and push out with your anal muscles. That relaxes your sphincter."

Within the following couple of minutes, I slowly but surely advanced past her second sphincter and into her virginal depths. I soon popped my cock head past the end of her rectum with a firm thrust, making her grunt. I was finally balls deep up her newly deflowered ass. After giving her several seconds to get used to the new feeling, I started to thrust gently.

"Milk on it," I said as I grabbed her ankles and pinned them to the bed, raising her ass.

As she milked on my cock, I synchronized my gentle thrusts to her milking rhythm, patiently loosening up her asshole and getting it ready for serious drilling. Within a few minutes, I was fucking her ass with long smooth strokes while she continued to milk on my cock. We continued to build up the pace slowly as I pumped her sizzling asshole with precise strokes, making her grunt and gasp to my rhythm. She was so tight and hot.

“Your Japanese asshole was made for this,” I teased. “Wasn’t it?”

“Yes, yes,” she hissed. “My little Japanese asshole was made for your big American cock. Fuck it good.”

“Your tight little asshole was made exclusively for my big hard cock?” I asked.

“Yes, Nick,” she gasped. “It was made only for you. Nobody else has ever touched me there.”

“If you really want to be my slut, it has to stay that way,” I said.

“I surely want to be your slut,” she said. “Why else am I letting you go where nobody has ever gone before?”

“You are a good girl, Aunt Meg,” I said. “You won’t regret it.”

“Of course I won’t regret the best sex of my life,” she said.

Our banter lulled down to grunting, gasping and moaning as we concentrated on the wonderful physical sensations we were giving each other. Hard rhythmic flesh slapping sounds were adding to the ambiance.

She was not far from her fire cracker orgasm, so I doubled my efforts and drilled her extremely hard, triggering a gut wrenching orgasm. I continued to ram her twitching asshole until her wild convulsions subsided. I slowed down as she continued to gasp for air.

“That was unbelievably amazing,” she gasped. “Baby, your cock belongs in my ass. Don’t you take it out.”

“I won’t take it out soon,” I assured her as I wiped her drenched pussy with my hand and sucked my sticky fingers audibly while holding her eyes. “I am going to fuck your tight asshole until it gapes wide open.”

“Yes, baby,” she panted. “Keep fucking my ass.”

I pulled her on top of me into the cowgirl position and had her bounce her ass on my cock to a fresh orgasm. We kept changing positions after every orgasm. We tried every lewd position we could think of. I fucked her into oblivion, making her asshole gape so wide I was able to yank my cock all the way out then ram it all the way in without using my hands for guidance. I occasionally stuck my tongue all the way up her open ass.

She was lying flat on her stomach when I pumped my come load deep up her twitching bowels. Her thirsty rectum sucked my cock dry. I stayed rooted in her ass until my cock went limp and slipped out.

“Let me suck your cock,” she said, rolling onto her side.

“Squeeze your asshole tightly so my come won’t leak out,” I said as I gladly obliged her.

She sucked my cock clean, making sure it was completely drained.

“I’d have loved to spend the night with you, but you are needed elsewhere,” she said. “Go to Leanne now. She desperately needs your cock. She’s sleeping in the nude. Cuddle up to her and let nature take its course.”

My cock started to harden as I snuck out of my room. I stealthily snuck into the master bedroom. Aunt Leanne was sleeping peacefully. I turned the bedside light and took a look at her. She looked so beautiful and sexy in her sleep. I gently climbed onto the bed.

She was breathing rhythmically. Her face looked so pretty I wanted to brush my cock over it. I just hoped she would not wake up. I gently pulled the covers down, exposing her chest. I kissed her nipples lightly before I slowly threw my left leg astride her chest. She did not move as I laid my hard cock on her face. I lightly brushed it over her right cheek then brushed it over her left one.

Getting more daring, I brushed my cock head over her lips. I drooled on my cock head and continued to rub it along her lips. I adjusted the angle of my cock, aligning it with her mouth, and ever so gently pushed it between her lips. Her moist lips parted, and my cock head moved in very slowly. When my cock head was past her lips, she started to suck gently while she still seemed asleep. My cock grew in hardness and started to ooze inside her mouth. I gently thrust in her mouth, slowly sliding my cock an inch in then out, as she continued to suck.

I gently removed my cock from her mouth and dismounted her. I pushed the covers away and sat between her legs. Her pussy was wetter than a river. I gently rubbed my cock head up and down her wet pussy lips. Her juices covered my cock head. I gently pushed into her pussy hole. Her pussy opened up slowly and took my cock in. I slowly slid my cock all the way into her pussy and lay on top of her while carrying my own weight.

My cock throbbed inside her pussy as I took advantage of my sleeping aunt. I paused for several seconds. She slowly started to hump me, thrusting her pussy into me very gently. I thrust back, and soon we were fucking with short gentle thrusts. I did not know before then that sleeping people could suck and fuck.

My heart sank in my stomach when she suddenly moved, throwing her arms around me, but she thrust into me even more urgently than before, moaning softly with her eyes still closed. I fucked back with equal vigor.

“Yes, Nick, fuck my pussy,” she suddenly said, almost making my heart stop.

She wrapped her legs around my and fucked hard.

“Are you awake?” I asked softly so I would not wake her up if she was not awake.

“Of course, baby,” she said. “Did you think I could suck your cock in my sleep?”

“I didn’t know,” I said.

She soon was convulsing in orgasm as I pounded her gushing pussy into mush. We ground into each other gently as we calmed down.

“Are you going to fuck my virgin ass?” she asked.

“That’s why I am here,” I said.

“You are a bad boy, Nick,” she said.

“Why do you say that?” I asked.

“Because you left me to the end,” she said. “I rubbed my pussy over your cock. All you had to do was to push your cock into my pussy. You are my favorite nephew, but you fucked Meg before me.”

“What’s wrong with keeping the best for last?” I said.

“Are you going to fuck me better than you fucked her?” she asked.

“Of course I am,” I said. “By the way, how did you know about her?”

“I know Meg,” she said. “I saw her play with your cock at the pool. She couldn’t have been discussing the weather with you for hours.”

“Do you want to fuck or talk?” I finally asked.

“I want to fuck of course,” she said.

“Do you want me to fuck your tight little virgin asshole?” I teased.

“Oh, yes,” she said, her pussy twitching around my cock.

“Beg for it,” I said.

“Did you make Meg beg for it?” she asked.

“If you want to be fucked in the ass better than others, you have to beg for it,” I said. “If you don’t beg, you get fucked like her.”

“You are a wicked boy, Nick,” she said. “Please, fuck my virgin asshole like you’ve never fucked before.”

“Is this the best you can do?” I teased, fucking her pussy with long slow strokes.

“Please, sodomize me, Nick,” she begged. “Ream out my tight asshole with your fingers and make it ready for your big cock. Please, fuck me in the ass like I’ve always dreamed. I really need your big cock deep in my ass.”

“Get on your knees and present your ass obscenely to me,” I said, pulling out of her pussy. “If you want me to fuck your ass really good, you have to show me that you are a real slut.”

She complied readily, getting on all fours and thrusting her ass out shamelessly. I spread her cheeks gently and planted a light kiss right on her asshole. She gasped.

“At the pool I wanted to eat your asshole until you came and then fuck it until it gaped wide,” I said.

“I wouldn’t have stopped you,” she said.

“I didn’t know that then,” I said. “I know now.”

“Now we can do more than that,” she said.

“We will,” I said. “I’ll turn on the lights so I can enjoy the view.”

I turned the lights on and returned to her ass.

“Aunt Leanne, are you a slut?” I asked.

“Yes,” she said.

“Do you want to be my slut?” I asked.

“Yes,” she said.

“Good girl,” I said. “Get ready to get fucked like a very cheap whore.”

“I am ready,” she said.

I suddenly gave her right ass cheek a smart smack, making her jump.

“Ouch!” she said as she jumped with the sudden pain.

“Relax,” I said. “I am just warming you up.”

When she calmed down, I gave a similar smack to her left ass cheek, getting the same response.

“That was just to warm you up and remind you that what you are about to do is very sinful,” I said. “Do you know that you are a bad girl?”

“Yes,” she said.

“Good girl,” I said. “Bad girls like you are good girls. I like them and I enjoy fucking them like real whores.”

“Yes, baby,” she moaned. “Fuck me like a real whore.”

“Roll your ass lustfully and sing,” I said. “Say, ‘I am your cheap whore, I am your anal slut. I need your cock to bore balls deep up my butt.’”

Her utterly exposed sticky pussy and cute asshole mesmerized me as she rolled her ass seductively, singing the dirty song I had just taught her. My cock was harder than rock. I had to stroke it gently as I watched my aunt’s lust take full control of her mind and body.

“Yes, baby,” I encouraged. “You are so hot. Your asshole is so mouthwatering. Don’t stop.”

I pulled her feet together, squeezing them around my cock. Holding her ankles in my hands, I thrust gently between her feet as I continued to watch her wanton show.

“Keep going,” I said as I lowered my face to her ass.

As she continued to dance, I buried my face between her cheeks. She started to moan as I licked her asshole. It was getting harder and harder for her to keep her rhythm as my tongue patiently loosened up her responsive asshole. It continued to get harder for her as I relentlessly teased her hot asshole to a hard orgasm. She was gasping my song and shaking involuntarily while her asshole twitched ecstatically against my tongue. She danced with less precision as I cleaned up her drenched pussy.

“Now you can stop and lower your chest to the bed,” I said, taking my mouth off her pussy and pushing her upper back down. “Spread your cock-hungry ass like the slut you are. I am going to ream out your horny asshole and get it ready for its divine life mission.”

“Yes, baby, get my asshole ready for your cock,” she said, spreading her cheeks outrageously.

Bending over her ass, I licked and sucked her asshole for a couple of minutes, getting it to relax. I reached for the lube, which I brought with me, and squeezed some onto her glistening asshole. I patiently and carefully fingered and reamed out her little asshole. She moaned, offering her asshole eagerly. Twenty minutes later, she had had three orgasms and was able to accommodate three fingers comfortably. She was ready for my rampant cock. I lubed my throbbing cock while I twisted my fingers within her receptive asshole.

While I let her suck my sticky fingers, I gave her virgin asshole a long goodbye kiss, slipping my tongue inside it. She moaned over my fingers, grinding her ass into my mouth.

“What did you say you need?” I teased, breaking the kiss.

“I need your cock up my horny ass,” she said.

“Let me tell you what you need,” I said. “You need to beg nicely for it—like a good slut.”

“Please, Nick, fuck your dirty slut up the ass,” she begged.

“You are not my dirty slut, Aunt Leanne,” I corrected. “You are a good slut.”

“Please, fuck your good slut if the ass like a dirty whore,” she begged.

"I like that," I said, refreshing the lube on my cock. "You got it."

I lay on my back, letting my hard cock point to the ceiling.

"Squat on my cock and skewer your hot ass," I instructed. "Take your time; it's your asshole's first cock."

She excitedly straddled me with her knees on the bed.

"Raise your knees," I said, pushing her knees up.

Squatting on her feet, she reached behind her to guide my cock to her asshole. I spread her ass for her.

"Take it slow," I said as she pressed my slippery cock head into her nervous asshole. "Neither my cock nor your ass is going anywhere. Relax. Before you know it, my cock will be balls deep up your deprived asshole."

With that attitude, she did not have any problem popping my bulbous cock head inside her asshole. She grunted softly as the beginning of my shaft stretched her sphincter and my cock head filled her anal canal.

"It's so big," she moaned.

"Of course, baby," I said. "Your little asshole needs a big cock to stuff it tightly and stretch it wide. Don't move until you get used to it."

Her pussy was dripping as she paused in that position. She shuddered and her asshole twitched when I brushed her drenched pussy lips with my thumb.

"Can you see how wet you are?" I said, showing her my glistening thumb.

"Yes," she hissed.

"It proves that your sweet asshole was made for cock," I said, slipping my sticky thumb into her mouth. She moaned as she sucked it. "Let's give it more."

She carefully lowered herself further onto my cock, taking my cock head into her rectum.

"Hold it right there and milk on my cock," I instructed.

While she milked on my cock, I gently thrust into her ass. Before long, my cock head was pushing through the end of her rectum, meeting resistance.

"Bounce your ass gently," I said. "We'll soon get the rest of my cock up your hot ass."

She worked her ass up and down my shaft, getting it fucked with short strokes while I spread it for her. Within a couple of minutes, her asshole relaxed well and she found the point where my cock was meeting resistance. She started to apply more pressure when she reached that point. My cock head slowly but surely advanced past the end of her rectum. A minute later, with a loud grunt she announced swallowing the rest of my cock, plopping her ass on my thighs.

"Now it's all the way in," she said as my balls pressed gently against the back of her ass.

"It's balls deep up your ass," I said, slipping two fingers into her leaky pussy. "Isn't that how you want it?"

"Yes, Nick," she said, holding still. "I am so full of your cock like I've never been full of cock before."

"It feels so good to be all the way up your hot ass," I said, letting her suck my wet fingers. "Now let's fuck."

She started to bounce on my cock while sucking my fingers. I returned my hand to her ass and paced her, building up a nice rhythm. Before long, she was working her ass up and down my cock with long smooth strokes. My thick shaft stuffed her ass completely at the end of every stroke.

"I love this so much," she gasped excitedly. "I'll never get enough of your cock up my ass."

"You don't have to," I said. "I'll fuck your wonderful ass all you want."

"Oh, Nick, my ass is so hungry for your cock," she moaned.

"My cock is so hungry for your ass too," I said. "We'll keep fucking all night long."

She bounced faster and faster as her orgasm approached.

"I am coming, I am coming," she panted excitedly, losing control.

When her orgasm hit her, she jerked so widely I had to use all my power to keep her from losing my cock. She gasped breathlessly for air as her asshole twitched in ecstasy. I slammed my cock into her trembling ass as hard as I could until her orgasm subsided.

“Wow!” she gasped. “That was unbelievable. It was the best sex of my life. Nick, I am your devoted slut. You can do to me anything you want.”

“That’s my girl,” I said. “The first thing I want to do to you is to keep fucking your ass until we are both satisfied. You’ll love how I’ll treat my devoted slut.”

“I am sure of that,” she said.

With that said, I rolled us over, getting her onto her back. I pinned her feet on either side of her head and proceeded to fuck her shamelessly splayed ass. She eagerly took my cock up her ass in every position we could think of, coming hard too many times for either of us to care to count.

When I finally filled her trembling ass with come, she was convulsing ecstatically in the missionary position. Her twitching bowels made sure to drain my balls. I slowly withdrew my shriveling cock from her sticky asshole.

Keeping her in that position with her knees pushed against her shoulders, I dipped two fingers into her ass and scooped out a lump of my come. She eagerly sucked the come off my fingers, making loud sucking noises. I gave her well fucked asshole a deep kiss, making her moan, before I straightened her legs.

“You are a real slut, Aunt Leanne,” I said, planting a light kiss on her lips.

She smiled happily.

Straddling her chest, I brought my soft cock to her mouth. She impatiently took it in her mouth and proceeded to suck it. As my cock hardened, I started to thrust gently in her mouth. I soon was fucking her throat with my fully hard cock and occasionally slapping her face with it.

She reluctantly let me pull away from her mouth. I lubed my cock and laid it between her tits. She smiled as she squeezed her lush tits around my cock. I fucked her tits for several minutes before I retreated further and pushed my cock into her sticky pussy.

By the time I made her come, her copious pussy juices had drenched her asshole. I flipped her onto all fours and stuffed my cock into her willing asshole. We had another round of wild ass fucking in several positions. We made her asshole gape wide. I kissed her ass many times, pushing my tongue all the way in. I always spitted in her open rectum before ramming my cock back in.

At the end, I came in her mouth. She thirstily drank my come and eagerly sucked my cock dry and clean. We kissed lovingly and cuddled as we drifted to sleep, sticky but sated.

We waked up after ten. We showered and dried each other. I blindfolded her and led her naked down the stairs to the living room. I led her to the sofa. I sat down and nudged her down onto her knees.

Alex was already waiting for us with a video camera.

“Suck my cock,” I said as I sat back in the sofa.

“Someone might see us,” Aunt Leanne said with concern.

“It’s okay,” I assured. “I am proud of my slut. I want them to see her in action. I want to show them how much she loves my cock and needs it in every horny hole in her hot body. Now take my cock into your mouth and make me proud. Don’t talk unless you are directly asked to.”

When Aunt Leanne took my cock in her mouth, Alex left the video camera on a tripod and disappeared. She returned a minute later, leading blindfolded Aunt Meg. She gently pushed her into the camera range and returned to manning the camera. Aunt Leanne made sucking noises as she slobbered on my cock and deep throat it.

“Come here,” I instructed Aunt Meg, reaching out for her hand as I held Aunt Leanne’s head to my cock. “Join the fun, but don’t talk.”

I had Aunt Meg stand next to Aunt Leanne. I fingered her pussy gently, making her gasp occasionally. I had her suck my sticky fingers several times.

I arranged Aunt Leanne onto all fours while she continued to suck my cock. That made her ass accessible. I gently maneuvered Aunt Meg behind Aunt Leanne and nudged her down.

“Eat her asshole,” I instructed Aunt Meg, leading her to Aunt Leanne’s ass. “Make it ready for my cock. She’ll return the favor very soon.”

Aunt Meg did not hesitate much before she groped for Aunt Leanne's ass and proceeded to eat it tentatively. Her appetite increased considerably as Aunt Leanne started to respond and grind her ass back. I handed Aunt Meg the lube, and she proceeded to ream out Aunt Leanne's receptive asshole.

The rest of the girls had silently gathered around us by the time I was fucking Aunt Leanne in the ass while she ate Aunt Meg's pussy and ass.

Within the next two hours, I fucked Aunt Leanne and Aunt Meg in every combination I knew of, switching my cock between their cock-hungry holes in every possible combination. At the end, I came on their faces. They licked my come off each other's face, finishing in a lewd kiss.

"Sorry, girls, you lost again," announced Alex proudly as she went to her knees before me.

Alex proceeded to suck my cock clean. Meanwhile, I removed Aunt Leanne and Aunt Meg's blindfolds. They blushed when they saw their audience.

"It's okay," I said ruffling their hair. "They are all my sluts—like you don't know already."

Alex continued to suck my cock until it was rock hard. She then showered it with loving kisses.

"So, what was the bet this time?" I asked as the girls paid Alex.

"It was the same bet," Alex said.

"What same bet?" I asked.

"I bet them again that in three days you'd leave no anal virgin in the house," she said, laughing. "You are so predictable; I knew you'd deflower Aunt Meg and Aunt Leanne."

"How did you know that?" I asked. "I had never had the intention of doing that."

"You did not have the intention of doing it to us either," she giggled. "I had you all figured out."

"You must be lying," I said. "There is no way you could have predicted that."

"It's true," said Claire. "That was our bet. We thought like you did, but it didn't work out that way."

"So, have you, girls, had enough or do you want to try your luck again at double or nothing?" dared Alex.

"Let's see what you have in mind," said Claire.

The girls disappeared and reappeared in fifteen minutes.

"This time there's no doubt we are going to win our money back," said Claire.

"I hope you do," I said.

"Just don't get shocked if you don't," said Alex. "Make sure you have enough money to pay up too."

With everything in the open again, we resumed our continuous orgy. Our aunts did not hesitate to eat pussy or ass or get eaten by the girls. They even gave exotic dancing lessons to the girls.

"Meg, don't you think this is much more fun than the cruise," asked Aunt Leanne as I pounded her ass while she rimmed Claire, getting her ass ready for me.

"I don't have any doubt about that," said Aunt Meg, briefly raising her head from Alex's pussy while still fingering her ass. "Our nephew is the best, isn't he?"

"I wouldn't be offering him my ass here if he wasn't," said Aunt Leanne.

"You, ladies, are incredible," I said. "I am so privileged to be here enjoying your magnificent asses like no one else ever has."

Abbey got her wish of fondling and sucking Aunt Meg's big tits while I fucked her ass.

"This is what I wanted to do when I first saw these lovely tits," said Abbey, briefly interrupting her sucking.

"Do it all you want, Abbey," moaned Aunt Meg. "It feels so good."

Aunt Meg graciously returned the favor while I fucked Abbey's hot ass hard and deep.

Needless to say, we were starving when we finally had lunch at five.

From then on, we fucked like animals in heat. We fucked in the pool, around the pool and in every room in the house. We had cock sucking, pussy licking, ass rimming, pussy fucking, ass fucking and striptease contests and sex

games. The girls competed to perform the lewdest and wildest acts, and we taped everything. It was heaven. It was the best thing that had ever happened to me or any of them.

On Tuesday afternoon our parents arrived. With them also arrived Uncle George and Uncle Ken. We had been fucking continuously for the last couple of days in preparation for their arrival. They changed, and we all gathered in our spacious family room.

That night was my first time to catch a glimpse of Aunt Susan's bare pussy when she uncrossed her legs once. At first I thought I was seeing things, but when I paid attention I was sure I saw the real thing. With my interest piqued, I was able to catch a glimpse of Robin's bare pussy too. I also could not notice any panty lines on the others like I usually could. When I had a chance to raise my gaze, it was obvious to me that none of them wore any bras. Their full tits moved more freely than always, and their tops outlined their nipples. That was outrageous.

What really shocked me was that mom, while in conversation with Aunt Meg, changed the angle of her legs a bit, and her bare pussy peeked out at me. That made my cock twitch and start throbbing like a heavy hammer. Her pussy continued to peek at me for over a minute before she moved again, closing her legs.

Aunt Leanne signaled me and snuck to the backyard. There she sucked my cock and swallowed my come. When she returned without rinsing her mouth, she did not miss a chance to kiss Uncle Ken with the same mouth that had just swallowed my come. She always winked at me when she did that. She was a real hot slut. She had not been my favorite aunt for nothing.

With all the peeking pussies, my cock waked up again and needed more action. Aunt Meg let me fuck her ass in the master bedroom with the door open so we could hear anyone coming besides us. She spent the rest of the evening sitting on an ass full of my come. What a nice slut!

The sleeping arrangements were worked out. Four people were going to sleep in each room. I got Abbey, Claire and Mary to sleep in my room. They were supposed to take the bed while I took a sleeping bag on the floor. Alex got Tracy, Kim and Amber to sleep with her in her bed.

"I don't know about you, girls, but my ass is tingling for a nice hard workout," said Abbey just as we entered my room and closed the door.

"Mine too," said Claire.

"Same here," said Mary.

"Nick, let's lock and insulate the room optically and acoustically," said Abbey, locking the door.

"We still have to be quiet," I said.

"Of course," said Abbey.

We hung a blanket in two layers over the door so light would not leak around the edges. It would also help muffle our noises. We then placed the speakers of my sound system on either side of the door. I played a nature CD that provided continuous sound. It was effective albeit not loud.

"Now we can fuck all night long without anyone suspecting anything," said Abbey, taking her clothes off.

Although I immediately stripped, I was the last to get naked. They pulled me to the bed and laid me down. Claire was the first to swallow my hardening cock. Abbey and Mary took turns with her until I pulled Abbey astride my face. I licked her leaky pussy for a few minutes before she turned around and joined the others sucking my cock. I meanwhile rimmed her asshole. Before long, I was using my fingers to lube and loosen her sphincters.

Abbey pulled away and impaled her ass on my cock in the cowgirl position. Claire straddled my face. While I ate her pussy and ass, she and Abbey ate Mary's pussy and asshole. Both assholes were soon warmed up and churning for my cock. It was not long before they got it. Although my cock spent most of the time pumping an eager tight asshole or another, it occasionally slid into a leaky pussy or down a willing throat, supplementing artificial lube with natural secretions.

While I drilled Mary's ass vigorously with her legs doubled over her head, we heard knocking on the door. Claire and Abbey were watching while fingering their pussies and assholes. We slowed down a little and quieted but did not stop as we listened to the knocking.

"It's me—Alex," a voice said behind the door.

"Abbey, check what she wants," I said.

Abbey took her fingers out of her fuck holes and walked to the door.

"Alex, we are busy," said Abbey. "What do you want?"

"Open up," called Alex. "We want to get fucked."

"Let them in," I said to Abbey.

Abbey snuck the girls in while I resumed fucking Mary's ass deep and hard.

After Mary came, Alex pounced on my cock, swallowing it down her throat. I was only happy to have four extra sets of cock-hungry holes to enjoy filling. Alex made sure I made every asshole gape wide, starting with her own. Not knowing what it was all about, I was only too happy to oblige. I did not pay much attention to the fact that Tracy, Kim and Amber were a little hesitant to join.

A few minutes before Alex and the girls joined us, they were watching us fuck over the network with the lights off. Mom was checking on them and quietly opened their unlocked room door. She caught them in the act. They were so consumed in watching and fingering their pussies that mom had been there for over a minute before they discovered her presence. The girls ran to the bed in embarrassment, leaving Alex face mom.

"What's this, Alex?" mom asked.

"This is what's happening in Nick's room," said Alex lowly.

"You mean you are spying on your brother?" asked mom. "Shame on you!"

Alex did not answer.

"Is he having sex with his cousins?" asked mom as she watched me drill Abbey's ass on screen.

"It looks that way," Alex said.

"I'll have to find out what's going on there," mom said. "Leave me alone here for a minute."

Alex and the girls left the room, leaving mom watch us continue our fuck session.

"They are going to get screwed," said Tracy once they were outside.

"Us too, genius," said Kim. "They are definitely going to tell on us."

"I think mom has already figured out that we are part of it," said Alex. "No one needs to tell on us."

"How are we going to face our folks now?" asked Amber nervously.

"We won't have to face anyone unless I lose the bet," said Alex.

"Are you serious about winning the bet?" asked Kim.

"Of course I am," said Alex. "I am pretty sure I am going to win."

"You are totally nuts," said Amber.

"Since everything is in the open now, why don't we join them and get our asses fucked?" Alex said.

"Do you want your mom to kill us?" asked Amber.

"I want to show my mom how much I enjoy getting my ass fucked royally," said Alex. "That's all."

"I don't want to know what she's going to do to you," said Amber.

"She's going to thank me if I convince her to try it," said Alex.

"I am sure of that," said Kim sarcastically.

"Just follow me," said Alex, walking toward my room. "I'll worry about that."

The girls did not follow her.

"Do you want to get fucked or not?" called Alex. "Get your asses over here and don't say a word about it."

"You are going to get us in deep trouble," said Amber.

"We already are in deep trouble," Alex said. "Our only hope is to show her how good ass fucking is. Hey, she already knows what's going on, and she's not doing anything about it."

That was when Alex knocked on my room door.

The rest of us did not know we were putting on a show for mom. Soon Tracy, Kim and Amber joined the action and got their asses fucked as if their lives depended on it. By the end of our session, I came twice: once in Claire's ass and once in Alex's. Each of the other girls had a taste of my come out of either lucky asshole.

It was around midnight when Alex and the three girls left. The house was quiet and dark. I walked through the house, making sure everything was all right. While in the family room, I found that our DVDs were still next to the DVD player. My heart sank in panic. I collected the DVDs and took them to my room, feeling lucky that they did not fall in the wrong hands.

While I drifted to sleep between my cousins, mom called Alex to the den. They sat across from each other.

"Was Nick okay with what happened?" asked mom.

"Nick's not Jesus," said Alex. "He resisted at first, but he couldn't resist seven half-naked girls wiggling their asses in his face forever. He could only resist for a few hours."

"Are you aware that this is incest and it's taboo?" asked mom.

"Of course," said Alex. "As long as we are not making babies, it's all cool."

"Are you all protected?" asked mom.

"Of course," said Alex. "Besides, Nick's an anal sex fiend. He rarely does us the normal way."

"Didn't I teach you that sodomy was wrong?" mom admonished.

"Of course you did," said Alex. "Though, I need to form my own personal opinions at this point."

"And what are your own personal opinions?" mom asked, raising her brows.

"Sodomy can be the best thing to ever happen to a girl," Alex said. "The other girls testify to that."

"Doesn't it hurt?" asked mom.

"Not if you are ready for it," Alex said. "Nick really knows how to get an anal virgin ready."

"I see," mom said.

"Mom, are you still an anal virgin?" asked Alex.

"Alex!" glared mom.

"Mom, you are so pretty," said Alex. "You have a hot body. I am sure Nick would love to initiate you. Have you seen the way he's been checking out your butt? He wants you."

"Alex, I am your mom...and his!" protested mom.

"Because you are my mom, I don't want you to miss on the best possible sex of your life," said Alex. "Being the mom of an anal stud, you shouldn't deprive yourself of this joy."

"He's my son," mom insisted.

"Mom, nothing can feel like a big hard cock thrusting deep up your tight little asshole," said Alex. "It's the most intense pleasure you can ever experience. You'll love it."

"It's still dirty," said mom.

"Not if you take a nice warm cleansing and relaxing enema," Alex said. "It would dirty in a thrilling way; it makes you feel like a slut. As you have taught me, good girls are not supposed to take bad boys' big cocks up their little assholes. Only sluts are. Let yourself be a depraved slut at least for once."

"Alex, you are not a good girl," said mom. "You are a bad girl."

"Aren't you getting all hot and wet as you think about it?" teased Alex, reaching between mom's legs.

"Alex!" gasped mom as Alex's fingers tickled her bare drenched pussy.

"I knew you were soaked," said Alex, pulling her hand back.

She looked at mom wickedly while she licked her glistening fingers. She moaned as she sucked them dry.

"So delicious," she teased. "I am dying to eat your juicy pussy."

"Alex, you are out of your mind," mom admonished.

“While you lie in bed tonight, do yourself a favor and imagine this,” Alex said. “Imagine Nick pumping your lovely butt with his big shaft nice and hard while I eat your juicy pussy with fervor until you gush in my mouth. If he shoots in your butt, I’ll gladly suck his come out and share it with you over a long hot kiss. If you don’t honestly believe it’s the hottest thing in the world, punish us any way you want.”

“Alex,” mom protested. “That’s gross.”

“Are you ready to go to bed?” asked Alex.

“I think so,” said mom.

“Good night, mom,” said Alex.

“Good night, Alex,” replied mom.

Alex leaned over mom for a goodnight kiss. She pecked her on the lips a few times before she let her kiss linger. Mom’s lips parted, and their tongues touched. They kissed gently until mom pulled back gasping when Alex slipped a finger into her wet pussy.

“Think about it,” Alex whispered, winking.

Alex left. Mom sat there dazed for a minute before she left.

“What happened?” whispered the girls, asking Alex, when she returned to her room.

“We had a talk about what happened,” Alex said.

“And?” asked Amber.

“She doesn’t seem mad at us,” Alex said.

“Really?” asked Kim.

“Of course,” replied Alex. “What did you expect?”

All that happened without my slightest knowledge.

Needless to say, I fucked my roommates first thing in the morning. I spewed my first come load of the day in their mouths. We hardly had enough time to shower and put our clothes on before mom was calling us for breakfast. It was already ten in the morning.

Everyone else was already at the breakfast table. It was a huge family breakfast. We had ten conversations going on at the same time. I was the first to leave.

“Nick,” mom called as I was about to open the door of my room.

Everyone else was still at the breakfast table.

“Yes, mom,” I replied.

“Why don’t you see me in my room in half an hour?” she said.

“Sure, mom,” I said nonchalantly.

Half an hour later, I knocked at her door. I could hear the sound of the television and other voices coming from the family room.

“Come in, Nick,” mom called.

When I opened the door and entered, her sweet perfume filled my head. She was wearing the kind of perfume that would make you want to eat whoever or whatever is wearing it. Her looks were even more striking. She was sitting back in bed covered with the sheets from the waist down. Her legs were bent at the knees as she looked straight at me. Her hair was well done in an elegant twisted up-do, and she had fresh makeup on her pretty face. I could see the top of her black stretch satin tank dress. The dress was held up with spaghetti straps, and the deep plunge neckline exposed her generous cleavage. Her beautiful lush tits were practically pouring out of the top of her dress, the nipples softly outlined very close to the neckline, indicating the absence of a bra. The black color of the dress contrasted sexily with her alabaster flesh. The dress faithfully hugged her curves, lifting and exposing her abundant tits suggestively.

In the middle of all this, I did not fail to notice that she was wearing more fine jewelry than usual. A full platinum diamond necklace sparkled around her neck. She also wore matching earrings and a bracelet on her right

wrest. Her left hand was wearing her wedding set. She looked absolutely beautiful. I wondered how she could do all that in less than half an hour.

"Hi, mom," I said, finally looking at her smiling face.

"Hi, Nick," she said.

"You are absolutely ravishing," I said. "Are you going somewhere special?"

"Thanks for the sweet compliment," she said, beaming. "You look good yourself."

She threw the sheets off her, uncovering the rest of her short dress. In the position she was in, I could easily see her entire legs. She was wearing a black mule with a platform sole and stiletto heel on her right foot and a matching sandal with leg wrap on her left foot. Her wrap strap reached halfway up her left calf. Her heels were at least six inches high. Her right ankle was adorned by a platinum diamond anklet matching her jewelry set. Her lips, fingernails and toenails shared the same glossy red color. Her feet and toes looked beautiful in her sandals. When she swung her legs to the side, my trained eyes caught a glimpse of her bare pussy.

"What do you think of my dress?" she asked, holding her legs in that position, her knees slightly parted.

"It's a very sexy little dress," I said.

"Do you think it's modest or too revealing?" she asked.

What a question to ask with her bare pussy aimed at me.

"It's obviously not modest," I said, "but, depending on the occasion, it may be right. You can't go to church like this. It's not Sunday anyway. I've seen more revealing dresses, but I've never seen anything as sexy."

"Do I look beautiful in it?" she asked.

"Mom, you are gorgeous," I said. "You look beautiful in and out of anything. Have you looked in the mirror? You must be the sexiest thing in the world."

"Are you flirting with me?" she laughed.

"I wish I could," I said.

She smiled proudly.

She parted her knees a little more, giving me a better view of her pussy, as she prepared to get off the bed. When I looked up at her face, it was the first time I thought that her full pouty lips had been made to suck cock. Her pretty face would look even prettier drenched with a big load of thick come. As my eyes were drawn to her full chest, I thought it must be a sweet treat to fuck those big ripe tits, not to mention licking that juicy pussy, which was looking me in the eye or even sucking her beautiful toes. Her little pussy must feel really tight stretched around a nice thick cock like mine.

"You really think I am sexy, don't you?" she said, still smiling. Little did she know what I was thinking about right then. "I am flattered to have my handsome young son think so much of his old mom."

"Mom, you are not old," I said. "You are mature. Younger women would die for a body like yours. Besides, most of them are airheads with bad personalities."

She got off the bed, smiling. She turned around, exposing the low scoop back of her dress. She was wearing a sparkling belly chain that matched the rest of her jewelry.

"Is your belly chain real diamonds?" I asked.

"Yes, it is," she said. "It's part of the set."

Hugging her curves like a second skin, her dress stretched tightly over her round tight ass. She bent over deeply to straighten the sheets. The hem of her dress was pulled up, and I could see the bottom of the cheeks of her ass, which I knew was bare under the dress. It was merely a few inches away from the front of my shorts. Her ass crack was aligned with my crotch, making my hardening cock look as if it was trying to reach out for her tempting ass. I could only see the bottom of her ass because I was practically towering over her bent frame. Had I been a few feet back, I would have seen her bare pussy.

"This set must have cost a small fortune," I said, checking out her ass closely.

"It really did," she said, "but we traded old jewelry."

"I must say it was money well spent," I said. "Fine jewelry and fine women belong together. They beautify each other. I've never seen anything or anyone as pretty as you are now."

"Thanks, honey," she said, her ass twitching as she went on with her sexy little chore.

That was dangerous for me, especially that I was still not wearing underwear. I had never looked at mom like that, but those ten days of continuous orgies really changed me. My eyes were glued to her twitching hot ass as she made this side of the bed. She opened and closed her legs as her ass jerked left and right. I wanted to kneel behind her and eat her pussy and ass through several orgasms before holding her hips tightly and slipping my rampant cock into her juicy pussy from behind. By the time she moved to the side, my cock had been rock hard and throbbing. I was then able to see her full tits jiggle.

She moved to the other side of the bed near the headboard and proceeded to straighten the sheets there. Her lavish tits all but spilled out of the top of her dress. They were held up only by their fullness and firmness. They would feel really good in my hands if I drilled her from behind. The way they jiggled connected directly with my throbbing cock, making it twitch. It was making a huge circus tent in the front of my shorts. I just hoped she wouldn't notice although she had to be completely blind to miss it.

After finishing with the bed, she sauntered all around the bed to me, my eyes watching her every move and twitch. Her eyes never left mine, giving me hope that she might not see my predicament. Dreadfully, my boner felt big enough for her to see it even if looking in the opposite direction. She finally stopped before me and turned to face me. Her tits were right under my nose, her perfume filling my head.

She silently turned around, almost brushing my cock with her hips. She walked to the door in the most erotic way I had ever seen. My eyes were glued to her swiveling hips and twitching ass cheeks, but I could not neglect her long sexy legs. The view was mesmerizing. She locked the door and walked back in the same teasing style, her full tits jiggling softly. What lovely tits! They must feel really good squeezed around my cock before or after a nice marathon fuck. I was so consumed in my fantasies I did not even ponder her locking the door. I finally got out of my trance and returned to reality.

She was already sitting on the edge of the bed, looking at me with an amused smile. She was showing the most cleavage I had ever seen, and the hem of her dress rode up almost all the way to her crotch. If I was any farther back, I would probably be able to see her bare pussy. She raised her arms, reaching behind her head to do something to her hair. That move pushed her full tits up and out, emphasizing her deep cleavage. It also made my cock twitch as I thought about spewing come all over those lush orbs after a nice long tit fuck.

"How did your first attempt at family leadership go?" she asked, smiling.

"It went very well," I said.

"Any problems, comments or anything you want to talk to me about?" she asked, her hands back in her lap.

"No, not at all," I said. "Everything was great."

"Is that what you do when someone trusts you with responsibility?" she asked.

"Yes, sure," I said, apparently misunderstanding her question.

"You turn the house into a whorehouse?" she asked calmly.

"What are you talking about?" I asked, my face turning red.

"I am talking about how you had wild perverse sex with every female in the house, including your sister and married aunts," she said.

"Mom, this is crazy," I said hopelessly. "Where did you get this wild idea? What you are describing doesn't even happen in dirty sex videos."

"You are right," she said. "I'd never have believed it had I not stumbled upon this indisputable evidence."

She motioned me to look behind me. I almost fainted when I saw the big screen television come to life with the movie when I fucked my aunts while blindfolded. We could hear my balls crisply slap Aunt Leanne's pussy as I pounded her offered ass vigorously while Aunt Meg spread that ass for me. My cock popped audibly out of Aunt Leanne's asshole, leaving it wide open, I then lowered my mouth to her asshole and gave it a long deep kiss. I stuffed my glistening thick cock in Aunt Meg's mouth and thrust several times in her throat before I shoved my cock back into Aunt Leanne's gaping asshole.

“That was a pretty impressive performance,” she smirked. “What do you think?”

Naturally I thought I was in deep trouble. I was scared to death.

“Where did you find it?” I asked as I turned around, totally confused. “Did you go through my room?”

Moans, groans, dirty talking and flesh slapping continued in the background.

“No, not at all,” she said. “I found it in the DVD player. The other DVDs were on top of the DVD player.”

“I retrieved them last night,” I said.

“You did after I made copies of them,” she said. “These DVDs are priceless.”

“Did you tell dad about this?” I asked.

“No, I didn’t,” she said. “I can handle it by myself.”

I sighed in relief.

“Not so fast,” she said. “I am capable of making your life miserable.”

“Of course,” I said nervously. “I just think that you are more understanding than dad.”

“I’ll do my best,” she said. “Explain why you turned the house into a whorehouse.”

“I didn’t,” I said. “Money was not involved, and we were not open to any customers. I’d never allow something like that. It was more like a private harem.”

She laughed out loud.

“Yes, you are right,” she said. “It was a harem mostly consisting of your first, second and third degree relatives. You probably wouldn’t spare me if you ever had a chance to add me to your harem.”

“Mom, you are the sexiest woman in the whole wide world,” I said. “I am sure most gay men would reconsider if they saw you now. Every man in his right mind would die to make love to you, myself included.”

“Make love?” she smiled. “I am not sure you can make love. All I saw you do was vigorously fucking your horny sluts like a wild animal in heat. I saw you turn tight little assholes into wide gaping tunnels of wanton lust.”

“That happens in the heat of passion,” I said.

“I guess you are always in the heat of passion,” she smiled.

“Most of the time,” I said.

“Anyway, let’s get back to your indiscretion,” she said.

“I am not to blame,” I said.

“Really?” she asked sarcastically.

“I was the victim,” I said. “I was seduced. I haven’t seduced any of them.”

“First, you are to blame anyway because you were in charge,” she said. “You are responsible for anything anyone did on your watch. Second, are you happy with yourself that you were a boy toy? I’d have more respect for you if it was you who went after those sex-crazed sirens and seduced them all.”

“What?” I asked in disbelief.

“Nick, you are a man,” she said. “You should take charge. Women like to be chased and seduced. You can’t sit around and wait until you get seduced.”

“I made the first move on Aunt Leanne,” I said.

“After she rubbed her dripping pussy on your cock and Meg lectured you?” she asked sarcastically. “That doesn’t count even if we could call rubbing your cock over a sleeping woman’s face a move.” She shook her head. Apparently she knew the graphic details of everything that had happened. “You have to set your eyes on your prey and go get her. You have to be fast and effective in pouncing on her—even if she was married.”

“Even if she was married?” I asked. “That would be cheating.”

“Is that right?” she said sarcastically. “I bet you thought Meg and Leanne were single young teenagers out for fun.” She paused a little. “You shouldn’t care about cheating. It only happens in weak relationships, and it breaks them up. It also stimulates competitiveness. If a partner is not good enough, someone else may take over.”

Amazingly she seemed only concerned with my lack of leadership in that perverted situation. She apparently did not mind our having wild orgies.

"I see," I said. "How did you know about Aunt Leanne and the lecture? That was not on those DVDs."

"I knew what was happening here in juicy details day by day," she said.

"How?" I asked.

"With my PDA," she said. "I received detailed juicy messages. They were so hot I needed to have my pussy eaten gingerly while reading them, but I frankly thought they were exaggerated fantasies until I saw the videos."

"From Aunt Leanne?" I asked.

"Are you crazy?" she asked. "Leanne would never tell me she let my son fuck every hole in her body silly."

"Who then?" I asked.

"Suffice it to say that it was someone else," she said.

"Last night you didn't let on that you knew anything," I said.

"I was enjoying watching you peek at your aunts' bare pussies," she said.

"You saw that?" I said, blushing.

"I also let you peek at mine while I was in deep conversation with Meg," she said.

"You intentionally did that?" I asked.

"You have no clue," she said, shaking her head. "A girl never unintentionally lets a boy peek at her pussy."

"Really?" I said, lowering my head in embarrassment.

"Really," she said. "Even when you peeked at your cousins the night they arrived, it was intentional."

"You saw that too?" I said in shock.

"Of course," she said. "When I saw that, I knew you didn't have a chance, and I decided to spy on you."

"Not only are you the sexiest woman in the world, but you must be the smartest one too," I said.

"Thanks," she smiled, "but that can't get you off the hook."

"What are you going to do with me?" I asked.

"I am considering letting Lydia coach you in the art of seduction," she said.

"Lydia?" I asked. "You know about her?"

"Of course I do," she smiled. "She's my friend; she'd never touch you without my permission. I hooked you up with her because she was a wild hussy. I thought she'd help you build your sexual skills. The videos showed that I had been right. You really know your way around a naked woman, but you unfortunately don't know how to get the woman of your choice out of her clothes so you can use your skills on her."

I just nodded.

"Nick, you are in deep trouble for what happened," she said. "Incest is very dangerous for someone like you. If you get consumed in incest, you'll never acquire the skills you need for pursuing other women for relationships and eventually marriage."

"I have a girlfriend," I said.

"What if you broke up with her for any reason?" she said. "Even if you got married, there's no guarantee that you'll stay together forever. If you lost her for any reason, what would you do? Cry yourself to death?"

"Of course not," I said. "I guess I'd have to find another one."

"Let's make a deal," she said. "If you agree, I will forgive your indiscretions."

"What deal?" I asked.

"I'll let you seduce me," she said, making my jaw drop. "If you do it right, I'll let you have me any way you want me. Not only can you have your way with me and my little virgin asshole, but you can also go after Michelle, Susan, Kate, Tami and Robin's for more practice. You can be the family anal stud. If you don't do it right though, you'll have to end all your incest relations and promise never to try incest again. As you can see, a lot is at stake."

"I don't have a choice," I said, "do I?"

"That's your problem, Nick," she said. "You give up so easily. You never try to fight for what you want. Yes, you have a choice. If you don't like the deal, come up with an alternative. Don't be passive."

"I think the deal is fair," I said. "When do you want to do it?"

"Right now," she said.

"What about the others?" I asked. "They'd miss us. What if dad wanted something from the room?"

"Don't you worry about that," she said. "I told your dad that I'd have a long private talk with you about how things went while we were away."

"Very thoughtful," I said.

"Now tell me," she said, standing up before me. "Do you really want me? Do you think I am hot?"

She put her hands on my shoulders. I tentatively put mine on her waist.

"Of course, mom," I said. "You are the hottest thing I've ever seen."

"Thank you," she said. "How bad do you want me?"

"Very bad," I said. "I want you more than anything."

"I am flattered," she smiled. "The first rule of seduction is to keep your emotions under control. You have to look calm and confident. It's all about perception. It doesn't matter whether you are really calm and confident or not as long as you look that way. If you don't have that look, it shows, and you lose. Most women want a real man. If your woman wants a toy, you have two options: walk away or play along carefully, but never really be a toy."

"Thanks, mom," I said.

"If your woman can tell right away that you have a boner the size of Texas, she knows you are not calm," she said. "You may still be confident, but the boner would cloud your judgment and diminish your chances depending on the situation. If you can get your woman hot and bothered while you look calm, you'll usually win. If you have a huge boner while she's calm, you lose unless you can reverse the situation."

"I see what you mean," I said.

"I see that you've had a huge boner ever since I bent over to straighten the bed," she said, embarrassing me into several shades of red. "Your mom knows well what happens around her. What are you going to do about it?"

"I don't know," I said, helplessly. "It's not going away."

"This time, I'll help you with it," she said. "Frankly, my pussy has been leaking like a loose faucet ever since I flashed it at you. If you paid attention, you'd smell my excited pussy a mile away."

Honestly, I was not paying attention, but she was right: I smelled it when I paid attention.

"So, you also need help," I said.

"Yes," she nodded.

"What do we do now?" I asked.

"I help you, and you help me," she said.

"How do we do that?" I asked.

"I'll suck your cock and swallow your come," she said, making my cock twitch. "You, in turn, eat my pussy to orgasm and drink my juices. Just then can we start your seduction test."

"Are you serious about sucking my cock?" I asked, my cock throbbing.

"Yes," she said. "I am serious about your licking my dripping pussy too."

"Mom, if we are going to do that," I said, "can we kiss and make out a little like normal human beings instead of pouncing on each other like wild animals?"

"Good job, Nick," she smiled. "You are taking the initiative and trying to steer the outcomes your way. That's my boy. We certainly can. Let's make it interesting and not allow the use of hands. Besides that, everything goes."

"You want to play, huh?" I smiled.

"I sure do," she said, removing her hands from my shoulders and moving mine off her waist.

"I can get you out of your clothes without using my hands," I said smugly.

"We'll see about that," she smiled.

"Mom, you are so beautiful, so sexy and so much fun to be with," I said, letting myself get lost in her sexy blue eyes. "I really envy dad for having you as a wife."

"Thanks, baby," she said. "If you pass, you'll be able to spend more time with me and do more depraved things to me than he can or wants to. No one else ever has a chance to make me practically his private slut."

"Thank you so much, mom," I said, my cock throbbing at her choice of words. "I really appreciate it."

"If you blow it, no one else will ever get a shot at my little virgin asshole," she said.

"Why not?" I asked.

"Because ass fucking is perverted," she said. "If I want to try it, it has to be most perverted. Incidentally, there's nothing more perverted than letting my own horny son ravish my innocent asshole like a man possessed."

"For the sake of both of us, I hope I succeed," I said, my cock throbbing.

We continued to look into each other's eyes for several seconds.

"Are you ready to play?" she asked.

"Readier than ever," I said.

"Be confident and calm and don't rush things," she said. "We have all the time we can ever need."

While holding eyes, our faces slowly moved closer together. Our heads tilted to opposite sides as our mouths approached each other. Our lips finally touched softly. We kissed ever so gently and slowly for a couple of minutes before our lips started to part so our tongues could join the fun. Our tongues gently glided against each other as if to get to know each other. After a little while they started to grind and wrestle playfully.

Our kiss slowly but surely built up to a feverish level. Our tongues dueled like wild tomcats. We continued to kiss like that for a few minutes without breaking the kiss. When we finally broke the kiss, we were both out of breath. A few seconds later, I engaged her again. This time, there was no gentleness in the kiss. We kissed like sex-starved animals from the start. This kiss also lasted for a couple of minutes.

"Wow!" she gasped as we broke the kiss. "I've never been kissed like this. You are really hungry for me."

She glanced quickly at the huge tent in my shorts.

"Oh, yes," I said. "What about you?" I inhaled deeply. "How is your juicy pussy doing?"

"Oh, it's flowing like a river," she said, her eyes full of lust.

"I guess I have to get my mouth on it before it starts dripping on the carpet, wasting precious juices," I said.

"I guess so," she said. "The juices are running down my thighs."

"I'll have to lick those thoroughly," I said.

As I leaned forward, I captured her left earlobe between my lips, avoiding her earring. She moaned softly as I gently sucked her earlobe and nibbled at it. I lightly and tantalizingly kissed my way across her neck all the way to her right earlobe. I sucked it and nibbled at it harder than the other one. I started at the tip of her chin and kissed my way down her chest and along her cleavage until I hit her neckline. I stuck my tongue out and slowly licked along her cleavage, making her moan.

Using my teeth, I pulled the left side of her neckline down until her left tit was completely exposed. Her perfect tit was topped with a thick erect pink nipple, begging to be sucked, but I did not fall for it.

"Oh, you are not wearing a bra," I said, faking shock.

"I am sure you have known that ever since you set your foot in the room," she said. "We all play by your sister Alex's no-underwear rule."

"Who are 'you all'?" I asked.

"'We all' are every man, woman and girl in the house," she said. "I am glad you play by the rule too."

Everybody played by my sister's wicked rule, from dad to Robin? That was strange. So that was why I noticed those big full tits moving more loosely than usual. I thought it had been just my dirty imagination.

"It's beautiful," I said, taking my attention back to the lovely tit before me. I made sure she could feel my breath on her nipple. "Look at this sweet nipple. It must be tingling to be licked and sucked. Don't you think so?"

"Yes," she hissed.

"Let me see what I can do about that," I said, looking her in the eye.

Lowering my eyes back to her nipple, I slowly moved my mouth to her tit. I kissed a circle around her areola without touching her areola or erect nipple. I used my teeth to pull her neckline back up to cover her tit. With my teeth, I uncovered her right tit.

"This one is also beautiful," I said. "Do you think this cute nipple also wants to be sucked and licked?"

"Yes," she hissed.

"Do you think it may be luckier than the other one," I said.

"I hope so," she said softly.

"If you want to find out, clasp your hands behind your head and leave them that way," I said.

She immediately complied with my instructions, pushing her lovely tits up. After I finished kissing a semicircle around her areola, I suddenly captured her nipple between my lips and kissed it, making her gasp.

"Will your pussy leak more if I suck your nipple?" I teased.

"Yes," she hissed, nodding.

Pouncing on her nipple, I sucked it hard. She took a long gasp.

"Did you feel it leak?" I teased.

"Yes," she hissed.

"Do you think I am being unfair to your other nipple?" I teased.

"My other nipple must think so," she said.

"What do *you* think?" I asked.

"I think you are fair whatever you do," she said. "You have no obligation to do or not to do anything. I am just hoping you'd play with my other nipple a little."

"If you ask nicely, I probably will," I teased.

"Please, Nick, suck and lick my other nipple," she begged.

"I'd love to, but unfortunately your request was incomplete," I said. "You did not mention that it would make your juicy pussy leak more."

"Please, Nick, suck and lick my other nipple and make my juicy pussy leak more profusely," she cooed.

"That sounds like fun," I said. "I think I'd like it. The wetter your pussy is, the easier it's going to be for me to stuff it with my thick hard cock. Don't you think so?"

"Yes," she hissed, nodding.

"Do you think you'd enjoy getting your juicy pussy stuffed with my thick cock?" I teased.

"Yes," she hissed, shuddering.

"Me too," I said.

Lowering my head to her chest, I used my teeth to pull her neckline back up, covering her tits. Her erect nipples were clearly outlined by the thin silky fabric of her dress. I teased them with my lips and nose, making her moan. After a minute or two of teasing, I started to suck and nibble her nipples through her thin dress. She gasped and moaned softly. I kept that up for a few minutes.

"Has your little pussy been leaking nicely?" I teased, coming up from her chest.

"Yes," she nodded.

"Your lovely tits deserve to be freed," I said. "Lower your hands to your sides."

It was effortless for me to slip her straps off her shoulders, setting her lush tits free. The top of her dress fell down, letting the straps reach her wrists. She pulled her hands out of them.

"You can return your hands behind your head," I instructed.

She clasped her hands behind her back, pushing her lovely tits up and forward.

"Your tits are so ripe and pretty," I said. "My mouth waters when I look at them. I get the urge to wrap my lips around them and suck them. What about you?"

"Me too," she said.

"Do you mean that you want me to play with them?" I teased.

"Yes," she hissed.

"I am a nice guy," I instructed. "I wouldn't do something like that to my hot mom without being asked explicitly. If you want me to, you have to ask me nicely to play with my horny mom's big ripe tits."

"Please, play with your horny mom's big ripe tits," she begged. "Please, make her drooling pussy get wetter."

"Why would I want to make my mom's pussy wetter?" I teased.

"So you can easily stuff it with your big cock," she said.

"Speaking of my cock, do you think it would feel nice squeezed between your big lovely tits," I teased.

"I am sure it would," she said.

"I want to do something before I get your sweet nipples wet," I said. "With your hands still behind your head, turn around and bend over so your nipples can barely touch the sheets."

She complied readily. I moved forward, pressing my rock hard shaft along her ass crack through her thin tight dress. My cock twitched, and she shuddered, gasping softly.

"Sway to the left and to the right, brushing your nipples over the sheets," I instructed.

She moaned softly as she shifted her tits left and right as her pussy rubbed against my cock, making it get even harder. I let her do that for a couple of minutes before I had her stop.

"Stop," I instructed. "Don't move."

As she froze in that position, I started to hump her butt, sliding my cock up and down her ass crack. That was so enjoyable for both of us. She moaned continuously as I massaged her pussy, feeling its heat sear through out thin clothes. She humped back lustfully. I stopped moving, but she continued to hump my cock, moaning and gasping.

"You like that, don't you?" I teased.

"Yes," she hissed.

"I can feel the heat of your pussy on my cock," I said. "Its inside must be hotter than a furnace."

"It is," she gasped.

She was disappointed when I pulled back. She humped the air a few times before she stopped.

"I want you to set my cock free," I said.

That was an easy task because my shorts had an elastic waistband. She squatted before me and looked at my tented shorts. There was a wide wet spot around my cock head. She took my cock head in her mouth and sucked it through my shorts, making my cock twitch. She looked up at me as she did that. She then used her teeth to pull the waistband down. My hard cock popped out forcefully as the waistband snapped off it. I kicked my shorts off. She admired my leaky cock for a little while.

"You have a beautiful cock," she said, finally looking up at me. "It's more grand up-close and personal. It looks bigger and harder in the flesh."

"I am glad you like it," I said. "It *is* actually bigger and harder, and that's because of *you*."

"Really?" she smiled.

She kissed my leaky cock head, making my cock jump.

"Of course," I said. "I've never wanted a woman as much as I want you now."

“The feeling is mutual,” she said. “I’ve never been this hot and wet.”

She closed her lips around my cock head and sucked it gently, looking up at me. She looked so beautiful with the beginning of my thick shaft stretching her sensuous lips.

“You look even prettier with my cock in your mouth,” I said.

She smiled without taking my cock out of her mouth.

My cock drooled onto her tongue as it massaged its head. She finally stood up, and I kissed her sweet mouth. We kissed deeply as she brushed her tits over my chest, making her erect nipples tickle my chest.

“Turn around and get into that same position,” I instructed.

When she complied, I squatted behind her and looked up her dress. I could see her hot pussy.

“I can see your pussy,” I said. “It’s so pretty.”

“It’s dripping wet,” she said.

“I love wet juicy pussies,” I said.

Leaning forward, I lapped her delicious pussy with my tongue. She gasped. She was drenched.

“Your pussy tastes as good as it looks,” I said.

Seeing that, my cock wanted to touch her pussy. I stood behind her and maneuvered my cock along her pussy and ass crack. She moaned, and my cock pulsed. I humped her ass, sliding my shaft along her sizzling pussy lips and asshole. Her leaking juices bathed the underside of my cock. That was so hot my cock twitched every time her pussy nibbled at its underside. I started to slide my cock head up and down her hot slick crack.

As my cock head slid up and down between her pussy lips, it suddenly got caught in her pussy hole, making her grunt softly. I almost came when her pussy twitched around my cock head and instinctively squeezed tightly. She gasped and shuddered at the unexpected sensation. We both paused. My cock head was not inside her pussy; rather its tip was nestled inside her hole. My cock head had accidentally poked her hot pussy, but I was not about to move it away. I adjusted my angle before I thrust gently in. She moaned but did not protest or resist as my cock head got fully lodged inside her pussy. I made a few gentle thrusts that smoothly sent my cock balls deep in her pussy. I paused there, holding my cock motionless. Her pussy felt like burning lava. It was so hot and wet but so incredibly tight. It twitched involuntarily a few times, and I enjoyed its milking sensations.

“Oh, it’s so big and hard,” she moaned. “It’s stuffing my horny pussy so tightly and stretching it to the limit.”

“Milk on it,” I whispered.

She silently milked my cock, making it twitch. I instinctively started to grind into her.

“Your pussy is so hot and tight,” I said. “It so wonderfully squeezes my hard thick cock.”

“Oh, Nick, you fucked my tight little pussy before you seduced me,” she moaned.

“It was accidental,” I said. “Do you want me to stop and take my big cock out of your cock-hungry pussy?”

Naturally, I was not about to take it out even if she wanted me to.

“What for?” she protested. “It’s already in, and it feels so good. Fuck your horny mom with it.”

“Are you the sexiest mom in the world or what?” I said as I started to thrust gently in her sizzling pussy.

“It’s more like the most depraved mom in the world,” she said.

“Nay,” I said. “You can’t be that with a virgin asshole. I have to cop your ass cherry first.”

“I won’t let you do that before you seduce me properly,” she said.

“I don’t want it if I don’t deserve it,” I said. “The sexiest mom in the world must not give her delightful ass cherry to someone who doesn’t deserve it, even me.”

“I really hope you can rise to the challenge like your cock always does,” she gasped as I fucked her hard. “If you can’t take my virgin ass, no one ever will.”

Her tits were still brushing against the sheets as she continued to hold her hands behind her head. My balls were already drenched with her copious juices as she started to feel the imminence of an orgasm. I fucked her really

hard, pushing her over the edge. She gasped for air as she convulsed and her pussy twitched bathing my cock and balls with fresh juices. I slowed down only when her orgasm receded.

"That was incredible," she panted, collapsing onto the bed.

As she calmed down, I resumed fucking her pussy rhythmically. She soon pulled herself up and started to fuck back. It was even easier to make her come a second and a third time. I knelt behind her and licked her drenched pussy a little before I stood up and pulled back.

"My cock is sticky with your pussy juices," I said. "It needs cleaning."

"Gladly," she said, kneeling before me.

She licked my cock and balls thoroughly before she took my cock head in her mouth. She sucked the head gently for a couple of minutes, making me feel my sex fluids ooze onto her tongue.

"I know that those sluts have been sucking your cock day and night," she said, looking up at me while making sure I could feel her breath on my wet cock. "They surely know how to suck cock, especially Claire. Now you'll see how your mom compares."

"I have no doubt you put them all to shame," I said.

"I appreciate your confidence in me," she said. "Your mom really knows how to suck a nice fat cock and revels in it, but you've been enjoying some talented cocksuckers that can't exactly be put to shame."

"I am sure I am going to enjoy this," I said. "I am so glad you are too."

"Turn around," she said.

When I turned around, I was face to face with the big screen television, where Aunt Meg was riding my hard cock with her ass like a wild animal, gasping and moaning. I felt mom's tongue on my asshole. No one had ever done that to me before. My asshole instinctively clenched shut. My cock started to pulse. She licked my asshole for a while before my asshole started to relax. She then started to push her tongue inside. That made my asshole spasm and my cock twitch. Meanwhile, the screen showed Aunt Leanne deep throat my cock before putting it back into Aunt Meg's gaping asshole. My cock was harder than rock.

"Why don't you sit back at the edge of the bed and relax so you can really enjoy my salivating mouth on your big juicy cock?" she said. "Now you are ready for a nice long blowjob."

When I turned around, she licked her lips lustfully as she eyed my pulsing cock.

With me sitting back at the edge of the bed with my legs parted, she knelt between my knees. Starting at the bottom of my balls, she applied a fresh thick coat of saliva to my balls and cock. Her journey on my cock ended at my cock head. Her eyes never left mine ever since her tongue touched my ball sack. Winking at me, she took my cock head into her mouth and closed her lips just past it. She nursed it gently as it started to drool into her mouth.

"You have the sexiest mouth I've ever seen," I said. "You look so beautiful with your full lips stretched tightly around my thick cock."

"You like watching your slut mom suck your big juicy cock, don't you?" she teased.

"Oh, yes, mom," I said. "I like watching and feeling your thick moist lips work on my horny cock."

"Enjoy, baby," she said. "Your lewd mom is going to spend a long time sucking your delicious cock. She really enjoys showing her wild stud a good time and loves the taste and feel of his juicy cock. Her shameless pussy's leaking freely as it hungers for more of this big hard cock."

"Don't worry, mom," I assured. "I am going to fuck your pussy to satiation."

"It's not going to be easy to give my insatiable pussy enough of your luscious cock," she said.

"I am going to enjoy working hard for it," I said.

"Now take it easy and enjoy this treat," she said.

My cock was throbbing and leaking without being touched as we talked, her breath tickling its engorged head. She finally closed her hot lips around it and resumed sucking it gently as if she was sipping at the leaking fluids. As she sucked my cock head, she let her drool run down my shaft. She started moving her lips ever so slowly down the shaft. She took more and more of my cock into the warmth of her blissful mouth, massaging and milking it with her tongue and mouth. She took over two minutes to reach the base of my cock, repeatedly drowning my cock with her

drool then swallowing around it. She continuously maintained eye contact, adding to the heat of it. My cock was finally balls deep down her throat. She winked at me as she swallowed around it. My cock and I were in heaven. She took the same time withdrawing her lips to the top of my cock just below its head.

"Yummy, yummy," she moaned, finally breaking contact with my cock but not with my eyes.

She gave my cock head a long French kiss, working her lips and tongue around it as if it was a hot tongue.

"Having a good time?" she teased as if she did not know.

"Having a *wonderful* time," I said.

"Do you want more?" she teased.

"Oh, yes," I said. "I want much more."

"Tell your horny mom to suck your big cock," she said, her eyes gleaming.

While she awaited my answer, she used her mouth and tongue on my balls.

"Suck my big cock, you sweet slut," I said. "Show your horny son what a wicked cocksucker you really are."

She grinned widely before she opened her mouth and swallowed my cock head.

Done with the teasing, she started to work her mouth up and down the entire length of my shaft rhythmically. She occasionally let my cock out of her mouth to lick and suck my balls gently. With my cock in her mouth, she did tricks to my cock that I had never thought possible. What a hot woman! I would comfortably call that putting every cocksucker I had ever had to shame. She spent half an hour deep throating my cock with extreme skill, keeping me at the apex of pleasure and lust. I was so close to the edge she could have made me come at any moment she wanted just by blowing on me.

"Are you ready to plaster your mother's throat with your thick silky come?" she finally said.

"No, mom," I said. "I want to come in your hot pussy."

"Hey, I want to taste your come," she protested.

"You will," I said, "after I suck it out of your slimy pussy."

"What?" she asked in shock.

"I am going to suck my come out of your pussy then pass it to you over a kiss," I said.

"Nick, you are a pervert," she smiled. "I think I'd like that."

"I thought so," I smiled. "Now hop on and ride me. I recall your pussy was still hungry for my big cock."

"It still is," she said as she straddled me.

It took her a few seconds to maneuver my cock into her drenched pussy. She moaned as she lowered herself all the way down my slick shaft. She started to ride my cock at an easy but accelerating pace.

"Move that ass," I urged, watching her bouncing tits. "Make those lovely tits bounce."

She rode me harder and harder, coming within a couple of minutes. Her pussy drenched my cock and balls with its juices. I sucked her erect nipples until she came again.

"Doggy style," I said as she calmed down.

She soon was on her hands and knees. I used my teeth to hike her dress up and expose her entire ass.

"You have the hottest ass and rosebud," I said, planting a light kiss on her right ass cheek. "It would be really unfortunate if I couldn't get inside it."

"To both of us," she said. "Please, try your best to succeed."

"I sure will," I said.

She indeed had a tight round ass and a lovely little asshole. My cock twitched and my mouth watered as I looked at her little rosy orifice. She gasped softly as I showered her ass with kisses. I gave her little asshole a long tongue kiss, making her moan and squirm.

"Oh, baby, that feels so good," she moaned. "You are a great kisser wherever your mouth goes."

Her ass moved as if to kiss back. What a delicious asshole she had! I spend a few minutes kissing, licking and sucking her asshole, and she ground her ass into my mouth more and more urgently. Her asshole relaxed gradually under the ministrations of my loving albeit mischievous tongue.

“Yes, baby, don’t stop,” she urged. “Keep eating my horny little asshole.”

She need not have worried; I was not going to stop for high water. She finally came.

“Yes, yes, I am coming,” she hissed, her asshole twitching helplessly around the tip of my wicked tongue.

When she calmed down, I gave her drenched pussy a deep kiss, working my tongue as far as it would go into her juicy pussy. I sucked as much of her juices as I could, savoring her tangy juices and enjoying her joyful moans.

My cock was ready for more. I knelt behind her and effortlessly pushed my cock into her willing pussy. Two smooth strokes made my balls press against her stiff clit. Seconds later, moans, grunts and slapping sounds filled the room as I fucked her hard and deep. She urged me to fuck her even harder. She soon had a long hard orgasm.

“Suck my cock,” I said as she calmed down, her face still on the sheets.

She turned around and eagerly swallowed my entire cock. I fucked her face for a few minutes.

“On your back,” I instructed. “I hope you are ready to take your pussy fill of come.”

“I am,” she smiled. “Come on; give it to me.”

My cock head easily found the opening of her sodden pussy and slipped all the way in, taking my entire shaft with it. She smiled as she pulled her legs over her head. I held them in place with my shoulders. In that position, I gave her what could most likely be the hardest fuck of her life. Her tits and entire body shook violently with every deep pussy stuffing thrust. The mattress made her rebound after each thrust. My balls spanked her sticky asshole audibly. She came three times before I pumped my come deep inside her twitching pussy. Her pussy continued to milk on my cock until it left it dry. We kissed deeply, lovingly and lustfully as we ground our crotches together.

“Stay as you are,” I said as I slipped my softening cock out of her slimy pussy.

Her pussy rightfully looked soundly fucked. I pounced on it and started to suck the come out of her slimy depths. She moaned, gently grinding her pussy into me, as the mixed come started to ooze into my mouth. I continued to suck for a few minutes, getting her hotter and hotter. She finally came, her fresh juices washing the remnants of our mixed come out of her pussy. I removed my mouth from her pussy when she calmed down.

“Give it to me, baby,” she said as I got up from between her legs.

She licked her lips lustfully when my mouth approached hers. She sucked the come out of my mouth as we kissed deeply and lewdly. She moaned as she swallowed the come. We continued to kiss for a while.

“Are you ready for your test now?” she asked when we broke the kiss.

“Let’s first clean each other up a little,” I said.

With that, I dived between her thighs and licked her sticky pussy and asshole, cleaning them thoroughly. I then lay back and she cleaned my cock and balls with her mouth. My cock started to stir.

“You are already getting hard,” she admonished. “That wouldn’t be to your advantage.”

“I’ll try to keep it under control,” I said.

She straightened her dress, and I pulled my shorts on. She walked to the dresses. She refreshed her make-up and rearranged her disheveled hair. I watched her lovely ass as she bent over slightly. Needless to say, my cock was rock hard. I had just fucked that lovely woman, but that only made me want her much more. She finally came back and stood before me, looking as fresh as ever. Just looking at her made my cock twitch. We were ready to rumble.

“Nick, you are seducing a fine lady not a street whore,” she said. “Crotch grabbing and copping feels is not acceptable. We have to act as if we have never fucked each other silly. Being crude would be a fatal mistake.”

“Mom, you are so beautiful,” I said, looking in her eyes as I held her waist gently with both hands.

“Is that the best you have?” she asked, smiling.

“Do you think a man looking at the perfect example of loveliness and feminine allure would have any concentration left to come up with sweet words?” I said. “I am saying what I feel directly from my heart.”

“That’s so sweet,” she said.

“Can I ask this lovely lady for a dance?” I said.

“You sure can,” she said, smiling. “If you do, she’ll accept.”

With that encouragement, I took the freedom to replace the home-made sex video with a slow music CD.

“May I have this dance, sexy lady in black?” I asked, smiling as I extended my hand for her.

She silently took my hand, smiling. I led her a few steps back, and we started to dance. We danced at a respectable distance, our eyes locked. My cock softened as I concentrated on dancing with that beautiful woman.

At the beginning of the second song, I moved my left hand to her waist. It was not until halfway through the song that I felt her nipples poke into my chest. That put an end to the softening of my cock. My cock immediately was pushing against her thigh very close to her pussy. There was no way she could miss it, but she did not pull back. I stoked her lower back gently, and she molded her body to mine. A couple of minutes later, my cock was pushing between her thighs as if trying to reach her pussy from below. She could feel it grind gently against her thighs. Her pussy was only protected by the tightness of her dress.

“Your sheer beauty, the warmth of your sexy body and the sweetness of your perfume make me feel like I am in another world,” I said directly into her right ear. “In that world only you and I exist. It’s a world of beauty and realization of dreams.”

She shuddered when I teased the edge of her ear shell with my tongue tip. While we danced, I stroked her lower back gently, making it obvious that I had stopped exactly on the boundary of her ass. After a couple of minutes of that, she reached back and lowered my hands to her ass.

“You are a very alluring woman,” I said as I squeezed her ass gently, letting her know what I meant.

The way she shuddered, gave me encouragement to nibble at her earlobe. As I gently stroked her ass, I lightly kissed my way to her lips. We shared a few light kisses followed by a deep one. We enjoyed a long sensual kiss that I kept gentle while I continued to fondle her tight ass lovingly. I kept it gentle until she started to kiss feverishly as if trying to rape my mouth. When that happened, I broke the kiss, smiling, but kept my hands on her beautiful ass.

She looked at me in frustration, but I gave her a quick light kiss on the lips. I gave her a few more light kisses, and we resumed kissing playfully as I stroked and squeezed her ass cheeks tenderly. We shared a long deep kiss before I turned her around. I cupped her tits through her top and nestled my cock against her ass crack. I fondled her tits gently as we ground into each other to the music. She had her hands on my hips pulling me into her. Meanwhile, I kissed her ears, neck and cheeks, occasionally brushing my lips with hers.

While we continued to frolic, I guided her hands to opposite shoulder straps. She slipped them off and down her arms, setting her tits free—into my waiting hands. While I fondled her bare tits, she reached back and pushed my shorts down, letting my rampant cock out. She then hiked her dress, and my cock started to rub against her bare ass. She reached back and grabbed my hard shaft. Thrusting her ass back, she rubbed my cock head up and down her dripping pussy and asshole, paying more attention to her virgin asshole.

Before long, she guided my cock to her pussy. We fucked gently. I maneuvered her toward the bed, and she bent over, bracing her hands on the edge of the bed. With her tits in my hands and her nipples pinched between my fingers, I fucked her harder and harder, and she fucked back as energetically. Our flesh slapped loudly. She soon came, drenching my cock in pussy juices. I fucked her slowly while she calmed down. I spread her ass and watching her asshole wink with every thrust.

Her little asshole was very tempting. I removed my dripping cock from her drenched pussy and wiped it on her tightly puckered hole. I teased and massaged her asshole with my cock head until she started to moan and grind her ass back into me. Holding her tits, I pulled her up for a lewd kiss. While we kissed, I maneuvered her onto the bed. I broke the kiss and arranged her on her hands and knees while still standing behind her, my cock rooted inside her sticky pussy.

She started to rock back and forth, getting herself fucked gently. Our rhythm accelerated, and we soon were fucking really hard. She enjoyed another violent orgasm, after which I thrust in her slowly.

“Get my little asshole ready for your big cock,” she cooed. “I can’t wait anymore.”

She giggled as she felt my cock jump in her pussy.

“You want it so bad, don’t you?” she teased.

“What do you think after all this teasing?” I said.

"I do too," she said.

My cock was drenched with her juices. She let out a long moan as I wiped the underside of my dripping cock on her asshole. She continued to moan as I used my cock head to tease and massage her asshole. She ground her ass against my cock. I jerked my cock head up and down her drenched pussy before I resumed massaging her asshole with it. After a while of that, I knelt down and, pulling her cheeks apart, shoved my face into her pussy and sucked it clean. She groaned, grinding her pussy into my face. I moved my mouth up to her sticky asshole. She moaned and her asshole twitched as I licked her juices off it. She rocked gently as I continued to lick her asshole.

While doing that, I dipped my left middle finger in her leaky pussy and had her suck it. I then withdrew my finger and gently massaged her asshole with my slick fingertip, drooling onto her hole. It relaxed a little, and I pushed my fingertip inside it. She moaned as the tip of my finger slipped in, and her sphincter tightened up, squeezing my finger. My cock twitched. I moved my fingertip within her asshole in tiny circles to loosen it up.

"What a tight little asshole!" I said. "I am really going to enjoy loosening it up."

"Me too," she cooed, her asshole milking on my fingertip.

"Of course you are," I said. "That's the whole point."

Her asshole relaxed a little. I pulled my fingertip out and had her suck my finger while I gave her asshole a long French kiss, enjoying the way it nibbled at my tongue tip. She moaned, grinding her ass into me.

"Let's first get your sexy dress out of the way," I said, breaking the anal kiss.

She got off the bed and stood up on the floor. I carefully pulled her dress down as she held her belly chain. She finally stepped out of the dress, and I put it aside. She was finally totally naked except for her makeup, jewelry and footwear. Holding her hips, I planted a light kiss on her mound. I stood up, and we shared a long deep kiss.

"Suck my cock clean," I said, breaking the kiss.

She smiled widely as she went down to her knees. She licked my balls and cock thoroughly before she deep throated me for a few minutes. I finally pulled her up and kissed her sexy lips. While we kissed, I fondled and stroked her ass. By the time we broke the kiss, I was teasing her asshole with my fingertips.

"I am now going to feast on your virgin asshole," I said. "This is the last time anyone can get to enjoy it, for, when I am done with it, it won't be virgin anymore. You won't even remember it has ever been virgin."

"No one has ever enjoyed my virgin asshole before," she said. "The most anyone has ever got away with was feeling up my ass a little. You've hardly started, but, so far, you are the one who's got to enjoy my asshole most."

"I really appreciate that," I said. "I want you now to relax and enjoy yourself. We are both going to enjoy your hot asshole extremely. You'll never forget this. I just hope no one misses us and starts banging on the door."

"Don't you worry about interruptions, baby," she smiled. "Take your time. We can stay together till midnight, and no one would miss us the least bit. I want you to enjoy my asshole like only you can, you little pervert."

"That's exactly what I have in mind," I said, my finger halfway up her milking asshole.

While holding her eyes, I gently removed my finger from her reluctant asshole and sucked it leisurely.

"What a bad boy!" she smiled.

"Your bad boy's ready to eat," I said as I turned her around and pushed her onto the bed. "He's starving for your delicious ass. Let's get the feast started."

She smiled as she got onto the bed, moving seductively. She got onto her hands and knees and thrust her lovely ass out toward me.

"Keep that hot ass up and rest your head and chest on the bed," I said. "It's going to take a while."

She complied readily. Her position thrust her ass out and spread it most lewdly.

"This is so beautiful," I said as I climbed onto the bed and knelt behind her, my knees between her feet. "I can see a hot little anal rosebud that's too ripe to stay virgin one more second and too pretty to be left that way but I am going to toy with it for a while. I'll tease it and please it as I get it ready for my big hard cock."

Her pussy glistened in its juices, and her asshole twitched occasionally. My mouth watered as I admired that tight round ass. My cock twitched as I admired the beautiful innocent asshole obscenely offered to me to do with it the lewdest things I wanted that no one else ever had even had the chance to do. I was drooling from both ends.

“Come on, baby,” she finally cooed. “Eat your slut’s hot asshole. Make it ready for that big cock of yours.”

“I’ll eat it all right,” I said. “I am just enjoying the view of this perfect ass and magnificent asshole. I’ll never get another chance to look at your chaste ass. I’ll soon make this fresh little orifice a depraved focus of lust.”

“Don’t make me wait too long,” she moaned.

With my hands on the bed on either side of her knees, I gave her asshole an open kiss that bathed it in my saliva. She moaned as my tongue teased and massaged her hot anal opening until it relaxed. I did not break the kiss for several minutes. She humped my mouth as I continued to massage and probe her happy asshole lovingly but lustfully. Ten minutes later, I broke the kiss and pushed my cock toward her pussy. Holding her hips, I pushed my self-guided cock into her pussy.

“Don’t move,” I instructed as I gently slipped my cock all the way up her drenched pussy.

Her pussy milked on my cock as I moved it slowly in short strokes, always keeping it deep inside her. I finally humped her ass crack with my slick cock while still holding her hips. I rubbed my dripping cock head up and down her pussy and asshole, occasionally letting it dip in her wet pussy. She moaned softly, humping me back.

My mouth was back on her asshole for another extremely long kiss before I rubbed her again with my cock head for a couple of minutes. Putting my cock away, I resumed licking and sucking her responsive asshole, which relaxed well during the last half hour and accepted my tongue tip, nibbling at it lustfully. I did not let her come.

“Do you happen to have any lube?” I asked finally coming up for air.

She moaned as she reached under a pillow where she retrieved a jar and gave it to me. It was a brand new jar of heavy duty anal lube that had a little desensitizing effect. I was surprised she had it around.

“Anal lube?” I asked.

“Is it not good?” she asked.

“On the contrary, it’s perfect, especially for anal virgins,” I said. “I am surprised you have it.”

“You never know when you may need serious lube,” she said.

“I’ll use it for what it was meant for,” I said, “just like I’ll use your hot virgin ass for what it was meant for.”

“Yes, baby, use my hot virgin asshole,” she moaned.

Before I used the lube, I used one then two fingers to finger her drenched pussy ever so slowly just to wet my fingers in her juices. I gently massaged her asshole with my slick fingertips before I gently pushed my middle finger into her asshole. She moaned as my finger slid all the way in. I took it out and scooped a little lube with its tip. I pushed the lubed tip all the way up her ass. I repeated that tens of times, adding the slightest bit of lube so it would not feel cold to her asshole. She just moaned, pushing against my finger when I pushed it in and squeezing it when I pulled it out. I continued to slide my well lubed finger all the way up her ass then take it out to add more lube for five minutes. Only then, did I start to move my finger around in her asshole to loosen up her sphincters.

Her asshole loosened up quickly, and I was able to slide two slick fingers all the way in. I gently twisted and swirled my fingers within her ass before I took them out to add lube. The inside of her ass felt like molten butter to my fingers. It was slick and loose enough to accommodate my two fingers comfortably. I worked on her asshole that way for several more minutes before I decided to squeeze a third finger in. I took my time loosening her up enough to accommodate my three fingers all the way in.

She was loose enough for my cock to stretch out her asshole just a little bit more. I always liked to use my cock to stretch a tight virgin asshole the extra bit needed to accommodate my cock comfortably. I wanted my anal sluts to feel my cock stretch their assholes a little not just fill their stretched holes. They surely wanted it and enjoyed it too. After twisting my fingers a few last times in her ass, I removed my sticky fingers and brought them to her mouth. She smiled mischievously before she sucked them lewdly. Her pussy was drenched, so I took the chance to slide my cock into her and saw it in and out of her pussy a few times before I pulled out.

“Suck my cock before you lube it,” I said, placing the lube next to her face.

She smiled before she turned around and swallowed my cock. Leaning forward, I used two slick fingers to fuck her willing ass. That made her moan over my cock. I let her suck my cock until she pulled away willingly. I had her suck my fingers before she took the lube in one hand and my cock in the other. She looked in my eyes as

she lubed my twitching cock thoroughly. Meanwhile, I fondled her tits and pinched her nipples. We occasionally kissed lewdly. Finally, my cock had a thick coat of lube. She pulled away and put the lube aside.

“How do you want me, my ass fucking stud?” she teased.

“I want you on your back, your knees against your lovely tits,” I said. “I want to look in your eyes and see your face as I enjoy your most precious and depraved delight.”

“I’d love that too,” she said. “I also want to see your face as you enjoy my exclusive ass for the first time.”

“Spread your ass,” I said as she got into position, looking at me eagerly and lustfully.

She complied happily. I took one last look at her virgin asshole. It would never be the same. I finally parked my cock head at her offered anal opening. I could feel it twitch. I paused like that, looking in her expectant eyes.

“Come on,” she urged. “Fuck your horny mother’s virgin ass.”

“You need to use one hand to guide me in and say *please* when you beg for it,” I said.

She smiled and licked her lips lewdly as she reached for my cock with her right hand. My cock twitched when her fingers touched it.

“On, Nick, baby, your mom’s dying to have your gorgeous cock up her hot asshole, where no one else has ever been before,” she cooed. I pushed into her ever so gently. “Please, fuck me up my innocent virgin asshole like the stud you are and like the dirty slut I am. Please, fuck my tight little asshole open, you horny motherfucker.”

She had a mask of lust on her face that made her look like anything but my mom. I alternated my gaze between her lustful face and lustful asshole as I felt her sphincter relax slowly. Her asshole dilated gradually and swallowed my cock head, clamping just beyond it at the new sensation. Her stretched asshole looked so cute.

“Your asshole is so pretty, stretched tightly around my cock,” I said.

“It has to look that way with a gorgeous big cock stretching it to the limit,” she said, milking on my cock.

“You look like a real slut,” I said, looking at her face as I guided her right hand back to her ass.

“What am I?” she asked. “A fake slut?”

“Fake?” I said. “There’s nothing fake about you. You are the hottest slut I’ve ever seen. I have just never thought of you as a slut before this wonderful day.”

“That was because you didn’t know any better,” she smiled. “I forgive you.”

“Thanks,” I said as I pushed my thumb into her drenched pussy, making her shudder as her pussy and asshole twitched around me. “Is my anal slut ready for more?”

“Of course I am ready for more,” she said as I thrust gently into her. “I want your cock balls deep up my ass. I wouldn’t complain if you shoved your balls up my ass too.”

She sucked my sticky thumb hungrily, moaning around it, as I thrust my cock deeper and deeper up her sizzling ass. Her exquisite asshole seemed to open and suck my shaft in little by little. It felt so heavenly. When my cock stuffed her entire rectum, she could not suck me any deeper, leaving two inches of my cock waiting outside. I thrust gently, massaging the end of her rectum, to break its resistance. The progress was very slow, but she finally grunted as my cock head slid beyond her rectum, taking my cock balls deep up her no longer virgin ass. Both my cock and her asshole twitched. I paused there, giving both of us a chance to take our breath and savor the unique sensations. She took a deep breath and let it out slowly, and so did I.

“Wow!” she said. “I’ve never been so full of cock in my life.”

“Of course not,” I said. “There’s nothing as filling or fulfilling as a thick hard cock balls deep up your ass.”

“I bet,” she said. “I just can’t figure out how or why I waited so long.”

“It’s destiny,” I smiled. “Your virgin ass was meant for me.”

“You are probably right,” she smiled.

“You are so beautiful,” I said, leaning toward her.

We kissed deeply, and our tongues wrestled playfully. Her asshole milked my cock lustfully as they ground into each other as if kissing like us. By the time we broke the kiss, her ass got used to being stuffed so tightly. I held

her legs by the ankles and pushed them far over her head. As I held her eyes, I started to thrust gently in her ass, getting it fucked for the first time. She moaned and gasped, her little asshole twitching around my thick shaft.

"Fuck your mom's ass, you wicked pervert," she urged lustfully.

"I am going to fuck your decadent ass like I've never fucked anything before," I said, making longer stokes in her milking asshole. "You are the hottest slut in the world, and you are going to get fucked up your ass as such."

While maintaining a slow rhythm, I gradually increased the length of my strokes to loosen her asshole up for more. Within a couple of minutes, I was stroking the entire length of my shaft in and out of her ass. Her beautifully stretched asshole hollowed in whenever I pushed in and bulged out whenever I pulled out. I started to work on the rhythm, accelerating ever so slowly as her asshole relaxed and warmed up for serious anal drilling. Her gasps and moans sounded like heavenly music to my ears. Within a few minutes, I was fucking her ass nice and hard.

"Yes, baby," she gasped. "Fuck my ass hard and deep."

Leaving her legs, I braced my hands on the bed on either side of her and started to pound her ass hard. Our flesh slapping sounds got louder and louder. She was having a great time, and so was I. She looked so beautiful, her pretty face twitching with every ass stuffing thrust. Her pussy leaked so profusely I could feel its juices running down to where my cock fucked her stretched asshole. She gasped and moaned, rolling her head from side to side. It was obvious she inched toward orgasm with every thrust. I watched her lovely face intently as I fucked her hard.

"Yes, yes," she gasped, urging me to keep drilling her ass.

"Is my hot anal slut going to come for her stud?" I teased.

"Yes, yes," she gasped.

"Yes, what?" I teased.

"Yes, I am going to come for you, my horny stud," she gasped.

"What are you waiting for?" I teased, fucking her even harder.

She started to shake immediately as I pounded her ass harder and harder. She soon stiffened before she started to convulse in orgasm, gasping and babbling incoherently. She had a long violent orgasm. I drilled her desperately twitching asshole until she went limp. She was out of breath. I slowly stroked my cock in and out of her ass as she calmed down, panting for air.

"Wow! That was incredible," she said, still panting. "That was the most intense orgasm I've ever had."

"I take it that you've enjoyed your first ass fuck," I teased.

"Not only have I enjoyed it, but I also have become hooked," she smiled. "I can't believe I waited this long to experience the hottest pleasure of my carnal life. You've created a monster. My insatiable asshole will never be able to get enough of your big hard cock. I'll be chasing your cock all the time. You'll have to fight me off."

"That won't happen," I said. "You'll never find me complaining of too much of your delicious ass. I am not sure who has to fight the other off. Now that I've sampled your hot ass, I'll be trying to fuck it day and night."

"Why don't you do that right now?" she cooed. "My horny ass is ready for round two."

We kissed lewdly as I started to fuck her ass faster and harder, making her gasp and moan into my mouth. With the edge taken off our lust, we enjoyed a long deep ass fuck.

"I can't believe you've been sitting on this hidden, priceless virgin treasure all your life until I came along and luckily dug it up," I said.

"Me, neither," she said. "I never thought it was a treasure. I am glad you finally unearthed it and used it."

"You can't overestimate my thrill with this invaluable find," I said.

"Nick, you've been my best pussy lover," she said. "I am so glad it was you who deflowered my little asshole and became my anal lover. It's a great pleasure for me to be your slut."

"I am sure I am not the best lover you've ever had," I said. "I am luckily the right one for you now. It's a privilege for me even to look at your pretty face not to mention be your only anal lover and have you as my slut."

"You are so sweet," she smiled. "Enjoy your dirty slut any perverted way you want."

"I sure will," I assured her. "Trust me."

After over fifteen minutes of that sweet unhurried ass fuck, I let her have another hard orgasm.

"You like getting fucked up the ass, you cock-crazy slut, don't you?" I teased.

"Oh, yes," she gasped, convulsing in ecstasy. "I feel like a real slut for the first time of my life, and I love it."

"Me too," I said. "I love fucking depraved sluts up the ass, especially you. I am going to fuck your ass open."

"Yes, baby," she cooed. "Fuck my ass every which way you can think of then some."

When her convulsions and spasms subsided, I fucked her slowly while she recovered.

Without ever taking my cock out of her ass, we changed positions several times, moving through the cowgirl, reverse cowgirl, rocking chair, spoons, sideways missionary, reverse missionary, upright doggy, doggy, pile driver, and others. I occasionally wiped her dripping pussy and shared her tasty juices with her. We fucked for over two hours, refreshing the lube on my cock after an hour of solid fucking.

When I finally came, she was in the pile driver position, spreading her ass wide with both hands. She was coming hard with my swollen cock balls deep up her ass, twitching as it spewed thick come deep inside her bowels. Her convulsing asshole and rectum milked my cock, draining my balls complete. I continued to grind into her until my cock was limp. I finally pulled it out, leaving her well fucked asshole for the first time with a soft plop.

"Put this in," she said, shocking me as she handed me a clear acrylic butt plug. "It'll help keep your come inside and not let it drip all over the place."

"Hey, you planned all this, didn't you?" I said as I gently pushed the plug into her ass.

"No, I didn't plan it," she said. "I merely planned for it. Knowing that you've managed to fuck all those sluts up their virgin asses, I had to consider the possibility of your doing it to me too. I had to be ready."

The butt plug entered her asshole without any resistance. She just let out a soft gasp. Her sphincter clamped around the groove, locking it in. Her asshole looked so beautiful stretched around the clear plug so I could see the inside of her come-filled rectum.

Her pussy was drenched with juices. It was mouth watering, so I dived to lick it clean.

"Don't," she said, pulling forward and pushing me away. "I want to keep it this way."

"It's so sticky," I said. "You'd smell of sex. Everybody would know what you've been doing."

"I am an adult woman," she said. "I am supposed to have sex, and I don't mind if anyone knows I do."

She got off the bed and pulled me with her to the floor. She kissed me deeply and lewdly.

"Help me put my dress on," she said, breaking the kiss.

After I carefully helped her wear her dress under her belly chain, she walked to the dresser. She fixed her hair and refreshed her makeup. She looked so beautiful. It was hard to believe that she had just let me do to her the kinds of depraved acts the cheapest whores in the country would not let me get away with.

She walked back to the bed and stood before me, smiling.

"You are so beautiful," I said. "I'll be soon coming back for your hot gorgeous ass."

"I'll be waiting," she said, tickling my hardening cock. "I see that you are already getting ready."

"What can a man do in your presence?" I smiled.

"Well, this man did very much," she said. "As you know, you passed your test with flying colors. Now you can keep all your depraved incest relationships and add more as long as you can reserve a little place for your horny mom on your big cock."

"Of course, mom," I said. "If I can't reserve a big place for the best, whom can I reserve a place for?"

"Thanks, Nick," she said. "I am very proud of you."

"I appreciate that, mom," I said. "I am doubly lucky for being the son and lover of this magnificent woman."

"Thanks," she said.

She clapped her hand, and I heard applause coming from behind me. I was confused. When I looked back, I found that it was Alex. My face must have turned into several shades of dark red as I covered my sticky partly hard cock with my hands. She was fully dressed.

“Don’t worry,” mom said, pulling my hands off my cock. “They’ve seen it all.”

“Who are they?” I asked, still looking at Alex.

“Your harem,” she said. “They’ve seen everything we did ever since you entered the room. It’s on film too.”

That helped a little, but it did not get me totally relaxed. I remained nervous about having had them watch me do those wild things to my own mom.

“I need to taste mom’s ass,” said Alex, dropping to her knees before me.

Alex cleaned my sticky cock thoroughly, getting it rock hard in the process.

“Is she taking after her mom or what?” mom smiled as Alex swallowed my cock down her throat.

Mom knelt next to Alex and watched as Alex playfully and expertly deep throat my cock for minutes.

“This show’s getting me all hot and wet,” mom said.

As soon as she said that, I could smell the aroma of her pussy.

“That’s one reason I did it,” Alex said.

Alex leaned toward mom, and they shared a long deep kiss. That made my cock twitch and throb. Alex reached out for my cock and pulled me closer. They soon were tongue kissing around my leaky cock head. While they kissed, Alex hiked mom’s dress over her hips.

“Don’t worry, Nick,” said Alex, finally breaking the kiss. “Mom is not going to smell of sex; I am going to clean her dripping pussy for her.”

Mom smiled and lay back on the carpet. She spread her legs, bending them at the knees. Alex licked her lips lustfully as she admired mom’s sticky pussy.

“Thanks, Nick,” Alex said as she dived between mom’s legs.

Alex went to work, swaying her ass. Mom soon started to moan and roll her head from side to side. With Alex’s head blocking my view of mom’s pussy, I moved behind Alex and alternated my eyes between mom’s happy face and Alex’s swaying ass. Sensing that, Alex reached back and hiked her dress, exposing her ass and glistening pussy. Without taking her mouth off mom’s hot pussy, she pointed at her asshole with her fuck finger.

Alex’s pussy was so wet I had to start with it, making her moan into mom’s pussy. My tongue was soon probing her asshole. It loosened up quickly.

“Fuck her ass,” mom moaned, humping Alex’s mouth.

Before I obliged them both, I took a lump of lube on my fingertips and pushed it into Alex’s eager ass. She let out a long moan into mom’s pussy as I slid my cock into her ass.

“Yes, baby,” mom moaned. “Fuck your sister’s horny asshole.”

Fucking Alex’s ass at the same pace she used on mom’s pussy, I let her control the pace. I fucked Alex’s ass for several minutes before mom wanted to come.

“Make us come together, baby,” mom called to me.

“Make mom come, you slut,” I commanded Alex, slapping her ass.

As Alex picked up the pace, I held her hips tightly and drilled her ass vigorously. Mom came a second or two before Alex. Mom pulled Alex’s face hard into her pussy while she convulsed in orgasm. To Alex’s credit, she did not relent as she too shook in orgasm.

“Come here let me taste her ass,” called mom as I gently stroked my cock in and out of Alex’s ass.

Straddling mom’s chest, I fucked her throat for a few minutes while Alex licked her pussy gently.

“It’s now my turn to clean up your dripping pussy,” mom called to Alex as I dismounted her chest.

Alex mounted mom’s head in the sixty-nine position, and they proceeded to eat each other’s pussy hungrily. Seeing that, I put my shorts back and left.

I had hardly taken a few steps when I ran into dad.

“I am proud of you, son,” dad said, extending his hand.

“For what?” I asked, automatically shaking his hand.

“For proving yourself as the man of the house,” he said.

“How did you know I did?” I asked.

“I saw the long talk your mom had just had with you,” he said.

“You did?” I said, feeling my heart sink in my legs.

“Of course,” he said. “You turned to be a real man. You are worthy of all the pussy and ass you can ever get.”

“You mean you are not mad at me?” I asked.

“Son, you are my extension,” he said. “What’s mine is yours. You can have fun with your mom whenever you both want as long as you treat her well.”

“So, you are really not mad at me?” I asked for extra reassurance.

“You can only make me mad if you can’t show the rest of your aunts what a real stud my son is,” he said.

“Dad, you are the best,” I said, my face lighting up.

“Now you know why I didn’t let you get away from this role,” he said as we hugged.

“Thanks, dad,” I said.

“We’ll be downstairs,” mom said as she left, leading dad away.

That revelation gave me a huge boner. I went to my room and waited for my cock to calm down. I was lying in bed, my boner making a huge tent of my shorts when I heard knocking at the door.

“Come in,” I called, not bothering with hiding my predicament.

It was mom.

“Is there anything wrong, darling?” mom asked.

Without speaking, I pointed with my eyes to my cock.

“Is it not going away?” she asked, smiling.

Remaining silent, I shook my head.

“I can think of one place where it would feel great the way it is,” she said, placing her left high-heeled foot on the bed. That naturally exposed her bare pussy and aimed it at me, “Can you see it?”

Looking at her sexy face, I wetted a middle finger in my mouth then pushed it into her pussy. She moaned as my finger slid all the way in. I pumped it gently and moved it around. She was wet.

“It’s wet,” I said, taking my slick glistening finger out of her pussy.

“Maybe it wants something big inside it,” she said, reaching out with her left hand to tease my cock head through the front of my thin shorts.

That made my cock twitch and grow even harder.

“I bet it does,” I said, teasing her clit with my slippery fingertip.

“How would you like to fuck mommy’s horny pussy until you are ready to come in her come-thirsty mouth?” she moaned, hunching her pussy against my finger, as she continued to tease my cock head.

“I wouldn’t be able to get myself to take my cock out of your hot pussy before I fuck you for at least an hour and make you come several times,” I said.

Her answer was to suck my sticky finger while she pushed my shorts down, freeing my hard cock. She returned her left foot to the floor and placed her right foot astride my head, opening her pussy over my head. She still had the butt plug up her ass, and I could see inside her rectum. She bent down deeply and took my cock in her mouth. She deep throated me for a couple of minutes while I fingered her pussy and teased her clit, coating it with her leaking pussy juices. She pulled her dress up just a little and squatted astride my cock, facing away. I could still see her butt plug as she swallowed my cock into her pussy and started to ride it. Her tight pussy felt even tighter because of the pressure of the butt plug in her ass.

After she came, she turned around without taking my cock out of her pussy. Her tits bounced softly behind the top of her dress as she rode me in the squatting cowgirl position. I reached for her tits, but she pushed my hands away, smiling sexily.

“Just relax and enjoy,” she said.

She came again, bathing my cock in a fresh load of pussy juices. She reached back with her right hand and popped the butt plug out of her ass. She raised her ass enough to let my cock slip out of her pussy. Without touching my cock, she maneuvered her asshole to the tip of my cock and lowered herself onto it, gasping as it popped past her sphincter. As she worked her ass up and down my cock, she held the butt plug in her right hand and while looking at me innocently she licked it with the tip of her tongue like she would lick an ice cream cone. Seeing her do that made my cock twitch and almost come. She licked the butt plug thoroughly. When it was completely clean, she wiped her drenched pussy with it and resumed licking it in the same way.

“I wonder why they don’t have lollipops in these flavors,” she teased.

“Maybe because lollipop makers have never tasted anything as delicious as your pussy or ass,” I said. “I don’t think they can even imagine these flavors because they are out of this world.”

“Do you like these special flavors?” she asked.

“Of course I do,” I said.

She pushed the butt plug all the way into her pussy. I could feel it press against my cock through her thin membranes. She made herself come, and, when her orgasm subsided, she removed the butt plug from her pussy and held it for me to lick it.

“Does it taste good?” she teased as I licked her juices off.

“Oh, yes,” I nodded.

She had me lick the butt plug thoroughly while she rode my cock gently. When I was done, she popped my cock out of her ass and popped the butt plug in. She rode my cock with her pussy to another orgasm. When she calmed down, she removed the butt plug from her ass and had me lick it while her ass bounced on my cock.

“What about this flavor?” she teased.

“It’s as delicious,” I said.

She made herself come for the last time before she dismounted me. She helped me off the bed and had me stand before her.

“I can’t suck your cock because that would mess up my lipstick,” she said, jerking my cock. “I want you to shoot inside my open mouth and not to miss.”

She jerked my cock for a couple of minutes before it swelled and started to twitch. She opened her mouth and stuck her tongue out, tilting her face up. I started to shoot inside her mouth and on her tongue. When my come slowed down to a dribble, she swirled my come around in her mouth and swallowed it all.

“This flavor is even more delicious,” she said, smiling up at me.

“I don’t recommend it for myself,” I said.

She held my cock with her right hand and licked it clean, milking it dry with her hand.

“That was a delightful treat for all my holes,” she said standing up.

She handed me the butt plug and silently turned around. She bent over exposing her well fucked asshole. I gladly popped the plug up her ass, making her gasp softly. I straightened her dress before she stood up and turned around to face me.

“If I were you, I’d make a quick move on my next prey,” she said. “You only have a couple of days to seduce your next five sluts.”

“I’ll think about that,” I said.

“Think fast,” she advised.

“We’ll be waiting for you at the dinner table,” she said.

In a minute, I was downstairs, having dinner with everybody. I eyed my five preys to decide who should be next. I was silent most of dinner as I thought about it. More than once they commented on my silence. I finally decided that Aunt Michelle should be next. My cock started to harden.

It was not very easy to catch Aunt Michelle alone, but I finally managed to do it.

“Aunt Michelle, I rarely ever see you,” I said. “I see you once a year, and, when I do, you leave for a ten-day trip. Can I take you out for coffee and dancing this evening?”

“Of course you can,” she smiled widely. “That’s so sweet of you.”

“Dress sexily,” I said. “I want other men to envy me. You know, I can’t get that treatment often.”

“I’ll sure try to help you with that,” she smiled.

“I’ll pick you up at seven,” I said. “How is that?”

“Perfect,” she said.

“I’ll see you then,” I said before I disappeared.

“Mom, does this no-underwear rule apply to going out?” I asked.

“It sure does,” she said, “especially if you are going out with people from this house.”

“Thanks, mom,” I said as I left.

That was good in one sense and bad in another. My aunt was going to be without underwear, but so was I. How would I hide my huge boner as I thought of her naked body under her sexy outfit? What about a possible wet spot? How was that to be hidden? I decided to wear my thickest, darkest, loosest pants and hoped for the best. I groomed myself and wore dress clothes, wearing heavy perfume and aftershave.

“Nick,” mom called to me.

“Yes, mom,” I said.

“If you need a room, you can use this key,” she said giving me a key. “It’s wild to fuck a woman at a motel. If you are going dancing, this motel is across the street from your favorite dance club.”

“Thanks, mom,” I said, slipping the key into my pocket.

Since the women used mom’s dresser for primping, that was where I knocked at seven sharp. Aunt Michelle was ready. She came out, wearing a tight little red dress. Her generous cleavage was well presented as her dress held her full tits close together. With one quick look, I verified that she was not wearing anything beneath it. I also saw that she was wearing stiletto high heels. Her hair was well done in a sexy up-do, and her makeup was worn perfectly. She looked wonderful. I was impressed.

“You look so ravishing I am afraid I may envy myself,” I said.

She laughed sweetly.

“Isn’t that what you wanted?” she asked, smiling.

“Yes,” I said, “but you exceeded my expectation by a long shot.”

“That’s a sweet compliment,” she said. “Thanks.”

“I should thank you for the privilege of appearing with someone as sexy as you are,” I said.

She hooked her arm under mine, and we walked away. When we climbed down the stairs, everybody looked at us. Uncle Ken let out a wolf whistle when we walked toward the door.

“Are you going somewhere hot?” he teased when Aunt Michelle looked at him.

“We are going out on a date,” she laughed.

Little did she know how right she was, but those who did laughed with her.

“Have fun,” he said.

“I’ll take care of that,” I said with hope.

My cock head was already pushing against the fabric of my pants.

We walked that way to the car, and I opened the door for her. She put on a sexy display when she got in. I was able to see nearly all the way up to her crotch. I enjoyed another sexy display when I opened the door for her in the parking lot of the coffee shop.

We chatted about many things for an hour. Every male who went in and out of the shop checked her out. I complimented her a few times not to be obvious. I enjoyed the view of her cleavage throughout the chat. I often wondered how her sexy full lips would feel wrapped around my cock, which was actually hard most of the time.

“Let’s go for our next stop,” I said as I got up.

Naturally I pulled the chair for her. She rewarded me with a new sexy leg show. Yet another one followed as she entered the car. We drove to a nice popular dance club. She apparently enjoyed giving me those leg shows.

At the dance club, we took a booth, ordered drinks and hit the dance floor. We warmed up with a fast song. Her bouncing tits made my cock warm up too. She danced freely as if to show off for me like we were new hot lovers on a date. When a slow song started, I attempted to take her hand, but she wrapped her arms around my neck. I could only wrap mine around her waist. That was a good head start. My cock calmed down as I concentrated on stroking her lower back gently, but, as the song went on, we moved closer together. Halfway through the song, we were dancing cheek to cheek with full frontal contact. Feeling her lush tits flatten against my chest, both being without underwear, was electrical, especially to my cock.

We were so close there was no space for my cock to hide. I attempted to pull my hips back, but she compensated by pushing hers forward. When my cock head touched her upper thigh through my pants and her dress, I tried to ignore the situation and concentrate on what I was doing to her back or on other dancers. Many male dancers were checking out my aunt, but my cock could not be distracted. It had a life of its own; it continued to expand and push harder against her thigh. She did not seem to notice, but, as we continued to dance, my cock rubbed against her thigh—harder and harder. There was no missing that. I tried to come up with an excuse and try to make it look like it was not meant for her.

“You know, Michelle, I looked around the dance floor,” I said. “There are some very sexy women dancing, but you are by far the sexiest woman here. I can see men check you out and wish they were dancing with you. I really appreciate your giving me the privilege of dancing with you.”

“Dancing with you is my pleasure,” she said. “I rarely get to go dancing. I appreciate your treat.”

“Rarely?” I asked. “What a shame! If you want, I can dress Fred down for that. Any man who has a woman as sexy as you should take her dancing at least once a week.”

“I don’t think that’s necessary,” she said.

We danced silently. She did not mind that my cock head was rubbing against her inner thigh inching ever so slowly toward her pussy. She could not have missed it, so I knew she intentionally ignored it as if it was the most normal thing. I ran the fingertips of my right hand all the way up and down her spine, making her shiver. I pulled my head back and looked at her face. That move pushed my cock head further toward her pussy. Our eyes met.

“You are not wearing panties, are you?” I asked in mock shock. She blushed. “Not even a bra?” She blushed deeper. “Don’t blush. I like that. It’s so sexy. You are much sexier than I ever expected. Do you know why I love sexy women?” I pulled her back, again placing my cheek against hers. My cock remained in the vicinity of her pussy. I ran my fingertips up and down the end of her spine between the tops of her cheeks. “Do you know why?”

“Why?” she whispered.

My cock was so close to her pussy, and my fingertips were at the beginning of her ass crack, but she ignored them and was only interested in knowing why I liked sexy women. That was so hot a sign it made my cock twitch.

“Because they are much more fun to be around,” I said. “Are you that way?”

“I don’t know,” she whispered.

“Do you want to find out?” I teased.

“How can I find that out?” she asked.

“If you want to, I can tell you how,” I said.

“I do,” she said.

“Let’s find out,” I said, pulling my head back to face her. Our eyes met. As she looked I lowered my eyes to her lips coated with bright red lipstick. “You have very sexy lips. They look so sensuous. Are you a good kisser?”

“I guess I am okay,” she said.

“Do you enjoy kissing?” I asked, my eyes still glued to her lips.

Her lips trembled slightly.

“Yes, very much,” she said.

"I'll guess that you are a great kisser," I said.

"Maybe," she said.

"Let's see," I said, slowly bringing my lips to hers.

She definitely saw my lips approach hers, but she did not pull back. Our lips finally touched. It was awkward at first, but the awkwardness lasted for only a few seconds before she started to respond. We kissed gently at first. When our kiss heated up, she started to grind her crotch into mine. I lowered my fingers to her ass crack and pulled her closer into me, allowing my cock head to push against her pussy. She kissed even more feverishly, and our tongues had a full showdown, each trying to wrestle the other and probe deeper. We continued to kiss while we danced. Our first kiss was very intense. Subsequent kisses were milder.

"Yes, you are a great kisser and too much fun," I said when the song ended.

When a fast song started, I led her to the far corner of the dance floor. I backed her against the wall. I groped her tits and ass freely while we kissed wildly. I even slid my hand up her dress and fingered her wet pussy.

"Is this all yours?" she said, grabbing my cock through my pants.

"No, I share it with sexy women," I smiled.

She giggled.

We kissed deeply while she stroked my cock through my loose pants and I fingered her pussy to orgasm. When her convulsions subsided, we broke the kiss.

"I think you are a great cocksucker too," I said, stirring my finger within her drenched pussy while tickling her lower lip with another finger. "Unfortunately we can't settle that right here. Do you want to get a room?"

She nodded, moaning around my finger that slipped inside her mouth.

"Are you going to give me a long hot blowjob there," I teased, holding her eyes as I pumped my finger in her mouth in the same rhythm I used on her pussy. "I am dying to sink my big hard cock between your luxurious lips."

She nodded.

"Do you deep throat?" I asked, working two fingers all the way into her from both ends.

She nodded, moaning.

"If you are a good girl, I'll let you swallow a big load of my thick come," I said.

She shuddered, her pussy twitching around my fingers.

With that settled, I licked my sticky fingers while looking into her eyes. I paid and led her out of the club. I guided her left hand to my crotch, and she did the rest. She fished out my hard cock and stroked it while I drove to the motel across the street. I hurriedly pushed my cock inside my pants and zipped up while I rushed to the reception. She waited in the car while I pretended to get the key to a room in the second floor. I unzipped my fly and fished out my cock on my way to the car. I grabbed a small duffle bag from the trunk and led her to the room, nearly running. She was gripping my hard cock, and I was squeezing her ass.

"I feel like a motel slut," she said.

"I won't let you go until you are one," I said.

"You are so wicked," she said.

"What do you think with the sexiest woman in town with me?" I said.

The door hardly closed when I threw the bag onto the bed and pushed her onto her back on the bed. I peeled the skirt of her dress up her hips and pushed her legs over her head, exposing her pussy and ass lewdly. Her pussy was drenched. I gave it a quick deep kiss, savoring her tasty juices and making her moan. My pulsing cock was rock hard. I aimed it at her waiting pussy and pushed it in, making her moan as it slipped inside her.

"Oh, yes, baby, fuck me," she urged.

"You must be one of the sexiest aunts in the world," I said as I started to thrust in her.

"I am acting like a real motel slut," she said.

"You are not acting," I said. "You *are* my motel slut, so believe in yourself."

That made her shudder.

“You are having fun, aren’t you?” I asked.

“Oh, yes,” she gasped.

“That’s my slut,” I complimented.

We kissed feverishly while we fucked. She was really enjoying herself; she came four times within the following ten minutes, gasping and moaning into my mouth. She drenched my cock and her asshole.

“Do you enjoy swallowing come?” I asked, stroking my cock within her sticky pussy gently.

“Of course,” she smiled.

“Show me,” I said, pulling out of her.

Kicking my pants away, I lay back on the bed and spread my legs. She knelt between my legs and started sucking. She deep throat me expertly for ten minutes before she let me splatter her tonsils with thick creamy come. She swallowed it all and sucked my cock for more, only leaving it when it was limp.

“Now we can fuck and suck gently like humans,” I said. “I am going to start with eating your luscious pussy.”

She peeled the top of her dress off her tits and shook them when they broke free. They were so beautiful I had to fondle them and suck their erect nipples for a couple of minutes. She lay back and pulled her legs over her head, totally exposing her juicy pussy and puckered asshole. I grabbed her ankles and pinned her legs against the headboard before I lowered my head to her offered treasures. I admired her appetizing orifices.

“Have you ever been kissed here?” I asked.

Before she could answer, I touched my lips to her asshole, making her gasp. She tried to wiggle away, but I had her pinned. She continued to struggle.

“What are you doing?” she gasped. “Not there. Stop it.”

Her resistance only made me more insistent. I continued to kiss her clenching asshole and probe it with my tongue until her resistance subsided and her asshole started to relax. She started to moan happily and grind her ass into my mouth. I only broke the kiss when her asshole started to nibble at my tongue tip.

“I take that as a no,” I said, breaking the kiss.

“Yes,” she said. “You are the first to do that to me.”

“I am the first to kiss this cute little mouthwatering asshole?” I said. “I must be one lucky bastard.”

“I’ve never thought it would feel that good,” she said.

“You can never find out until you try,” I said. “I’ll be coming back to your hot asshole when I am through with your juicy pussy.”

Her pussy was very juicy and tasty. I ate it out for over twenty minutes, making her come five times. At the end, I dipped two fingers in her wet pussy and had her suck my fingers dry. She did so lewdly.

“Let me suck your big cock,” she said.

“Let’s sixty-nine,” I said, lying back.

She knelt astride me in the sixty-nine position. She swallowed my cock as she lowered her pussy onto my face. While she deep throat me, I spread her ass wide and licked her pussy and asshole through one orgasm each.

She rode me in the cowgirl and reverse cowgirl positions, coming twice. I then fucked her doggy style. While she come, I pumped her pussy full of my come. When I withdrew, I scooped the come out with my fingers.

“You swallow come,” I said, bringing my come-covered fingers to her mouth.

She did not hesitate much before she sucked my fingers clean. I had her eat it all out of her pussy. She turned around and sucked my cock clean. I pushed her onto her back and pushed her legs over her head.

She spread her ass obscenely, and I dived in. I licked her pussy a little before I moved to her asshole. When her asshole relaxed, I swirled a finger in her leaky pussy then gently pushed it into her asshole. She tensed instinctively, so I took my time worming my finger all the way up her asshole. I gently pulled it out and dipped it again in her pussy juices before I put it back into her ass. This time, it was easier. While I swirled my finger within her tight asshole, I teased her clit with my tongue tip, making her asshole twitch.

With my free hand, I retrieved from my duffle bag the jar of anal lube that I borrowed from mom. I took my time lubing and reaming out her asshole. I only let her come when I had three fingers pumping her asshole. She convulsed violently, her asshole twitching wildly around my fingers.

"You are virgin in your gorgeous ass, aren't you?" I asked.

"Yes," she hissed and nodded, her asshole twitching.

"That's going to change now," I said, twisting my fingers within her ass. "Your horny asshole needs cock."

"Please, don't make it hurt," she said.

"I won't," I said, handing her the lube. "Lube my cock so it can fuck your ass smoothly and very deeply."

I removed my fingers from her ass and stood up, presenting her with my rampant cock.

"It's too big," she said apprehensively as if seeing my cock for the first time.

"Don't worry at all," I assured. "You are more than ready for it. I have just deflowered another anal virgin today, and she didn't feel the slightest pain. She only had the time of her life. You'll enjoy it as well."

She sucked my cock for a couple of minutes before she lubed it thoroughly.

"I used this very jar of lube on that virgin asshole," I said as I took the lube jar from her, closed it and put it back in the bag. "Pull your sexy legs over your head and spread your hot virgin ass for me."

She complied readily, but she was obviously a little nervous. I pushed my slick middle finger up her tense asshole and pumped it gently until she relaxed. I squeezed a second then a third finger in and finger fucked her a little with three fingers.

"Relax," I said, swirling my fingers within her ass. "You are more than ready."

"Okay," she said weakly.

"Do you want me to fuck your hot virgin ass with my big hard cock or not?" I asked.

"I do," she said.

"If you want me to, you have to beg for it," I said. "Do it like the motel slut you now are."

"You are a bad boy, Nick," she admonished.

"Be a good girl and beg me to put my big cock in your innocent virgin asshole," I teased.

"Oh, Nick, please, fuck my virgin ass with that big hard cock of yours," she cooed. "Please, fuck your dirty motel slut up her hot little asshole."

"Guide it in," I said, touching my cock head to her glistening asshole.

She held the middle of my shaft in her right hand, pressing my cock head into her asshole. I pushed gently, but that was enough to pop my cock head past her sphincter. She gasped, and her asshole twitched and squeezed my cock tightly. Her little orifice was stretched wide around my thick shaft.

"Relax," I said as I started to tease her clit with my slick thumb, making her asshole twitch. "I've already deflowered your asshole. The hard part is done. All left is fucking my cock in and out to make your hot ass come."

Her asshole relaxed, and I started to thrust gently.

"Your asshole looks gorgeous with its mouth stretched wide around my thick cock," I said. "I knew it had been made for this. Your shapely ass was made to be fucked with a nice big cock. You'll love it. Trust me."

A few minutes later, I had my cock balls deep up her ass. Her ass milked on my cock exquisitely as I fucked it gently, gradually picking up speed. I fucked her ass in many positions, making her come every time. Her asshole gaped nicely and was able to accept my entire tongue every time I kissed it. She had more anal orgasms than she could keep track of. All of them were long and hard. I came three times in her ass and fed her all the come.

We arrived at home after two in the morning. She walked funny as I led her inside.

"That was the best sex of my life," she said lowly.

"I am glad you enjoyed yourself," I said.

We showered in my room. She went first. Before she left, I pulled her for a long deep goodnight kiss.

"Nick, brunch is ready," mom called late that morning.

It was not easy to drag myself out of bed, but it was more than worth it.

“Good job, Nick,” she said.

“How did you know what happened?” I asked, hoping I was well out of the espionage range.

“One look at your aunt tells it all,” she said. I must have looked nervous. What if Uncle Fred noticed that? “Don’t panic; men are clueless—just like you.”

I sighed in relief.

“Come eat,” she said, “but don’t forget that you still have four sluts to procure.”

When I heard Aunt Susan after brunch groan and say she had strained her back, I decided it was time I tried my erotic massage skills on her sexy body.

“I can gladly give you a nice deep backrub,” I said right away.

Mom winked at me.

“Thanks, sweetheart,” said Aunt Susan. “That would be great.”

“Nick, I can surely use one if you don’t mind,” said Tami.

“Sure, Aunt Tami,” I said.

Tami was not really my aunt, but we called all the old generation uncles and aunts.

“Nick, you should start charging to cut down on demand,” mom laughed.

“Who said it was free anyway?” I said. “It sure wasn’t me.”

“I don’t mind paying if you are good,” Aunt Susan said.

“Me neither,” said Tami.

“What do you say, Aunt Michelle?” I said. “Was I good last night?”

“You were wonderful,” Aunt Michelle said. “I still feel like a million bucks. Girls, if he charges you the full value, you can’t afford it.”

“Well, it’s subsidized for beautiful ladies,” I said.

“Say, I have to pay the full amount?” dad said.

“I don’t do men,” I said. “I don’t know much about the male anatomy.”

“I thought so,” dad laughed.

“Aunt Susan, I can see you in an hour?” I said.

“That would be great,” she said.

“Wear comfortable clothes and rest,” I said. “Try to lie back and let your muscles relax. It’s better to go to the bathroom before. Having empty bowels and bladder makes it much better and avoids interruptions. I recommend that you take a steamy hot bath just before the message. Wrap yourself well after you do that.”

“I’ll try,” she said.

“What about me?” Tami asked.

“I can see you in the afternoon,” I said.

“Perfect,” she said. “Thanks.”

Since I usually do not give massages, I had mom give me enough money to buy the requirements. I used that hour to get regular and erotic massage, warming and arousal oils, balms and creams and massage oil warmers. I also got a new jar of anal lube like the one mom had. It was the best lube I had ever tried. I bought a dozen clear butt plugs like the one mom had. I also bought incense and aromatic candles and did not forget to get a heavy blindfold and key cosmetics.

When I returned home, I placed the oils and creams in a bowl of hot water to warm them up. I also increased the heat in the room, so it would be a little warm for a naked person. I folded a blanket into four layers and spread it on the floor. I covered it with a folded sheet. I rolled a bath towel and curled it into a circle as a head rest.

Before Aunt Susan's appointment, I set up the lighting in my room so soft faint light would be reflected off the corners of the ceiling. I got the incense burning and lit candles around the room. I also started the oil warmers for later. I finally inserted a CD of soft relaxing music in the sound system. Everything was ready.

Aunt Susan knocked at my door. I opened the door, and she came in. She was wrapped in a red full-length luxury bathrobe with a large hood, covering her head.

"Wow!" she exclaimed as she entered the room and I closed and locked the door. "This feels so exotic."

"What did you think?" I said. "You'll be getting the full treatment. You are too good for a half job."

"Thanks, Nick," she said, smiling widely. "I really appreciate this."

"You haven't experienced anything yet," I said. "If you don't get the best treatment of your life, you'll get your full money back. I guarantee it."

"How much will you be charging me?" she asked.

"We'll negotiate that at the end," I said.

"What if you charged me too much?" she said.

"I wouldn't," I said. "We'll agree on the price. I promise."

"Okay," she said, shrugging.

"The first thing we need to do is to get you out of this robe," I said, reaching out for her belt.

"I am not wearing anything underneath it," she said as I untied the belt.

"You are not supposed to," I said. "You can't wear anything during a massage. You can use a towel to cover yourself." I moved behind her and flipped her hood back. "Let me take it off for you."

She pushed her arms back, helping me slip her robe off. I put it aside while she stood naked.

"You have a great figure," I said as I moved before her.

"Thank you," she said.

"This is my humble massage table," I pointed to the sheet on the floor. "Here is the headrest. Lay on your stomach, and I'll cover you with a towel."

She lay on her stomach, and I laid a small towel on her lower back and the top of her ass.

"How does it feel?" I asked. "Are you comfortable?"

"Yes, it's okay," she said.

"I think you'll be more comfortable if you place this pillow under your hips," I said, grabbing a pillow. "It would make your back more relaxed. Raise your hips a little."

She raised her hips, and I put the pillow under her hips. When she relaxed, her butt remained pushed up.

"This blindfold will help detach you from your immediate surroundings," I said. "With the help of the music and relaxing aromas, you can imagine yourself on the beach, on a mountain top or even in heaven—whichever makes you feel best."

She did not question me when I wrapped the blindfold around her head.

"Are you comfortable now?" I asked.

"Yes, I am very comfortable," she said.

"It's important for you to breathe deeply throughout the massage," I said. "It helps you relax very well."

As she started to breathe deeply, I took my clothes off. My cock was already half hard. I switched full lighting on. I then brought my massage bag and placed the massage oils in the oil warmers next to her.

"I'll stay silent so I won't interrupt your reverie," I said softly as I knelt next to her. "I just want you not to forget to keep breathing deeply."

Adding massage oil continuously, I starting at the fingertips of her left hand and worked up to her shoulder. I did the same to her right arm. I did her shoulders and neck then worked down her back. I silently removed the towel off her ass and put it aside, exposing her lovely tight ass. My cock got harder as I kept glancing at her hot ass while working on her back.

When I reached the top of her ass, I moved all the way down to her toes and worked my way up her legs to her ass. As I bent her knees while working on her calves, I made sure to pull her legs apart. I inserted a knee between her knees as I worked up the backs of her thighs. When I reached her ass, I parted her knees father apart and knelt between her legs. I started at the outer sides of her ass and worked my way to the center. As I kneaded her ass cheeks, her pussy and asshole winked at me sexily, making my cock twitch. I could see moisture spread on the lips of her pussy. She remained relaxed, moaning occasionally.

Her pussy and asshole got massaged indirectly, getting spread and squeezed repeatedly, as I moved the surrounding flesh. When her pussy started to glisten, I squeezed a few drops of the warming oil on her lips and another on her asshole. She gasped and clenched her ass, but she relaxed again as I resumed massaging her ass. I blew on her pussy and asshole, making them feel hot.

As I continued to knead her ass, I gave her asshole a quick lick that made her gasp and made her asshole clench. She relaxed again, and after a little while I added another drop of the warming oil to her asshole and blew on it. I gave it another lick, and it clenched slightly. With that encouragement, I added arousal oil to her pussy and asshole. As they started to itch, she did not protest when I gave her pussy or asshole occasional licks. I was soon licking her asshole continuously while I continued to make her pussy open and close. She started to moan and push her ass into my mouth. Seeing that, I pushed a finger into her wet pussy. I started to massage the inside of her pussy while I continued to eat her twitching asshole.

She was totally relaxed, letting me do whatever I wanted to her sexy body. I massaged the walls of her pussy thoroughly, concentrating on her G-spot before I slipped a second finger in her pussy. She was very excited with what I did to her, but the way I massaged her pussy was not going to make her come anytime soon. It was going to increase her arousal constantly. I wanted her to squirm for a long time before I would let her come. I wanted to break down her resistance completely and make her putty in my hands. I also enjoyed watching her tight ass writhe and twitch. My cock was naturally pulsing at the wicked thought and the hot view.

Her tight asshole had well relaxed and started to nibble at my tongue tip playfully. I licked it for a few more minutes. By then, she knew well that I was not finger fucking her pussy, but I was doing to her something she had never experienced. I was really massaging her pussy. I used the thumb of free hand to massage anal lube into her asshole. I took my time. I massaged her asshole for a few minutes before I gently probed her tight asshole with the tip of my thumb. I only gave her asshole what it could accept comfortably. Before long, I was working just the tip of my thumb in and out of her ass. Her inexperienced asshole instinctively milked on my slick digit. She moaned, humping my fingers gently.

Adding lube constantly, I started to ream out her asshole and work more and more of my thumb inside. Her asshole soon accepted my entire thumb. I twisted it and swirled it around, continuously loosening her tight sphincter. I was slow, thorough and patient as I coaxed her asshole open. Apart from bathing my fingers in her pussy juices, she just responded as if I was giving her an innocent backrub. I slowly removed my thumb from her relaxed asshole and gently pushed my heavily lubed index and middle fingers in. I took my time corkscrewing my two slick fingers inside. She was ready for them, so they were soon all the way up her ass. I held them there for a few seconds before I started to twist and pump them gently. Within several minutes, she was fully relaxed, breathing deeply, as I thoroughly massaged every square millimeter of the inside of her pussy and ass.

"Are you enjoying this deep massage?" I asked softly.

"Yes," she moaned. "It feels so good."

"Do you like the way I stretch your tense muscles?" I asked.

"Oh, yes," she said.

"I bet you've never experienced a massage like this," I said.

"No, never," she said.

"Your muscles are very responsive to my touch," I said. "We are almost there."

She continued to squirm under my fingers as I continued to ream out her tight asshole. Adding a generous helping of anal lube, I squeezed my ring finger into her asshole. I slowly opened her up with my three fingers. Within ten minutes, I was comfortably working my three fingers within her relaxed asshole. I removed my sticky fingers from her wet pussy and sucked them audibly.

"Raise your hips a little," I said.

When she complied, I removed the pillow from under her hips.

“Roll over with my fingers inside you,” I said, moving aside so she could roll over.

She slowly rolled over onto her back with my three fingers all the way up her ass. Raising her leg, I moved between her legs. Her leaky pussy was facing me.

“Spread your legs a little and bend them at the knees,” I instructed.

She complied readily.

“I am going to massage your pussy with my mouth,” I said, lowering my mouth to her pussy.

She gasped when my lips touched hers. I licked her leaky pussy too slowly and thoroughly to be eating her out. She oozed her tasty juices into my mouth all the same, and I drank them eagerly. I deeply probed her pussy with my tongue and massaged every wrinkle and fold in her sticky lips, occasionally massaging her clit or sucking it into my mouth. Meanwhile, I did not stop reaming out her asshole with my three fingers. She continued to writhe and twitch. Her nipples were standing out at full attention. I occasionally pinched them or twisted them with my slick fingers, making her gasp and gush into my mouth.

“Would you like me to massage your beautiful pussy deeper,” I said, massaging her clit with my thumb.

“Yes,” she hissed.

“Spread your sexy legs a little wider,” I said, my cock twitching.

While she spread her legs further apart, I coated my throbbing cock with massage oil. I moved in, taking my fingers out of her asshole. She was ready, so I gently pushed my cock all the way into her pussy, making her let out a long moan. I paused inside her until she started to hump my cock. I then started to saw my cock in and out of her pussy with long deep strokes. I occasionally changed the angle to massage every side of her pussy walls.

“Don’t move,” I instructed as she tried to hump me faster. “Relax, and leave all the work to me.”

She relaxed, and I resumed massaging her pussy with my cock slowly and deeply. Her pussy juices bathed my cock and leaked down my balls. She was very aroused, but there was no orgasm in the horizon. That drove her more and more desperate as I did not seem to be picking up the pace anytime soon.

“Pull your legs over your head and grab your heels,” I instructed.

She did not hesitate to comply, allowing me maximum penetration of her pussy.

“This is a great position,” I said. “It stretches your hamstring nicely. It also stretches and opens your butt and allows for deeper massage. Can you feel the difference?”

“Yes,” she hissed.

Her splayed asshole started to kiss my balls repeatedly. In addition to stuffing her pussy tightly with my thick shaft, I mashed my pubic bone against her clit with every stroke. I took her pussy with tantalizingly slow long strokes. My slow rhythm served me right because I was too horny. It allowed me to cool down and last long. I occasionally took my cock out and used my cock head to massage the outside of her pussy and asshole thoroughly. I would then slip two fingers up her asshole and gently swirl them around before I playfully pushed my cock head against her relaxed orifice. I would not push firmly enough to penetrate her asshole but enough to let her asshole dilate a little and draw her attention to the possibility of a deep anal massage.

“Nick, please, make me come,” she moaned.

“Aunt Susan, this is not a whorehouse,” I said. “I am giving you a classy massage. I can massage you this way all day, and neither of us would come. To make you come, I would have to fuck you.”

“You *are* fucking me,” she said.

“Of course not,” I said. “I am just giving you a deep vaginal massage. If I were really fucking you, you’d have come several times by now.”

“Oh, Nick,” she groaned. “Please, fuck me and make me come.”

“Aunt Susan, you are a bad girl,” I said. “If I fuck you, I’ll make you come all right, but I may also come. Would you mind if I came inside your pussy?”

“Not at all,” she said.

“What if I came on your big lovely tits?” I teased.

“You can come there too,” she said.

“Can I come on your face?” I asked.

“Nick, you are a bad boy,” she said. “Yes, you can come on my face.”

“Would you suck my cock before I fuck you?” I asked.

“Sure, baby,” she said.

“Do you enjoy sucking cock?” I asked.

“Of course I do,” she said.

“Do you deep throat?” I asked.

“I sure do,” she smiled proudly.

“Do you swallow?” I asked.

“I also swallow,” she said. “I love the taste of come.”

“You must be a hot slut, Aunt Susan,” I teased.

“I think I am,” she said.

“I want to eat you out after you suck me off,” I said.

“You already have,” she said.

“I didn’t let your juicy pussy come and gush in my mouth,” I said.

“You can also eat me out and make me gush in your mouth,” she said.

“Let me get you ready to suck my cock,” I said. “I am going to apply red lipstick to your sensuous full lips.”

While gently massaging her pussy with my cock, I carefully applied lip liner then red lipstick to her sexy lips. They looked so hot my cock twitched inside her pussy.

“You are ready,” I finally said. “Have you ever sucked cock while blindfolded?”

“No,” she said.

“I’ll let you experience that before I take your blindfold off,” I said.

“Okay,” she said as I pulled out of her pussy.

“Don’t get up yet,” I instructed as I pulled her legs straight. “I am going to massage your tonsils a little before I let you suck my cock like a whore.”

She remained on her back as I straddled her chest and pushed my cock into her mouth. She parted her sexy lips and let my cock head in. I enjoyed the view of her full lips stretched wide around the thick shaft of my cock. I gently worked my cock in and out of her mouth, gradually increasing the depth. Within a couple of minutes, I was slowly working my entire cock in and out of her mouth, sinking my cock head down her throat. She comfortably sucked me. I massaged her throat for a couple of minutes before I gently withdrew my cock and dismounted her.

“Get up on your knees and suck my cock like the slut you think you are,” I instructed softly. She rose to her knees, and I guided her hands to my hips. “Don’t use your hands; use your mouth only.”

She gave me an animated deep throat cock sucking during the following ten minutes. I thrust back into her mouth and occasionally took my cock out and rubbed it over her face. I removed her blindfold after five minutes.

“You have a big juicy cock,” she said happily. “I love it.”

“Enjoy it,” I said.

“I sure will,” she said.

She maintained eye contact while she deep throat my hard cock eagerly.

“I am going to come,” I announced when my cock swelled. “Open your mouth.”

She opened her mouth, and my twitching cock shot thick come against the back of her throat.

“Suck it dry before you swallow,” I instructed.

She sucked my cock thoroughly, leaving it limp, before she tilted her face up and showed me her mouth full of my come. She gulped my come down then she showed me her empty mouth.

“Good girl,” I said. “Turn around and get on your knees and forearms.”

That position thrust her lovely ass out. I licked her dripping pussy a little before I ate out her tasty asshole, practically tongue fucking it to a wild orgasm that left her panting. Holding her hips, I pulled her back until she impaled her pussy on my cock. I fucked her vigorously and made her come within two minutes.

“On your back and grab your heels,” I instructed.

In that position, I fucked her hard for ten minutes, making her come three times.

“I think now you know how I massage and how I fuck,” I said.

“Oh, I do,” she gasped, still shaking.

“When I massaged your cute asshole, I noticed that it was too tight,” I said. “Is it virgin?”

“Yes,” she nodded.

“Don’t you worry about that,” I said. “I’ll take care of it for you. When you walk out of this room, you won’t be virgin anywhere in your hot body. How does that sound?”

“Wouldn’t that hurt?” she asked.

“Not after this deep massage,” I said. “Your tight virgin asshole is ready for my thick juicy cock. I am sure they are going to fit together like they were made for each other.”

“That’s perverse,” she said.

“That’s why I want to do it to you,” I said. “You have a gorgeous ass and a very responsive cute asshole. It was meant for this. You’ll love it.”

“Please, be gentle,” she said meekly.

“I will,” I said. “All you have to do is to spread this horny ass of yours and beg me to fuck it.”

While I waited for her, I removed my sticky cock from her pussy and coated it with anal lube.

“Please, Nick, fuck me in the ass,” she said, spreading her ass lewdly. “Please, fill my cock-hungry asshole with your big hard cock.”

“With pleasure, my lovely anal slut,” I said as I touched my cock head to her asshole, making her shudder.

Her asshole was very relaxed although she was a little tense. I gently pushed my cock head into her glistening pucker. She gasped as my cock head slid past her sphincter. I paused to enjoy the view of her virgin asshole stretched tightly around my thick shaft. We savored this exquisite sensation before I resumed pushing gently. My cock sank smoothly and effortlessly into her ready asshole until it hit the end of her rectum. I made a firm thrust that drove my cock all the way up her ass and made her grunt softly.

“I am balls deep up your gorgeous ass,” I said softly. “It’s no longer virgin. Can you feel how tightly I am stuffing your tight ass with my big cock?”

“Oh, yes,” she hissed. “I’ve never been so full.”

“This is not a massage,” I said. “This is pure unbridled lust. I am fucking your magnificent ass because it’s perfect for fucking. Do you understand this?”

“Oh, yes, baby,” she said. “I want you to fuck it.”

“Aunt Susan, do you want me to make you my anal slut?” I asked.

“Yes,” she hissed, her asshole twitching around my cock.

“You are a good girl,” I said, lowering my mouth to hers.

We had our first kiss, which heated up to a feverish level.

“Take a deep breath and beg me to fuck your hot ass,” I said, breaking the kiss.

She took a deep breath and exhaled it slowly.

“Oh, Nick, please, fuck my innocent asshole with your wicked cock,” she begged.

“You are so beautiful with my cock skewering your lovely ass,” I said, thrusting gently in her ass. “Oh, how I love fucking beautiful ladies up the ass. I like to look in their sexy eyes as I ravish their hot tight asses and turn them into depraved anal sluts. I am so happy you want to join the ranks of my anal sluts. You’ll never regret it.”

She moaned and gasped as she felt my thick shaft slide in and out of her stretched asshole.

“You like this, don’t you?” I teased.

“Oh, yes,” she moaned. “It feels so good.”

“You like having your hot little asshole stretched wide and fucked deeply,” I teased, fucking her harder.

“Oh, I love it,” she gasped.

“Aunt Susan, you are well on your way to be my newest anal slut,” I said. “Are you happy?”

“I am very happy,” she moaned.

“I knew you’d love getting your virgin asshole fucked open,” I said. “I am going to make it gape wide.”

Her little asshole milked on my cock lustfully. Because she had been ready, it took me no time to establish a fast hard rhythmic beat.

“Oh, yes, baby,” she moaned. “Ream out my asshole for me. Make it gape like a cock-hungry mouth.”

“I will, baby, I will,” I assured her. “I always give my anal sluts all they want. I even come deep inside their well-fucked asses and fill their twitching bowels with thick creamy come. Would you like that?”

“Of course I would,” she moaned.

Our flesh slapping sounds drowned the sound of music. She moaned happily, humping back. She was soon having a long hard orgasm that left her breathless. I maneuvered her through several positions, fucking her through as many wild orgasms, before I let her suck my cock while I probed her relaxed asshole with my tongue. Her asshole had started to gape already as I spread her cheeks and delved deeper. Her relaxed orifice did not offer any resistance as I tongue fucked it, enjoying the way it milked on my tongue. It sucked my tongue all the way in just like her mouth sucked my cock all the way in.

“We have to hurry up before Tami’s turn,” I said.

We had a second round of ass fucking, during which I worked on her gapes. Since her asshole was very relaxed, I was only toying with her. I had her spread her ass wide and frequently yanked my cock out of her gaping asshole. I often drooled inside her open rectum or probed it with my fingers or tongue. I occasionally stretched her asshole out with two fingers on each side.

“Your cute asshole gapes so beautifully,” I said, looking inside her open ass.

“You reamed it out so well,” she moaned.

She came a few more times. We concluded that round by letting her asshole swallow a big come load in the pile driver position. I slowly removed my sticky cock from her asshole and popped a lubed butt plug in. I showed her the butt plug before I put it in.

“The inside of your ass looks so beautiful,” I said, looking through the butt plug.

“You really like my ass, don’t you?” she said.

“Oh, I love it inside out,” I said.

“It loves you and loves your cock too,” she said as she turned around and prepared to suck my cock. “So do I. Let me show you how much I love your cock and appreciate what it has done to me and to my horny asshole.”

“If you keep carrying that hot ass of yours around, it’ll keep doing that to you,” I said.

“I’ll make sure you never catch me without my hot ass,” she smiled.

She eagerly and lovingly sucked my cock clean. I licked her drenched pussy dry and wiped her pussy and anal area softly with wet napkins. I also wiped my cock and balls clean with wet napkins. We enjoyed one last sinful kiss before she wiped off her lipstick.

“That was wonderful,” she said. “It was really the best experience of my life.”

“I am glad you enjoyed it,” I said. “I enjoyed it no less than you did.”

“Now, what’s the price?” she asked. “Do you want to fuck me whenever you want?”

“I do, but that’s not the price,” I said. “The price is that you never mention anything that has happened here, but you mention how much you liked it and enjoyed yourself.”

“That’s easy,” she said.

“I told you we wouldn’t have a problem,” I said. “My prices are really subsidized for family members.”

“I am sure they are,” she said.

“I can’t believe I didn’t have a chance to enjoy your big lovely tits,” I said as I helped her put her robe on.

“Next time you will,” she said. “It’s my turn to promise.”

She kissed my cock head as she held my shorts for me. I turned the lights low before we left.

“How was it?” asked Tami as Aunt Susan and I joined the others in the family room.

“Absolutely incredible,” said Aunt Susan. “I am walking on clouds. I’ve never felt this good before.”

“Wow!” said Tami. “Why did it take you so long?”

“Once you feel those magic strokes, you don’t ever want them to stop,” replied Aunt Susan.

“Was it that good?” asked Tami.

“Wait until you try it,” said Aunt Susan.

“It seems like we should all try it,” said Aunt Kate innocently.

“If you have never tried it, you definitely should,” I said.

That would make my mission much easier.

“I guess it’s my turn,” Tami said, “or do you want to take a break?”

“I don’t mind,” I said. “I am not tired.”

“Then let’s go,” Tami said.

“After you,” I said in a gentlemanly manner.

“Thank you,” she smiled innocently.

She climbed up the stairs ahead of me, letting me enjoy the view of her twitching ass. With my reputation well established, I wanted to toy with her a bit.

“You haven’t taken a bath, have you?” I asked as we approached my room.

“No,” she said.

“We’ll need to get you through a series of stretching exercises so you can benefit from the massage,” I said.

“Sure,” she said. “You are the expert here. I’ll do what you say.”

“I hope you are not shy,” I said. “You need to be naked while you stretch, so I can check your muscles.”

“That’s okay,” she said. “I am not a prude.”

“I am glad to know that,” I said as we entered my room.

“Oh, man!” she exclaimed. “This is fantastic.”

“It’s a complete experience,” I said.

“I bet,” she said as I closed and locked the door.

“I’ll help you take your clothes off,” I said, reaching for her short dress.

Expectedly she was naked beneath it. She had a great body and big tits.

“Oh, you are not wearing anything underneath,” I said in mock shock.

“I told you I was not a prude,” she smiled.

“You are a very beautiful woman too,” I said.

“Thank you,” she said.

“You need to put on this blindfold so you can focus on bodily sensations,” I said, grabbing the blindfold.

She gladly let me wrap the blindfold around her head. I immediately turned the lights up and stripped.

“Breathe deeply,” I said, holding her wrists. “Focus on your inner feelings and imagine your muscles relax.”

Her mouthwatering tits naturally pulled up as I raised her hands over her head. I moved her arms back and forth and to the sides, watching her full tits move sexily. Her nipples were already erect.

“You have beautiful breasts,” I said. “They are big but firm. You are a sexy woman.”

“Thank you,” she said, smiling. “I am glad you like them.”

“Oh, I have to like them,” I said. “I like everything beautiful. You must be proud of them.”

“I am,” she said.

“Aunt Tami, you are full of beautiful things,” I said.

“What else do you like about me?” she teased.

“Almost everything,” I said.

“Like what?” she pushed.

“I don’t want you to think I am a pervert,” I said.

“Why not?” she teased. “I don’t hate perverts. I may like them, especially if they like me.”

“You are pulling my leg,” I said.

“I am serious,” she said. “Try me. Check me out and tell me what else you like.”

“Your sexy lips,” I finally said. “They are full and pouty. They look so sensuous, especially in red.”

“Look at them as you try to answer this question,” she said, licking her lips seductively. “What do you imagine them doing?”

“What do you mean?” I asked in panic.

“You know what I mean, and I know where you really imagine them,” she said. “Don’t be shy.”

“You must have a dirty mind,” I said. “You don’t mean wrapped around my...”

“Cock,” she said, completing my sentence. “I do too.”

“That would be sick, wouldn’t it?” I said, trying to escape her trap.

“Is that right?” she said, grabbing my hard cock as if she could see it.

My cock twitched in her hand.

“I knew you had a nice big cock,” she said, stroking my throbbing cock gently. “Did you imagine them wrapped around this big hard cock or not?”

“I did,” I said weakly, conceding defeat.

“Are you a real man, Nick?” she challenged, still stroking my pulsing cock. “Do you really want to see and feel them wrapped around it or do you want it to remain a fantasy? Horny Tami would love to wrap her full lips tightly around your big cock and suck it for you like a come-thirsty slut. Do you want her to do that in your dream when you jerk off or in real life? If she does it in your dream, she won’t be able to taste your hot creamy come.”

She frequently licked her lips sexily as she talked.

“You must be out of your mind, Aunt Tami,” I said. “Do you think I can reject or resist the feel of your sexy lips wrapped around my hard cock? That would really be sick.”

“I am sure you are not sick at all,” she said. “You are a real man. A real man would love to stick his big cock in Tami’s cock-hungry mouth and fuck her throat until he fills it with thick come. Are you like that?”

“Not exactly,” I said. “I am the type of guy that wouldn’t stop at anything to fully enjoy a hot body like Tami’s. If I had my way with her, she’d have an unforgettable experience.”

“She just might let you have your way with her,” she said, smiling mischievously.

“She wouldn’t find me complaining if she did,” I said. “She’d find me very happy.”

“We’ll see about that later,” making my cock twitch in her hand. “Now let’s get back to sucking your juicy cock. Do you want me to keep the blindfold while I do it?”

“Yes,” I said. “We’ll take it off later.”

“Lie back and let me make your dream come true,” she said as she knelt down and pulled me with her.

I lay back on the massage bed, and she straddled me. She started to rub my cock head over her wet pussy.

“What are you doing?” I asked as she lowered herself onto me, swallowing my entire cock in her hot pussy.

“I want to kiss you a little with my full pouty lips before I wrap them around your thick juicy cock,” she said. “I also want to get you ready so you can last between my lips. I want to enjoy it too.”

We really kissed while she worked her hot tight pussy up and down the base of my hard cock.

“You really have a nice big cock,” she moaned. “It stuffs my hungry pussy so tightly and makes it drool profusely. I am going to enjoy wrapping my lips around it.”

“You are so sexy, Aunt Tami,” I said. “I never thought you could be so hot.”

“I never thought you’d be a bad boy either,” she said. “I have a weakness for bad boys. When I see one, I want to suck him and fuck him until he’s dry like a prune. Though, I don’t get to act upon that often.”

“You must be one of the hottest sluts I’ve ever seen,” I said. “Do you know what I do when I find one?”

“Not really,” she smiled. “I am sure I am going to have fun finding out.”

“Oh, I am sure you are,” I said as I grabbed her full tits.

She let me fondle her tits and pinch her erect nipples for a while before she leaned forward and let me suck her sweet nipples. That freed my hands. I reached for her ass and proceeded to fondle and knead her cheeks. Before long, I was teasing her asshole with my fingertips that I lubed with her leaking pussy juices. She was very horny; she came within five minutes, convulsing as I bounced her ass up and down my cock. She continued to ride me hard, coming again within a minute as I thrust in her twitching pussy vigorously. She slowed down for a minute while she caught her breath before she picked the pace again and came within two minutes. She came twice more within the following five minutes.

“You have a great cock,” she gasped. “I’ve never came this many times in such a short time.”

“You have one of the tightest pussies I’ve ever fucked too,” I said.

Although she was older than Aunt Meg by ten years, she was almost as tight. My cock twitched as I teased her asshole, remembering the tightness of Aunt Meg’s.

“I think I am ready to suck your cock,” she said, dismounting my dripping cock.

Instead of pouncing on my cock, she squatted astride my head and lowered her drenched pussy to my mouth. Taking the hint, I immediately proceeded to slurp it clean.

“Good boy,” she said when I had her pussy clean.

Before she could dismount me, I pulled her further and licked her asshole a little, making it twitch and clench tightly. My cock twitched too.

“You are a naughty boy too,” she gasped.

She did not pull away though. Her asshole soon relaxed, and she started to moan. Since we both were enjoying ourselves, I licked her asshole for a few minutes, making her squirm. I gave her moist pussy a deep kiss before I let her go.

“That felt so good,” she said as she took her position between my spread legs. “No one else has ever licked me back there. You are so naughty but nice.”

My cock and balls were still sticky with her copious juices. She licked them clean before she kissed the bulbous head of my cock.

“Now I am going to suck your big juicy cock,” she announced. “This is the first time I fuck and suck a cock I haven’t seen, but I testify that it’s one of the hottest cocks I’ve ever fucked.”

“You and Aunt Meg are two of the hottest women I’ve ever fucked,” I said.

“You fucked her too?” she asked, smiling. “No wonder you’ve been looking at me lustfully. You must have been wondering how I compared with her in bed, you little pervert. Would you like to fuck us together? Would you like me to eat her pussy while you fuck me? Maybe you’d like to eat her pussy yourself, you greedy bastard.”

“Hey, don’t make me come before you suck my cock,” I said, my cock twitching at the thought.

She laughed.

She toyed with my cock and balls a little with her mouth and tongue before she closed her lovely lips around the head. I propped myself on my elbows and watched that goddess work her stretched sexy lips up and down my hard shaft. I reached down and pulled her blindfold off. She maintained eye contact as she deep throated me masterfully for over ten minutes, often teasing my cock head with her wicked tongue. She finally came up for air.

“Do you want to get up and fuck my mouth before you come inside it?” she asked.

“I’d like you to lie back and let me fuck it in that position first,” I said.

“I’d like that,” she said, smiling sexily.

She lay on her back, and I straddled her chest. Leaning forward, I propped myself on my arms and sank my hard cock in her mouth. I fucked her throat deeply if gently, increasing the pace gradually. She sucked eagerly, moaning around my cock. She used her hands to pull me deeper down her throat. I fucked her receptive throat for five minutes before I felt the urge to fill it with come.

“Get up on your knees,” I instructed as I dismounted her.

She got on her knees and swallowed my cock again, pulling me all the way down her throat. I held the back of her head with both hands and fucked her throat at an accelerating pace. Within a few minutes, I was ready to come. I fucked her throat harder, and she took it with stride. My cock swelled and started to twitch. She opened her mouth and tilted her head up. I saw my come shoot against the back of her throat as she jacked me off vigorously, emptying my balls down her throat. She finally wiped my sticky cock head on her face.

She closed her mouth and swirled my come around with her tongue, moaning as she savored its taste. She opened her mouth and let me see my come inside it. She gulped it down and opened her mouth again, letting me see it all gone. She wiped the last drop off her face with her finger and sucked it up audibly, looking up at me.

“Your fine tasty cock shoots fine tasty come,” she said. “I like it.”

“I am glad you do,” I said, pulling her up to her feet.

We kissed deeply, and I tasted my come on her tongue.

“You taste of come, you come-eating slut,” I said when we finally broke the kiss.

“I must taste like a dirty whore,” she said, smiling.

“Is my dirty whore ready for her massage?” I asked. “Let’s get it done before I fuck you senseless.”

“I am ready,” she said as she lay on her stomach on my massage bed.

Kneeling next to her, I wrapped the blindfold around her eyes and propped her hips on the pillow. I moved behind her and parted her legs. I spread her ass and admired her wet pussy and virgin asshole. She moaned as I rolled her cheeks around, making her pussy and asshole stretch and wink at me. She gasped when I added warming oil to her pussy and asshole. I rolled her cheeks, spreading the oil evenly on her sensitive skin.

We both enjoyed ourselves as I gave her a nice deep massage, keeping her ass for last. I added arousal oil to her pussy and asshole before I proceeded to massage her ass thoroughly. Her winking pussy leaked profusely. I occasionally had to lick the excess juices and refresh the arousal oil. When I was done with her ass, I massaged her pussy. She moaned and squirmed as I massaged the inside of her leaky pussy thoroughly. I could tell that she wanted to come, but I was not going to let her. While I continued to work on her pussy, I licked her asshole to the brink of orgasm. I used the anal lube to massage her anal pucker. Within half an hour, I was deeply massaging each of her responsive holes with three fingers. She moaned and squirmed, trying to hump my fingers.

“Roll over, you slut, but don’t lose my fingers,” I said.

She complied carefully.

She sucked my sticky fingers eagerly when I removed them from her drenched pussy. I teased and sucked her pussy, driving her to the verge of insanity. I continued to drive her wild as I massaged her pussy with my cock.

“Make me come, you pussy tease,” she urged.

“Is your tight asshole virgin?” I asked.

“Of course it is,” she said. “You are the first person ever to touch it.”

“Do you want me to be the first person ever to fuck it and make you come like a cheap whore?” I teased.

“You want to fuck me up the ass, you pervert?” she asked, her pussy twitching and gushing around my cock.

“Yes, you slut,” I said. “I want to fuck your cherry asshole and make you come like a dirty whore.”

“Do you think your big cock can fit in my little asshole?” she asked.

“I know it can,” I said. “I promise you no pain or discomfort.”

“Did you do that to Meg?” she asked.

“Of course I did,” I said. “That was what I was doing to her while you were away.”

“Let’s do it, baby,” she said. “I don’t want to be the family prude.”

“That’s not an option,” I said. “Except for my mom and sister, no girl or woman has ever walked out of this room with a virgin asshole.”

“Ever?” she asked in doubt.

“Ever,” I confirmed.

“Even Susan?” she asked.

“Even Susan,” I said.

“You are a horny bastard, Nick,” she said. “If you are lying to me, I am going to kill you.”

“Spread your cheeks and beg me to fuck your virgin asshole like I should,” I said.

She did not hesitate to reach for her ass and spread it lewdly as I pulled out of her drenched pussy.

“Fuck my virgin asshole, you horny stud,” she begged as I coated my cock with lube.

“You need to guide it in,” I said as I touched my glistening cock head to her equally glistening asshole.

My cock swelled in her hand as she held it against her asshole.

“Your innocent asshole will never be innocent again,” I said as I popped my cock head past her sphincter.

She gasped, her sphincter clamping at my cock.

“You’ve corrupted my pure ass,” she said as I guided her hand back to her ass.

“A slut like you doesn’t deserve to have a pure ass,” I said, thrusting gently. “Your hot ass was made for cock. It’s finally going to get more than its fill of it.”

“Fuck my ass, you motherfucker,” she urged.

“This motherfucker is going to fuck your ass open,” I said as I drove my cock balls deep up her ass, making her grunt. “From now on, you are going to miss my cock when it’s not balls deep up your horny ass.”

“No kidding,” she said, her hot rectal insides squeezing the entire shaft of my cock. “You are filling me like I’ve never been filled before.”

“Do you like the feel of my cock up your cock-hungry ass, you dirty whore?” I teased.

“I love it, you bastard,” she gasped as I started to fuck her ass gently. “Where did you learn this?”

“From one of mom’s female friends,” I said, taking her ass with long smooth strokes. “She just craved the feel of a hard cock drilling her horny asshole. I still give it to her whenever we have a chance.”

“The selfish slut got you all to herself all those years?” she gasped.

“Not at all,” I said. “The kind soul had me deflower a few anal virgin friends of hers, and I’ve been doing it to my girlfriends ever since.”

“How nice!” she said. “You must be an accomplished ass fucker by now.”

“We’ll see what you think when I am through with you,” I said.

During the following ninety minutes, I put her through her paces. I fucked her deep and hard in the missionary position, enjoying the way her tight asshole milked on my cock, especially as she had her first hard anal orgasm. I let her express her lust and prowess in the cowgirl, reverse cowgirl and doggy positions. She talked dirty most of the time. I occasionally let her suck my cock. Her asshole gaped nicely, silently begging for my come. I finally pumped her twitching bowels full of thick come and plugged her ass with a nice clear butt plug.

"This was the best sex of my life," she said when she finished cleaning my sticky cock with her mouth. "No wonder Susan was walking on clouds."

"I pride myself in giving my sexy women the attention and pleasure they deserve," I said.

"You are doing an incredible job at that," she said.

"I appreciate the privilege of having my way with their hot bodies and satisfying their horny fuck holes," I said. "I always look forward to doing it again and again."

"In my case, you'll have to do it again and again very soon," she said.

"It sounds like I've made a new friend," I smiled.

"You've actually made a new slut willing to let you do to her whatever you'll ever want," she said.

"That's even better," I said.

When she was done with my cock, I licked her sticky pussy thoroughly and wiped her crotch and mine clean with wet napkins. I rearranged my massage oils, and we put our clothes back on. I turned the lights low and led her out since she was walking with a butt plug up her ass for the first time.

"So, was it as good as Susan said or was she exaggerating?" asked Aunt Kate as Tami and I joined them.

"It was every bit as good as she could ever say then some," replied Tami. "He stretches every muscle in your body. You'll be really walking on clouds as she so eloquently put it. Just relax and let him take care of you."

"Nick, you must be tired now," said Aunt Kate, "but can I impose on you at your first convenience?"

"No, you can't," I said. "I'll gladly do you right now if you wish."

"I am all for it if you are," she said. "I want you to have some rest though."

"I am not tired," I said, extending my hand to her.

She took my hand, and I led her away. I paid close attention to the way her lovely tits jiggled as she took every step up the stairs. My cock started to stir already. I also inspected her full lips, wondering how they would feel around my hardening cock. She also expressed awe when she entered my room.

"Allow me to help you with this dress," I said, reaching for the hem of her dress.

As I helped pull the dress over her head, I helped myself to an eyeful of her lush tits. She felt a little awkward as she stood naked before me.

"Take it easy," I said, smiling softly at her. "You are gorgeous. I must be a very lucky guy to be privileged to get to work on such a great body. I enjoy making pretty women feel good."

"Thank you," she said, blushing lightly.

"Lie back on my massage table," I said, pointing to the massage bed. "I'll take care of a few things before I start working on your lovely body."

Her nipples stiffened as she lay back.

"This will make you more comfortable," I smiled as I raised her legs by her ankles and slipped the pillow under her knees. She squeezed her knees together. I gently pulled them a foot apart. "Relax. Don't be shy."

While looking in her eyes, I lightly dragged a fingertip from her belly button all the way to her lower lip, making goose bumps spread all over her skin.

"I have to get you relaxed before I can proceed," I said, reaching for the arousal oil. "This will help you."

She gasped as I dropped a drop of the oil on each of her erect nipples. I dropped a few drops on her pussy, making her gasp sharply.

"What is this?" she asked.

"This oil is specially made for sensitive areas of the female body," I said. "It heats up the skin and makes it tingle. That would draw your attention to your sensitive areas and make you feel comfortable about being exposed. Relax and let it work."

She started to feel hot and bothered as the oil nipped at her nipples and pussy. She wanted to squirm, but resisted. I intently looked in her eyes, smiling softly as I closely watched her reactions.

“Can you feel it?” I asked.

“Yes,” she hissed.

“Is it doing as I described?” I said.

“Yes,” she hissed.

“Do you like its effect?” I asked.

“Yes,” she hissed.

“Can you feel the heat?” I asked.

“Yes,” she hissed.

“I think you are being a little distracted by looking at me,” I said, grabbing the blindfold. “This blindfold will help you concentrate on your sensations and isolate you from the external environment.”

She raised her head in cooperation as I brought the blindfold to her eyes.

“You have beautiful nipples,” I said, freely admiring her tits and nipples. I blew hot air on her glistening nipples, making her gasp. “The oil is making them stiff. Can you feel it work on them?”

“Yes,” she hissed.

“Are you ready?” I asked.

“Yes,” she hissed.

While she lay there, I stripped and turned the lights fully on. I knelt next to her and pushed her hands over her head. Holding them down to the carpet with my right hand, I lowered my mouth to her left nipple. I blew on it, making her gasp, before I closed my lips around it, making her gasp again.

“What are you doing?” she asked softly.

“I am helping the oil work on your sweet nipple,” I said. “Relax and let me take care of your lovely body.”

That seemed to answer her question. She just moaned softly and gasped occasionally as I gently sucked and licked her tasty nipple. I switched my mouth from one delicious nipple to the other, and she enjoyed herself.

“Yes, yes,” she whispered softly, making my cock swell.

With that encouragement, I continued to lick and suck her sweet nipples for over ten minutes. She just moaned happily. While I sucked her nipples, I added a couple of oil drops to her pussy and a few to her lips. As I left the oil work on her pussy anew, I gently rubbed the other drops into her lips with my fingertips. I was soon dipping my fingertips into her mouth, and she was sucking them playfully. Adding more arousal oil to her lips, I worked my fingers in and out of her mouth and toyed with her frisky tongue. Leaving her nipples but continuing to play with her mouth, I moved my left hand to her crotch. I gently massaged her mound, not touching her leaky pussy. Her sticky pussy lips were stretching and rubbing against each other as I moved her mound around. She started to squirm, trying to hump my hand.

“Do you want me to use my mouth on your aching pussy?” I asked softly.

She moaned around my fingers nodding.

“If I do that, would you use your sexy mouth on my aching cock?” I asked, teasing her lips and tongue.

She moaned again in assent.

“Good girl,” I said, pulling her legs up over her head. “Grab your heels.”

She grabbed her heels, and I sat before her upturned ass. I kneaded her ass, spreading and squeezing it. I added arousal oil to her asshole and massaged her pussy and asshole indirectly, constantly blowing hot air on them.

“You have a sweet asshole,” I said, lowering my mouth to her ass.

Her asshole twitched when I blew on it. She gasped, clenching her asshole involuntarily, when my tongue touched her asshole in a French kiss. My kiss lasted until she relaxed and started to moan, grinding her asshole against my mouth. She did not resist when I gave her wet pussy a deep kiss, probing her leaky pussy and swirling my tongue inside it. I moved to sucking her clit gently. While doing that, I dipped my index finger in the anal lube and started to massage her asshole. She gasped, and her asshole clenched instinctively, but I soon made it relax. I scooped more anal lube at the tip of my finger and proceeded to push against her sphincter. It relaxed gradually and

finally accepted my fingertip. She gasped, and her asshole clamped at my finger. I moved my finger in tiny circles until her tight asshole relaxed again. I slowly sank my finger inside her ass, constantly swirling it around.

“Have you ever had your little asshole massaged?” I asked, taking my mouth off her clit.

“No,” she said lowly.

“It’s still virgin, isn’t it?” I asked, my finger sinking all the way up her ass.

“Yes,” she hissed.

“That’s why it’s so tense,” I said. “I am going to loosen it up for you. Do you want me to do that for you?”

“Yes,” she hissed.

“I love little virgin assholes,” I said, gently twisting my finger. “I am going to take good care of yours.”

She let out a long soft moan when I returned my mouth to her clit and gave it a long gentle suck. I continued to suck her clit and pussy lips gently and probe her pussy with my tongue for a long time while reaming out her asshole slowly and massaging her sphincter thoroughly. I did that for nearly half an hour, occasionally fondling her tits with my free hand. At the end, I was smoothly working three fingers in and out of her asshole.

“I am going to massage the inside of your pussy,” I said, working arousal oil inside her pussy.

“Okay,” she said softly.

“Spread these sexy legs and open yourself up,” I said, pulling her legs apart.

She willingly parted her legs, but continued to hold her heels. I placed my knees on the pillow and leaned over her, sticking my head between her legs and bracing my hands on either side of her legs and shoulders. I rubbed my cock head up and down her pussy before I adjusted my angle and pushed my cock into her pussy. She let out a soft grunt as my cock head stretched her pussy lips and slid in. I paused for a second before I resumed thrusting gently, making her gasp, until my balls touched her asshole.

“What are you doing?” she asked.

“You’ll find out in a minute,” I said, sliding my cock in and out of her pussy in long slow strokes.

She gasped and moaned as I worked out her pussy deeply. After a couple of minutes, she discovered that I was not going to make her come.

“Fuck me faster,” she urged.

“I am not fucking you,” I said. “I am massaging your pussy with my cock just like I massaged your asshole with my fingers. I am not trying to make you or me come. I want you to relax and enjoy yourself.”

“Please, make me come,” she begged.

“Aunt Kate, you are my aunt,” I said. “I can’t fuck you unless you declare that you are a slut and explicitly ask me to fuck you as one.”

She went silent for a minute or two, pondering her options, while I continued to fuck her annoyingly slowly.

“Nick, I am a slut,” she finally said. “Please, fuck me as one and make me come.”

“Would you suck my cock with your hot mouth?” I asked, still pumping her pussy in the same slow rhythm.

“Yes,” she nodded urgently.

“Would you swallow my thick come?” I asked.

“Yes,” she said, nodding again.

“Would you let me fuck your hot virgin asshole?” I asked, making her pussy twitch.

“I’ve never done that before,” she said.

“I know,” I said.

“It would hurt, wouldn’t it?” she asked.

“Not after I prepare you for it,” I said.

“We can try if you promise to be very gentle,” she said.

“I’ll be extremely gentle,” I said.

"I'll let you try it," she said.

"Aunt Kate, no woman or girl who has ever entered this room has a virgin asshole," I said. "They all loved it. I am sure you will too."

"You mean even Susan and Tami?" she asked.

"I mean even mom and Alex," I said.

"You must be kidding," she said.

"You'll find out very soon," I said.

"Now fuck my pussy," she urged.

Within the following ten minutes, I made her come five times. She was out of breath.

"I can't believe this," she gasped.

She did not have to believe it until I had her come five more times.

"Are you ready to suck my cock and swallow my come?" I asked, gently stroking in her pussy.

"I thought you wanted to fuck me in the ass," she said with disappointment.

"I will," I said. "I am not even halfway through with you."

She got on her knees and let me fuck her throat vigorously for several minutes. I frequently slapped and rubbed her face with my sticky cock. My cock finally swelled and spurted against the back of her throat. Needless to say, she swallowed every drop of come I could offer and sucked for more.

When she finally dropped my limp cock from her mouth, I arranged her on her hands and knees. I ate her pussy and asshole through a few orgasms before I finger fucked her pussy and asshole with two fingers each through one last orgasm. My cock was already hard, so I turned her around and fucked her throat for a few minutes while I leisurely finger fucked both her pussy and asshole.

"Lube my cock," I said as I stood up, pulling her up to her knees. "Make it ready for your hot virgin asshole."

She applied a thick coat of anal lube to my cock while I fondled her tits. I kissed her, fingering her wet pussy, before I arranged her on her hands and knees. I adjusted her position, making her thrust her ass out lewdly. I gave her asshole one last kiss, letting it nibble at my tongue. I added lube to her asshole and worked it in, using three fingers. She moaned, milking on my slick fingers.

"Beg for it," I said as I poised my cock head at her offered asshole and guided her hand to hold my cock.

"Nick, you are making me act like a slut," she protested.

"You have just admitted you were one," I said. "That's why I fucked you. Now be a good slut."

"Please, fuck my ass," she begged. "Please, ream out my virgin asshole with your big hard cock."

She gasped and her asshole clenched when my cock head popped past her relaxed sphincter. I paused a little.

"If you tell me you are my dirty whore, I'll give you more of my cock up your horny ass," I said.

"Oh, Nick, I am your dirty whore," she moaned. "Please, give me all your big cock up my tight ass."

"Are you sure you are my dirty whore?" I teased as I tickled her clit, making her shudder.

"Yes, baby, I am surely your dirty whore," she said. "I need your big cock so deep up my horny asshole."

"It's all yours," I said. "If you need more, move your ass back. Take it easy, but don't stop until it's all in."

She rocked gently. I spread her ass and watched intently as her widely stretched asshole advanced slowly down my slick thick shaft.

"Just like that," I encouraged. "Your ass looks so beautiful with my thick cock stretching your pretty asshole."

I gave her a little help with the last couple of inches of my cock. I pulled her hips into me, driving my cock all the way up her hot ass. She grunted as I skewered her virgin ass completely, pressing my balls to her wet pussy.

"How does it feel to have my big cock stuff your wanton ass tightly, you dirty whore?" I asked.

"It feels so good," she said. "My pussy's leaking constantly."

"Do you feel like a dirty whore?" I teased.

“Yes,” she hissed.

“Milk on it,” I instructed as I fondled her tits and teased her stiff nipples. “Squeeze tightly then push out.”

Her milking action made my cock get even bigger.

“Now get your beautiful ass fucked,” I instructed. “Move it back and forth. Show me you are really my slut.”

We both enjoyed it as she worked her ass back and forth over my thick shaft. After she had a got-wrenching orgasm, I gripped her hips and drilled her receptive ass through another wild orgasm. I fucked her ass in many positions, putting it through its paces until it gaped wide. At the end, I pumped a big come load up her sucking bowels and plugged her well-fucked ass with a new butt plug.

With the butt plug up her ass, I had her lie on her stomach and gave her the massage she had been there for.

“That was out of this world,” she said as I led her outside the room.

“Are you walking on clouds?” I asked, smiling.

“I sure am,” she said.

“Let’s not make it the last time,” I said.

“I won’t, and I’ll kill you if you do,” she said.

“I assure you that I am not a moron,” I said.

“I am sure you are not,” she laughed.

“Was it as good as I said it would be?” asked Tami as Aunt Kate and I joined them in the family room.

“I am not sure,” she said. “I think it was much better.”

“Welcome to the club,” smiled Tami, winking.

“I am the only one left,” pouted Robin. “You must be hungry and tired.”

“Why don’t I take you out to dinner?” I said to her. “We can relax together later.”

“Really?” she asked excitedly. “I’ve already had dinner, but that would be nice.”

“You can have coffee,” I said. “Why don’t you get ready? Wear a sexy dress; I am taking you dancing too.”

“My mom is lost forever,” said Kim when her mom was out of earshot.

“She’s definitely as good as gone,” confirmed Abbey.

“Let her have fun like the rest of us,” said Claire.

While Robin got ready, I showered and got ready myself. I placed my special bag in the car before I picked her up at the master bedroom. She looked hot. I could see the outlines of her nipples.

“You look hot,” I smiled.

“I am glad you approve,” she said, smiling back.

She hooked her arm under mine, and we left.

The dinner was uneventful except for flirting covertly and occasionally overtly.

During our first slow song in the dance club, I ran my hands up and down her back, using my fingertips to massage her muscles on either side of her spine.

“Oh, you are massaging me right here,” she moaned, relaxing into me.

As I continued to stroke and massage her back, she molded her body into mine, and my cock started to harden. I carefully started to massage the sides of her ass lightly with my fingertips. She moaned contentedly, nuzzling my neck. My wicked cock was trying to nuzzle her pussy.

“Do you like the way I massage your hips?” I asked, slowly moving closer to her ass crack.

“Yes,” she moaned. “That feels so good.”

When my fingertips reached the centers of her ass cheeks, I started to use the palms of my hands on the sides of her ass. I gently stroked her ass up and down and in circles. My cock head finally bumped her mound gently, making her gasp softly.

“Spending the day running my hands up and down the sexy bodies of beautiful women made me horny,” I said softly. “Having this beautiful woman in my arms is not making it any easier for me.”

“Am I turning you on?” she smiled, looking in my eyes.

“I have to be dead for you not to turn me on,” I said. “You are too sexy.”

“Thank you,” she said, smiling. “This is a sweet compliment.”

“I hope you don’t mind if I accidentally bump into you in my aroused state,” I said. “I mean no harm.”

“What you are doing to me is also turning me on,” she said, laying her head on my shoulder. “Please, don’t be offended if I rub against you.”

“I’d be delighted if you did,” I said. “I want you to have a good time. I’d do anything for that.”

“Including letting me rub my pussy against your big boner?” she teased.

“Including but not limited to that,” I said.

“You are spoiling me,” she moaned.

“A gorgeous woman like you deserves to be spoiled,” I said.

“Spoil me, baby,” she said.

From then on, I felt up her ass freely, pulling her into my rampant cock. She moaned, enjoying herself, and occasionally gasped. I started to nibble at her earlobe. When she raised her head, my lips made their way tantalizingly slowly toward hers. Finally, our lips met, and we started to kiss gently. Our lips parted for each other’s tongue, and our tongues started to wrestle playfully. We ground our crotches together harder and harder as our kiss reached a feverish pitch. She suddenly stiffened and convulsed in my arms.

“You’ve just made me come,” she gasped as she recovered.

“Enjoy,” I smiled.

As she calmed down, I cupped and fondled her right tit as my right hand traced up and down her ass crack.

“Turn around,” I panted, breaking the kiss. “I want to play with your big tits.”

She obliged me readily. I held one lush tit in each hand and fondled them while grinding my cock into her ass crack. She moaned, humping my cock back. I pulled her to a dark corner of the dance floor and pushed her against the wall. I pulled her left strap down and pounced on her erect nipple, making her gasp. She held my head toward her tit. I also exposed her right tit and started to switch my mouth from a sweet nipple to the other. Meanwhile, I slipped my left hand up the skirt of her short dress and proceeded to finger her wet pussy.

“I am acting like a slut,” she gasped.

“You are my slut,” I said.

She moaned and gasped her way to another orgasm. She was still gasping as I dragged her to the stairwell.

“Bend over,” I said as I pushed her toward the stairs, “I want to fuck you.”

She complied, and I hiked her short dress, exposing her ass. I lapped her copious juices, moaning at the taste of her pussy. She also moaned, pushing her pussy into my face. I ran my tongue up to her asshole. Her asshole tightened up and she resisted at first, trying to wiggle away, but I held her tightly. She soon relaxed as I continued to lick her asshole. She started to moan and grind her asshole into my mouth. She came within ten minutes, her tight asshole twitching around the tip of my tongue.

“You made me come just by licking my asshole,” she panted as I let my pants drop to the floor.

“You haven’t seen anything yet,” I said, shoving my hard cock into her drenched pussy.

She let out a long moan as I stuffed her pussy with my cock, pressing my balls against her clit. I held her hips and drilled her pussy to a quick orgasm. I wiped my dripping cock head on her asshole before I licked her wet pussy and asshole clean. She moaned when I gave her responsive asshole a long tongue kiss. I turned her around and kissed her deeply then nudged her shoulders down.

“Suck my cock clean,” I instructed.

She squatted and sucked my cock and balls clean. She also deep throat me for a couple of minutes. She really knew how to suck cock. I pulled her to her knees and kissed her again.

"Let's run to the motel across the street to finish what we've just started," I said.

"That's a good idea, stud," she smiled.

"I am going to fuck you like you've never been fucked before," I said. "I promise."

"Let's run before I start to drip on the floor," she said.

We took the same room that mom had reserved for me.

Once in the room, I bent her over the bed and drilled her pussy through two orgasms. I laid her on her back on the bed and pushed her legs over her head. Spreading her cheeks, I ate her pussy through a hard orgasm and fucked her through another. I licked her sticky pussy and teased her asshole with my tongue, making her squirm.

"Get on your knees and give me the best blowjob you know how," I said, pulling her off the bed. "I want to watch your sexy lips stretch around my thick cock and slide up and down until I am ready to feed you hot come."

"Sit back and relax," she smiled as I sat at the edge of the bed and leaned back, propping myself on my elbows. "Robin's going to take good care of your fat juicy cock."

She got down on her knees between my legs.

"Is Robin going to be my come-eating slut?" I teased.

"Of course she is," she smiled. "She's your slut. She'll do everything in her power to please you."

"Good girl," I said.

She started by licking my cock head and teasing it a little. She slowly worked her way down my cock until she reached the bottom of my ball sack. Her lips and tongue traveled all the way back to my cock head. She took my cock head between her lips and started sucking. I watched her suck my cock, and she watched me watch her, occasionally winking at me. She really gave me one of the best blowjobs I had ever had. After fifteen blissful minutes, I was ready to come.

"Get ready to swallow," I said as my cock swelled.

She tightly pursed her lips around my cock head and jacked my cock vigorously, her eyes fixed on mine. Despite my previous orgasms that day, my cock twitched, shooting come very forcefully against the back of her throat. She sucked devotedly, stroking my cock briskly until she drained my balls. She sucked my cock head ever so gently while milking my cock slowly until it went totally limp. She finally let my soft cock slip out of her mouth.

"That was a really great blowjob," I said. "You are a champion cocksucker."

"I enjoyed it very much," she said. "Your come is the tastiest I've ever tasted. I'd gladly suck you anytime."

"Why don't you lie back and let me take care of you?" I suggested.

"With pleasure," she smiled.

She lay back on the bed, and spread her legs. I pushed her legs over her head and had her grab her heels, pulling her knees to her tits. I pulled her ass cheeks apart and licked her asshole for a few minutes. She moaned joyously, grinding her ass into my face. I moved up to her wet pussy and licked it clean. I licked her pussy leisurely while I started to massage anal lube into her asshole. I sipped her leaking juices while I reamed out her asshole. Ten minutes later, I was smoothly working two fingers in and out of her asshole. She moaned as her asshole milked on my fingers. I was twisting and swirling my fingers within her ass, getting her ready for a third finger.

"I take it that your pretty asshole is virgin," I said.

"Yes, it is," she said, her asshole twitching around my fingers.

"I am going to put an end to that tonight," I said. "This hot ass was made for cock, and it's going to get it."

"I think I am going to enjoy that," she said, her asshole twitching and her pussy leaking onto my tongue.

"That's the whole point," I said. "I'd never do anything my slut wouldn't enjoy."

"You are a nice guy," she said.

"Thank you," I said. "Although I think of myself as a nice guy, I find it ironic to be told I am one when I am telling a married woman I am going to fuck her virgin ass until she thinks it's never been virgin."

"Hey, there's no problem," she said. "We both agree you are a nice guy."

“Do we both agree you are a bad girl for letting me do that to you?” I teased.

“We do,” she said. “That’s not going to change my mind though.”

“The last thing I would want you to do is to change your mind,” I said.

She moaned as I squeezed a third finger into her asshole. I spent fifteen minutes massaging and loosening up her asshole. I finger fucked her ass to orgasm when her asshole was comfortable with being pumped vigorously with three fingers. She had a nice hard orgasm, her asshole twitching around the full length of my fingers.

“If you want my big cock up your little virgin ass, you’ll have to spread it and beg,” I said, working more lube into her asshole. “You have to convince me that you need it. Show me you are a real motel slut.”

“Oh, please, Nick, fuck my virgin asshole,” she begged shamelessly, spreading her ass wide with both hands. “I need that big cock of yours to ream out my cock-hungry asshole. The poor little thing has never tasted cock.”

She did not stop talking dirty and begging for my cock up her ass while I continued to swirl my fingers within her relaxed asshole, which occasionally twitched.

“I have to warn you that it’s not going to be a five-minute ass fuck,” I said. “It’s going to be a marathon.”

“That’s what I want,” she said. “I am the kind of woman that never gets enough of cock.”

“You are a woman after my heart, you insatiable slut,” I said. “I am going to fuck your virgin ass wide open.”

“Yes, yes, baby,” she moaned. “Stretch my little asshole out with your thick cock. Treat me like a whore.”

“A slut like you has to lube my cock for her virgin asshole,” I said, popping my fingers out of her ass.

“I’d like that,” she moaned, sitting up.

“Lube my cock very well so I don’t fuck your inexperienced asshole raw,” I said.

The horny hussy sucked my cock head, making my cock twitch, while she generously lubed my shaft with both hands. She finally lubed my cock head.

“You are ready to ravish my little innocent asshole with your big wicked cock,” she said, smiling at me.

She lay back, pulled her legs over her head and spread her ass obscenely. I moved forward and pushed my cock into her ass, making her shudder.

“Yes,” she gasped as my bulbous cock head effortlessly popped past her tight sphincter.

Her asshole tightened instinctively as it felt the intrusion. I dipped my thumb in her drenched pussy, making her gasp and making her asshole twitch, then let her suck my dripping thumb. She lewdly moaned around it. Within a few minutes, I had my cock balls deep up her ass.

“That’s it, baby,” she moaned. “Fill your dirty slut with your big cock.”

She had a great time as I fucked her ass gently for a few minutes, constantly picking up the pace. A few minutes later, I was fucking her ass quite hard for a novice anal slut, but she was begging me to fuck her even harder. My thighs and balls slapped her flesh audibly, adding to the sex noises filling the room.

“This feels so good,” she gasped. “Fuck my horny ass hard and fast.”

Her comment made her come within a minute. She convulsed wildly, her corrupted asshole twitching around my cock uncontrollably, as I pounded her shaking ass. She had the hardest and longest orgasm for the night so far.

True to her word, she did not complain as I drilled her ass for the following two hours, often adding lube to her heated asshole. She just moaned, gasped, screamed and begged for more, and I was only happy to oblige her. I had her suck my cock and lube it many times. I occasionally switched my cock between her asshole and pussy to allow her leaking pussy juices to contribute to her ass fuck.

After changing positions too many times, we concluded our marathon ass fuck with the position we started with. I had her feet pinned next to her head as I pounded her trembling ass vigorously until we both came. Her twitching bowels thirstily sucked my last come load of the day.

“This doesn’t happen to me often, but I am now satisfied,” she said as I popped her new butt plug up her ass.

“I am so happy to hear that because I am fucked out,” I said.

“Did I wear you out?” she asked. “You are the first guy who’s ever lasted long enough for me to get enough.”

"Aunt Robin, you are the fourth woman whose virgin asshole I deflowered today," I said.

"You are kidding," she said.

"No kidding," I said. "Did you think I'd let Aunt Susan, Tami and Kate get away with their virgin asses?"

"You didn't spare your aunts?" she asked in shock.

"Hey, a hot tight ass is a hot tight ass is a hot tight ass," I said. "I didn't even spare my mom."

"You are not serious," she said, still shocked.

"Yes, I am," I said. "You were the last anal virgin in the house. Now, I've had them all."

"I hope you spared the girls," she said.

"I'd have to be a moron to spare the ripe tight asses of those young fresh rascals," I said.

"Wow!" she exclaimed. "You are a ruthless ass fucker."

"I am a nice ass fucker," I said. "You've just found out how delightful ass fucking really is. Do you think that I have abused you or taken advantage of you?"

"I think you've been very good to me," she said. "I want to do it with you again soon."

"I am more like a gallant ass fucker," I said.

At two in the morning, we were showering together at home. We had a long sinful kiss before each of us went to bed. I was in deep sleep a mere minute later.

When consciousness started crawling back to me, the first thing I felt was my big boner. When I opened my eyes, I saw mom sucking and teasing my engorged cock head. She was also palming my balls.

"Good morning, sleepy head," she smiled, stroking my cock.

"Good morning, mom," I said groggily as she returned to licking my cock head. "What are you doing?"

"I am having fun waking you up," she said. "It's time for brunch."

"What time is it?" I said, yawning, as she drooled on my shaft.

"It's eleven," she said, rubbing her drool up and down my shaft. "Your cock waked up before you did."

"It's a horny little thing," I said.

"I'd say a horny *big* thing," she said.

She straddled me and lowered her pussy onto my cock. I moaned as her wet hot pussy swallowed my entire shaft right down to the balls. She started rocking gently while milking on my cock.

"Let your cock have its coffee," she said, guiding my right hand to her ass.

Her asshole was already lubed. I started fingering it with one then two fingers. She moaned, bathing my cock in copious juices. She sucked my fingers as she guided my cock to her asshole. She let out a long moan as her asshole gulped my cock up. We kissed deeply while she milked on my cock with her tight asshole.

"You did a great job yesterday," she said. "I am proud of you. You really gave Robin the fuck of her life."

"I really value your approval," I said, pacing her ass. "I was very lucky. I didn't think seducing the four of them would be that easy."

"Luck comes to those who earn it," she said. "It would never have come to you while sitting on your ass. Remember that every woman in the world wants to get fucked no less than you want to fuck. You just need to be gentle but firm. Show her that you respect her and like her until you get her out of her clothes. Although she'd usually be after your cock, she'd never admit it; so never admit that you are after her ass, and practice."

"I'll try to do that," I said. "Mom, you are the best woman in the world in every aspect. I love you in every possible meaning and way."

"Thanks, sweetheart," she smiled widely. "I love you too. I have to be best to my best stud."

She rode my cock energetically for a few minutes, making herself come.

"This taste should wake you up," she said as she turned around astride me.

She licked my sticky balls before she swallowed my cock and started to deep throat it unhurriedly. I licked her drenched pussy and probed her hot asshole leisurely, but she started to ride my tongue more urgently. She soon came, insistently grinding her pussy into my mouth as she gushed a fresh load of tasty juices in my eager mouth. I gave her asshole a long deep kiss, sticking my tongue all the way inside. She finally dismounted me, and we kissed again. My cock was still hard.

"I can get used to waking you up this way," she said, planting one last kiss on my cock head.

"Me too," I said.

They were all at the table when I joined them after my shower. I sat at one end of the table, Aunt Leanne and Aunt Michelle on either side of me. Mom and Aunt Susan were sitting on the left and right sides of the table, followed by Aunt Kate, Aunt Meg, Tami and Robin. The men were on the other end of the table. As soon as I sat down, my chair was pulled forward. When I looked down I did not see anyone. The table cloth covered my crotch. My cock, which had softened a little, started to harden as it got tickled and stroked with hands and toes. When I looked around, everybody was busy with their food.

My cock was soon rock hard. My fly was suddenly unzipped, and my cock popped out in the open. The fingers and toes continued to tickle it and tease it. I relaxed and started to enjoy the teasing until I felt a pair of lips close around my bulbous cock head. I stiffened as my cock jumped.

"Is the food okay?" mom asked with a straight face.

"Yes, it's very good," I said.

"You were making faces," she said.

"It had nothing to do with the food," I said. "I just had a sudden spasm."

My knees were pushed wide apart, and the mouth on my cock was working all the way up and down my hard shaft. I scooted forward to the edge of my chair to make my cock more accessible. It was a tough job not to let on.

"This is so nice," I said.

"What's so nice?" mom asked.

"Having breakfast with this warm family setting," I said. "It's so enjoyable."

"I bet," she said.

"Where are the girls?" I asked.

"They had their breakfast early," she said.

The mouth finally left my cock, but my cock was not left alone for long. A few seconds later, a hand grabbed my cock and my cock head was being rubbed up and down what only could be a wet pussy. That pussy moved up and down my cock head a few times, bathing it with juices. My cock head was then guided to the neighboring asshole. Meanwhile, I stiffened and did not move.

"Nick, you don't seem okay this morning," said Aunt Susan. "Is there anything wrong?"

"Not at all," I said, wondering whether anyone had any idea about what had been happening under the table. "I think I need a little more sleep."

Meanwhile, the asshole had swallowed my cock head and was sliding down my cock. I was so horny I did not care anymore. I discreetly reached under the table cover and pulled that ass all the way down my cock.

The ass started to rock gently back and forth while milking on my cock. I tried to keep eating while concentrating on the delicious sensations in my cock. After a little while, I got used to it, but it was still not easy not to thrust in that hot tight ass. The girl under the table also learned to work her ass back and forth over my cock in long smooth strokes. The pace accelerated, and I braced myself and tried to make irrelevant moves to hide my rhythmic movement caused by the ass fuck. I felt the girl stiffen and her asshole twitch around my cock as she apparently came. She stroked her ass up and down my cock a few times before she let it slip out.

The mouth returned to my cock. It sucked my cock hard, while a hand jacked my shaft vigorously. It was really tough to keep eating while my cock swelled and started to spew thick come inside an eagerly sucking mouth. My mystery lover sucked my cock until it went limp before she put it back in my pants and zipped me up.

Everyone got up off the breakfast table before I did. I finally had to get up. As I got up, I hit a fork, causing it to fall on the floor. As I picked up the fork, I took a quick look under the table to see who my morning lover was. I could not see anyone. She disappeared just like magic. That boggled my mind. I started to think that it might have been a horny daydream, but my cock still felt sticky.

“Are you okay, Nick?” mom asked. “You don’t seem normal at all.”

Everyone else had left.

“I am fine,” I said. “I am thinking about something. That’s all.”

“You are a bad boy, Nick,” she smiled mischievously. “You’ve been dreaming about having your cock sucked and fucked while having your breakfast, haven’t you?”

“How did you know that?” I asked in shock.

“Your mom had to know,” she said.

“Was it a dream or reality?” I asked.

“Does it matter?” she asked. “Didn’t you enjoy the tight ass you have fucked to orgasm? Didn’t you enjoy coming in a come-thirsty mouth?”

“How did you know that?” I asked, totally disoriented. “Am I hypnotized or mind-controlled somehow?”

“Of course not,” she said, laughing. “Was it too much for you?”

“Was it real or not?” I asked.

“Nick, you have a mind of your own,” she said, smiling teasingly. “You have to figure that out on your own.”

She definitely was not going to help me. I left to my room, shaking my head. In my room, I took my pants off and lowered my head to my crotch as far as I could. My cock certainly had the musky smell that could only come from fucking and sucking. Since I had showered immediately before breakfast, someone surely had used my cock while I was eating my breakfast. If it were not true, mom would not be able to know about it. Who was my mystery slut and how did she disappear so instantaneously? I would probably never be able to find out. Having reached that conclusion, I washed my cock thoroughly and dried it before I joined the others downstairs.

“Nick, I won the third bet,” shouted Alex excitedly. “I won a total of twelve hundred dollars.”

“What bet?” mom asked.

“I had three bets with the girls, and I won them all,” said Alex.

“Did you really win twelve hundred dollars?” mom asked.

“Yes, in total,” said Alex.

“That’s not acceptable,” mom said. “You have to return the money to them.”

“She really earned it,” said Claire. “She deserves to win that money.”

“What were the bets about?” asked Aunt Michelle.

“When you left on the cruise, we started teasing Nick,” said Alex. “That was when I bet the girls that within three days he’d leave no anal virgin in the house. They bet me fifty dollars each that it would never happen. By the end of the next day, he had ripped through all of us. We made the second bet for double or nothing when Aunt Meg and Aunt Leanne joined us. I bet the girls again that within three days Nick would leave no anal virgin in the house. They fell for it. By the end of that very day, Nick had ripped through Aunt Meg and Aunt Leanne. We had another double or nothing bet when you returned from the cruise. I made the same bet again. They thought I was nuts and fell for it again. By the end of last night, Nick had ripped through all of you.”

“Nick, you bastard, you fucked us for a bet?” glared Aunt Michelle.

“Actually Nick had no idea about the bets until they were finished,” said Alex.

“How did you know Nick would be interested in anal sex to start with?” asked mom.

“That was easy,” Alex said. “I often overheard his sex sessions with Beth. When I was in the bathroom, I could clearly hear her beg him to fuck her ass harder.”

“How did you know you’d be able to seduce him?” asked mom.

"I already knew that he was a sex maniac," Alex said. "I knew he could not last without sex while we shake our bare asses in his face, especially after I saw him sneak peeks up Claire's shorts and down her top. The very next night he deflowered her ass. Having seen and heard that happen, everyone wanted to try it."

"Okay, how did you know your aunts would be tempted?" asked mom.

"I had already won," Alex said. "So, I didn't care much if I returned the money back. Cashing on their frustration for missing the cruise, I deliberately let them catch us suck and fuck, and they didn't even mention it. When I saw how hard their nipples were as Aunt Leanne aimed her wet pussy at him and Aunt Meg stealthily checked out his hard cock, I knew I'd win. It seemed that this family was crazy for sex."

"What about the rest of us?" asked mom.

"I knew I just needed to keep the ball rolling," said Alex. "I already knew the purpose of the cruise. I confirmed that by checking the videos you returned with. When I saw dad fuck Aunt Susan while she ate your pussy, I knew Nick was in for a good time. I let you accidentally stumble upon our DVDs. I knew that, once you saw what he was capable of, you'd be a willing prey. It went more smoothly than I expected."

"Alex, you are a wicked genius," I said. "So, it was you behind all that?"

"You and I," she said. "I always wanted to try what Beth was having day in and day out. If you didn't fuck her out of her mind every time, I wouldn't be tempted. Besides, we, girls, wanted to have some fun too."

"Since everything now is in the open, why don't we have an all out orgy?" Robin said.

"That's a good idea," mom said.

"Alex has to be rewarded first," said Aunt Leanne.

Everyone agreed vocally.

"Hey, in addition to all the fun, I made twelve hundred dollars," Alex said.

"You deserve a sexual reward too," said Aunt Susan.

"He should fuck her while we all watch," Abbey pitched in.

Everyone agreed enthusiastically.

"I don't mind that," said Alex. "Abbey, do you have anything else to say?"

Abbey blushed, looking down.

"Abbey was so sure of the chastity of her mom," said Alex. "She bet that if Nick fucked her mom she'd do a striptease and let him fuck her in the ass in front of everyone, including her parents."

"I let you down, poor baby," said Aunt Kate. "I hope you can put on a great show and make us proud of you."

"Do you want to go through with it?" I asked Abbey.

"More than ever," she said meekly. "I am glad I lost this bet as well as the others. I think everyone here deserves to watch a great show, so let's give them one."

"That's my baby," said Aunt Kate.

"I'll be right behind you," I said to Abbey. "That way you'll always be a winner even if you lose."

"Abbey, don't you think it would be hotter if you and I joined forces and put on a double show?" said Alex.

"Of course it would," said Abbey, smiling. "I am sure Nick would like that."

"Me too," almost everyone shouted.

"I am also throwing a few contests," said Alex. "I am giving a hundred dollars to the best cocksucker, fifty dollars to the best pussy licker and fifty dollars to the best ass licker. Let's warm up with these contests first."

"We, ladies, need to doll up first," said mom.

"Will you excuse us for a few minutes?" said Aunt Susan, getting up.

All the ladies got up and left. Meanwhile, Uncle Fred found some sports on the television, and we, men, watched. The ladies disappeared for over half an hour before they came back dressed to the nines.

The outfits ranged from elegantly sexy to outrageously erotic. They all had a combination of short, little, tight, thin, transparent, mesh or missing. It was hard to decide where to look as they all looked equally hot. They all

smiled teasingly as they saw all the men drool, trying hard to look at everything at once. Mom wore a black mesh crop top, a matching pair of fishnet stockings, a garter belt and naturally no panties. Her butt plug matched her clear stiletto high heels. Tracy was topless while Claire wore a bolero top. A few wore skintight hot pants that clearly outlined the butt plugs up their asses, and so on.

Alex and Abbey wore identical short skintight dresses, Alex in red and Abbey in black. Those surely came from Alex's wardrobe. Alex turned Abbey to her, and they shared a long sensual kiss that left everybody silent. They fondled each other's right tit as the kiss went on and on.

"Do you want to warm up by sucking hard cocks?" teased Alex when they broke the kiss.

"Oh, yes," said Abbey. "That would make my pussy drip."

"The pussy lickers would surely like that," said Alex.

"We'll have to blindfold the receivers to ensure fairness," mom said.

"Mom, I'd rather not allow performing on spouses and first-degree relatives instead," Alex said.

"That's a good idea," said mom. "Do you want to allow using the hands and tits?"

"Not on the genitals," said Alex. "Another thing, if you make your partner come, you lose, and if you perform bad to avoid it, you'll probably lose that vote."

"By the way, we are going to tape the happenings for later reference," said mom. "It's going to be easy since we have more girls than boys."

"Gentlemen, lose your pants," instructed Alex.

We all removed our pants and put them aside. Most cocks were hard already.

"Now sit back and get ready to have the time of your lives," said Alex. "Girls, two-minute rounds."

Dad set his watch for two-minute periods, and the fastest nine girls pounced on the available cocks.

"I miss your cock in every hole in my body," said Aunt Leanne as she knelt between my legs.

"Don't you know it misses every horny hole in your hot body too?" I said.

After half an hour of cock sucking, we voted. Dad, Uncle George and I, who unluckily did not get to enjoy mom's sensuous lips, voted Robin as the best cocksucker. The rest voted mom, so she won, and Alex gave her the prize amid a big round of applause.

"Congratulations, mom," I said as I pulled her to me. "I knew you'd won."

"Thanks, honey," she said, taking my hard cock in her right hand.

We enjoyed a nice long kiss while she stroked my cock and I fingered her dripping pussy. We finally broke the kiss, and I got to suck her tasty juices off my sticky fingers. Almost every man there congratulated her, copping a feel or enjoying a hot kiss.

When everyone calmed down, Alex announced the next activity.

"After all that cock sucking, our pussies are so hot and wet," said Alex. "It's time for pussy licking. Now we get to sit back and have a good time."

Nine of the girls sat down, and one of the remaining six others manned the camera. The girls rotated every two minutes. Returning the favor, I pounced on Aunt Leanne's juicy pussy. I had to stop once, frustrating her, so she would not come.

After half an hour, Uncle George emerged as the winner. I had Aunt Michelle, Aunt Leanne and Aunt Meg's votes, and Doug got mom's vote. Alex gave Uncle George his fifty dollars, and a round of congratulations started.

"Our hot assholes are tingling for some of those wicked tongues of yours," Alex announced.

That time I started with Abbey's asshole and concluded with Robin's. I was the winner. Uncle George got Alex's vote, and Doug got mom's again. I received my fifty dollars from Alex, and almost every woman congratulated me, giving me a lewd kiss.

Alex had the sound system dish out striptease music while things calmed down a little.

"It's payback time, sexy thing," Alex said, pulling Abbey to her feet.

“It’s reward time for you, you wicked slut,” smiled Abbey.

“It’s so funny that the winner and the loser will be treated equally,” laughed dad.

“That shows you that everyone here is a winner,” I said. “The losers are those who missed it.”

“That’s right,” said Uncle Tim. “Our sons are the losers.”

Alex and Abbey carried the cocktail table and put it aside, making room in the center of the room.

Everyone went silent as Alex and Abbey started to bump and grind. They danced around each other, stroking their own bodies lewdly and occasionally each other. They soon started to dance together, grinding their pussies against each other’s legs or ass while fondling each other’s tits or ass or pinching each other’s nipples. Their nipples were obviously erect, pushing against the thin fabric of the top of their dresses. They also kissed sinfully.

Before long, Alex sat on the floor and leaned back. Abbey straddled her face and started to grind her pussy into her face to the music. Moans started to escape Abbey’s mouth. Almost everybody was now playing with themselves. Alex pulled Abbey down and laid her on the floor. She straddled her face and proceeded to ride her tongue, moaning happily. Alex dismounted Abbey and started to crawl around in circles. Abbey chased her.

The hems of their short dresses rode up their asses, exposing their plugged assholes. They rolled their asses lewdly, giving everybody a good show. Abbey caught up with Alex and started to finger her wet pussy. Alex turned around and started to finger Abbey’s leaky pussy. They moaned lewdly, humping each other’s fingers. They frequently took their sticky fingers out and licked them sexily, looking at their audience.

They played with each other’s butt plug, working them in and out. Their asshole stretched around the thick middles of the plugs as they passed through their sphincters and contracted around the narrow ends. They started to pop the plugs completely out and lick them seductively while looking us in the eyes. They often sucked the plugs like cocks before putting them back up each other’s ass.

After a little while, they put the butt plugs aside and started to lick and finger each other’s asshole, rolling on the floor in the sixty-nine position. Their assholes comfortably accommodated four fingers working in and out busily as their pussies leaked in each other’s eager mouth. We could clearly see them tongue fuck each other’s willing pussy and asshole.

They finally pulled me to my feet and started to dance with me, sandwiching me between them. They switched positions frequently and turned around, letting me grind my cock into their pussies and asses. Abbey guided my cock to the entrance of her pussy and sucked me in, moaning around my tongue. I slipped three fingers up her ass, making her moan again. We danced like that for a minute before she got behind me and Alex knelt before me. I danced with Abbey as Alex sucked my cock deeply. I used my right hand to hold the back of her head to make sure my engorged cock head massaged her tonsils and gullet properly. I had Abbey suck my sticky fingers before I used my free hand to fondle her ass and occasionally finger her dripping pussy.

Alex got up and turned around. She pushed her ass into me, guiding my cock head to her willing asshole. She moaned as her asshole swallowed half of my cock. I grabbed her hips and swiftly pulled her ass into me, making her grunt softly as I drove my cock balls deep up her ass. I fucked her ass to the music while fondling her tits and pinching her nipples through her top. Abby moved in front of Alex. They kissed lewdly while fingering each other’s pussy. Alex also fingered Abbey’s ass.

Abbey dropped to the floor and ate Alex’s pussy while I fucked her ass until she convulsed, gushing in her eager mouth. Abbey stood up and kissed me lewdly, letting me taste Alex’s pussy juices as I gently thrust in her ass. She kissed Alex deeply before she pulled her off my cock and dropped to her knees again, sucking my cock down her throat. Holding Abbey’s mouth to my crotch, I guided her head to the floor. I fucked her throat a little before I rolled her over and sank my cock into her asshole. While I fucked Abbey’s ass, Alex knelt before me and had me eat her asshole and pussy. She moved back and proceeded to finger fuck Abbey’s pussy until she had a hard orgasm, bathing her fingers. Alex removed her sticky fingers from Abbey’s pussy, and I sucked them clean.

When I popped my cock out of Abbey’s ass, I stood up, taking Alex’s ass with me. She was soon hanging upside down, sucking my cock while I ate her pussy. Abbey stood behind Alex and ate her asshole, often kissing me while fingering Alex’s asshole.

“Take him in your ass, Abbey,” called Alex while Abbey and I continued to eat her hot holes.

Abbey turned around and bent over as I lifted Alex further up. Abbey spread her ass and backed up over my cock, swallowing it all the way up her ass. I flipped Alex in the air and put her down astride Abbey’s lower back. I

switched my cock from a tight ass to the other, always fondling the tits of whom I was not fucking through her top. Alex always spread the ass I fucked. I was fucking Alex especially hard when Abbey reached back and started to finger her pussy to orgasm. Alex and I kissed deeply while she calmed down while I fucked her ass gently. She finally popped my cock out of her ass and guided it to Abbey's. I helped her off Abbey, and she proceeded to lick her pussy juices off Abbey's back while Abbey had me suck her sticky fingers.

Alex kissed me again while she fingered Abbey's wet pussy. She broke the kiss and had me suck her dripping fingers. She then bent over under Abbey and carried her up, lifting her feet off the ground. I rolled Abbey over, making her lie on her back on Alex's back while I continued to fuck her ass. Hooking my arms under her knees, I helped her get up. She wrapped her arms around my neck, and I carried her ass, taking her weight off Alex's back. Abbey and I kissed lewdly while I bounced her wide spread ass on my cock.

Alex dropped to her knees and palmed my balls while watching Abbey's stretched asshole swallow my cock repeatedly. She occasionally popped my cock out and swallowed it down her throat. She would only slip it back up Abbey's ass after she had slobbered abundantly on it and spitted on Abbey's open asshole. She continued to do that until Abbey had a wild orgasm. Alex slipped two fingers into Abbey's twitching pussy and let it gush over her fingers. She let Abbey and me suck her drenched fingers. I finally put Abbey down, and she pounced on my cock, swallowing the cock that had fucked her ass so nice and hard.

Alex and Abbey took turns deep throating my cock. Alex pulled me down to the floor while letting me fuck her throat briskly and deeply, and she did not miss a beat. When I lay back, she squatted astride me. She moaned as my cock skewered her ass. Abbey squatted on my face. I spread her ass and proceeded to tongue fuck her relaxed asshole. Alex and Abbey kissed lewdly and fingered each other's pussy while riding my cock and tongue.

"Mom, why don't you get the orgy started?" suggested Alex, breaking her kiss with Abbey.

"This orgy has a few ground rules," mom announced as Alex swallowed my cock. "First, any male, except Nick, can't fuck any female in the ass. Second, Nick can't fuck any female in the pussy. Third, any male can't fuck his wife or his blood relatives in the pussy. Everything else goes."

Everybody cheered a fraction of a second before they pounced on each other like wild animals. Soon Alex and Abbey were sucking cocks while riding me. They were pulled off me as soon as they finished coming. Mom immediately swallowed my cock down her throat as Robin sat on my face. Robin leaned forward and took turns with mom sucking my cock masterfully. I removed her butt plug and probed her asshole with my tongue.

"Yes, baby," Robin moaned. "Get my tight asshole ready for your big cock."

Soon mom straddled me and guided my hand to her butt plug. I removed the butt plug, and it was immediately replaced with my cock. After they both came, they traded places, and I got to tongue fuck mom's relaxed asshole while Robin rode my cock with her hot ass. After they came again, I got up and sank my cock down Claire's throat while she rode dad's cock.

"Nick, come fuck my ass," called Kim as she rode Uncle Fred's cock in the cowgirl position.

Needless to say, she was the first to be initiated into double penetration.

The action went so fast it was hard to follow what was happening as horny people fucked and sucked like their lives depended on it, frequently changing partners. I moved from a cock-hungry mouth or ass to another, always putting the butt plug back in an asshole once I was temporarily through with it.

"Our sons are real losers," said Uncle Fred as I skewered Aunt Michelle's tight ass with my rampant shaft, occasionally sinking my cock down Claire's throat as she spread her mom's ass for me, while Aunt Michelle deep throated Uncle Tim. "They have just missed the best spring break of their lives."

"They sure have," Uncle Tim said, returning his cock to Mary's pussy. "They shouldn't know what Nick has done to their loving moms though."

"What they don't know doesn't hurt them," said Uncle Ken, fucking Abbey from behind as she sucked Doug.

"What they should know will hurt them enough," laughed dad, briefly taking his eyes off Amber's hot ass as he drilled her pussy from behind. "They should know how much fun Nick had with their sisters and cousins."

"I am not telling," Uncle Richard said, fucking Alex in the missionary position.

"We are going to take care of that," said Abbey as she took her mouth off Doug's cock and squatted on it.

No sooner Uncle Ken's cock popped out of Abbey's pussy than mom swallowed it down her throat.

The orgy lasted for nearly five hours. The girls experienced double and triple penetrations in every position we could imagine, coming like firecrackers. Needless to say, I reamed out every hot female asshole in the house, leaving them wide open in satiation but always ready for more of my raging cock. Alex got her wish of eating mom's pussy to a gushing orgasm while I drilled mom's ass vigorously. We had quite an audience when we did that. When mom returned the favor, Uncle Tim was fucking her and Alex was sucking Uncle Richard, getting his resting cock ready for her horny pussy. I came five times: in the asses of Alex, mom, Aunt Michelle, Aunt Leanne and Aunt Susan. The girls enjoyed scooping the come out of any pussy or ass and sharing it with one another.

"Dan, this was the best orgy I've ever been to," said Kevin. "I really appreciate this treat."

"You are welcome," dad smiled happily. "Like Amy and I brought you the first orgy, we continue to bring you the hottest and the best."

"Well, this time Alex and Nick were vital in making this happen," mom said.

"That goes without saying," said Kevin. "Nick is a real stud, and Alex is one luscious little slut."

"Thanks, Uncle Kevin," replied Alex. "I enjoyed your lovely cock and tasty come too."

"I also have to compliment you on your wife and daughter," I said to Kevin. Tami and Amber kissed me on both cheeks, and I squeezed their asses. "They are so hot and exotic. I don't think I'd ever get enough of them."

"We don't want you to get enough of us," said Tami. "We can't get enough of you either. We want you to keep coming for more. Right, Kevin?"

"Of course, honey," Kevin said.

"We'll always be yearning for this wild cock, aren't we?" Tami asked Amber, squeezing my soft cock.

"I am already yearning for it," said Amber, reaching for my hardening cock.

"You little slut," laughed Tami. "Me too."

"Did you two think the rest of us are nuns?" admonished Aunt Susan, laughing. "We are all sluts."

"Who said nuns wouldn't be tempted to try this big fucker?" laughed Tami.

"I am sure they would," Aunt Susan said. "Nick is too nice to corrupt a nun though, aren't you, baby?"

"I wouldn't think of it as corrupting a nun," I said. "I'd rather call it allowing her to taste the pleasures of the flesh so she could really savor and appreciate the sweetness of chastity...until I get my hands on her again."

"I bet that would be a wonderful religious experience for any nun," laughed Aunt Leanne.

"Let's shower and get ready for dinner," mom said. "I am getting hungry."

"After all this fucking, we all are," said Uncle Tim.

Since we only had six baths in the house, people had fun showering in groups of four. That did not save any time though because they tended to fool around. I showered with Aunt Susan, Claire and Tracy. I ended up fucking each of them in the pussy to orgasm while they continued to wear their butt plugs.

On Friday night, we changed the sleeping partners again. I got to sleep with Aunt Meg, Tami and Robin. I enjoyed fucking the two sisters together while they took turns to eat Robin's pussy and ass or have her eat theirs. Naturally she also got her fair share of my cock in every horny hole of her body. We had little sleep as I spent the night stretching and stuffing their once-tight assholes. We were not the only ones fucking all night though.

Our guests left on Saturday after goodbye quickies. We agreed to visit whenever we had a chance.

After all those efforts, I took a nap in the late afternoon. When I waked up, mom was sitting at the edge of my bed. She smiled at me when I opened my eyes.

"How would you like to remain the man of the house, taking care of the ladies?" she said, cupping my crotch through the covers.

My pulsing cock answered before I had a chance to think. After all, it was going to do most of the work.

"From now on, you'll be in charge of me and your sister," she said, stroking my hardening cock.

"What do you mean?" I asked as she pushed the covers aside and fished out my cock.

“You know, your sister or I may need cock while our partners are away or not in the mood, or we may need it in the ass where you are the only one for us,” she said, stroking and teasing my cock. “Are you going to get back with your girlfriend and leave us lonely or what?”

“What do you think?” I teased as she licked and sucked my cock head lightly.

“I think you are going to give us all the cock we need then some in every hole in our bodies,” she said.

“You are dead right,” I said as she returned to sucking my leaky cock. “I’d never walk away from a sexy woman who needs my cock anywhere in her horny body. Even if I did, I’d never walk away from you or my sister.”

“That’s my boy,” she said as she straddled me and guided my cock head to her asshole. “Your aunts and cousins need your lovely cock too.”

“It’s too bad they can’t get it as much as they and I want,” I said.

“Yes, that’s too bad,” she said riding my cock. “Your delicious cock feels so good in a woman’s ass. It feels as if it belongs there.”

“It really feels that way,” I said, enjoying the exquisite way her asshole massaged my entire cock.

She rode me to orgasm. We changed positions every time she came. She ended up underneath me on her stomach. Cupping her full tits in my hands, I gave her receptive ass a long, slow leisurely fuck.

“I am going to tell you a secret,” she said.

“What secret?” I asked.

“It wasn’t your sister who started all this,” she said.

“Who was it then?” I asked in surprise.

“It was me,” she said, shocking me.

“You?” I asked. “How?”

“I created an anonymous mail account and contacted your sister,” she said. “We hit it off and became friends. We gradually got to know each other. We soon started to talk about sex. I asked her about her plans for the spring break, and she told me she was staying home with her brother and female cousins. I convinced her to eavesdrop on her parents and find out whether they were going on a sex cruise. She initially resisted, but I managed to convince her. When I knew she was eavesdropping, I deliberately talked about sex with your aunts and uncles. She was shocked that her parents were indeed going on a sex cruise. I explained to her that it was normal and that many couples did it. I also told her that she should also have lots of sex on the spring break just like her parents. She told me that she was locked with her brother and female cousins. I gradually convinced her that they could easily seduce her brother and have a continuous orgy. She naturally resisted, so I had her describe her brother and spy on him and find out what he was like in bed and what he liked. She soon found out that her brother loved anal sex and that he fucked for hours. I already knew that. I asked her to imagine what it would be like for her to be with a stud like that. She admitted that it turned her on and made her pussy wet. We started to plan her brother’s seduction. I told her that she and her female cousins should start by learning deep throat. We also planned other tricks. When your cousins arrived, I saw that the plan was in action and that you had no clue. I asked your sister to send me detailed mails about what was happening. She was spying on you without knowing it. I thought she was exaggerating, but she actually was not. She naturally could never suspect that her online friend could be me.”

“That’s incredible,” I said.

“Isn’t it,” she smiled.

“You must be the most ingenious woman in the world,” I said.

“Was it worth it or not?” she asked.

“Of course it was,” I said.

“Now you know what a woman would do to get the cock she wants,” she said.

“Is that how much you wanted my cock?” I asked.

“I still do,” she said. “You don’t know how nice it is for a woman to get fucked good for hours. I should be ashamed of myself, shouldn’t I?”

“You should if I didn’t want your hot ass as much or even more,” I said.

“You really do?” she asked.

“Of course I do,” I said. “You told me how much you wanted my cock, but you didn’t say where.”

“First I wanted it in my mouth,” she said. “I wanted to suck it for hours then drink your hot come. I gradually started to want it in my pussy. I thought Lydia and Beth were downright sluts to enjoy cock up the ass. When I found that almost everybody else enjoyed your cock up her ass, I became curious albeit reluctant.”

“Naturally you found that your ass was made for cock just like any other,” I said.

“Yes,” she said, “even more so than my horny pussy.”

“You are one very hot slut,” I said. “I am so happy you are mine.”

“Any woman would die to be your slut if she knew how much she’s missing,” she said. “Your cock feels great wherever you put it. Now it feels so good in my ass.”

“You have the hottest ass I’ve ever been in,” I said. “Can you feel how hard you make me?”

“Of course I do,” she said. “That’s why I am about to come.”

We humped each other harder until she had a long hard orgasm. I immensely enjoyed her anal spasms as she convulsed in my arms while I squeezed her tits and pounded her ass vigorously.

“Do you know why I told you this story?” she gasped as we rested, fucking gently.

“To let me know how wicked you are?” I teased.

“No, silly,” she said. “The moral of the story is that you have to be very resourceful to get the ass you want. That would make you a real man in and out of the house as well as in and out of any ass. Do women a favor. Show them the light. Show the sluts what their hot bodies were made for if only once.”

From then on, I had to travel about twice a month to help celebrate my aunts and female cousins’ birthdays. It was Abbey’s idea to let their boyfriends watch me fuck them. I was not sure that idea would work out, but it did.

Needless to say, I had a busy summer. Although we did not let my male cousins catch me with their mothers or sisters, we flirted and teased openly. It was obvious how much their sisters were attached to me—like never before—and that their mothers liked me very much. They all heard the rumors that I had spent the spring break fucking their sisters and that I was surely coming for more. They were too busily concerned about their sisters to notice that I seduced and anally deflowered their own girlfriends and got them addicted to my cock up their asses. They actually liked the fact that their girlfriends and I often spent long periods of time with their sisters and their boyfriends unbeknownst to them in wild orgies while they were out with the guys. They did not even have a clue why their girlfriends were suddenly not in the mood for sex. They did not suspect a thing when I took their mothers out to dinner and dancing occasionally with their sisters and we stayed late fucking under the stars in a secluded area or in a cheap motel room. The boys were too happy whenever their parents called me with a straight face for a private talk in the guestroom, where I was staying. They did not know I would be sexually using their mothers and often their sisters like cheap whores while their fathers watched. Their obliviousness added to our blast. I loved it especially when my aunts kissed them lovingly with their mouths still tasting of my come or when they sat next to them watching television innocently with their asses full of my come. Despite all that, I felt sorry for them for missing out on the joys of watching me pleasure their hot girlfriends, sweet sisters and loving mothers.

Life is hard. You have to brave the bitter elements and be lucky to indulge in the sweet fruits of your labor.

Man of the House

My parents, uncles and aunts decided to go on a spring break cruise and leave their horny teenage girls in our house with me. The girls conspired and teased me until my resistance almost broke. Just as I succumbed

and started to have sex with them, two of my aunts joined us, but that did not end the teasing. Our folks had better not know how much fun we had while they were having fun away, but our dark secret leaked out.
