A captivating picture of a delicious anal pucker and a juicy pussy was filling my computer screen. The lighting was so right and the resolution was so high the gorgeous ass almost jumped out of the screen into my hands. I was totally absorbed with it. My cock and balls were sticking out of the right leg opening of my shorts. My cock was rock hard in my hand as I deeply fantasized about what I would do to that magnificent ass if it were in my room instead of my computer. My mouth watered as I imagined licking every wrinkle in that light pink pucker and massaging its tight orifice until it opens up and starts to nibble at the tip of my tongue. I could almost hear the voice of the girl, whose face I did not know or care about, moan as my tongue toyed with her delicious asshole, probing it deeper and deeper.

“Nice cock!” a voice said, startling me and bringing me out of my trance.

I almost fell off the chair. I was so taken by surprise I did not know what to do. I scrambled to cover my outrageously rampant cock with my hands, but the picture was still obscenely displayed on my monitor.

“Aunt Mish?” I said in shock, almost voicelessly, as I looked to my left.

I was completely embarrassed. I really liked Aunt Michelle and she liked me. Now I had destroyed all that, replacing it with everlasting disgrace. I gazed down in shame. She had a package in her hand that she put aside on my desk.

“There is no need to panic,” she said, pushing my hands off my cock. “I know what it’s like to be a hot-blooded teenager.”

She went down to her knees and turned my chair toward her. I was totally frozen as if I was in a dream or a nightmare.

“You should never have to take care of this gorgeous cock yourself,” she said, wrapping her hand around my still-hard cock. Her hand could not fully wrap around its thick shaft. She stroked it gently, smiling up at me. “Why don’t you let me take care of it for you?”

“What?” I said, completely flabbergasted.

“Do you enjoy getting your big cock sucked?” she teased, looking up at me.

She licked her lips sexily as she waited for my answer.

“Yes,” I said lowly, nodding.

My cock twitched in her hand, almost spurting on her face.

“Has anyone sucked your cock today?” she asked.

I shook my head.

“In this case, this is going to be your birthday blowjob,” she said.

My birthday? Then I remembered it was my nineteenth birthday.

Shock and Awe

Aunt Michelle used to surprise me on my birthdays, but never in such a compromising position.

“Is this real?” I asked in disbelief.

“No, it’s a dream,” she smiled, stroking my cock with her right hand and teasing my balls with the fingertips of her left hand. “It’s a dream come true—at least for me.”

Her hot breath tickled the underside of my cock and my balls as she inspected my cock closely. My cock twitched when she moved her face closer. I gasped when her tongue tip scraped the line separating my balls. She continued to stroke my cock while she licked and mouthed my balls. She gently sucked each of my balls into her mouth. My cock started to drool. She licked the big clear drop off the tip then pulled back.

"Let's take these shorts off," she said, pulling at the waistband of my shorts.

We had to maneuver the shorts around my stiff shaft. I robotically cooperated then sat back again, spreading my legs.

Palming my balls with her left hand, her tongue started at the base of my cock and teased its way up the underside of my cock, finally reaching the point directly under my cock head. She held my cock firmly while licking the point where my cock head met the shaft. She tilted my cock forward and let her tongue lick its head slowly and thoroughly.

My cock drooled more. She took its head between her lips and nursed it gently, sucking for more of my leaking fluids, as if it oozed honey. Her lips were tightly stretched around the end of my shaft. She held my eyes with hers as she nursed my cock urgently like a hungry baby. Her lips gently worked up and down my shaft. Her tongue toyed with my cock and her lips massaged it lovingly as she slowly took it deeper and deeper into her warm mouth, bathing it with her saliva.

She really knew what she was doing. Her magic mouth was causing wonderful sensations to course up and down my spine. My cock was rock hard, drooling constantly in her eagerly sucking mouth. She continued to suck my cock until she took two thirds of it in her mouth.

"It's going to be a little hard for me to take it all in my mouth," she said, stroking my shaft. "I've never sucked a cock this big, but don't worry; I am going to do it."

Her announcement made my cock jump in excitement.

"I am sorry, I didn't ask for your permission," she said, still stroking my cock. "Do you want me to suck your cock?"

"Yes," I hissed.

"Do you want me to take it all the way down my throat?" she teased.

"Yes," I said, my cock twitching in her hand.

"You are such a naughty nephew," she said, occasionally licking my cock head. "I like that. You know, most guys may get intimidated by having their aunts suck their extremely hard cocks. I only like to offer my services where they are appreciated. Now that I know I am wanted here, let me help myself to your mouthwatering piece of meat."

She spent several minutes fucking her mouth with just over half of my cock. She frequently slobbered all over my shaft and licked up her drool. She was moaning and making sucking and slurping sounds. I was having a great time, and so was she.

After a while of this sloppy sucking, she raised herself on her knees, thrusting her ass out. That made my cock grow even bigger if that was at all possible. She took a deep breath then swallowed my cock all the way down her throat, pressing her nose into my pubes and touching my balls with her tongue and lips. Her butt swayed from side to side and she rocked back and forth as she let my cock fuck her mouth balls deep. She deep throat my cock for a few minutes before she pulled back for the first time.

"Did you like that?" she teased, smiling mischievously.

"I loved it," I said. "Please, don't stop."

"Oh, I am not going to stop until you empty these balls down my throat," she said as she squeezed my balls gently, making my cock twitch. "I hope you don't mind coming in your aunt's come-thirsty mouth."

"If this is a dream, I don't want to ever wake up," I said. "I don't want it ever to end."

"Don't worry," she smiled. "It's not going to end any time soon. Your aunt is really enjoying herself with your big juicy cock. I am going to keep sucking your delicious cock until you can't take it anymore."

"You are the best aunt in the world," I said. "I've always thought you were great; now I know you are the greatest."

“And you are the sweetest nephew with the juiciest big cock in the world,” she smiled.

She gulped down my cock again and resumed fucking her throat with it. For the following fifteen minutes, I enjoyed switching my eyes between her twitching ass and stuffed mouth. I reached out and pulled her dress up, gradually exposing her ass. In addition to enjoying her hot oral ministrations, I delighted in watching her ass sway and move, her pale tight cheeks split by her black thong.

“Let’s go to the bed,” I said. “I want to be able to thrust in your mouth.”

“Sure,” she said, getting up.

I took off my T-shirt as we walked to my bed, my hard cock leading the way.

“How do you want me?” she asked.

“I want you to lie on your back,” I said.

Totally naked, I straddled her chest and pushed my cock into her mouth. I started to thrust in her mouth gently, but soon I was fucking her mouth balls deep. After several minutes, I helped her sit up with my cock in her mouth. Standing on the floor, I fucked her throat gently with my hand on the back of her head to make sure my cock sank as far as it could go down her willing throat..

By then I was very emboldened. Every once in a while I pulled my sticky cock out and gently slapped her face with it before pushing it back into her mouth. I occasionally rubbed her face with my cock or flicked her lips and tongue with it. In that position her deep cleavage was exposed to me every time I pulled out teasingly. I tilted her face up and slapped my cock on her cheeks.

“Can I please fuck your big lovely tits?” I asked, gently rubbing my cock over her face.

“You are a greedy nephew,” she said.

“Please, aunt,” I almost begged. “Please?”

“Okay,” she said, slipping her dress down her shoulders.

“Please, allow me,” I said, reaching for the clasp of her bra.

Her bra fell off setting her full ripe tits free. I put her bra aside, keeping my eyes glued to her tits. Her nipples begged for attention.

“They are beautiful,” I said, making her blush, as I admired her tits and nipples.

“Do you like them?” she asked holding them up for me in her hands.

“Of course, I do,” I said, dropping to my knees before her. “They are fantastic.”

I could not resist the urge to close my lips around her left nipple.

“What are you doing?” she shuddered as I sucked her nipple gently. “I thought you just wanted to...”

Her soft voice trailed off.

I wrapped my right arm behind her back so she would not pull back. She held my head with her right hand while she continued to hold her left tit for me. I used my free hand to squeeze her right tit and toy with her nipple.

“You are such a bad boy,” she moaned. “I like you; you are so good to me.”

I just moaned, enjoying the feel and taste of her thick nipple in my mouth. A few minutes later, I switched my mouth to her right nipple. This time I used my left hand to stroke her back while I used my right hand to fondle her left tit. With all the encouragement I received, I spent more time on her tits, switching my mouth from a sweet nipple to the other. She just moaned happily, surely getting wetter.

Done sucking her tits, I gently pushed her onto her back. I licked her cleavage, making a slippery channel for my cock. I straddled her, laying my cock between her tits. She squeezed her tits around my cock, and I proceeded to fuck her satiny cleavage. She moaned softly as my cock massaged her tits. For the next fifteen minutes, I switched my cock between her cleavage and her mouth a few times.

Dismounting her, I turned her around so her head was at the edge of the bed. I leaned forward, pushing my cock in her mouth. I braced my hands on either side of her and proceeded to thrust deep in her mouth.

As I fucked her throat, she adjusted her position, bending and spreading her knees. This position let her dress ride up her thighs and expose the crotch of her panty. After a little hesitation, I reached out with my right hand and cupped her pussy through her panty. She let out a long groan around my cock but did not resist at all. I could feel the heat and dampness of her pussy through her thin panty. I started to squeeze and massage her pussy gently, making her moan. She soon started to hump my hand. Her heat increased constantly, and she humped my hand more urgently.

That achievement was beyond my wildest dreams, so I did not want to make her come and blow it all up. I started to ease off to make her cool down a little. I continued to fuck her throat and toy with her pussy through her panty for several more minutes. I occasionally squeezed her tits and pulled on her nipples.

That was taking its toll on me. I pulled out of her mouth and rearranged her along the side of the bed. I threw my right leg across her and pushed my cock into her mouth. I thrust in her mouth for a couple of minutes before I felt my orgasm hit.

"I am coming," I grunted as I felt my cock stiffen. "Swallow it all."

She doubled her efforts sucking my twitching cock as it spewed thick wads of come down her swallowing throat. I gently thrust in her mouth while she drained my balls. After she made sure she sucked my cock dry, she let it slip out of her mouth.

Dismounting her, I pushed my right hand between her legs. She moaned and started to hump my hand as I massaged her pussy through her panty. I continued to rub her pussy while I rearranged her, laying her across the bed and allowing her to lower her feet to the floor. Going down onto my knees, I reached for the waistband of her panty and pulled it down.

"Nick, what are you doing?" she protested. "Don't do that."

"I have to return the favor," I said, pulling her panty insistently. "This may be my only chance ever."

She lifted her butt, allowing me to pull her panty down her hips. She lifted her feet so I could pull it off. I put her panty aside and pushed her dress up her hips.

"Nick, you shouldn't do this," she said as she lifted her butt again, letting me collect her dress around her waist. "This is not right."

"Just relax and let me at your wet pussy," I said, pushing her knees against her chest. "You want to come in my mouth, don't you?"

She just whimpered.

This position obscenely exposed her dripping pussy and cute asshole. Her anal pucker was even prettier than the one I had been watching on my computer screen and fantasizing about.

"You are so beautiful," I said, admiring her pink asshole.

"You like my pussy?" she giggled.

I had to look at her pussy when she said that. It was also very pretty.

"I like both adorable holes," I said. "They both look yummy."

Before she knew what happened, I had touched my tongue tip to her asshole and licked her gently.

"Nick, stop," she said, stiffening. "Don't do that."

Naturally I pushed her knees tightly against her chest and proceeded to lick her asshole. She continued to gasp and wiggle futilely. Her resistance died in less than a minute, and she started to moan, enjoying my tongue on her asshole.

"This is crazy," she moaned. "It feels good."

Hearing that, I let her knees go and used my hands to fondle her tits.

"Yes, yes," she hissed, holding her ankles with her hands.

Her asshole relaxed and opened up for my tongue. I spent over ten minutes licking and sucking her happy pucker. She moaned, humping my tongue more and more urgently. I was already licking her leaking pussy juices off her asshole. In a couple of more minutes, I made her come just by licking her asshole. She went nuts as I continued to push my tongue into her twitching asshole until she went limp.

Her pussy was drenched. I cleaned it with my tongue before I ate it through a new orgasm. I returned my mouth to her asshole and gave it a deep kiss.

"Spread your hot ass for me," I said, guiding her hands to her ass cheeks.

"No one has ever done this to me," she said as she complied readily.

"I am glad I am pleasing you like no one else ever has," I said.

While soaking my forefinger in her wet pussy, I licked her asshole for a few minutes, feeling it relax. I gently sucked her clit as I used my slick fingertip to massage her asshole. Her sphincter soon opened up, accepting my fingertip. I kept my fingertip there, gently drawing tiny circles within her asshole. She moaned, and her asshole milked on my fingertip.

Returning my finger to her pussy, I alternated between dipping my finger in her wet pussy and using its slick tip to tease her clit. She moaned, humping my finger. Her eyes were closed as she turned her head from side to side. While keeping her absorbed in what I was doing to her, I stealthily grabbed the lube from the drawer of the nightstand. My cock, which had already been rock hard, twitched in excitement.

Bringing the lube bottle up, I poured lube into my mouth to warm it up so she could not detect it. I finger fucked her pussy a little before I moved my finger to her asshole. I slowly dribbled the lube onto her asshole, gently rubbing it into her pucker. Her asshole did not resist my fingertip as it penetrated her sphincter. I used the thumb of my free hand to rub her clit while I worked the lube inside her asshole. My finger sank deeper each time it penetrated her asshole. She seemed to like the new sensations.

"Nick, what are you doing?" she asked when my finger sank all the way up her ass.

"I am toying with your cute asshole," I said, finger fucking her willing asshole gently.

"Oh, you shouldn't do that," she moaned weakly. "I have never let anyone touch me there."

"Don't you like it?" I asked, returning my thumb to her clit.

"Yes, I do," she moaned. "It feels good, but it's the wrong hole."

"Your asshole is so pretty and responsive," I said. "To me, that's as right as it can get. Just close your eyes, relax and enjoy yourself."

Her pussy was leaking freely, making it obvious that she was not very serious about her protest. I moved my thumb off her clit and concentrated on finger fucking her asshole rhythmically. She moaned louder, humping my finger urgently. Our pace accelerated constantly. Within two minutes, she was having a violent orgasm. I continued to finger her asshole until she went limp. I lapped her copious juices while swirling my finger within her asshole.

While reaming out her asshole gently, I poured another helping of lube into my mouth. Soon I was using my middle finger to work this lube into her asshole while moving my forefinger inside her ass. Two minutes later, I was easily pumping two fingers in and out of her ass. She humped my fingers happily. While warming the next helping of lube in my mouth, I twisted and swirled my fingers within her asshole, preparing for a third finger. I effortlessly worked my three fingertips into her ass, but I took my time working the rest in, occasionally lapping her leaking pussy juices.

When she could comfortably take my three fingers all the way up her ass, I gave her a long rhythmic anal finger fuck that ended with a more violent orgasm. I lubed my cock thoroughly while she gasped for air, still humping my fingers.

"You look so beautiful when you come," I said, twisting my fingers within her asshole.

"You make me feel so good," she said, opening her eyes lazily. "I have never come this hard before."

She closed her eyes again as I leisurely fingered her ass. Her asshole was so relaxed and ready for my drooling cock. I quietly got up and maneuvered my cock toward her asshole. Her face was so calm and smiling when I slowly popped my fingers out of her ass. I held my raging cock and pushed it into her asshole. I was neither slow nor abrupt. Her relaxed asshole opened up and took my cock in, closing behind the ridge of my bulbous cock head. The feel of her tight sphincter and the view of her asshole stretched wide around my cock almost made me come. I leaned forward, bracing my hands on either side of her. She

remained calm for a few seconds before she felt the difference. She opened her eyes and was surprised to find me on top of her.

"Nick, what is this?" she asked, confused.

"I want to fuck you in the ass," I said.

"Please, don't," she said in panic. Her asshole clamped at my cock, almost making me come. "You are going to hurt me very bad."

"I am not going to hurt you," I said lovingly. "My cock is already in your ass, and you don't feel any pain. I have prepared you well for it."

She did not speak for several seconds as if she was making sure she was not hurting.

"Please, be gentle," she finally said softly. "I have never done this before."

"Of course I will," I said, my cock twitching with lust. "You'll come like never before. I promise."

I did not move for a little while to cool down a little so I can withstand the heat and tightness of her ass. When I felt that her asshole and my cock relaxed a little, I started to push forward gently. My extremely hard cock sank ever so slowly into her tight vaginal canal.

"When I push in, push out very gently," I instructed. "That makes it slide easier."

Her cooperation let my next gentle push sink half my cock into her ass. I paused a little. The following push only left two inches of my cock outside her ass. I stopped.

"Take a deep breath and hold it in," I instructed as I prepared to drive the rest of my cock in.

As she held her breath, I applied gentle pressure to her ass, gradually pushing harder and harder. I had to apply high pressure to overcome her last resistance and pop my cock head past the end of her rectum. She grunted, and my pelvis and balls slapped her butt as her insides gave way and swallowed my entire shaft.

"My cock is balls deep up your tight ass," I smiled. "It feels wonderful. How does it feel to you?"

"It feels so big," she said. "I can't believe you could fit your huge cock back there."

"Of course, I could," I said. "Your hot ass was made for cock. Why don't you reach with your hand and feel how my cock is filling your horny ass to the brim?"

Seconds later I could feel her fingers touch the base of my cock where it met her stretched asshole.

"I can feel it," she said, still touching my cock. "It's so hard and big."

"What do you expect when you are very sexy and you have a very hot ass?" I teased, making her blush. "Alternate between squeezing it gently and pushing it out so you can get comfortable with it."

She started doing that tentatively. I enjoyed the way her once innocent asshole milked on my cock, making it even harder. I started to grind into her ass, pushing in when she pushed out and pulling out when she squeezed her sphincter. I brushed my thumb up her drenched pussy then over her erect clit. She gasped, and her asshole twitched, nearly biting my cock off. She almost came, but I did not want her to come yet.

Within a few minutes, I was working my cock in and out of her ass slowly but smoothly. She deliberately milked on it, making it feel wonderful. I fucked her with long strokes, pulling out until only my cock head was left inside, then pushing in until I skewered her entire rectum, letting my cock head pop into her colon.

As my cock and her ass took to each other, our pace picked up gradually. I was soon fucking her ass deeply at an easy pace. She moaned and humped back, enjoying herself.

"I see my hot aunt enjoying her first ass fuck," I teased. "Am I right?"

"Oh, yes," she gasped. "It feels so hot."

"Do you still think that my cock is too big for your little asshole?" I asked.

"Not anymore," she said. "It now feels just right. It feels as if your cock was made for my ass."

"It really does," I said. "Maybe it was."

"I've always thought this was perverse and dirty," she said. "I've never been curious enough to try it, not even when your uncle tried to talk me into it."

"On one hand, you have been missing on a lot of fun," I said. "On the other hand, I am so glad you have saved your magnificent ass for me. I am going to make it up to you."

"You are such a horny fucker, Nick," she said. "You don't mind fucking your own aunt in the ass, but you are a good boy. I really like you. You are my favorite nephew."

"You are also a hot woman," I said. "Why would I deprive myself of fucking your outrageous ass? You are also my favorite aunt. I am glad we are taking our relationship a little deeper."

"Balls deep," she giggled.

"It can't get any deeper than this," I smiled.

"With the size of your cock, this is deeper than I've ever thought possible," she smiled.

We silently concentrated on our fuck. I pushed her ankles down, causing her ass to rise up and become more vulnerable to its first merciless fuck. The only sounds in the room were moans, gasps, grunts, and wet and slapping sounds as I fucked her receptive ass hard and deep. After ten minutes of solid rhythmic ass fucking, her resistance started to diminish. She moaned louder, crying for harder fucking. Her body which shook with every thrust, started to tremble with the precursors of her orgasm. Her asshole contracted and relaxed involuntarily as I drilled it vigorously.

Soon she stiffened before her entire body started to convulse in a violent gut-wrenching orgasm. I continued to pound her twitching ass until her orgasm subsided. We were both panting. While she tried to catch her breath, I gently thrust in her happy ass.

"That was incredible," she gasped. "I've never felt pleasure this intense."

"Indeed it was," I said. "Your ass was virgin, but it was naturally ready for cock."

"This is also my butt feeling," she smiled.

"Do you still think ass fucking is perverse and dirty?" I teased.

"Of course not, silly," she said, fucking back. "I think ass fucking is so wild and wonderful."

"I take it that you are ready for what I am planning for you," I said, picking up the pace.

"I guess I am," she said. "Fuck your aunt's ass silly, Nick."

"You never need to coax me to do that," I said.

The next ten minutes of hard butt pounding made her come again as violently if not even more so. I dipped two fingers in her drenched pussy then licked her juices off my fingers. I did that again giving her a taste of her own juices. She did not hesitate to suck my fingers eagerly.

After giving her less than a minute to rest, I rolled her around onto her knees without taking my cock out of her ass. I held her hips tightly to my pelvis as I helped her lower her knees to the floor. I pulled her back a little so she could lower her lower back and thrust out her horny ass lewdly for my cock.

Her position made her lush tits dangle accessibly as she rested her head on her folded arms on the bed. I fondled her tits and toyed with her nipples as I thrust in her ass at an easy pace. Later, I let her tits go and braced my hands on either side of her shoulders, preparing to fuck her harder. She had more leverage to fuck back than before. Soon my thighs were slapping her ass as my balls slapped the back of her dripping pussy with every deep thrust.

For the following ten minutes, I fucked her ass at different paces. In the following five minutes, I pounded her willing ass really hard. We were making loud grunts, moans and slapping sounds. She fucked back urgently as she felt her orgasm imminent. I fucked her ass with extreme vigor until she started to gasp for air as her frame shook uncontrollably in a wild orgasm. When her orgasm died down, I slowed down thrusting in her ass and fondled her tits lovingly. She was still gasping.

That was when we heard clapping. I looked back in horror to find Aunt Leanne standing behind us.

"That was amazing," she said.

"Aunt Leanne?" I gasped in panic.

Aunt Michelle and I were shocked beyond belief. I hurriedly yanked my cock out of her ass with an audible plop. I stood up and covered my cock with my hands in shame. Aunt Michelle pulled her dress down, covering her ass, and buried her face in the bed sheets.

"I knocked twice, but no one answered," said Aunt Leanne as she knelt before me.

She pushed my hands away and took my cock in her mouth. My hard cock was freshly out of her big sister's ass, but she did not care about that. I stood there in shock like a statue as she sucked my cock deeper and deeper. Soon I was thrusting in her mouth without knowing it.

After a minute of silence, during which Aunt Michelle only heard her own heartbeat, she looked up to see what was going on. She was obviously stunned to find her little sister deep throating my cock.

"What are you doing, Lee," asked Aunt Michelle.

Without taking her mouth off my cock, Aunt Leanne signaled Aunt Michelle to wait a little.

"This is crazy," said Aunt Michelle in awe. "It's getting out of control."

"I hoped you wouldn't mind sharing this beautiful cock with me," Aunt Leanne said.

"I don't," said Aunt Michelle. "It's just that this is going beyond my wildest imagination."

"Do you think I'd ever imagined this could ever be possible?" asked Aunt Leanne. "We are just too lucky to have an accommodating nephew like Nick."

"Hey! I am even more shocked than you both are," I said. "I am glad it all came to a happy end."

"I'd call this a happy start," Aunt Leanne said.

"Me, too, actually," I said.

"I am not done, either," said Aunt Michelle.

"Not even close if I have my say," I said, thrusting deep in Aunt Leanne's mouth.

"Of course, you do," said Aunt Michelle. "You are the one who has the most say here."

Aunt Leanne moaned her consent over my cock without interrupting her deep sucking. She let me fuck her throat for a few minutes before she beckoned Aunt Michelle to come closer. She took Aunt Michelle's hand and pulled her down. When Aunt Michelle knelt next to her, Aunt Leanne pulled back and turned me toward her sister. Expecting that, Aunt Michelle did not hesitate to open her mouth and gulp my cock down. In the following several minutes, I switched my cock from eager mouth to the other.

"I just hope mom does not miss you and come to join us," I said.

"Your mom doesn't know I am here," Aunt Leanne said, walking toward the door. "I'll lock the door anyway."

"She doesn't know I am here, either," Aunt Michelle said, briefly taking her mouth off my cock.

"Mish, why don't you get down on your knees again so he can resume doing your butt?" Aunt Leanne suggested.

"What about you?" Aunt Michelle asked. "Don't you want some of it?"

"Maybe later," said Aunt Leanne.

Aunt Michelle was a little shy to get into that obscene position before her sister, so I helped spread her knees and adjust her lower back into a position even more obscene than the previous one. My crazy Aunt Leanne drooled on her sister's asshole then guided my cock in.

As Aunt Michelle and I established a nice ass fucking rhythm, Aunt Leanne sat on the edge of the bed and fingered her pussy while watching us fuck.

"Mish, I've never imagined you could be a butt fucking slut," Aunt Leanne said.

"I am not," Aunt Michelle gasped. "This is my first time ever. I was virgin back there an hour ago."

"You are taking his big cock up your butt like you've been doing it all your life," Aunt Leanne said.

"That is because I have prepared her well for it," I said.

"Did it hurt much?" Aunt Leanne asked.

"No, not at all," replied Aunt Michelle. "Why don't you try it?"

"I have never put anything in my butt before," she said.

"That's how I had been a couple of hours ago," Aunt Michelle said.

"Do you think you can do it to me without hurting me?" Aunt Leanne asked me timidly.

"Of course," I said confidently. "It's all about taking our time. If we took our time, not only there would be no pain, but there would also be no discomfort. There would only be hot fun and intense thrill."

"Would you do it to me?" she said weakly, blushing.

"With pleasure," I said. "Why don't you first get on your knees and show me your hot virgin butt?"

She hesitantly got on her hands and knees on the bed. She hiked her dress and lowered her panties, exposing her tight butt. Her pussy was wet, but her asshole was not lewdly displayed.

"Lower your face to the bed and spread these lovely cheeks," I said as I slipped my left middle finger into her wet pussy, making her gasp.

She complied timidly as I gently slid my finger in and out of her pussy.

"It's so beautiful," I said as I inspected her pink rosebud just before I planted a light kiss right at its center, making her shudder. "It's so tight. It won't be when I am through with it." She shuddered again. "Give me a few minutes to finish with Mish, and then I'll take care of you."

I removed my dripping finger from her wet pussy and sucked her juices off it audibly.

"Sure," she said.

"Why don't you lose your panty and your bra while you wait?" I directed. "Leave your dress on."

She got up and stood behind me, but I watched her as she pulled down her panty then kicked it off. She turned around, lowered her top and took off her bra. She straightened her dress then came back. She sat next to us and resumed playing with her pussy. I occasionally squeezed her thinly covered tits or fingered her wet pussy.

"Mish, are you ready to receive my come in your bowels?" I teased.

"Yes," she hissed, gritting her teeth, and fucking back harder.

"Your sister wants me to come deep in her ass," I said to Aunt Leanne. "Is that what you want me to do to you, too?"

"Yes," she hissed.

"I am going to come in every hole in your body, not only your ass," I said. "Would you like that?"

"Yes," she hissed.

"I must be the luckiest nephew in the world," I said.

"I don't know about that," Aunt Michelle panted. "I only know I am the luckiest aunt in the world."

"I am also going to make Lee very lucky," I said.

"I am sure you are," Aunt Michelle said. "This is shaping up like the best birthday party ever."

"To me it surely is," I said.

Within two minutes, Aunt Michelle was convulsing in orgasm seconds before I slammed my swollen cock all the way up her jerking ass and let it spasm, spewing thick come past the end of her twitching rectum. I thrust into her, keeping my cock deeply rooted in her ass until both our orgasms died completely. She deliberated milked my cock as it softened and started to shrink within her ass. Meanwhile, I cupped her tits, and we kissed lewdly.

When my cock was too soft to remain in her ass, it plopped out of her asshole. Her contented asshole closed tightly, guarding my come inside. I gave her asshole a big kiss before I pulled her upright and let her suck my cock clean. She did without hesitation, making sure it was completely drained.

"Lee, get on your knees like Mish was so I can introduce you to anal fun," I said to Aunt Leanne.

Aunt Leanne complied readily. I adjusted her position before I hiked her dress, exposing her drenched pussy and virginal asshole obscenely. I cupped her cheeks and started to knead and fondle her ass.

“How can I help while you corrupt my little virgin sister?” asked Aunt Michelle, smiling. “I guess I can suck your cock to make sure it will be ready when she is.”

Aunt Michelle took her position and proceeded to suck my limp cock. Aunt Leanne was startled when my tongue tip touched her asshole although she had previously seen me give her sister’s well-fucked asshole a big kiss. She resisted and tried to push me away, but I, expecting her resistance, held her tightly until my sweet tongue talked her delightful asshole out of its resistance. She started to moan and push her ass back for more of my tongue.

As Aunt Leanne asshole relaxed and warmed up to my wicked tongue, my cock hardened in Aunt Michelle’s eager, skillful mouth. I thrust gently in Aunt Michelle’s mouth as she palmed my balls and sucked life back into my cock. I slipped my middle finger in Aunt Leanne’s drenched pussy so she could hump against it and milk on it. After eating her hot asshole for several minutes, I applied lube to her asshole and started to push my forefinger inside. She squirmed as I wormed my finger up her rectum.

With a finger up each hole, I started to fuck both her holes gently. She humped back eagerly, and soon I was finger fucking both her holes briskly. When she was about to come, I slowed down. I applied more lube to her asshole and moved my middle finger to her asshole. I patiently squeezed it into her asshole. Once the tip popped in, I slowly twisted both fingers all the way up her ass. She relaxed quickly and humped back as I pumped my fingers within her ass faster and faster. She came within two minutes. I continued to jerk my fingers within her twitching asshole until her orgasm subsided. I gently removed my fingers from her ass and let her suck them.

While Aunt Leanne sucked my fingers, I pushed Aunt Michelle away and aimed my cock at Aunt Leanne’s pussy. She was so wet my first push drove my cock halfway into her pussy, making her gasp. I gripped her hips and shoved the rest of my cock in, making her grunt. With my cock balls deep in her sizzling pussy, I pulled the top of her dress down her shoulders, setting her tits free. I held her tits tightly and drilled her pussy vigorously. She gasped her way to a quick orgasm within two minutes. I slowed down a little then resumed pounding her leaky pussy to another orgasm. Before she could catch her breath, I fucked her through a third hard orgasm.

After Aunt Leanne relaxed, I pulled my cock out and brushed its dripping head over her asshole, making her shudder. I pulled back and pulled Aunt Michelle’s head to my glistening cock. As Aunt Michelle closed her mouth around my cock, I returned my tongue to Aunt Leanne’s asshole. I thoroughly licked her pussy juices off her pussy and asshole then applied a thick coat of lube to her pucker.

Aunt Leanne moaned lowly as I pushed two fingers up her ass. I applied more lube to her asshole before squeezing the tip of a third finger in. I slowly opened her up with my fingers, thrusting them gently in her ass while thrusting my cock in her sister’s throat. I concluded her priming with finger fucking her ass with my three fingers to a hard orgasm. I pulled my finger out of her ass and applied a helping of lube to her anal pucker and sphincter. I pushed Aunt Michelle away and moved closer to Aunt Leanne’s ass.

“You are ready,” I said as I gripped her hips and slowly pushed my cock all the way into her pussy, making her let out a long moan. “Tell your sister very explicitly what you want me to do to you.”

She hesitated, blushing, as I ground gently into her pussy.

“What do you want, little sister?” teased Aunt Michelle.

“I want him to fuck me in the ass,” Aunt Leanne finally blurted out.

I slowly pulled out of Aunt Leanne’s drenched pussy and motioned Aunt Michelle to guide my cock to its virgin target.

“Little sister, I am guiding his cock to your virgin asshole,” teased Aunt Michelle as she pressed my cock head against her sister’s slick pucker. “Are you ready?”

“Yes,” Aunt Leanne gasped.

Aunt Leanne's asshole dilated slowly as I pushed my cock gently in, easily popping the head in. She gasped softly. I paused for several seconds, fondling her tits. I gently raised her shoulders up to improve the penetration angle and to give her more freedom of movement.

"Move your ass back very slowly," I instructed. "Let your virgin asshole swallow the rest of my cock as you gently push out with your anal muscles."

While she backed up over my cock, I fondled her tits with my left hand and gently massaged her clit with my right hand. Her widely stretched asshole sucked my cock in bit by bit. A few minutes later, I pulled her hips back hard, helping her take the last two inches of my cock. She grunted as my cock head peeked past the end of her tight rectum.

"That's it, Lee," I said, cupping her tits. "It's all the way up your ass. You are no longer virgin anywhere in your hot body. You've taken my very cock balls deep in each of your horny holes."

While we paused like that, I kissed Aunt Leanne's shoulders and played with her tits and pussy. Aunt Michelle watched, fingering her pussy and fondling her tits.

"As big as it feels, it didn't hurt at all," said Aunt Leanne, obviously feeling how tightly she was stuffed in her once virgin ass. "It feels good in a new way."

"If you want to get used to it quickly, milk on it," advised Aunt Michelle from her fresh experience.

Aunt Leanne started to milk on my cock tentatively. Previously her asshole twitched as I teased her pussy, but then she was doing it deliberately. I ground gently into her ass, enjoying her milking ever more. Within a few minutes, we were fucking gently at a constantly accelerating pace. A few minutes later, I was fucking her at a nice pace. I pushed her shoulders down and raised myself on my feet, bracing my hands on the bed. In this position, I fucked her ass in different paces to break her ass in. After several minutes of that, I pounded her ass as hard as I was doing her sister's when she first caught us.

"Can you see how easy it is to get fucked hard up the ass as if you have been doing it all your life?" Aunt Michelle teased.

"I didn't know it would be this easy," gasped Aunt Leanne.

Aunt Leanne survived several minutes of fast, hard ass pounding before she started to shake, losing control. She stiffened before she convulsed in a long, violent orgasm. I continued to pound her ass vigorously until her orgasm died completely. I later gave her a minute to catch her breath as I thrust gently in her ass while showering her face with kisses.

She was still panting when I held her tightly and walked her to the couch across the room. I sat in the couch, setting her in my lap, my cock still rooted in her ass. I spread my knees and placed her feet on my knees. She braced her hands on the armrests as I spread her ass and bounced her gently on my cock. She soon was riding my cock on her own as I continued to hold her ass open.

Aunt Michelle sat on the floor, playing with herself, as she watched her sister's ass shuttle up and down my cock animatedly. I occasionally spread Aunt Leanne's empty, dripping pussy with my fingers. I fondled her tits and pulled on her erect nipples on her way to orgasm. When she finished coming uncontrollably, she slumped in my lap, swallowing my cock balls deep up her ass. I ground gently into her.

She rested a little before I helped her turn around and face me. She was soon bouncing energetically to a new orgasm. After she came, I turned her around again to face away. I held her tightly and put her on her knees on the floor. I gently pushed her face and shoulders onto the floor. Furthermore, I guided her hands to her ass and had her spread her cheeks for me.

With Aunt Leanne's ass most vulnerable in the pile driver position, I pounded her vigorously from above. Her entire body shook with every hard thrust. My full balls slapped her leaky pussy repeatedly. She gasped and grunted urgently, bravely holding her ass up for my ruthless cock. Aunt Michelle continued to play with her pussy while she intently watched her sister's ass get pounded vigorously for several minutes.

"She fucks like a slut," Aunt Michelle commented. "It's hard to believe she was virgin an hour ago."

"I am going to fuck you like this, too," I said.

"I'd love that," she said. "It looks like a lot of fun."

"It is," Aunt Leanne grunted.

Her brave ass fuck was coming to an end as she started to lose control. She started to shake and move her ass hysterically. She stiffened and groaned loudly as her orgasm hit her. She convulsed violently, gasping for air, her asshole twitched around my cock. I slammed my cock balls deep in her ass as it swelled and started to spasm. I rammed my cock into her ass several times as I emptied my balls in her bowels.

She milked on my cock deliberately after her orgasm subsided. I held my cock in her ass until it was completely drained. It started to slip out of its own accord. I gave her asshole a big French kiss before I helped her sit up and presented my sticky cock to her. She did not hesitate to suck it dry and clean.

"You haven't fucked my pussy," Aunt Michelle complained.

"We are at most halfway through," I said. "I have only come three times, and you two have six holes."

"Are you not tired yet?" asked Aunt Leanne.

"Of course not," I said.

"That way we would be late for dinner," Aunt Michelle said. "We are taking you to dinner. Why don't we continue at night? Lee and I are spending the weekend here."

"In this case we need to shower," I said.

"We also need to iron our crumpled dresses," Aunt Michelle said.

Aunt Michelle showered first. Meanwhile, Aunt Leanne ironed her dress with her legs spread as I ate her pussy to orgasm. She showered while Aunt Michelle dried and fixed her hair. Aunt Leanne did her hair while Aunt Michelle ironed her dress, her pussy riding my tongue to orgasm.

"You are not wearing any lingerie for dinner," I said.

"But that way my tits would be obvious," Aunt Michelle said.

"That's the whole point," I said. "Furthermore, help yourselves to some lube in case we need to fool around while out."

I showered, shaved and put nice clothes on. My aunts were already waiting for me in the living room—with mom, who was dressed to the nines.

"You look gorgeous tonight," I said to mom. "Are you going anywhere?"

"As a matter of fact, I am," she said. "We are taking you to dinner."

That was a surprise to me. She would be like a chaperone to us. I tried to smile anyway.

"Whose car are we taking?" I asked.

"My car," mom said.

"Give me the keys, please," I said, extending my hand. "I'll be driving."

Not a prefect gentleman but much like one, I opened and closed the doors for them. Mom rode in the passenger seat next to me, and my aunts rode in the back seat. They all got into the car in a sexy way. I just noticed that mom was as pretty and sexy as either of my aunts. However, since my relationship with her was not as deep as with my aunts, I would not be able to fully enjoy her company.

We went to a nice restaurant. We sat in a U-shaped booth. Mom was on one edge, then Aunt Michelle then Aunt Leanne, and finally I was on the other edge opposite mom. Mom was putting a lot of her deep cleavage on display. Although my aunts were doing the same, I could not remember her ever doing that before, and I could not avoid it very long.

Aunt Leanne occasionally stroked my right thigh lightly, making my cock harden. After a few times, she squeezed my crotch. She did that every once in a while, keeping my cock partly hard throughout dinner.

"Since we have a young man with us, why don't we take him to a dance club?" suggested mom.

"Great idea," Aunt Michelle said.

"I don't remember the last time I danced with such a handsome young man," teased Aunt Leanne.

"I don't think you have ever danced with such a handsome young man," said Aunt Michelle.

“I think that’s why,” laughed Aunt Leanne.

We went to a romantic dance hall, where they mainly play slow music.

“The first dance should be mine,” mom said as soon as we took a table. “It was my suggestion.”

So, I led mom to the dance floor. On the dance floor she wrapped her arms around my neck, so I only had the choice of wrapping mine around her waist. She held me so close we almost had full frontal contact. With her so close to me, her sexy heady perfume was taking me into a new world. Her lush tits were flattened on my chest. Without an undershirt, I thought I could feel her nipples poke into my chest, but I dismissed that initially. Later, I made a seemingly unintentional move to scan her back, and I did not feel any bra straps. I just remembered that, when she sat down in the car or in the booth, her tits jiggled a little. I had previously thought that was because her bra is a little loose.

While all this coursed through my head, she had her head nestled in the crook of my neck innocently, and she was totally relaxed. I allowed my hands to slide ever so slowly down her lower back. I was soon cupping the tops of her cheeks, and I felt no evidence of a panty. I scanned her back again and did not find any evidence she was not totally naked under her thin dress.

That discovery made my cock get harder although she was my mom. I could not resist her perfume, closeness and her nakedness under the dress. The problem was that I could not afford to develop an erection with her so close to me. Soon it would be poking into her crotch or belly. I started to pull my hips back to make room for my developing bulge, but she kept moving her hips forward to keep them close to mine. I could feel my hardening cock press lightly against her belly just before the song ended thankfully.

Aunt Michelle was next then Aunt Leanne. We groped each other freely and even ground our crotches together on the dance floor. Then it was mom’s turn again.

“Let’s make the turn two songs because one song is too short,” mom suggested as she stood up.

We held each other tightly again, her arms around my neck and my hands on the top of her butt. After what I had done with my aunts on the dance floor, my dirty mind started thinking about moving my hands further down. That mere thought made my cock harden. I did not face any resistance as I slowly slid my hands down her butt. Within two minutes, I was fully cupping her cheeks, and she did not mind the least bit. Furthermore, my cock had grown to maximum size and was pressing lightly against her lower belly. She totally ignored that. She was totally relaxed in my arms, her body molded to mine.

After a minute or so, I gently squeezed her left ass cheek, making my cock twitch. She seemed to press her hips into mine harder. I soon squeezed her other cheek and received the same response. After that, I started to knead her butt gently.

“Oh, yes,” she hissed. “Rub my back like that.”

It was obvious that I was not rubbing her back, but I did not mind. I was actually feeling up her ass through her thin dress, and she clearly did not have anything underneath. From then on, I groped and felt up her ass freely. In response to my ministrations, she gently ground her crotch into mine. That was unexpectedly wild. My cock was rock hard and dangerously close to coming.

“You are so beautiful,” I complimented, squeezing both her cheeks. “Your back is so nice and firm.”

“You have grown quite a bit,” she said, grinding her crotch into mine. “Your stomach is hard.”

As the first song neared its end, we danced toward the darker side, and I turned her butt away from the crowd. By the beginning of the next song, I was slowly hiking the back of her dress, and she did not seem to mind. Soon my fingertips touched her bare butt. I slipped my hands under the back of her dress and cupped her bare cheeks. My fingertips were close to her crack. She shuddered and thrust her crotch into mine when I spread her cheeks. Holding her cheeks apart, my fingertips traced up and down her crack and tickled her anal pucker, making her shudder again. Pressing a fingertip against the center of her asshole, I gently massaged it circularly. She relaxed to my finger, showing that she was no stranger to anal fun.

Exploring further down, I reached the back of her dripping pussy. She gasped when I slipped my fingertip into her leaky orifice. I soaked my fingertip in her juices then I used it to massage her asshole gently. I scooped more juices out of her pussy and applied them to her asshole. When her asshole was wet enough, I pushed my slick fingertip in. She effortlessly let it pop in, gasping softly. I corkscrewed my finger

deeper into her ass. I gently worked my finger in and out of her asshole and around, making her hump my crotch urgently. As the song neared its end, I diddled her asshole urgently. She soon came. I kept my finger jerking in her twitching asshole until she relaxed. I finally removed my finger from her ass and sucked it, tasting her mixed flavors.

That was crazy. I had never thought I would ever make her come in my arms, let alone in a public place. She took a deep breath and relaxed for several seconds before we returned to our table. She was a little flushed, but no one seemed to notice. My boner was obvious for anyone who cared to look.

Leading Aunt Michelle, I went past the dance floor to the restrooms. She was surprised but did not resist. I bent her over in the handicapped stall and proceeded to fuck her pussy vigorously. When she finished coming all over my cock and balls, I gently pushed my dripping cock into her ass, making her let out a long soft moan. I waited for several seconds before I started to fuck her ass hard. She came again quickly. I dipped my cock in her drenched pussy then licked her pussy dry. She licked my cock and balls clean. She did not suck my cock thoroughly not to mess up her lipstick. We returned to the dance floor and danced for half a minute before the end of our second song.

Aunt Leanne enjoyed the same treatment then it was mom's turn. Mom expected to dance with me, but I led her to the restrooms. She was hesitant but not adamant about it. In the restroom, I nudged her shoulders down. She knew what she was expected to do. She squatted, letting her pussy and ass peek out of her dress, and reached out for my pants.

"You are big," she said excitedly when my boner popped in her face.

I just smiled.

She held my cock by the base and licked its head.

"It has a tangy flavor to it," she said. "I like it."

Obviously that was the flavor of her sisters' fuck holes. My cock had just been through all their holes. I just hoped she would not suspect that.

Showing that she really liked the taste of my used cock, she thoroughly licked my cock and balls, giving special attention to my cock head. She slobbered all over my cock and licked up her drool. Closing her lips around my cock head, she sucked it and licked it for a little while. She took my shaft halfway in her mouth and sucked gently while jerking the rest with her hand. She suddenly gulped down my entire cock. While holding my cock all the way down her throat, she licked the beginning of my balls, and then she massaged my entire cock wonderfully with her lips, tongue and throat. She just did that to show me what she was capable of.

She finally closed her lips around the middle of my shaft and stroked the rest of my shaft with her hand. I wanted to thrust in her mouth, but, learning from Aunt Michelle's experience, I did not want to ruin her lipstick. I did not want to resist much, so I let her make me come quickly.

"I am coming," I announced.

She pursed her lips behind the bulbous head of my cock and jerked my shaft vigorously while sucking hard at my cock head. My swollen cock violently twitched in her mouth, spurting thick come against the back of her throat. She savored the taste of my come then swallowed eagerly, leaving me dry.

"I like its creamy texture and its rich taste," she smiled up at me. "It's delicious."

"I am glad you like it," I said as I helped her get up.

She kissed back feverishly when I claimed her lips in a deep kiss, tasting my come on her tongue.

Bending her over, I flipped her dress over her back, exposing her ass. I spread her cheeks and admired her cute pink asshole a little before I touched it with my tongue. New to that, she tried to push me away, but I held her tightly until she relaxed and let me have my way with her hot asshole. I spread her ass and probed her pucker lovingly, making her moan.

"You have a great ass and a delicious asshole," I said, still holding her cheeks apart.

"No one has ever done this to me," she cooed.

“It must have never fallen in the hands of an ass lover,” I said. “I can never resist a hot rosebud this cute. You don’t know how pretty it is because you’ve never seen it. I do because I am mesmerized by it.”

While licking and sucking her asshole, I gently pumped two fingers in her wet pussy. I soaked her asshole with drool then gently pushed my slick fingers into her ass. Her asshole opened up, and I drilled each of her holes with two fingers. My cock was already hard again. After she came, I licked my fingers and licked her holes clean. At the end I gave each of her holes a long deep kiss and slapped her butt playfully with my hard cock, making it twitch. I wiped the leaky head of my cock on the side of her ass.

“That was the best birthday present you have ever given me,” I said.

“It was the most enjoyable birthday present I have ever given,” she said.

I washed my face before we returned to our table.

In the next two turns, my aunts and I actually danced. We dry humped while I felt up and fingered their asses. That was the end of our dance party. We immediately left for home.

After mom went to bed, I grabbed my lube and joined my aunts in the guestroom. We all got naked and jumped onto the bed. They took turns sucking my cock, which had already been partly hard. Meanwhile, I fondled and fingered them. Soon they mounted me. Aunt Michelle rode my cock with her pussy in the cowgirl position, and Aunt Leanne rode my tongue, facing her sister. I licked Aunt Leanne’s pussy and asshole before she dismounted me. She took the lube and proceeded to lube her sister’s asshole with one hand and her own with the other.

After Aunt Michelle came, Aunt Leanne guided my dripping cock to Aunt Michelle’s ass. Aunt Michelle came hard within several minutes of energetic bouncing and gasping. Aunt Leanne helped her dismount me and sucked my cock thoroughly before she straddled me, guiding it to her own asshole. I drilled her responsive ass through two wild orgasms before I rolled her onto her back and pushed my cock into her mouth. I fucked her throat until I came in her mouth. She drained my balls, and then I lay back.

They teamed up on my cock and brought it up in record time. I started with Aunt Michelle’s ass in the doggy position. I motioned Aunt Leanne to let her eat her pussy. Aunt Michelle did not resist much. By the time she was coming on my cock, her sister was coming in her mouth. They traded places, and Aunt Michelle got to come in her sister’s mouth. Soon I was fucking them as they ate each other in the sixty-nine position, spreading each other’s ass for me.

At the end of that round, Aunt Michelle’s pussy swallowed my come load. I coaxed Aunt Leanne to suck my come out of her sister’s pussy then dribble it into her mouth. In due time, Aunt Michelle returned the favor. That time they traded my come back and forth a few times before Aunt Leanne swallowed it.

We showered and slept together naked.

When I opened my eyes in the morning, Aunt Leanne was smiling at me as she rode my hard cock gently, soaking it in her leaking juices.

“Good morning, sleepy head,” she said as she guided my cock to her ass.

“Good morning, Lee,” I said.

It was much earlier than I would usually wake up on a Saturday. I spent the next hour fucking their every hole. After I dumped a big come load deep in each desperately sucking ass, I snuck to my room.

I gave them the rest of Saturday off so they could recover and stay tight. I introduced them to internal anal hygiene and spent the rest of the day with my girlfriend, taking care of her cock-hungry orifices.

Needless to say, my aunts and I fucked each other silly throughout the weekend, especially in my room, where I had computer video cameras recording everything. I let them practice eating my come out of each other’s well-fucked ass. I was obviously sad they finally had to leave, but we promised each other we would meet often.

The following week seemed very quiet except for a few hot phone sex calls with my aunts. I only saw my girlfriend twice. Mom acted as if nothing out of the ordinary had ever happened between us in the dance club. She guarded her skin hidden away as usual.

On Friday night I stayed home. I was sitting in bed, reading a book, when someone knocked on my door. I called the visitor to come in. It was mom. I had never seen her like that. She was dressed in an ivory silk kimono with lace and embroidery. She was well made up, and her hair, nails and toenails were well done. She was wearing platform sandals. She was apparently getting ready for a romantic night with dad, but for some reason she needed to talk to me. She stood before me.

"Have a seat," I said, motioning her to the couch across.

"Nick, you have been a bitter disappointment to me," she said, still standing up.

"Me?" I asked in confusion. "Why?"

"It's about how you treated your aunts," she said.

"How did I treat them?" I asked. "I don't recall treating them bad at all."

"Nick, you know what you did," she said. "This is your last chance to correct your mistakes, or else I'll be very mad at you for a very long time."

"I can't afford to make you mad at me for a second," I said. "I'll do whatever you want me to."

"I want you to do to me everything that you have done to your aunts," she said.

"What do you mean?" I asked, perplexed.

"I know that you have made wild passionate love to them," she said, shocking me.

"How did you know that?" I asked after a little silence.

"Nick, that is not why I am here," she said.

"Do you really want me to do that to you?" I asked.

"That's what I am here for," she said. "I let you do whatever you wanted to do to me on your birthday night, and you totally ignored me afterwards like I was a slut you picked up on the street."

"I am so sorry," I said. "I thought you didn't want any of that. You didn't give me any positive signs."

"You haven't even tried to touch me ever since that night," she said.

"Let's not waste more time," I said as I put the book aside and stood up. "I am going to touch you now like you have never been touched before."

Taking her in my arms, I looked in her eyes and slowly moved my lips to hers. She held my head and touched her lips to mine, letting an electric spark pass between us. The last time we had kissed like that, she tasted of my come. This time she tasted fresh and sweet. Our kiss built up slowly and continued to build up to a feverish level. She was soon grinding her crotch against my hardening bulge as I felt up her ass through the silky fabric. We finally broke the kiss, gasping for air. I gently nudged her shoulders down. She smiled lewdly as she squatted obediently.

"I've missed your big cock," she said, stroking the outline of my cock through my shorts.

"It won't happen again," I promised.

She slipped her cool hand up the leg opening and wrapped her hand around my cock. She continued to stroke my cock while pulling my shorts down. She took my cock head in her mouth and sucked it gently as she moved her hand off my cock and pulled my shorts the rest of the way down, letting me step out of them.

She had not given me a real blowjob in the dance club; this time was totally different. She held my cock upright and licked all the way from my balls to my cock head. She spent several minutes just licking and kissing my balls and cock and sucking my cock head. My cock was harder than granite.

"Why don't you sit back and relax while I take good care of your big juicy cock?" she cooed sexily.

She took off her kimono, leaving a matching chemise that showed her deep cleavage wonderfully. She knelt between my knees and proceeded to give me a long, slow, luxurious blowjob. She worshipped my cock and made love to it for over half an hour. She was never in a hurry. She bathed my cock in her saliva and let it sensually slide all the way down her throat again and again. She continued to palm my balls, occasionally licking and sucking them.

Sitting back, propped on my arms, I watched her every move as she continued to devote her loving attention to my cock like it was the most precious thing in the world. My cock leaked freely in her appreciative mouth and throat. She maintained eye contact most of the time. Her dreamy eyes showed how much she enjoyed loving my cock and toying with it.

“Do you want to come in my mouth?” she finally asked sexily. “I want to drink your delicious come.”

“Yes,” I whispered.

She gradually and slowly picked up the pace, taking over five minutes to send me to orgasm. When she felt my cock swell, she tightly pursed her lips just behind my cock head and massaged it quickly with her taut lips until my cock stopped spurting thick come deep into her eager mouth. She deep throat me for a couple of minutes, leaving my cock soft and contented.

“Did you like that?” she smiled.

“I am sure you know this was the best blowjob I have ever had,” I said.

“I wanted our first time together to be special,” she said, smiling proudly. “What happened that night was only teenage petting.”

“I must admit it was,” I said as I stood up and pulled her to her feet.

We shared a long slow kiss before I set her on the bed. I then remembered that we did not want my sister or dad to interrupt us for any reason. I locked the door before I knelt before her.

She spread her knees, showing that her dripping pussy was bare under her chemise. She raised her ass when I hoisted the hem of her chemise. I guided her feet to the edge of the bed to expose her leaky pussy well. I could also see her shy little asshole peek between her cheeks. I obviously owed her the best pussy eating I could ever give. I had to eat her pussy like I had never eaten any other.

“I am going to do my best,” I said. “However, I am not sure I can eat your pussy with the same skill and talent you have sucked my cock.”

“Don’t worry, baby,” she cooed. “I just want to feel your love and passion as your tongue and lips touch my pussy. I don’t want you to feel any stress; I just want you to enjoy yourself.”

Spreading her knees further apart, I slowly lowered my mouth to her pussy. I showered her pussy and anal areas with light kisses, avoiding her orifices. She shuddered when I wiggled my tongue tip against her asshole. I dragged my tongue from her asshole all the way up to her clit, licking her drenched pussy lips in the process. She gasped and her legs trembled.

She watched as I kissed and licked her pussy. She soon closed her eyes and started to moan softly. I licked her pussy lips, probed her pussy hole and licked her slit, never spending a long while doing one thing, but slowly changing from one act to another. Her pussy kept leaking tasty juices that I eagerly but quietly sipped.

She moaned and squirmed, trying to hump my unpredictable tongue as I continued to tease her hot pussy patiently. I spent over half an hour eating her pussy gently, gradually increasing the timeshare of her clit to keep heating her up.

Pulling back from her pussy, I used one then two fingers to fuck her at a slow pace. I let her squirm in need of relief for a couple of minutes before I lowered my mouth to her pussy and closed my lips around her clit. While gently sucking her pussy, I removed my fingers from her pussy and pressed one slick fingertip against her asshole. Her sphincter opened up and accepted my fingertip. Leaving my finger motionless there, I sucked her clit harder for a minute then lashed it with my tongue.

She gasped, humping my face. I could feel her asshole spasm as her orgasm approached. She soon squeezed my head tightly between her thighs and started to convulse in orgasm. Her clit trembled and her asshole twitched. My tongue continued to lash her clit mercilessly until she relaxed and her thighs released my head. I kept my fingertip in her ass while I cleaned her sodden pussy with my tongue. I finally slid my finger out of her ass and sucked it.

She had not caught her breath by the time I gently rolled her over into the pile driver position.

"I want you to be a good girl and spread your cheeks for me so I can eat your little rosebud like it has never been eaten before," I said, guiding her hands to her ass, which was already spread.

"You are the only one who has ever eaten me back there," she cooed, pulling her cheeks apart.

"Did you like it when I did it to you that night?" I asked.

"Yes," she hissed.

"Do you want me to eat your asshole now?" I teased.

"Yes," she moaned.

"It's so pretty and tight," I said. "I am afraid it may not be so when I am through with it."

"I *want* you to ream it out for me," she said. "I'd really love that."

"You are one hot lady," I said. "Tonight you are going to get all what you want."

Kneeling behind her, I kissed every square inch of her ass before I kissed her asshole. She was soon squirming as my tongue gently stroked her asshole. I sucked and licked her pucker gently for a long while, feeling it relax gradually. I slobbered on her asshole and sucked my drool back repeatedly, enjoying the flavor of her tasty asshole. I massaged her pucker with my tongue and sucked her sensitive flesh playfully.

After over twenty minutes of rimming her asshole, I increased the pace of sucking and licking her pucker. She moaned and pushed her ass back urgently as I led her to her first hard anal orgasm for the night. I pressed my tongue against her twitching asshole and continued to wiggle it until her orgasm died down.

Her drenched pussy needed attention. I cleaned it with my tongue thoroughly before I started to gently and patiently apply lube to her asshole. I rubbed lube into her anal pucker carefully then used a finger to lube the inside of her rectum. I patiently worked my way from one to three fingers, swirling and twisting my fingers gently to massage her sphincters and rectal walls.

After getting her asshole well relaxed, I fucked it with three fingers briskly until she convulsed in a long wild orgasm. While gently pumping my fingers in her ass, I licked her soaked pussy dry.

I let her relax a little before I helped her sit up and face me. I thrust my hard cock in her face. She smiled and took it in her mouth. I gently fucked her throat for a few minutes as she sucked my cock to full hardness, bathing it in her saliva. We were finally ready to fuck. I playfully slapped my sticky cock on her face before I laid her along the bed.

"Put it in," I whispered as I lay on top of her, my raging cock pointing at her leaky pussy.

She smiled as she reached between us and held my cock.

"Fuck me, baby," she cooed, guiding my cock head to her willing pussy hole.

Making one long, slow push, I smoothly slid my cock all the way into her sizzling pussy. She let out a long moan and wrapped her legs around me. Her pussy twitched, drenching my cock with its juices. I paused for several seconds to savor the sensations then started to fuck her slowly with long, gentle strokes. She moaned, fucking back. We established a nice, slow rhythm and kissed sensually while we fucked. She moaned into my mouth as we explored each other's mouth with our dueling tongues.

Our romantic fuck lasted for over fifteen minutes before I felt that she wanted to come. She was trying to fuck more urgently. I matched her accelerating pace, making her come within two minutes. We fucked hard while she convulsed in orgasm, bathing my cock and balls in her gushing juices.

We broke our kiss when she came and resumed kissing when she relaxed. We ground our crotches together gently. Her pussy deliberately milked on my cock.

"Are you ready to take it up your gorgeous ass?" I whispered, making her pussy spasm.

"Yes, baby," she said, shuddering. "My little asshole is so hungry for your big hard cock."

"I am going to fuck it to satiation," I said, slowly pulling out of her pussy. "Roll over."

She rolled over as I raised myself, spreading my legs astride her. I guided her hands to her ass, one then the other, and she spread her ass for me.

"Guide it in," I whispered as I parked my cock head at the center of her asshole, making her shudder.

She held my shaft with her right hand and kept its head pressed against her asshole as I applied gentle pressure. Her asshole relaxed slowly, and my cock head popped in, making her gasp. I guided her hand back to her ass cheek and paused for several seconds, giving us a chance to enjoy the new sensations and adjust for deeper penetration.

“Yes,” she hissed. “Ream out my asshole.”

Applying gentle pressure, I let my cock slide slowly into her tight ass. She moaned softly as my cock filled more and more of her ass. With a little more pressure, my cock head overcame the extra resistance at the end of her rectum. She shuddered and I paused when my balls touched her wet pussy.

“How do you like having your ass tightly stuffed with my cock?” I teased.

“I love it, baby,” she moaned. “It’s so thrilling.”

Hearing that, I started to thrust gently. I lowered myself onto her and started to nibble her earlobe. I fucked her ass with short, gentle strokes, allowing her ass to relax and get ready for harder fucking. Her ass milked on my cock wonderfully. I gradually increased the length of my strokes until I was sawing almost the entire length of my shaft in and out of her receptive asshole. I enjoyed the way her asshole massaged my entire shaft as she fucked back in my rhythm.

We slowly accelerated our pace until we established an easy pace. We fucked with long, smooth strokes for several minutes. I slowed down the pace, employing shorter strokes, until I was only pumping the last two or three inches of my cock in and out of her asshole, letting her pussy kiss my balls gently with every thrust. She moaned softly, fucking back and milking on my cock exquisitely. After fucking like that for half an hour, we both needed to come. Our pace started to accelerate of its own accord.

“I am going to fill your bowels with hot thick come,” I grunted as we fucked more and more savagely.

“My ass is going to suck your balls dry,” she gasped, shoving her ass into me harder and harder.

That was seconds before she burst with orgasmic convulsions. I propped myself on my arms and pounded her jerking ass vigorously, letting my own orgasm explode. I slammed my cock hard and deep in her ass as it twitched and spewed come deep past her wildly sucking rectum. I continued drilling her ass until both our orgasms died down. I finally lay on top of her, and we kissed lewdly, still gasping for air.

Her ass continued to milk on my cock as it softened and shrunk. My cock finally slipped out of her ass. We remained in that position for a couple of minutes, resting. We shared a last kiss before I rolled off her.

She straddled my head and proceeded to lick my sticky cock clean. Meanwhile, I licked and sucked her drenched pussy dry. She started to suck my cock, and I proceeded to eat her pussy. I made her come while she made my cock rock hard.

After she finished gushing in my mouth, she turned around and straddled me in the cowgirl position. She swallowed my cock in her pussy and proceeded to ride it at a brisk pace. Within a few minutes, she was drenching my cock and balls with her gushing juices as she wildly shook in orgasm. I thrust hard into her convulsing frame until she relaxed.

She smiled at me sexily as she reached underneath herself and guided my dripping cock to her asshole. She effortlessly gulped my entire cock up her ass and started to bounce. Just then I pulled the straps of her chemise down her shoulders and proceeded to play with her lush tits. She lowered them to my face, and I sucked her nipples while fondling her full tits.

We fucked hard for two more hours. She came numerous times, and I came three more times. I dumped the first of those come loads in her pussy then used two fingers to feed it to her. I shot the next come load against the back of her throat, and she swallowed it eagerly. The last come load was delivered deep in her twitching bowels. She sucked my cock clean, and we had a long deep kiss before she put her chemise and kimono back on.

“How did you know about me and my aunts?” I asked.

I could not believe they could have just told her all about it.

“By accident,” she smiled. “I just heard strange sounds coming from your room, and I thought you were alone. When I checked, I heard your Aunt Michelle’s voice. At first I thought I was mistaken, but soon I made sure it was she and you were having sex.”

"I was shocked and outraged. I went to my room and locked the door, trying to comprehend what was going on. I was mad at both of you, especially her for taking advantage of you. I thought about barging in on you, but I reasoned that would destroy my relationship with her and with you and most probably your relationship with her—a disaster. I pondered forgetting all about it and hoping it would never happen again.

"I wondered how and why it could have happened and what could be happening right then. My imagination ran wild. I soon found myself getting turned on." She blushed when she said that. "I wanted to find out what was going on. I went to your room and listened in at your door. I heard the voices of both your aunts. From the scarce verbal exchange among you, I figured out most of the wild acts you were doing. I found myself rubbing myself." She blushed again. "I didn't make myself come. I finally knew about your plans for the evening and got ready to take advantage of them. You know the rest. The only thing you don't know is that I got disappointed that you didn't fuck me in the restroom. I wanted to be fucked then and there like a slut. I could tell you had just fucked them there. I felt jealous and mad."

"Poor baby," I said lovingly as I hugged her. "You'll never have to rub yourself or feel jealous. You'll get fucked much better than the cheapest slut in town. Do you want to be my special whore?"

Her answer was a long deep kiss, more eloquent than any speech.

From then on, we managed to sneak and fuck almost daily. Some days we had longer and wilder sessions than others.

A few days into the following week, my sister and I were watching television in the living room.

"Alex, have you ever had anal sex?" I asked just out of the blue.

"Nick, you are gross," she said angrily. "What kind of pervert or slut do you think I am?"

"Take it easy," I said. "I didn't mean to insult you or anything."

"What did you mean by asking me this disgusting question?" she asked.

"I just wanted to hear your opinion on the issue," I said.

"You have," she said. "It's perverse and disgusting. I'll never even think about it."

"Why do you hold such a negative opinion about it?" I asked. "Have you ever tried it?"

"Of course not," she said. "A couple of my friends have."

"What did they say?" I asked.

"They said it was very painful," she said.

"That's only because their boyfriends were jerks," I said. "Why don't you ask Beth?"

"You don't do it to her, do you?" she asked with wide-open eyes.

"We do it all the time," I said. "It's great."

"You and she are sick perverts," she said. "What's wrong with the right way?"

"We do the 'right way,' too," I said.

"You, guys, are sick," she said disgusted.

"We are sick, or you are a prude," I said. "Why don't you ask her to find out the truth?"

"I already know what was made for sex and what wasn't," she said.

"I think you are afraid of the truth," I challenged. "That's what is called narrow mindedness."

"I am not narrow-minded," she said.

I just smiled defiantly.

The following night I learned that she was not narrow-minded.

"Beth, have you ever been asked to try anal sex?" asked Alex.

"This question is really hard to answer," Beth said. "I have not been literally asked to do it, but I was coaxed into doing it unwittingly."

"What do you mean?" Alex asked.

"I didn't know Nick was actually going to do it to me until he actually did it," she said. "We were having a good time as he played with my butt then he suddenly told me he was in my butt. That was good, because, otherwise, I'd never let him do that to me."

"Why not?" Alex asked.

"Because for two reasons," Beth said. "I was afraid of trying that kind of thing, and he was huge."

"Nick is huge?" asked Alex.

"Not really huge but quite big," Beth said. "The first time I saw him I thought he'd stretch my pussy out of shape, but it was really good."

"Did it hurt when he did it to you in the back?" asked Alex.

"Oh, no," Beth said. "It was great. Your brother really knows how to get a girl ready for his big cock. He made me come like I had never come before."

"That's amazing," said Alex. "I've never thought anal sex could be fun."

"Me neither," smiled Beth. "It can be the most thrilling experience of your life if you do it with a considerate lover like Nick."

"Thanks, Beth," said Alex. "I really appreciate your sharing these intimacies with me."

"Sure," Beth said. "We are friends; you can ask me about anything."

"What about letting her watch us do it tomorrow?" I asked Beth.

"Are you crazy?" she asked. "Do you want your sister to watch you do my ass?"

"I am sure she could learn a thing or two," I said.

"I don't know," she said. "No one has ever watched me have sex."

"Me neither," I said. "It sounds like fun though."

"Let me think about it," she said.

In the morning she let me know she agreed.

"I think I can do it," she said. "I've been so wet just thinking about it."

We needed to invite Alex.

"Alex, you can watch me with Beth tonight," I said. "We are definitely going to have anal sex."

"What?" she said, totally taken aback. "You want me to watch you have sex with Beth?"

"It's a good opportunity for you to learn about it from real people you can trust," I said, shrugging.

"Is she okay with that?" she asked.

"Of course," I said. "Actually she's thrilled about the opportunity of being watched for the first time."

"I have never watched people have sex," she said, "not even in porn videos."

"That's even better," I said. "It would be a thrilling experience for you just like it would be for us."

"Okay," she said shyly. "I can try that."

"Don something sexy so you can get into the mood," I said. "She'll be well dressed and made up."

"Okay," she nodded.

"Don't wear underwear, shorts or pants," I said. "She doesn't."

She nodded silently.

"Our date is at seven," I said, concluding our conversation.

At seven the doorbell rang. Alex was ready.

"Alex, please let her in and bring her to my room," I called.

Soon I let them into my room and locked the door. I was wearing a silk robe and matching boxer shorts. They were both wearing shorts dresses with plunging necklines. Alex had cap sleeves, and Beth had no sleeves. I kissed Beth then led her to my bed. I let her sit at the edge of the bed. I let Alex sit next to her.

“Both of you look good enough to eat,” I said, making them blush.

Kneeling before Beth, I kissed the side of her neck. I kissed my way down until I reached the beginning of her cleavage. I pulled the straps of her dress halfway down her arms and kissed my way to her right nipple. She held the back of my head and moaned softly as I licked and sucked her nipple for two minutes. I kissed my way to her other nipple and gave it the same treatment. I switched my mouth between her nipples several times before I stood up, thrusting my bulge in her face.

Beth pulled my boxers down as I tossed my robe away. Alex was surprised when she saw my mostly hard cock pop in Beth’s face. I kicked my boxers away before Beth closed her mouth around my cock head. My cock was soon fully hard and fucking her mouth deeply. Alex was surprised when she saw Beth comfortably take my cock balls deep down her throat. I occasionally took my cock out of Beth’s mouth and slapped her face with it to show Alex how thick and hard it was. Beth occasionally rubbed her nipples with my sticky cock head. I fucked her mouth for ten to fifteen minutes

“Alex, I don’t want you to be a passive spectator,” I said. “I want you to kneel behind Beth.”

Confused, Alex complied hesitantly.

“Hold her head and work it back and forth over my cock,” I instructed. “Deep throat my cock with your friend’s mouth. Hold her head with one hand behind her head and the other against her throat so you can feel my cock when it enters her throat.”

Beth smiled and nursed my cock head while Alex took hold of her head. Alex started moving Beth’s head tentatively, but she was soon doing a good job at it. Beth still had one hand palming my balls and the other on my hip.

“Alex, you are in control,” I said. “You can pull her head all the way back, change the pace or do whatever you want. Be creative.”

Alex managed sucking my cock for several minutes, doing a great job.

“Alex, you have done a great job,” I said. “Now, come over and stand behind me.” She got off the bed and stood behind me. “Press your pelvis against my butt and hold me here,” I said, guiding her right hand to the front of my right hip. “Hold your friend’s head like this and fuck her mouth with my cock.”

A quick learner, Alex was soon fucking Beth’s throat nicely with my cock. It was a lot of fun, so I let her do it for several minutes. Finally I pulled back and pushed Beth onto her back.

Kneeling between Beth’s legs, I hiked her dress and collected it around her waist. She raised her legs and pulled her knees against her shoulders, totally exposing her pussy and asshole. While Alex watched, I ate Beth’s leaky pussy to orgasm and licked it clean. Beth gasped when my tongue tip tickled her asshole.

“Alex, spread her ass for me,” I said, guiding Alex’s hands to Beth’s ass cheeks.

Holding Beth’s cheeks apart like that, Alex witnessed every move my tongue and lips made to Beth’s vulnerable asshole. For her benefit, I spent a long time rimming and teasing Beth’s asshole before I let her come. Alex was surprised that Beth came from merely getting rimmed. I also took my time lubing Beth’s asshole and reaming it out with my fingers. I fucked her ass with three fingers to orgasm. When she recovered, I arranged her on her hands and knees with her ass facing me.

“Lube my cock head,” I said to Alex, handing her the lube.

Alex did not hesitate to oblige me. I put the lube aside and guided her right hand to Beth’s left cheek as I aimed my cock at the waiting asshole.

“Pull her cheek out and guide my cock into her ass,” I instructed, guiding Alex’s left hand to my shaft.

Holding my cock against Beth’s asshole, Alex watched closely as my cock head gently indented the glistening pucker and popped in, making Beth gasp softly.

“Wow! It’s so thick!” exclaimed Alex as she watched my cock stretch Beth’s asshole wide.

“That’s how it should be,” moaned Beth as I guided Alex’s left hand to her right cheek.

With Alex obscenely spreading Beth's stuffed asshole, I slowly slid more than half of my shaft into the receptive ass. Beth let out a long low moan as more of my cock filled her ass. She let out a soft grunt as I shoved the rest of my cock in, completely skewering her rectum. My balls pressed gently against her wet pussy. I paused for several seconds, allowing her ass to adjust to the shape and size of my shaft.

"How does it feel, Beth?" I asked.

"It feels wonderful," she cooed. "The only thing that feels better than this is having your cock saw in and out of my ass."

"My cock is not going to do that," I said. "You are going to saw your ass over my cock instead."

Alex continued to spread Beth's ass as Beth started to rock back and forth, working her stretched asshole over my cock. Beth established an easy rhythm, getting her ass fucked with long strokes. With every thrust her pussy gave my balls a wet kiss, and with every pull she nearly let my cock head pop out of her ass. She moaned joyously as her asshole massaged my entire shaft lustfully and lovingly. Alex's eyes were glued to the stretched asshole.

Beth got her ass fucked for several minutes before she gradually accelerated her pace, chasing her orgasm. As her orgasm approached, she used shorter and faster strokes. An experienced anal lover, she made sure her asshole stayed as close as possible to the base of my cock so it would not pop off my cock when she would lose control. I met her strokes with vigorous short thrusts, and she was soon coming.

Beth's orgasm was so hard it startled Alex. She moaned, groaned and gasped, shoving her ass violently into me. Her twitching asshole milked on the base of my cock wildly. I gently fucked her ass while she recovered and finally let my cock plop out of her ass. She turned around and gulped my cock down, stunning Alex with her lewd behavior.

"Shouldn't you clean it first?" Alex asked in shock.

"She keeps her ass squeaky clean," I explained to Alex. "I'd never stick my cock in a dirty place."

After deep throating my cock for a couple of minutes, Beth turned around and got back on all fours.

"Drool on her asshole and guide my cock in," I instructed Alex.

Alex complied readily. She even spread Beth's ass after my cock head popped in. I started to fuck, and Beth fucked back. I was soon pumping her ass vigorously, her moans and gasps filling the room. I made her come within five minutes. Her orgasm was hard but not as violent as the previous one. I gave her a minute to calm down before I gently popped my cock out.

"Stay as you are, Beth," I instructed as I thrust my cock in Alex's face. "Lick the head a little."

Alex looked at me in confusion unable to decide what to do.

"Don't be afraid," I encouraged. "I want you to find out for yourself that it's clean."

She stuck her tongue out and gave my cock head a little quick lick.

"That's it," I encouraged, guiding her hand to my shaft. "Lick it a little more."

Holding my shaft with her left hand, she gave the head a few more tentative licks. I held the back of her head, encouraging her to keep licking. She overcame her fear and gave my cock head a few nice licks.

"You are doing great," I said, pushing my cock head past her lips. "Lick it thoroughly."

My hand on her head helped her overcome her hesitation. She kept licking my cock head as her lips stretched around the beginning of my shaft. I pushed my cock an inch deeper in her mouth and started to thrust gently in her mouth. She instinctively started to suck my cock. Before long I was fucking her mouth as deep as she could handle. She could not take it all the way in.

Having completely overcome Alex's resistance, hesitance and shyness to suck my cock fresh out of Beth's ass, I had her return it to Beth's ass. During the following several minutes, I switched my cock a couple of times between Beth's ass and Alex's mouth. Alex started to do that on her own, deciding when to pull it out and take it in her mouth and when to put it back in. She finally let me fuck Beth to orgasm.

"Suck it then guide it into her pussy," I instructed Alex before popping my cock out of Beth's ass.

Alex eagerly obliged me. I fucked Beth's pussy hard to orgasm then gave Alex my dripping cock to suck. Alex sucked it thoroughly, and then I returned it to Beth's pussy. I fucked Beth's pussy a little then her ass then Alex's mouth. I repeated that sequence a few times before I fucked Beth's pussy to orgasm. Alex eagerly sucked Beth's copious juices off my drenched cock.

Beth sat up and took turns with Alex on sucking my cock. At the end I spurted my big come load against the back of Beth's throat. As Beth smacked her lips, Alex sucked my cock dry and cleaned it.

"Alex, you are overdressed," I said, helping Alex to her feet. "Let me help you with your dress."

She shyly let me unzip the back of her dress.

"Relax," I said softly. "You've seen everything we have. It's okay for us to see what you have."

"Okay," she said lowly.

I slowly pulled her dress down, leaving her naked. She stepped out of her dress and stood awkwardly before me.

"You are beautiful," I said. "Don't be shy."

She shuddered as I gave each of her erect nipples a light kiss.

"Bend over," I said, turning her around. "Let me take a look at your pretty butt."

She shyly bent over, resting her hands on the bed. She shuddered when I parted her cheeks utterly exposing her little asshole and drenched pussy. She gasped when I laid a kiss on her asshole. She gasped again when I kissed her wet pussy. She gasped and shuddered when I slid my middle finger into her sodden pussy. She gasped and moaned softly while I gently pumped my finger within her pussy.

Removing my dripping finger from her pussy, I straightened her back. I sucked my glistening finger as I looked into her eyes.

"Your pussy tastes great," I said, making her blush.

I lay back on the bed. Beth took off her dress and pounced on my hardening cock. She took turns with Alex on reviving my cock. When my cock was rock hard, Beth mounted me, taking it in her pussy. While Beth rode me, I fingered Alex's pussy. I made Alex come while Beth drenched my cock with a new dose of juices. Alex eagerly cleaned my cock with her mouth before guiding it into Beth's ass.

Half an hour later, I pumped a come load deep in Beth's convulsing pussy. I used my fingers to scoop the come out and feed it to both girls. They ate it off my fingers eagerly.

They revived my cock quickly, and I used it on Beth's holes and Alex's mouth. I finally spurted my come load in Beth's twitching bowels. They revived my cock again, and we had our last fuck round. At the end, I let my come burst into Alex's swallowing throat. She sucked my cock dry before she let it go.

"Did you like the taste of my come?" I asked Alex.

"Yes," she said blushing.

"Did you enjoy our show?" I asked.

"Yes," she said. "It was very hot. Thank you two."

"Our pleasure," said Beth.

"Let me clean your pussy for you before you go," I said as Alex went for her dress.

Alex sat back shyly, and I proceeded to lick her leaky pussy. She squirmed and moaned, and her pussy continued to leak, so I spent several delightful minutes cleaning it. Her pussy suddenly twitched around my tongue. When I looked up, I found Beth sucking one of Alex's nipples and fondling her free tit. In a few minutes, Alex gushed in my mouth, convulsing in a long hard orgasm. I licked her clean and let her leave.

Needless to say, my cock was hard again. I used it on Beth, finally dumping my come load deep in her ass. She cleaned my sticky cock, and I cleaned her drenched pussy before walking her home.

Although I had fucked mom silly in the morning, I wanted to fuck Alex in the evening. Early in the afternoon I bought a reusable enema kit for her.

"Did you really enjoy what we did last night?" I asked.

“Yes,” she said. “I appreciate your letting me in on your intimate life. It was very informative.”

“You are welcome,” I said. “You are my sister and a sexy girl to boot. You deserve to have a great sex life. I don’t want you to fall prey to myths and inhibitions.”

“Thanks, big brother,” she said, hugging me.

“You are welcome, little sister,” I said, handing her the package. “This is an enema kit you can use prior to anal play if you ever decide to try it.”

“Thanks, Nick,” she said. “I don’t think I know any nice guy whom I can trust with my butt.”

“Don’t rush it,” I said. “If you are free tonight, I can introduce you to anal rimming. Last night we didn’t have a chance to try it. I am sure you’d love it.”

“I’d like to try that,” she said, “but I don’t want to bother you too much.”

“You never bother me,” I said. “Use the kit and come to me whenever you are ready.”

“Thanks, Nick,” she said.

“Sure,” I said as I left with a big boner.

An hour later she came to my room.

“I am ready,” she said shyly when I opened the door.

I led her to my bed and let her have a seat.

“Let’s give you some time so your bowels can absorb the extra moisture,” I said. “If you want, I can help you learn deep throating meanwhile.”

“Do you think I can ever do it?” she asked.

“I think you can do it within half an hour,” I said as I stood before her. “Take it out and suck it.”

A minute later, my shorts were lying on the floor as she sucked my cock eagerly. I let her suck my cock on her own for several minutes.

“Slobber on it abundantly,” I instructed as I pulled backward, pulling her head forward to straighten her throat. “When it’s drenched with your saliva, gradually take it deeper and deeper.”

She naturally gagged and coughed several times, but her trials kept improving. It took her about ten minutes to be able to swallow it all down her throat for the first time.

“Good job!” I complimented. “Now you just need to practice.”

I encouraged her constantly as she spent fifteen minutes deeply sucking my cock.

“Are you ready to drink my come?” I asked, slapping her face with my cock.

“Yes,” she said, smiling.

“Go for it, girl,” I said, pushing my cock in her mouth.

She eagerly swallowed my come load and continued to suck my cock until it was soft.

“Are you ready to get rimmed?” I asked as I helped her out of her dress.

“Yes,” she said.

Slipping a finger into her wet pussy, I proceeded to fondle her tits and suck her nipples. After a few minutes of that, I let her suck her juices off my finger.

For the following round, I arranged her on her knees on the floor, letting her head and shoulders rest on the edge of the bed. I arranged her position so her ass was lewdly thrust out, shamelessly exposing her pussy and asshole.

She was not very comfortable with my tongue on her asshole at first, but she soon started to enjoy it. I spent half an hour eating her fresh asshole, making her come twice. I ate her pussy to a third orgasm. After she recovered, I ate her asshole a little then started to use my fingers on her pucker. I lubed her carefully, gently worming my finger into her virgin ass.

Within the following half hour, I made her come with one finger in her ass then with two fingers then with three fingers. Each orgasm was wilder than the previous one. I cleaned her drenched pussy with my tongue while gently swirling three fingers within her ass. I finger fucked her ass gently while I lubed my hard cock.

She was very relaxed when I pressed my slick cock head against her asshole. She gasped when my cock head popped past her sphincter. Her asshole clenched instinctively. She looked back at me with questioning eyes.

"Relax," I said softly, reaching for her clit. "I don't want to fuck you in the ass yet. I just want you to experience the feel of having your ass fully stuffed. Relax and push out gently as I push in."

Gently massaging her clit, I slowly sank my cock into her ass. I had to thrust harder to drive the last two inches into her ass, making her grunt.

"Alternate between squeezing gently and pushing out to let your rectum adjust to my cock," I instructed as I paused there.

She milked on my cock tentatively while I continued to massage her clit. Her asshole relaxed in a minute, and I started to grind gently into her ass.

"It feels so good to me," I said. "How does it feel to you?"

"It feels nice," she hissed. "It's so intense."

"Do you want me to grind gently into your ass?" I asked as I rubbed her clit and ground into her ass. "That makes it feel even better."

"Yes," she hissed.

Before long I was repeatedly sliding my cock about an inch out of her ass then back in in the rhythm she used to milk on my cock. She moaned and gasped, fucking back.

"Do you want me to fuck your ass a little?" I asked as I fucked her ass gently.

"Yes," she gasped, her asshole twitching.

"You have a wonderful ass," I said, fucking her with longer strokes. "It's perfect for fucking."

In a few minutes, I was fucking her ass with long brisk strokes, and she was fucking back like her life depended on it. Moaning and gasping, she massaged my cock very nicely for a virgin. I let her enjoy her first ass fuck for ten more minutes then I started to pound her ass vigorously. She fucked back urgently, meeting my thrusts stroke for stroke.

My left hand was braced on the bed and my right hand was fondling her right tit and pulling on her nipple while I made her have the hardest orgasm of her life. When she started to jerk violently, I held her hips tightly and drilled her twitching asshole until she went limp.

She gasped, trying to catch her breath. I fucked her ass gently until she started to fuck back again. I slowly pulled my cock out of her ass, letting its bulbous head pop out audibly. I straightened her back and shoved my cock in her face. She smiled before taking it in her mouth. She deep throat it eagerly.

After a few minutes, I pushed her onto the bed and had her pull her knees against her shoulders. I cleaned her wet pussy with my tongue then pushed my cock into her ass. I watched her face twitch as she rolled her head from side to side while I fucked her tight ass gently.

"Your ass is an invaluable pleasure treasure that has been waiting to be discovered," I said.

"You seem to have the accurate map for it," she said.

"The map was precise," I said. "It described a cute little rose an inch behind another well-known treasure well. When I saw it yesterday, I knew I found it."

"I am so happy you did," she said. "I like the way you took advantage of it."

Holding her in that position, I picked up the pace and fucked her ever faster and harder. Within half an hour, I drilled her bouncing ass through two wild orgasms.

Her pussy, which I had not fucked yet, was drenched. It leaked so much that her juices were lubing my cock as it fucked her ass. I popped my cock out of her ass and pushed it all the way into her sopping pussy.

with one long stroke. She shuddered and had a small orgasm. I fucked her pussy briskly to orgasm. While she convulsed in orgasm, I spurted my hot come deep in her twitching pussy.

My spent cock finally slipped out of her come-filled pussy. I used my fingers to feed her my come out of her pussy. She sucked my fingers hungrily. She cleaned my cock with her mouth and continued to suck it until it was rock hard again.

In the following two hours, I fucked her silly in every position and pace I could think of. She extremely enjoyed getting used like a cheap whore. At the end, I let my come burst into her sucking bowels. She revived my cock again. I let her take control to help develop her sluttish talents and skills. She gave me the wildest tour of her cock-hungry orifices. We started the evening in her mouth and concluded it in her mouth. She swallowed my come to the last drop and sucked my cock dry.

Lying back, I took her in my arms. Her sticky pussy lay against my spent cock. While we kissed sensually, I had a fingertip possessively lodged in her asshole.

“Did you enjoy getting rimmed?” I asked, smiling.

“I really did,” she smiled. “I like the way you trick girls into letting you fuck them in the ass. You know how to get your cock in a girl’s ass, and you know what to do with it once it’s there.”

“Believe me, you also know what to do with it once it’s there,” I laughed.

Seducing Alex’s ass made me busier than ever; I had to fuck her and mom almost daily. She was very hot and talented. After a week of intensive ass fucking, she became a serious anal slut, even hotter than Beth who had two years of anal experience.

On Saturday dad was out. Mom, Alex and I were lounging in the living room.

“You know, mom, Alex is taking after you,” I said.

“How is that?” mom asked.

“She’s been taking me balls deep up her butt like a champion,” I said.

Alex’s face turned into several shades of beet red.

“That’s my girl,” mom smiled, looking at embarrassed Alex.

“I want to fuck you both together,” I said to mom as I got up and stood before her.

“Do you want to suck him first?” mom asked Alex as she pulled my shorts down, letting my cock out.

Alex blushed silently, shyly watching mom stroke my hard cock.

“I’ll start,” mom finally decided. “You have to take turns with me though.”

Mom teased, licked and sucked my cock for over five minutes, giving Alex a show of her cock love, oral skills and erotic artistry. Alex was soon intently watching her suck my cock like no one else ever had. I motioned Alex to move closer. She was finally sitting next to mom, crisply hearing every slurp and wet sound she did.

“Alex, your turn,” mom called.

Alex moved over hesitantly. Her shyness disappeared once she closed her lips around my cock. She was soon deep throating me.

“This is impressive,” mom complimented. “She’s a deep throater, too.”

“I’d never put it in a female’s ass if she can’t take it in her mouth,” I said.

We let Alex suck my cock for over ten minutes. I occasionally slapped her face with it. Mom took turns with her for several more minutes. They even occasionally worked on my cock at the same time.

“Let’s go to the bedroom,” mom suggested. “It’s more comfortable than here.”

I insisted that we go to my room; I wanted our tryst recorded.

Alex resumed sucking my cock. Meanwhile, mom licked Alex’s pussy and ass, startling her at first. Before long Alex was moaning around my cock as she humped mom’s face. She returned the favor while I fucked her pussy in the doggy position. They were in the sixty-nine position, eating each other’s pussy, when I pushed my cock into Alex’s ass.

Mom let me fuck Alex most of the time. She occasionally fingered her and Alex's pussies simultaneously when they were not eating each other lewdly. Mom also had her share of my cock in her ass and pussy while Alex ate her pussy or ass. They also sucked each other's tits whenever one rode my cock and the other rode my tongue.

As I fucked their asses deep and made them gape nicely, they liked drooling into each other's open rectum. I got Alex to suck my come out of mom's ass and dribble it into mom's mouth. Mom eagerly and even more lewdly returned the favor, trading my come back and forth with Alex before she let Alex swallow it. They also enjoyed sucking my cock fresh out of each other's sloppy pussy or gaping asshole.

We had a long wild orgy, fucking and sucking in every position we could think of. I got to come in every one of their six come-hungry holes.

"Mom, don't you mind doing this behind dad's back?" Alex asked mom at the end.

That was the question I never dared to ask.

"Your aunts and I don't do this behind our husbands' backs," mom said, shocking Alex and me.

"My aunts?" asked Alex.

"You don't know that Nick also fucks your aunts?" mom asked. "It doesn't hurt to let you know."

"You don't do it behind your husbands' backs?" asked Alex.

"Never," mom said. "They know all about it. They just don't know whom we do it with. I am also not going to tell your dad that my boyfriend has fucked you and me together. I'll just refer to you as a blonde teenage slut from the neighborhood that he has surely seen more than once. I am going to tell him that it was my boyfriend's idea to fuck us both together like cheap whores. He's going to love it."

All that was news to me. It was actually shocking news to me. I was my mom's boyfriend? My dad knew in vivid details that someone else was fucking his wife, and he did not mind it at all? He actually loved it? My uncles did, too? That was crazy. I thought I was a wicked stud, playing behind husbands' backs, but, in reality, they were playing behind mine. At the end, I was not doing something wrong, or at least it was less wrong. On the other hand, I could ask my aunts to come over because I wanted to fuck them. They would not need to come up with lame excuses; they could just tell my uncles the truth—that they were coming over to get fucked silly!

The End

Shock and Awe

My favorite aunt caught me in a very compromising position and took advantage of it. My other aunt soon did the same to us. My mom somehow did it once more. I arranged with my girlfriend to trick my sister into a similar situation and took advantage of it. At the very end, I learned the shocking truth about all what was happening behind my back.
