Please read [disclaimer](#) and [summary](#) at the end of document

Last summer I spent a month at my aunt Michelle's house. A couple of days into my stay there, my aunt called me into her bedroom.

"Nick, I need your help," she said. "Can I depend on you in this serious issue?"

"Of course, aunt," I said sincerely. "I'll do my best."

"It has to remain secret between you and me though," she said.

"Sure," I said, wondering what the matter could be.

"It's about Mary," she said. "She's now sixteen, and she has never showed any interest in boys, unlike Claire, who has been a little tramp ever since she was thirteen. We've tried everything with her, and nothing worked. I wonder whether you can help?"

"How can I help?" I asked.

"You are the closest person to her," she said. "You are even closer to her than her sister or I. Maybe you can somehow talk her into taking a boyfriend or even seduce her."

"Seduce her?" I asked with shock. "She's my cousin."

"I know," she said. "We are hopeless. Even if you did that, you'd be doing her and me a big favor. If you can help her overcome her disinterest and apprehension, you can name your reward."

"I'll think about it," I said, "but I can't promise anything."

"I appreciate that, Nick," she said. "Whatever you do, please, keep it secret."

"Sure," I said.

Presents
A Nightingale Classic
Virgin Mary

Thinking about what my aunt said, I noticed that Mary spent more time with me than with anyone else. That evening she and I were in my room, chatting and laughing together.

"Mary, you are so beautiful and sexy, but you don't seem to have a boyfriend," I said.

"No, I don't have one," she said. "The boys in my school are all jerks—not worthy of my company."

"There must be at least a few nice boys," I said.

"Believe me, I tried to find them, but there aren't any," she said.

"Don't you have any instinctual urges toward boys?" I asked.

"Of course, I do," she said. "I am not about to hand myself to a jerk though."

"Have you even seen a naked boy?" I asked.

"No," she said.

"Aren't you the least bit curious?" I asked.

"Sure," she said. "I am only human."

I locked the door and stood before Mary. I silently took off my shirt and tossed it away.

"Take off my shorts and boxers," I said, guiding her hands to the waistband of my shorts. She hesitantly looked up at me. "Go ahead; don't be shy."

My cock started to harden as she slowly pulled my shorts down. It made a tent in my boxers.

"Keep going," I said, kicking my shorts off.

My cock bounced in her face as she pulled my boxers down. I kicked them off. She silently admired my hardening cock.

"Touch it, hold it," I encouraged. "It doesn't bite."

She tentatively held my cock in her hand.

"Stroke it a little, and watch it grow even bigger," I instructed.

She stroked my cock for a minute, alternating her eyes between my cock and my eyes. My cock reached full hardness.

"Kiss it on the head," I encouraged. "It would really like that."

She smiled up at me before she leaned forward and kissed my cock head, making my cock twitch.

"Did you see that?" I smiled at her.

She smiled.

"Lick the head like an ice cream cone," I instructed.

She tentatively proceeded to oblige me. My cock twitched as her tongue teased its head repeatedly.

"Take the entire head in your mouth and suck like a little baby sucking its mother's breast," I directed.

She took my cock head in her mouth and proceeded to suck tentatively. I liked the way she sucked my cock while stroking my cock gently. My cock started to ooze fluids into her mouth.

"Can you taste the salty fluid leaking out?" I asked.

She moaned affirmatively without taking her mouth off my cock.

"This tells you how much it likes what you are doing to it," I said. "You are a natural."

I gently pulled my cock out of her mouth and pulled her up to her feet.

"Let' me help you take your clothes off so you can show me your sexy body," I said.

She blushed as I undid the buttons of her blouse. I put her blouse aside.

"Let me expose these lovely breasts," I said, unclasping the strap of her bra. I removed her bra, setting her young firm tits free. "They are beautiful. The nipples are already hard. I like that."

Holding her waist, I slowly lowered my mouth to her left nipple. She gasped and shuddered when my lips closed around her nipple. I sucked her nipple gently until she started to moan softly. She surrendered and held my head to her chest. I alternated between sucking hard and gentle for a couple of minutes.

"I am sure your pussy is getting wetter and wetter," I said as I switched my mouth to her right nipple.

As I sucked her nipple, I reached up her skirt. She gasped and almost lost her balance when I cupped her pussy through her panty crotch. I massaged her pussy through her panties. I soon used my free hand to fondle her butt.

She was flustered when I took off her skirt and panties.

"Sit back," I instructed. "Let me kiss your hot pussy like you kissed my cock."

She did not resist as I gently spread her knees.

"Your pussy is so pretty," I said, taking in the beauty of her virgin pussy. "It's getting wet already. It wants me to sample its fine extra virgin juices."

She inhaled sharply when my lips touched her nether ones. She gasped and squirmed as I acquainted my tongue with her fresh pussy. Her pussy leaked freely.

"Your pussy is delicious," I said, briefly taking my mouth off her juicy pie.

Before she knew it, she had already come three times. Each time she gushed copiously into my eager mouth and tried to crush my head between her thighs.

"Are you having a good time?" I asked, looking up from her delicious pussy.

“Yes,” she hissed shyly, nodding.

I returned my mouth to her pussy and made her come twice more.

While she panted for air, I pushed her knees against her chest.

“What a cute little pucker!” I said, admiring her asshole, which glistened in her excess pussy juices.

When I touched my tongue to her asshole, she tightened up and attempted to push me away.

“No, don’t do that,” she panted.

Ignoring her protests, I tightened my grip on her until her resistance wilted. She was soon making sounds of pleasure as I gently probed her asshole. Her asshole nibbled at my tongue tip as I ate it out through a wild orgasm.

“Your asshole is so delicious and responsive,” I said before I resumed eating her asshole.

She came again as I ate her asshole and tongue fucked her ass.

I gave her a couple of minutes to catch her breath before I stood up, thrusting my cock in her face.

“I want you to experience sucking my cock until I come in your mouth,” I said. “I want you to savor my silky come and enjoy swallowing it down your throat.”

She readily closed her lips around my cock head and proceeded to nurse on it.

“Take it deeper,” I instructed, holding the back of her head. “Let it slide in and out of your mouth.”

She eagerly sucked my cock as I patiently taught her how to work her lips back and forth over the shaft. She could take my cock only halfway into her inexperienced mouth. I let her suck my cock like that for a few minutes, allowing her to enjoy what she was doing. I also enjoyed her ministrations.

“Open your throat and try to take my cock all the way in,” I instructed. “Be patient and don’t force yourself. Pull back whenever you can’t go any further.”

She tried diligently to carry out my instructions. It took her several minutes of coughing and gagging to overcome her gag reflex and allow my cock head past her throat. After she managed to swallow my cock balls deep, she pulled back quickly, gasping for air. I applauded her success and kissed her on the lips.

Happy with her achievement, she resumed sucking my cock deeply. It took her several more minutes to get comfortable with getting her throat fucked. She was slow and gentle at first but gained confidence and skill quickly.

“Very impressive,” I commended, playfully slapping her face with my sticky cock. “You enjoy sucking my cock, don’t you?”

She nodded shyly.

“You are a good girl and a talented cock sucker,” I said. “You have earned your reward. When I get ready to come, I am going to tell you so you can fully enjoy the experience. I want you to purse your lips just past my cock head so you can taste every drop of thick silky come I am going to spurt in your hot mouth. While sucking hard, stroke my cock furiously with your hand to milk it dry.”

She proceeded to suck energetically, and I thrust in her mouth. I enjoyed her hot mouth for several minutes before I allowed myself to yield to her sweet pressure and fill her mouth with come.

“Here it comes, baby,” I grunted as my cock swelled. “Get ready to swallow it all, Mary.”

She did as she had been instructed, draining my balls in her mouth and swallowing it all. She sucked my softening cock a little more before she dropped it out of her mouth.

“That was wonderful,” I said, smiling at her. I gave her a kiss on her mouth. “Did you like it?”

“Yes,” she said. “It tasted a little strange but not bad.”

“You’ll soon get addicted to that taste,” I said. “It’s the taste of your reward after you have done a great job pleasing your man. Didn’t you know that you have done a wonderful job pleasing me?”

She smiled shyly.

“Now it’s my turn to please you and taste your luscious juices,” I said. “Lie back and enjoy as I eat out your delicious pussy and asshole and make you come in my mouth a few times.”

She lay back readily and pulled her legs over her head, exposing her pussy and ass shamelessly.

“Spread your cheeks just a little,” I said, guiding her hands to her ass. “Let your pretty pussy and asshole stand in their full glory.”

She obediently spread her ass. I adjusted the position of her hands to accentuate her cute asshole.

“Your hot little pussy is already drenched in its tasty juices,” I said. “It’s begging to be savored and enjoyed. I am sure your shy asshole also can’t wait to be teased and pleased.”

She gasped when my tongue touched her asshole. She moaned softly and squirmed as I gave her asshole a long French kiss. She squirmed again as I gave her wet pussy a similar kiss. I lapped up her juices, sucking her pussy for more, then moved back to her asshole.

She purred and squirmed as I teased and massaged her asshole with my tongue, saturating it with my drool. I let her heat up slowly but constantly as I toyed with her asshole, letting it relax nicely. Leaving her asshole drenched in my drool, I soaked a finger in my mouth then popped its tip into her asshole as I touched my tongue tip to her clit.

“What are you doing?” she gasped, her asshole clamping tightly at my finger.

Silently worming my finger into her ass, I lashed her clit insistently. She came within seconds, gasping and convulsing. Taking my tongue off her clit, I pumped my finger within her asshole. She came hard as I jerked my finger within her twitching asshole. Keeping my finger rooted in her ass, I licked her drenched pussy gently while she recovered.

“You liked that, didn’t you?” I teased, gently stirring my finger within her ass.

“Yes,” she hissed shyly.

“You are a sex fireball, baby,” I said, gently popping my finger out of her ass. “You are going to love what I am going to do to you.”

I got up and retrieved a coconut oil bottle. I returned to her and showed her the bottle.

“I am going to use coconut oil so your sensitive flesh does not get sore,” I said. “You’ll also like how slippery it can make your flesh.”

“Okay,” she whispered.

Kneeling down, I poured oil onto her pussy and asshole. I gently massaged her oily pussy lips and anal pucker, making her moan and squirm. Adding more oil to her asshole, I gently pushed my middle finger into her ass. She grunted softly as my fingertip popped into her asshole. I repeatedly popped my finger out of her asshole then back in, working oil inside her rectum. She moaned and gasped as I gradually increased the depth of penetration to oil her rectum thoroughly. She obviously had a good time as I worked my finger all the way in and out of her ass. Her asshole milked at my finger happily.

“Do you like the way my finger fucks your ass?” I asked as she continued to moan and squirm.

“Yes,” she hissed.

“I also like the way your excited asshole milks at my finger,” I said. “You are so hot.”

Meanwhile, her pussy had oozed so much. I licked her juices gently while I twisted and swirled my finger within her asshole to ream it out for her. I continued to add oil to her asshole every once in a while. Within a few minutes, I added my forefinger to her asshole, squeezing it gently while sucking her clit.

She held her breath for a couple of seconds as my second finger popped past her sphincter. She then resumed squirming as I slowly pumped my fingers within her asshole, stretching it wider. I gradually increased the pace of finger fucking her ass while I continued to lick her leaky pussy. When her asshole was comfortable with my fingers, I moved my mouth off her pussy and finger fucked her asshole at a brisk pace. She gasped and moaned rhythmically.

Her lovely body squirmed, and her head turned from side to side as she responded to my fingers. Her heat increased constantly, and her orgasm approached insistently. Her breathing was getting faster and

shallower, but her hands continued to hold her ass open for me. Before long she stiffened and started to convulse. I held her right knee with my free hand to steady her as I pumped my fingers within her ass vigorously, making her shake violently. Finally her orgasm subsided, and I slowed down my digital assault.

While lapping her drenched pussy, I twisted my fingers within her asshole, making room for a third finger. I generously added oil to my fingers, including my ring finger. I gently sucked her clit as I squeezed my ring finger into her asshole. She hardly felt it until my fingers slid halfway into her ass. I continued to eat her pussy while I slowly let her asshole stretch to accept my three fingers all the way in.

My cock was already rock hard and leaking. I did not interrupt fingering her ass or eating her pussy as I thoroughly oiled my cock with my free hand. Her eyes were closed as she happily enjoyed my wicked assault at her virgin asshole. She only opened her eyes when my cock head popped past her sphincter.

“What are you doing?” she asked softly as she saw me standing before her.

“Just relax and enjoy yourself, Mary,” I assured. “I want to fuck your sweet virgin asshole.”

“Wouldn’t that hurt?” she asked nervously, her asshole tightening around my cock.

“I already have my cock in your ass,” I said, teasing her clit with my thumb. “Did it hurt at all?”

“No,” she gasped softly.

“Relax and let me please you,” I said, gently thrusting in her asshole, which started to relax.

“Please, be gentle,” she said weakly.

“Don’t you ever worry about that,” I said. “If I am any gentler, you won’t feel any pleasure.”

My only choice anyway was to be gentle because her asshole was so dangerously tight and hot for me to maintain control of my excited cock. I used short thrusts to inch my cock slowly into her tight virginal depths. It took me three minutes to slide my cock most of the way up her ass. It took two more minutes for her rectum to adjust itself and accept the last two inches of my cock.

“Did it hurt at all?” I asked as I paused, my balls pressing gently against the back of her ass.

“No,” she said.

“How does it feel to have my cock balls deep up your no-longer virgin ass?” I asked, making her shudder.

“I feel so strangely and intensely full,” she said. “It feels good in a weird way.”

“Are you aware that your pussy has been leaking like a loose faucet all the time?” I teased.

She blushed.

She gasped and her asshole twitched when I wiped her drenched pussy with my thumb. I sucked her juices off my thumb as I looked into her eyes.

“Are you ready for me to fuck your hot tight ass, my horny little whore?” I whispered.

“Yes,” she hissed, shuddering. “Fuck me in the ass.”

Leaning forward, I gave her a long kiss. While we kissed sloppily, I gently fucked her ass. Pinning her legs under my shoulders, I slowly pumped her ass. She gasped and moaned, and her asshole relaxed slowly. In a few minutes her asshole was able to accept long smooth strokes. The instinctive milking of her asshole on my cock was exquisite, keeping my cock harder than steel. Her dripping pussy glistened in its juices.

For the following ten minutes, her eager if inexperienced ass received a deep hard fuck. Her abundant leaking pussy juices soaked her asshole and my pumping shaft. Her asshole had relaxed very much, and she was losing control. I fucked her ever harder as her orgasm approached. When she stiffened and shook, I pinned her legs tightly and drilled her twitching asshole vigorously until her orgasm died and she went limp.

“Did you enjoy your first ass fuck, pretty?” I asked as I slowly sawed my cock in and out of her ass.

“Yes,” she smiled.

“I also loved fucking you up the ass,” I said. “Your asshole is so tight and responsive. I am going to fuck it a few more times before I come inside it. Do you want me to come deep inside your horny ass?”

“Yes,” she hissed, her asshole twitching.

“You really enjoy being my hot little slut, don’t you?” I teased.

“Yes,” she gasped, shuddering.

I lowered my mouth to hers, and we kissed deeply. Her kissing improved a bit.

Breaking the kiss, I slowly removed my cock from her ass. I squeezed oil onto her asshole and my cock before I pushed my cock back into her ass.

My cock smoothly sank all the way up her ass, making her moan. Since her asshole was relaxed, I was able to fuck her faster and harder than before. She also was more responsive to my strokes. She came all over my cock within five minutes. I pounded her shaking ass until she went limp. We kissed while I pumped her ass slowly. I popped my cock out of her ass, making her gasp. I pulled her up before breaking the kiss.

“Suck it,” I instructed softly, thrusting my glistening cock in her face.

Seeing my slick cock bounce before her eyes, she did not hesitate to open her mouth and take it in. I held the back of her head and fucked her throat for a few minutes. She reluctantly let me yank my cock out.

Climbing onto the bed, I arranged her onto her hands and knees. I lowered my mouth to her ass and gave her relaxed asshole a long kiss, dipping my tongue inside. I poured oil onto her asshole and used two fingers to work it inside her rectum. Putting the oil bottle aside, I aimed my cock at her glistening pucker and popped my cock head into her asshole with my right hand. I held her hips with both hands and pulled her back over the entire length of my thick shaft, making her moan.

“Get your ass fucked,” I directed, rocking her ass back and forth.

She started rocking. I paced her a little, adjusting the length of her stroke and her rhythm. When she established a nice rhythm, I spread her cheeks and watched her asshole hungrily swallow my entire cock again and again.

“You are so beautiful and sexy, Mary,” I said. “Your ass is gorgeous, especially as its stretched little mouth totally gobbles down my cock with extreme hunger over and over again. I am not sure I can ever get enough of your hot tight ass. I think you were made to be fucked in the ass, don’t you think so?”

“Yes,” she gasped, shuddering.

“I am so glad you saved your hot ass for me,” I said.

“Me, too,” she gasped.

Leaning forward, I cupped her tits and proceeded to squeeze them and pinch her erect nipples. That drove her wild. She bucked her ass back briskly. I used her tits to pull her even harder. She soon lost control and started to convulse in orgasm. I used her tits to hold her up as I pounded her trembling ass vigorously until she went limp.

Putting her down onto her forearms, I raised myself on one of my feet and resumed fucking her ass from above. She took a minute to catch her breath before she started to respond to my thrusts. I pushed her upper back down, causing her to lower her head and chest onto the bed.

“Spread your horny ass for me, baby,” I instructed, guiding her hands to her offered ass.

As she complied, I raised myself onto my other foot and proceeded to drill her splayed ass vigorously. She moaned with every thrust. My balls slapped her dripping pussy repeatedly. She did not last long. When she started to shake, I gripped her hips tightly and held her ass up for my hard thrusts.

When her orgasm subsided, I let her down. She lay flat on her stomach. I went down with her, keeping my cock in her ass. I showered her sweaty face with light kisses as she panted to catch her breath.

“You are so hot, baby,” I whispered in her ear. “You like being my little slut, don’t you?”

“Yes,” she whispered, smiling weakly.

“I am still not done with you,” I said as I started thrusting in her ass. “I haven’t come in your ass yet.”

She pushed her ass up into me to meet my thrusts. We had a long gentle fuck that only became wild near the end. I made her come twice before I filled her twitching rectum with come. I held my pulsing cock so deep in her ass, spurting my come into her bowels. We continued to grind into each other until my balls

were drained, then we lay limp. I held her in my arms as she continued to milk my softening cock with her asshole deliberately. My cock started to harden as I thought about her virgin pussy.

"You are still virgin in one place in your body," I said softly.

"My pussy?" she said.

"You can't be virgin anywhere in your body after you've been with me," I said, grinding my hardening cock into her ass. "I have to fuck your virgin pussy and fill it with my come. Do you want me to make you a woman?"

"Yes," she said. "Just be gentle."

"I'll never be hard on my hot little slut," I said, sawing my cock in her ass. "I am going to eat your virgin pussy for the last few times because it will never be virgin again. Is my slut ready to suck my cock?"

"Yes," she hissed.

Lying on my back, I arranged her on top of me in the sixty-nine position. I proceeded to lap her pussy juices as she sucked my hard cock into her mouth. After cleaning her sticky pussy with my tongue, I ventured up to her well-fucked asshole. I rimmed her relaxed pucker for a few minutes, probing it gently. She moaned around my cock as she deep throat me eagerly.

Going back to her pussy, I sucked her lips thoroughly and probed her virgin hole insistently. Her juices leaked constantly into my eager mouth. I toyed with her pussy for a long while before I let her gush into my mouth. I drank her copious juices thirstily and sucked her dry. She laid her head next to my hard cock as she recovered.

I gently rolled her off me. I kissed her deeply while I fondled her tits. I lowered my mouth to her tits and sucked her nipples for a couple of minutes, using both hands to squeeze her tits. As I let my tongue glide down her belly, I maneuvered myself astride her. When I reached her pussy, my cock dangled over her face. She opened her mouth and took my cock in as I worked my tongue between her lips. While I ate her pussy to orgasm, I thrust in her mouth and fingered her asshole with my middle finger.

After she recovered, I proceeded to oil her pussy thoroughly. I also oiled her asshole, using one finger to work the oil inside her rectum. I set her up and gave her the oil bottle, thrusting my cock in her face. She got the hint and proceeded to oil my cock.

"I am not going to fuck your pussy yet," I said as I spread her legs and knelt between her thighs. "I am just going to dry hump you to get you ready for my cock."

Laying my cock along her pussy lips, I proceeded to thrust against her pussy. She soon started to hump back. I made her come within a few minutes.

When she recovered, I started to rub my cock head up and down her wet pussy. She moaned, humping my cock. After a few minutes, I aimed my cock head at her pussy hole and thrust gently into her pussy while rubbing her clit with my thumb. She moaned, grinding her pussy into my cock. When she was ready to come, I thrust my cock deeper into her pussy. While she came, I held her legs tightly and thrust gently into her, gradually sinking my cock into her pussy. I ground my pubic bone into her clit until her orgasm ended.

We kissed lovingly then rested for a minute. When she caught her breath, I resumed thrusting in her pussy. She fucked back. She came within a few minutes as I drilled her twitching pussy vigorously. I continued hammering her pussy until she came again. While she came, I pumped my come deep inside her trembling pussy. The wild spasms of her pussy milked my cock dry.

We shared a long deep kiss then rested while my cock softened in her pussy. My cock finally slipped out of her pussy. I wiped both with soft tissues.

"Let's wash up then come back," I suggested.

She put on her blouse and skirt, and I put back my clothes on.

We returned to my room in fifteen minutes. I immediately got out of my clothes and helped her out of hers. I fondled her tits and sucked her nipples until she started to squirm. I thrust my hardening cock in her face. She eagerly opened her mouth and sucked it in.

After a little while I pushed her onto her back and proceeded to eat her asshole. I sucked and tongue fucked her asshole until she came. I thoroughly oiled her asshole and fucked it with two fingers, getting it ready for my cock.

First I fucked her ass in the missionary position until she came. Then I lay back and helped her ride me in the cowgirl position. In that position she bounced her ass on my cock energetically until she had a violent orgasm, losing her balance. I held her trembling hips and thrust in her twitching ass until she went limp. We kissed while I fucked her ass gently.

She rode my cock in the reverse cowgirl position. After she came, I rolled her onto her left side and fucked her ass from behind to a wild orgasm. I rolled her onto her stomach then I pulled her hips up into the doggy position. I fucked her hard until she came. I used her orgasmic spasms to drain my balls deep in her ass. She lay on her stomach and I lay on top of her. We rested for minutes, occasionally kissing deeply.

Lying back, I let her suck my cock until I came in her mouth. She thirstily sucked me dry.

"Did you enjoy yourself tonight, Mary?" I asked, holding her in my arms.

"Yes," she smiled happily. "I have never thought I could ever have so much fun and pleasure."

"You have also given me so much pleasure," I said. "I am so proud of you. You are such a hot young lady. You are now my hot little slut. Whenever you need cock you come right over, and whenever I need a piece of your sexy ass I'll be running to you. I am sure I'll be coming for your tight ass very often."

"Me too," she said.

We had a long goodnight kiss before we parted.

"How do you feel today?" I asked her in the next morning.

"Okay," she said. "I feel a little sore."

"That's normal," I said. "It'll go away soon. We'll play other games today, won't we?"

"Yes," she said.

After lunch I broke the news to my aunt. She was alone in her bedroom when I knocked.

"I have good news for you," I said. "I have luckily managed to seduce Mary."

"What do you mean you have seduced her?" she asked.

"That can only have one meaning," I said.

"Have you actually had sex with her?" she asked.

"Yes," I said.

"You are kidding," she said in disbelief. "You couldn't have done it in one day."

"I told you I was lucky," I said.

"I can't believe it," she said. "That can't be true."

"It's true," I said. "I can prove it."

"How can you prove it?" she asked.

"You can hide in my room tomorrow morning and watch," I said.

"Really?" she said excitedly.

"Of course," I said.

We agreed to set up a show for my aunt without Mary's knowledge.

In the evening Mary and I met in my room. We started kissing and petting immediately. Before long I was fondling and sucking her tits. She moaned joyously. I had her kneel on the bed without interrupting my oral attack on her erect nipples. I reached up her skirt and lowered her panties. I continued sucking her tits while I felt up and fondled her ass. I turned her around and had her bend over onto her hands and knees. I licked her asshole a little then ate her pussy to orgasm. I retrieved the coconut oil and proceeded to oil and finger her asshole.

“I got you this butt plug,” I said, showing her a butt plug that I got for her earlier. “It is going to help relax your sphincter and help you exercise your anal muscles besides giving you a feeling of fullness.”

She did not protest as I gently worked the butt plug into her ass.

“Does it feel good?” I asked upon securely setting the plug in her ass.

“Yes,” she said.

“Milk on it so you can later milk on my cock,” I instructed.

She next attacked my hardening cock. I lay back and let her suck it deeply for a long time.

“I want to come on your face,” I said. “I want you to lie back and let me come all over your face.”

She smiled knowingly as she took her mouth off my cock. She lay back and I straddled her chest. I fucked her mouth a little. When I was ready I popped my cock out of her mouth and stroked it vigorously, aiming it at her pretty face.

“Open your eyes and mouth,” I instructed as my cock swelled.

My flying come hit her on her cheeks, nose and chin. Some come landed inside her open mouth. I pushed my cock in her mouth, and she sucked it dry. I used my fingers to wipe my come off her face and feed it to her. She sucked my sticky fingers eagerly.

Turning around, I dangled my softening cock in her mouth and dived between her thighs. I ate her pussy through a couple of orgasms while she sucked my cock to full hardness.

“I want to come in your ass,” I said as I arranged her on her hands and knees. “I am going to put my cock head inside your anal mouth and stroke my cock with my hand while you finger your pussy until we both come.”

I oiled my cock and removed the butt plug from her ass. We did it so she came just before I did. I slammed my cock all the way up her twitching rectum and let her spasms drain my balls. After her asshole sucked my cock dry, I popped it out and put the butt plug back up her ass.

After she sucked my cock to full hardness, I did the same trick to her pussy, filling her twitching pussy with come. I used my fingers to feed her some of the come out of her pussy.

As we continued to play, I came on her tits, on her ass and finally in her mouth. She wiped the come off her tits and licked it off her fingers. I wiped it off her ass and fed it to her.

We snuggled a little before we called it a night after we agreed to meet tomorrow morning for a serious sexual showdown.

“Wear the plug for an hour or two then take it off before you come over,” I instructed.

My aunt took her position inside the closet over fifteen minutes before Mary joined me in my room.

Mary and I started slow, kissing, petting and fondling for several minutes before she sucked my cock. I let her spend a long time sucking and deep throating my cock before I let her swallow my first come load. I had her open her mouth and stick her tongue out so her mom could see my come shoot into her mouth.

She sucked my cock thoroughly before she lay back and let me eat her pussy and asshole through a wild orgasm each. I always made sure to arrange her in a way to give my aunt a good view. She sucked my cock a little before we fucked. We started in the missionary position and changed positions several times. She came several times before I flooded her drenched pussy with come. She playfully ate my come out of her pussy before she sucked my cock back to life.

She got onto her hands and knees, and I ate her asshole through orgasm. She oiled my cock thoroughly then pulled her legs over her head. I slowly sank my cock into her lubed asshole and proceeded to fuck her. I fucked her ass in several positions, allowing her to ride my cock a few times. I made her asshole gape as she held her ass open for me before I filled it with come. Her twitching rectum sucked my cock dry before I pulled out. I scooped the first lump of come out of her ass and fed it to her. She did the rest. I gave her asshole a long French kiss at the end.

We were not done yet. She sucked my cock to full hardness. We fucked in different position, switching my cock between her horny pussy and asshole. She came several times before she swallowed my last come load for the morning down her throat.

We snuggled for a few minutes before she put on her clothes and left. I put on my clothes and let my aunt out of the closet. She was silent.

“Do you believe now?” I asked.

“That was incredible!” she said in wonderment.

She silently snuck out of my room.

“Can you see me in my room in half an hour?” my aunt whispered in my ear after lunch.

“Sure,” I said.

Her expressions did not betray her feelings. I did not know what she was going to say to me. I wondered whether the reality of what she had seen was more intense than she had expected. Would she scold me for treating her little innocent daughter like a whore, I wondered? She probably did not want me to talk to her daughter ever again. She might even never want me in her house. I could not infer anything from her look at me.

After thinking silently for a long while, I decided that what I had done was good for my cousin. We both had enjoyed it immensely. I would never regret it. I might though regret letting my aunt know about it. I just wanted to assure her that her daughter was normal—even hornier than most girls. I did that out of my good will, so I should never regret it regardless of the consequences.

It was finally time to see my aunt. I bravely approached her room and knocked at the door.

“Come in,” she called.

I opened the door and entered.

“Come over here,” she called as I closed the door.

She was sitting at the edge of the bed. I walked toward her. She motioned me to keep moving closer until I was less than a foot away from her. She had her hair teased up and was wearing a short red dress. The scoop neck of her dress exposed her generous cleavage. She also had on black fishnet stockings and matching high heels. The hem of her dress rode almost to the tops of her stockings.

“Are you leaving?” I asked to break the tension.

“No, I am not going anywhere,” she said. “I have the entire afternoon free.”

“You are dressed as if you are going somewhere,” I said, trying to talk longer.

“I sometimes get sick of my kitchen clothes,” she said. “Don’t I look better in these clothes?”

“Yes, you do,” I said conservatively. “This is a pretty dress.”

“Thank you,” she said.

“You are welcome,” I said.

It was awkward. We had never talked like that before.

“Do you know why I wanted to see you?” she asked, finally getting into our subject.

“Why?” I asked instead of answering.

“Your morning show was impressive,” she said. “You are much more dangerous than I have thought.”

I waited silently for more explanation.

“I have not realized that you have grown into a real man,” she said, stroking my chest. “You are now all man.”

She stroked my chest then my butt as I stood silently. When I did not talk, she proceeded to stroke my crotch. She looked up at me intently as she stroked the outline of my cock. My cock started to harden of its own accord.

“You have earned your reward,” she said, squeezing my cock through my shorts.

“What reward?” I asked.

“The reward of your choice,” she said, slowly pulling my shorts down. “Would you mind if I took a look at your awesome equipment?”

“Go ahead,” I said.

She pulled my shorts and boxers down, and my cock popped in her face. She held it in her right hand and stroked it gently.

“You can ask for anything in my power,” she said, looking up at me as she continued to stroke my hard cock.

“Anything in your power?” I asked.

“Yes,” she said and teased my cock head with her tongue, making my cock twitch.

“Do you think I did that for the reward?” I asked as she licked my cock head.

“Even if you did not do it for the reward, you earned it,” she said.

She started to suck my cock head in a teasing way.

“Thanks for this great offer,” I said as I held the back of her head and proceeded to fuck her mouth, “but no, thanks. I am not a whore. I did what I did for Mary and for you. I did it because I cared, not because I wanted something in return.”

“I don’t want to insult you,” she said, stroking my cock with one hand and holding my balls with the other. “I just want to show you how much I appreciate what you have done.”

She returned to sucking my cock. This time she took it all the way down her throat.

“The look of ecstasy on Mary’s face is all the reward and appreciation I need,” I said, thrusting in her mouth. “Sweet words can go further than any physical reward.”

“Don’t you want to make love to me?” she asked, stroking my cock briskly.

“Of course, I do,” I said, pulling her head to my cock with one hand and reaching for the zipper of her dress with the other. “I am only human. I also want to please you. However, I will not accept that as a reward. You are not a whore giving me your body as a reward. You are a wonderful sexy lady that I care much about. You have a hot lively body that deserves to be appreciated and enjoyed. I am a young man who enjoys beauty and splendor and hungers to appreciate them, especially in the most physical ways.”

By the time I finished my statement, I had unzipped her dress and pushed it down her shoulders, exposing her lush tits. I fondled her tits gently as she sucked my cock deeply.

“I really love the way you put it,” she said, stroking my cock. “That’s certainly what we are.”

“Why don’t you get on your hands and knees and show me the rest of your wonderful body that craves my attention?” I said, pulling her up.

She got onto her hands and knees and thrust her butt my way. I pulled her so her knees were at the edge of the bed. I hiked her dress and lowered her thong panties to her ankles. I pulled her knees farther apart and pushed her lower back down to expose her pussy and ass obscenely. Her pussy was already wet.

“You are so pretty and delicious looking down here,” I said, gently parting then squeezing her ass cheeks together. “You are so wet too. I like the smell of your lust. I especially love your cute anal rosebud.”

She gasped and shuddered when I tickled her asshole with my tongue. I took my sweet time licking and teasing her asshole. She moaned softly, pushing her ass back into my mouth. Her asshole definitely was not virgin; it hungrily nibbled at my tongue tip. After a while, I stepped up the pace of my oral assault on her asshole. She did not last for long. I continued to probe her twitching asshole while she shoved her ass into my face until her orgasm died completely.

She was still panting when I brushed my cock head up and down her drenched pussy lips. She gasped sharply when I stabbed my cock all the way into her sodden pussy. Her pussy twitched, and she came immediately. I held her hips and fucked her convulsing frame vigorously. She had multiple orgasms before she went limp. I drooled on her asshole as I took my last strokes in her pussy.

“Aunt Michelle, may I fuck you up the ass?” I asked, pressing my dripping cock head into her asshole.

“Yes,” she gasped as my cock head popped past her sphincter.

“So you want to be my slut just like your little daughter,” I said, thrusting in her ass.

“Yes,” she grunted as I rammed my cock all the way up her ass.

“Do you want me to treat you like a cheap whore?” I teased, thrusting hard in her ass.

“Yes,” she gasped.

“You are so hot,” I said, grabbing her big dangling tits.

Holding her tits tightly, I drilled her ass through a wild orgasm. I slowed down while she recovered then picked up the pace again. She came again within a few minutes. I climbed onto the bed, crouching astride her ass, without taking my cock out of her ass. I fucked her ass gently while I pushed her head and shoulders onto the bed and guided her hands to her ass.

“Does Uncle Fred know what you are doing behind his back?” I teased.

“He hardly remembers that I have a pussy,” she said.

“He probably wouldn’t mind if I filled your cock-hungry holes with come, would he?” I teased.

“Even if he would, I wouldn’t,” she said.

“In this case I am going to fill every hole in your body with thick come,” I said.

“That’s what they are there for,” she said.

“I love a woman who knows what she was made for,” I said.

“Every woman know she was made to be fucked,” she said. “Most men don’t know that though.”

“I do, I do,” I said.

“If you really do, you’ll get more pussy than you can handle,” she said.

“How about ass?” I smiled.

“More ass too,” she laughed. “You really like asses, don’t you?”

“Just like the next guy,” I said.

“What next guy?” she said. “You are the first to stick a tongue up my ass.”

“No one else has ever sampled your delicious asshole?” I said.

“Nope,” she said. “Can you see what kind of next guy we are talking about?”

“Blind? Idiot?” I said.

“Now you know you are unlike the next guy,” she said. “You are a real stud.”

“You are so hot, Aunt Michelle,” I said. “You are a real slut.”

“That’s what I am, baby,” she said. “That’s what I am with the right guy.”

I pounded her ass through a couple of orgasms while she shamelessly spread her ass for me.

“I want to come in your mouth,” I grunted, popping my cock out of her ass, when she recovered.

She rolled onto her back, and I knelt astride her chest, thrusting my cock in her mouth. I did not last long in her mouth before I spurted my first come load against the back of her eager throat. She sucked my cock dry and continued to suck until I pulled it out of her mouth.

Rolling off her, I lay on my back to rest for a minute. She soon knelt on top of me in the sixty-nine position. I ate her drenched pussy and relaxed asshole through a wild orgasm while she revived my cock. She next mounted me in the cowgirl position and rode me until her horny pussy bathed my cock in its gushing orgasmic juices. Before she had time to recover, she guided my cock into her ass and resumed bouncing.

After she came, I rolled her onto her back and pinned her legs under my shoulders. I drilled her pussy in the missionary position to a wild orgasm. I pushed my slick cock into her ass and fucked her vigorously until we both came. I slammed my cock deep in her twitching ass, allowing her sucking rectum to suck my cock dry.

When I popped my softening cock out of her ass, I pushed two fingers up her ass and scooped a lump of my come out. I looked into her eyes with challenge as I brought my fingers to her mouth. She opened her mouth lewdly and sucked my fingers dry. I held her legs for her while she scooped the rest of my come out of her ass and ate it hungrily.

We lay for a minute, kissing sinfully and hugging. She was soon bending over my soft cock. My cock did not stay soft for long. Neither did it stay in her mouth for long. She kicked off our next round by riding me in the cowgirl position. We cycled through all the positions we knew and all her holes before I filled her trembling pussy with come.

"Let's not fuck each other to death," she smiled as she finished eating my come out of her pussy.

"This was the hottest afternoon of my life," I said.

"Of mine too," she said. "I have never come as many times in one day, not even in one week."

"I hope it won't be the only time," I said.

"Me too," she said. "You've won yourself a slut, baby. You can fuck me any time you want, please."

"I surely will," I said. "You too, my slut, can come to me anytime and use my cock all you want."

"You are so sweet, baby," she said. "I am sure I'll be begging for your cock soon and often."

Before I snuck out of her room, we had our longest and lewdest kiss. I showered and slept for a couple of hours to recharge my systems.

From then on, my cousin and my aunt shared my cock almost daily. I started to spend very little time with Jim. I had planned to stay for two weeks, but I stayed for a full month. I had never had sex as often or as good. Unfortunately I had to go back home.

A few days later I started to miss my aunt and my cousin. I was getting very horny too, especially since my girlfriend was spending summer out of town. In addition to that, I was getting bored. I was watching a movie rerun on television in the afternoon, and mom was sitting next to me.

"Did you enjoy your stay at your aunt's?" mom asked.

"Yes, I did," I said. "It was a nice change, and they were nice to me as usual."

"Did you have a good time with your cousins?" she asked.

"Yes," I said.

"Did you enjoy Mary?" she asked.

"Yes," I said. "We spent much time together."

"No kidding," she said.

"We are each other's favorite cousin," I said.

"I bet," she said. "Was she good?"

"Yes, she was as good as always," I said.

"That wasn't what I meant," she said.

"What did you mean?" I asked.

"Was she good in bed?" she asked, shocking me.

"In bed?" I said, feeling my heart sink in my belly. "What do you mean?"

"I know that you had sex with her," she said.

"Who said that?" I asked terrified.

"She didn't tell me," she said, smiling wickedly. "Who else knew about it?"

"Who?" I asked.

"Don't worry," she said. "Michelle would never let you do that without my permission."

"Your permission?" I asked in shock.

"Are you surprised?" she smiled. "You are still my son."

"I thought I was an independent adult," I said. "I don't need a guardian."

"You are an adult all right," she said, "Though you'll be independent when you pay your own bills."

"I see," I said.

She moved closer to me and laid her left hand on my bare right thigh. Several seconds later she started to stroke my thigh lightly. I thought that was odd, but I did not protest. One or two minutes into her stroking my thigh, my cock started to grow inexplicably. I tried to ignore it, but it continued to grow, making an obvious tent. I hoped she would not notice my predicament. My hopes were destroyed when she laid her hand on my bulge and wrapped her hand around my hard cock through my shorts.

"Mom, what are you doing?" I asked as I stiffened.

"Relax," she said as she started to stroke my cock.

Naturally I could not relax. She turned toward me and slipped her right hand up the right leg of my shorts. She held my bare cock and proceeded to stroke it.

"Mom, you shouldn't be doing this," I said.

"You can't be serious when you are this hard," she said. "I think you are having a good time."

Unable to do anything, I watched as she fished my cock and balls out of the leg of my shorts.

"Do you miss Mary?" she asked, holding my balls in one hand and stroking my cock with the other.

"Yes," I said.

She scooted off the sofa and knelt between my legs. She stroked my cock for a few seconds then sucked it halfway into her mouth. My cock twitched, and I almost came.

"Mom, what are you doing?" I protested.

Ignoring me, she silently sucked my cock deeply for one very sweet minute, working her lips all the way down my shaft and up repeatedly.

"I am sure you know what I am doing," she said, taking her mouth off my cock. "I'll do it again to give you a clue."

She fondled my balls while she deep throat me for several minutes. After that wonderful cock sucking, she licked my balls then started to tease my cock head with her tongue. She teased me so much I had to reach out for her head.

"Suck it, mom," I said, pulling her head all the way down my shaft.

From then on she sucked my cock devotedly for many minutes. She finally took her mouth off my cock and looked up at me while stroking my hard shaft.

"This visit to your aunt has turned you into a pervert," she said then returned to sucking my cock.

"What do you mean?" I asked.

"You no longer have a problem in shamelessly seducing your own mom," she said.

"Mom, I didn't seduce you," I said. "*You* are seducing me."

"I was innocently stroking your thigh when you sported the biggest boner I have seen in a long time," she said stroking my cock. "What's a woman who hasn't had sex for weeks to do? I am sure that was how you seduced Michelle too. The poor woman had never cheated on her husband before."

"What?" I said in shock. "I seduced neither her nor you. It was the other way around."

"You took advantage of her being a horny married wife," she said. "At first I blamed her, thinking she was a little too weak, but now I know there was nothing she could do. The woman of us cannot resist a young man with a raging hard cock like you. You can do anything to a slightly neglected wife. That was what you have done to her too. You turned that sweet loving wife into a wanton slut."

"Is that what she told you?" I asked.

"She just told me what happened," she said. "She didn't say that you had seduced her, but it's clear."

"And now I am seducing you, right?" I asked sarcastically.

She got onto the sofa on her hands and knees, thrusting her ass in my direction. She hiked her dress and pulled the crotch of her panties aside, lewdly exposing her moist pussy and tight ass.

“You are going to fuck me now, aren’t you, you horny savage?” she said.

“I don’t think your wet pussy can resist my hard cock, can it?” I teased as I turned toward her offered ass, rising up onto my right knee on the sofa and my left foot on the floor.

“No way,” she said as I aimed my hard cock at her dripping pussy. “Your rampant cock can slice through it like a hot knife in butter.”

“There is only one way to find out,” I said as I shoved my cock all the way into her pussy, making her gasp sharply and start to convulse in orgasm.

“I told you so,” she gasped as I held her hips and pounded her gushing pussy vigorously.

I fucked her pussy hard until she went limp, then I fucked her gently until she started to fuck back.

“Move your ass,” I instructed, rocking her back and forth. “Get your hot pussy fucked.”

She bucked her ass over my cock repeatedly until she came again. Losing her breath, she shoved her twitching ass into my cock uncontrollably, drenching my cock. I gently removed my dripping cock from her pussy then presented it to her mouth.

After she sucked my cock clean, I carried her onto my shoulder and took her up to her bedroom. I locked the door then tossed her onto the bed.

“I want to eat your juicy pussy,” I said as I hiked her dress.

She raised her ass off the bed to help me take off her panties. I pushed her legs over her head, and she held them in place with both hands.

“Your have pretty orifices down here,” I said, spreading her cheeks.

I dipped my forefinger in her wet pussy, soaking my finger in her juices. I sucked her juices off my finger, tasting her pussy for the first time, then returned my finger to her pussy. I removed my dripping finger from her pussy and placed its tip gently against the center of her asshole, applying the least possible pressure just so she could feel its presence.

With my fingertip at her asshole, I proceeded to clean her drenched pussy with my tongue. She moaned and squirmed. Her pussy leaked fresh juices onto my tongue. I sipped everything she offered and sucked her dripping pussy for more.

I started to eat her pussy harder while gently massaging her asshole with my fingertip. She ground her pussy into my mouth. When she was about to come, I popped my fingertip into her asshole, triggering her orgasm. I sucked her gushing pussy thirstily while working my fingertip in and out of her twitching asshole until she went limp.

She took a minute to catch her breath. Meanwhile, I knelt before her ass and massaged her pussy gently with my cock head. She moaned when I slid my cock all the way into her pussy. Leaning forward, I fucked her hard through two wild orgasms. When she recovered, I straddled her chest and fucked her mouth for several minutes. At the end I slapped her face with my sticky cock and dismounted her.

Lying on my back, I helped her straddle me in the cowgirl position. While she rode my cock, I helped her get out of her dress and bra, setting her lovely full tits free. I watched her tits bounce for a minute then I fondled them and pulled on her nipples. I pulled her down so I could suck her nipples. While sucking her nipples, I spread her ass and bounced it rhythmically.

Before long my frisky fingers were teasing her asshole. I wetted two fingers of my left hand in her mouth while I massaged her asshole with the fingers of my right hand. I returned my wet fingers to her ass, popping one then both into her asshole.

“Look at me,” she said, riding me wildly. “You have me bouncing on your cock like a street whore.”

“I like the way you look and feel,” I said, finger fucking her asshole in her rhythm. “Don’t you?”

“That’s what makes me feel like a whore,” she said. “I love the way you fuck my horny pussy.”

Within moments of that she started to gasp and convulse. I steadied her with my right hand while I thrust hard in her flooding pussy and continued to pump my fingers within her twitching asshole. We kissed deeply when she collapsed on top of me. My cock and fingers thrust gently inside her.

After a little rest, I turned her around into the sixty-nine position. I ate her drenched pussy and she sucked my cock through a mutual orgasm. With my forefinger in her ass, I drank her gushing juices as she swallowed my come load. She continued to suck my cock to revive it. Meanwhile, I licked her asshole. Her asshole relaxed, and I was able to tongue fuck it. I made her come while she deep throat my new hard erection. After she came, I gently fucked her ass with two fingers as she continued to suck my cock.

"You are going to fuck me in the ass, aren't you?" she asked as she dismounted me and got onto her hands and knees, obscenely thrusting her ass out. "You are such a horny monster."

"Do you have lube?" I asked.

"Yes, right there," she said, pointing at the drawer of the nightstand.

Retrieving the lube, I generously applied lube to her asshole. I thoroughly massaged the lube into her asshole and worked it into her rectum. She moaned, thrusting her ass back against my fingers. I flipped her onto her back and fucked her pussy in the missionary position.

"Do you want me to fuck you in the ass?" I teased after she recovered from her orgasm.

"You are not going to make me beg for it, are you?" she said in mock terror. "I didn't raise you that way."

"I am afraid I am," I said, touching my dripping cock head to the glistening pucker of her ass.

"What kind of brute are you?" she said. "Please, fuck me in the ass, you barbarous beast."

"Guide it in, my slut," I teased, applying just a little pressure to her asshole.

She held my shaft, pressing its head into her pucker, until my cock head popped past her sphincter, making her gasp.

"I want to make you my anal slut," I said, thrusting in her ass, "just like your sister."

"You are not my son," she gasped in mock disgust. "You are some horny bastard after my tight ass."

"So, do you want to become my anal slut?" I teased, thrusting hard in her ass.

"I don't have a choice," she gasped. "I can't say no to you, you ass fucking animal."

"Your asshole is too tight for a slut like you," I teased. "I am going to fuck it until it gapes wide."

"You just don't have any mercy," she said. "I was afraid you'd fuck me into pieces."

"You were right," I said. "I am going to fuck you like you have never been fucked before. I am going to fuck you until you beg for mercy."

"Fuck me all you want," she said, "but I am not a little girl—you can't make me beg for mercy."

"I hope you are right," I said. "Because even if you begged for mercy, I wouldn't stop fucking you."

We went silent for a few minutes of hard deep ass fucking that made flesh slapping and bed creaking sounds. She was losing control. Within a minute she stiffened and started to come under my fast vigorous thrusts. I continued to pound her twitching ass until she stopped convulsing.

Putting her legs down, I straddled her chest and pushed my cock in her mouth. I fucked her throat for a few minutes then returned my cock to her ass in the same position. I drilled her ass again in the missionary position until she came. When she recovered, I flipped her onto me in the cowgirl position. After she came, she turned around and rode me in the reverse cowgirl position. Her orgasm laid her flat on top of me. I fucked her in that position until she came, then I rolled us onto our left sides. Later I rolled her onto her stomach and rode her ass from above.

After we rested, I raised her hips into the pile driver position and had her spread her ass for me. I made her come then popped my cock out of her ass. I licked her drenched pussy clean then gave her gaping asshole a long deep kiss. I filled her rectum with drool before I shoved my cock back in. When she came, I filled her sucking rectum with come. I drained my balls in her ass before I withdrew my softening cock. When I guided her fingers to her come-filled asshole, she knew what to do.

When she finished eating my come out of her ass, I lubed her asshole thoroughly for our next round. She sucked my cock back to life. I fucked her pussy and ass through several positions and as many orgasms before I filled her twitching pussy with come.

She ate my come out of her pussy, and we resumed fucking. After an hour or so, I fucked her tits and came all over her face. She used her fingers to clean her face and eat my come. I dangled my softening cock in her mouth. She sucked it until it was hard again. I fucked her mouth for a few minutes before I resumed fucking her pussy and ass.

Over an hour later she was lying prone and I was fucking her ass from above.

"Your cock doesn't quit, does it?" she said.

"Not so soon," I said.

"If you keep fucking me, you'll make me too sore to fuck tomorrow," she said.

"Can I take that as a plea for mercy?" I teased.

"I guess you can," she said.

"Let's finish this fuck then quit," I said.

Within a couple of minutes I made her come and filled her fluttering rectum with come. I rolled off her and lay on my back. Keeping the come in her ass, she sucked my cock clean. She continued sucking until my cock got hard.

"No wonder you were giving Mary and Michelle more cock than they could handle," she said, slapping her face with my sticky hard shaft. "I didn't think you could tire me out and still want more."

"I am just a horny teenager," I said.

"I was once a teenager," she said. "No one has ever fucked me half as much or as good as you have."

She made me come in her mouth and sucked me dry.

"Since you are this horny, why don't you try your sister?" she said.

"Alex?" I asked surprised.

"Yes," she said. "There is no way her wimp boyfriend can fuck her half as good."

"You wouldn't mind if I fucked her?" I asked.

"Why would I?" she said. "Isn't that better than fucking me sore?"

"But how can I seduce her?" I asked.

"You are asking me after all what you have done?" she said.

She put her clothes back on, and I left.

Late that night Alex looked really sexy. I had never thought about her in a sexual context ever before. My cock hardened as I ogled her and fantasized about doing wild things to her hot body.

"Is there anything wrong?" she asked.

"You just look so beautiful," I said.

"Really?" she said. "Thanks."

"How come you don't see your boyfriend often?" I asked.

"I see him every weekend," she said.

"Is that all?" I asked.

"Yes," she said.

"Is he gay?" I asked sarcastically.

"Of course not," she said. "Why do you say so?"

"If I had a girlfriend anywhere as sexy as you are, I'd be all over her day and night, not once a week," I said. "You underestimate yourself."

"I don't know," she said.

"Why don't you find yourself another one?" I asked.

"Why?" she said. "I haven't seen anything wrong from him."

"Have you every tried someone else?" I asked.

"No," she said.

"That's why," I said. "How can you know how he compares if you have never tried anyone else?"

"Do you think so?" she asked pensively.

"He doesn't know how sexy you are," I said. "Let me put it this way. You are my sister and all, but if you let me, I'd make love to you in a heartbeat."

"Nick, you are gross," she glared. "You can't think of me that way."

"Am I gross because I recognize how beautiful and sexy you are?" I said as I got up. "I don't think there is anything wrong with admitting that my sister is so pretty and hot that I'd love to make mad passionate love to her without giving it a second thought, especially if my sister is not getting her fair share of loving. Whether you like it or not, you are a sex goddess to me."

I left to my room and went to bed.

On the next day Alex avoided my eyes. She did not look mad at me, but we did not talk at all. Mom and I spent the morning in her bed, fucking madly. Early in the evening I was lying in my bed, thinking about the next step with Alex. I was in deep thought when someone knocked at the door.

"Come in," I said, coming out of my trance.

Alex entered, and I sat up.

"Nick, were you serious when you said you wouldn't hesitate to make love to me?" she said lowly.

I got up and walked to her.

"Sit down," I said, guiding her to the bed.

She sat at the edge of the bed, and I squatted before her.

"Alex, you are so beautiful," I said, looking in her eyes. "You have a great figure. Your body is so ripe. You look edible. Who can afford to miss a chance to make love to a sexy sweet girl like you?"

She did not speak. Her chest rose and fell quickly.

"Alex, you are no longer a little girl," I said. "You are quickly becoming a young woman—a pretty one at that. Sex is becoming an important part of your life. I know I am not supposed to look at you as a sex object, but I really do not see any harm in doing so. You ooze beauty and sex. I really want to enjoy your body and let you enjoy mine. I want to please you and let you please me. I want to help you become a real woman. You can trust me because you know that I care about you more than any boyfriend ever can. I care about you so much that I will stop whenever you want me to. Doesn't this sound good to you?"

"Yes," she said lowly, nodding.

"Now I want you to relax while I eat your delicious pussy," I said. "If you don't like the way I am going to eat your pussy, we'll stop. Okay?"

She nodded silently.

She did not resist when I reached up her skirt and pulled her panties down. I hiked her skirt and pushed her onto her back.

"It's so pretty," I said, spreading her shy legs. "It's already getting wet. This looks delicious."

She gasped when my tongue touched her glistening lips. I gave her two long licks.

"I knew you'd taste delicious," I said, returning to her pussy.

She moaned and squirmed for several minutes while I ate her gently, enjoying her leaking juices. While probing and sucking her pussy teasingly, I fondled her tits through her blouse. She humped my mouth

desperately before I ate her harder, working her toward orgasm. I drank every tasty drop her pussy gushed as I ate her through five hard orgasms.

She was panting for air when I pushed her legs farther up, exposing her shy little asshole. Her light pink pucker was irresistibly pretty.

“Your little rosebud looks so cute,” I said.

She gasped, and her asshole clenched involuntarily when I kissed it. I lightly licked her asshole, making her shudder.

“Don’t do that,” she protested, wiggling her ass.

“I know what I am doing,” I assured. “Just relax and enjoy yourself.”

A minute later she was moaning happily and pushing her ass against my mouth. I took that chance and guided her hands to her cheeks. She did not hesitate to spread her ass lewdly. I enjoyed eating her asshole for a long time before I let her come. I cleaned her wet pussy with my tongue.

Standing up, I set her up and guided her hands to my shorts. She shyly pulled my shorts and boxers down, letting my hard cock pop in her face.

“Can you see what you have done to me?” I asked.

She blushed.

“You are much thicker than my boyfriend,” she said.

“Hold it and enjoy it,” I said, guiding her right hand to my shaft.

She held my cock and stroked it gently, looking at it intently. It twitched and got bigger in her hand. I put my hand behind her head and pulled it gently to my cock. She tentatively licked the leaky head then took it into her mouth, stretching her lips around it.

“Suck it,” I instructed softly, pulling her head closer.

She sucked my cock deeper, and I thrust into her mouth, meeting her strokes. She soon reached her limit and could not go any deeper.

“Alex, relax your throat and suck me deeper,” I instructed. “I know you can do it.”

She did her best, gagging and coughing several times.

“Take your time, baby,” I said.

She finally was able to take my cock balls deep down her throat.

“Good girl,” I commended. “I told you, you could do it. I knew you were a sex goddess.”

She deep throat me for several minutes, practicing her new skills. She got very comfortable with smoothly taking my cock down her throat.

“You have earned your reward, baby,” I said. “Make me come.”

She sucked my cock harder. In a few minutes I was ready to come.

“I am going to come,” I warned. “Get ready to swallow it all.”

When my cock swelled and started to twitch, I held the back of her head so she would not pull back. She eagerly drank my entire load and sucked for more.

“You are now ready to come in my mouth, aren’t you?” I said, pushing her onto her back.

She pulled her legs over her head. I guided her hands to her ass. She did not hesitate to spread her cheeks shamelessly. Her pussy was wet, and her asshole was not as shy as earlier. I went after her asshole. I ate it and probed it with my tongue until she came. I left it soaked with my drool and soaked my middle finger in her drenched pussy. While I cleaned her pussy with my tongue I gently massaged her asshole with my slick finger. I soon popped my fingertip into her ass. She stiffened.

My tongue on her pussy made her relax, and I slid my finger all the way up her ass. I finger fucked her ass while I ate her pussy toward orgasm. When she was close to orgasm, I took my mouth off her leaky

pussy and made her come just by pumping my finger in her ass. Our eyes met when she finished convulsing in orgasm. I slowly sucked my finger while holding her eyes.

Setting her upright, I thrust my hard cock in her face. She sucked it for a few minutes. Meanwhile, I took off her blouse and bra. I knelt down and sucked her nipples. She held my head to her chest. She cooperated when I pulled her skirt down her hips and tossed it away. I fingered her pussy while I continued to suck her sweet nipples. She squirmed and moaned delightfully, holding my head to her tit tightly.

She reluctantly let me take my mouth off her nipple. I pushed her onto her back and pushed her legs over her head. I was still finger fucking her leaky pussy. I pulled my fingers out and let her suck them as I brought my cock to her pussy. She grunted when I pushed my cock head into her pussy. My cock parted her lips and sank inside her. With a couple of thrusts I drove my cock all the way into her pussy, stuffing her.

"I've never been so stretched," she said when I paused to let her get used to my cock. "You really fill my pussy."

"This is how you are supposed to be stretched when getting fucked," I said.

I fucked her gently at first, giving her pussy time to relax and warm up. She started to fuck back, and I fucked harder. She gasped and moaned with every thrust. Several minutes later she was coming wildly, drenching my cock and balls with her copious juices. I gave her time to recover then I fucked her vigorously through another hard orgasm.

When she recovered, I held her ass tightly with one hand and pulled her back up with my other hand, carrying her off the bed. I sat on the bed then laid back into the cowgirl position.

"Ride my cock, Alex," I said softly, rocking her ass. "Get yourself fucked to your heart's content."

She did not need further encouragement. She rode me energetically, coming wildly on my cock. When she recovered, I started her bouncing again. She was heading to orgasm when I inserted a slick finger into her ass, triggering her orgasm. While she convulsed in orgasm, I worked my finger all the way into her ass. I used my finger to fuck her ass while I let her ride me through a few more orgasms.

She panted while she recovered, gently grinding her pussy into my hard shaft. I gently pumped my finger within her ass. We had our first kiss. It was a long lewd kiss.

"Alex, I want to fuck you in the ass," I said when we broke the kiss.

Her pussy twitched, oozing a fresh load of juices, and her asshole clenched defensively, clamping around my finger.

"Doesn't that hurt?" she said timidly.

"Do you think I'd ever want to hurt you?" I said softly.

"I know you wouldn't," she said, "but I am a little nervous."

"Don't be," I assured, stirring my finger within her tense asshole. "Relax and leave the rest to me. I am going to get you ready for it so it doesn't hurt at all. You are going to have pure fun, I promise; sex is fun."

"Okay," she said weakly, her asshole relaxing slowly around my finger.

I thrust gently in her pussy, and she rode my cock. I fingered her asshole through a new wild orgasm.

"Do you want me to get your virgin asshole ready for my cock?" I teased softly.

"Yes," she hissed, her asshole twitching around my finger but no longer clamping apprehensively.

"I am going to start by eating your delicious asshole," I said. "Are you ready?"

"Yes," she hissed.

She spread her ass for me while I ate her asshole through a nice orgasm. I retrieved the lube and rubbed a generous amount into her relaxed pucker. I finger fucked her ass with one slick finger for a minute then squeezed a second finger in. I spent over fifteen minutes finger fucking her ass with two fingers and working lube inside her rectum. I made her come by diddling my fingers in her ass. I took several minutes to stretch and fuck her asshole with three fingers.

"Do you want me to fuck you in the ass?" I teased, smoothly sliding my three fingers all the way in and out of her ass.

“Yes,” she hissed, her asshole twitching involuntarily.

“All you need to do is to ask nicely for it,” I teased.

“Please, fuck me in the ass,” she said smiling and shuddering.

I continued to fuck her ass with three fingers while I lubed my cock thoroughly.

“Do the honors, baby,” I said as I popped my fingers out of her ass and poised my raging cock at her ready asshole, making her shudder. I steering her hand to my cock. “Guide my cock into your asshole.”

Her trembling hand pressed my cock head into her asshole, which tensed a little. Her asshole relaxed as I applied gentle pressure. It opened up slowly then let my cock head pop inside. She gasped and her asshole clamped at my cock.

“It feels so big,” she breathed.

“Let’s wait a little,” I said, guiding her hand back to her ass cheek. “You’ll get used to it.”

Pausing there, I gave her asshole a little time to relax.

“Does it hurt?” I asked, thrusting very gently.

“No, not at all,” she said. “It actually feels good.”

“That’s because your hot ass was made to be fucked,” I said, making her blush and shudder. “It feels so tight and wonderful around my cock. Look at your pussy; it’s drooling like an idiot.”

I slowly made my way up her virgin ass, taking several minutes to stuff my cock balls deep inside her. I paused a little before I started to fuck her gently. When she started to moan and push her ass into me, I leaned forward and proceeded to fuck her deeper and harder. Several minutes later she had a wonderful orgasm. She lost her breath while her asshole and rectum convulsed desperately around my thrusting shaft.

“You love getting fucked up the ass, don’t you?” I teased, thrusting gently as she recovered.

“Yes,” she gasped. “It felt so good.”

I fucked her again in the same position, drilling her into a wilder orgasm. When she recovered, I carefully maneuvered her into the doggy position without taking my cock from her ass. I grabbed her lovely tits and fucked her vigorously. When she came, I emptied my balls in her sucking rectum. We fell forward flat onto the bed and kissed passionately.

We rested for a few minutes then she sucked my cock to full hardness. I fucked her pussy and ass for over an hour then came on her face. I helped her eat my come off her pretty face. We fucked more, and I filled her pussy with come. I had her eat my come out of her pussy. I emptied my fifth come load in her twitching rectum and my last load in her mouth.

“Did you enjoy being my slut?” I said as we snuggled in bed.

“Yes, very much,” she said, shuddering. “I have never had such a good time before.”

“Now you know where you belong, don’t you?” I said.

“Yes, Nick,” she said. “I belong to you. I am your slut.”

We showered and went to bed. I let her rest on the next day, busying myself with mom. I explained to Alex the rules of anal fitness and hygiene and got her a nice clear butt plug. From then on, I fucked both sluts almost daily.

My aunt wanted me to spend the two weeks of the winter holidays with her, but mom would only let me spend the Christmas week with her. Somehow my aunt persuaded mom to let me spend the full two weeks with her.

Jim chose not to come home for the holidays, so he was out of the way. I was too busy to miss him anyway. Both my aunt and Mary were starving for my cock. I fucked both of them on my first day there.

While most spent the Boxing Day shopping, I spent most of the day in Mary’s room. We fucked in every conceivable position then some. We concluded with fucking her ass in the pile driver position while she spread her ass wide for me. Her asshole already gaped. I dumped my last come load in her twitching rectum. After she ate my come out of her ass, she sat up and sucked my cock.

“Claire?” she suddenly said, freezing.

When I looked back, I saw Claire standing at the open door. She entered the room while Mary covered herself with the sheets. I quickly pulled my shorts up. Mary and I were extremely embarrassed.

“Very impressive,” said Claire, shaking her head. “You’ve turned Little Miss Innocence into a wild slut. I don’t take it up the ass, and I thought I was the wild one.”

“Are you going to tell on us?” I finally asked Claire.

“Why would I do that?” she said. “I am actually happy. After all, my sister wasn’t a big loser.”

Claire left, and I stayed to reassure Mary that everything would be okay. I still had to talk to Claire. I went to her room. I knocked, and she let me in. She sat at the edge of her bed.

“Please, promise me you are not going to tell anyone about what you have just seen,” I said.

“I promise,” she smiled. “It’s none of my business anyway. It was just something I wouldn’t have imagined in a million years. I thought you and she were not into sex, but, boy, was I mistaken!”

“Claire, I don’t know anyone who isn’t into sex,” I said, sitting next to her.

“You are right,” she said. “I shouldn’t have thought that way. You, guys, are more into sex than I am.”

“Speaking of that,” I said, “is it true that you have never had anal sex?”

“Never,” she said.

“Excuse me, but you have a great butt,” I said. “I can’t imagine any guy would miss it.”

“Thanks for the compliment,” she smiled. “Actually my boyfriend has suggested it, but I refused.”

“May I ask why?” I asked.

“Because it would be dirty and painful,” she said.

“That’s what you think because you don’t know any better,” I said. “It doesn’t have to be either way unless you are doing it with a jerk. I can help you with it if you want.”

“Ouch!” she said. “I’ve seen your tool. You’d tear me apart.”

“Only a jerk would,” I said. “I’d never hurt a butt as gorgeous as yours.”

“But you are too thick,” she said.

“Once you get to know my cock intimately, it wouldn’t look intimidating to you at all,” I said as I stood up and lowered my shorts down.

My cock was getting hard while it listened to our conversation. It was still growing bigger as I presented it to her.

“Touch it and play with it,” I said. “See how warm and loving it can be.”

She eyed my hard cock for a few seconds before she extended her hand and held it. She squeezed it and stroked it gently.

“It likes to be sucked too,” I said, pulling her head. “I am sure you know how to suck a hard cock.”

She smiled at me knowingly before she took my cock head into her mouth. She proceeded to suck my cock, taking it deeper into her mouth.

“Suck my cock, Claire, baby,” I urged softly. “Show me you are a great cock sucker.”

She was indeed a good cock sucker. She sucked my cock with eagerness and skill, but she did not suck it all the way down her throat. I thrust in her mouth briskly. While she sucked my cock, I got rid of her sweater and bra, briefly interrupting her sucking. After several minutes, I gently pushed her head away.

“You are a great cock sucker,” I said, tilting her head up to me. I brushed my cock head over her nipples while I talked. “Every female who has ever sucked my cock to this date has took it balls deep in her mouth. I don’t want you to be any less. Relax your throat and do it gently. Take your time and enjoy it.”

Needless to say, within several minutes she was deep throating my cock. I thrust gently in her mouth as she trained herself. Soon I was fucking her throat just like I was fucking her mouth earlier. My orgasm was approaching quickly, and she felt it.

“I am coming, baby,” I grunted, holding her head. “Swallow it all.”

She devotedly swallowed my spurting come to the last drop. She sucked my cock clean. I tilted her head up and deeply kissed her come-tasting mouth. I knelt down before her and proceeded to fondle her tits and suck her nipples. She moaned, holding my head.

She lifted her ass when I pulled her skirt down and helped me take off her panties. I teased her moist pussy with my fingers before I slid two fingers inside. Pressing a finger of my free hand to the pucker of her asshole from behind, I finger fucked her pussy through orgasm while I continued to suck her tits. I removed my dripping fingers from her wet pussy and sucked them clean.

“Your delicious pussy is ready to be eaten,” I said, gently pushing her onto her back.

I pushed her legs over her head, and she held them in place, exposing both her pretty fuck holes. Her pussy glistened in its juices.

“I can’t see this cute little rose and not kiss it,” I said, lowering my head to her crotch.

She gasped and shuddered when I kissed her twitching asshole.

“You have a very pretty asshole,” I said. “I am going to eat it raw when its turn comes.”

While fondling her tits and pulling on her nipples, I gently ate her pussy for a long time, sipping her tasty seeping sap. She moaned and humped my mouth happily. Finally I made her gush into my thirsty mouth. I drank her copious juices and continued to suck until she started leaking again.

My cock had become rock hard. I stood up and brought it to her wet pussy. I repeatedly brushed my cock head up and down her pussy lips for a minute or two. She squirmed, and her juices drenched my cock head. I aligned my cock with her pussy hole and thrust gently. My cock started sinking slowly into her pussy. She moaned as I made my way into her pussy, allowing her pussy to coat my cock with her juices little by little. Soon my balls were gently tapping her splayed asshole. That was when I started using long strokes on her pussy.

“You are so sexy, Claire,” I said, fucking her harder. “Your pussy is so heavenly.”

“Your cock feels so good in my pussy too,” she moaned. “Fuck me hard and good, Nick, baby.”

As told, I fucked her hard and good, making her come wildly. When her pussy finished bathing my cock in her copious juices, I set her up and thrust my dripping cock in her face. She did not hesitate to suck it deeply. I fucked her throat for several minutes before I pushed her back onto her back and resumed fucking her in the missionary position.

When she came next, I cleaned her drenched pussy with my tongue then resumed fucking her. I made her come three consecutive times. Her pussy juices soaked my balls and her asshole. I licked her pussy clean then licked her asshole. She gasped and twitched until she got used to my tongue on her asshole.

She soon started pushing her ass into my mouth. She was not too shy to spread her cheeks for me when I guided her hands to her ass. I sucked her asshole and probed it with my tongue. It relaxed and nibbled at my tongue tip. A few minutes later she came while I pressed my tongue into her twitching asshole.

“Has anyone ever told you that you have a delicious asshole?” I said, raising my head from her hot ass.

“No, never,” she giggled.

“They didn’t do you justice,” I said. “You surely do. I immensely enjoyed eating your sweet asshole.”

“You really know how to treat a girl,” she said. “That was the most thrilling act of love a guy has ever done to me.”

“Wait until you try my cock back there,” I said.

“I am actually looking forward to that,” she said.

“First we have to finish your horny pussy,” I said, lying back on the bed.

She straddled me and rode me in the cowgirl position. I let her come twice before I rolled her onto her back in the missionary position. I again made her come twice in this position, but when she had her second orgasm I filled her trembling pussy with come. I pounded her until my cock went soft.

We rested a little, kissing, before my soft cock slipped out of her pussy. I sat up and reached inside her slimy pussy with two fingers. I scooped mixed come out and brought it to her mouth. She hesitated for a split second before she opened her mouth and sucked my fingers clean. I repeated that, completely cleaning her pussy. I bent down and licked her pussy and anal area.

“Let’s get your breathtaking virgin asshole ready for its first cock,” I said.

I arranged her on her knees on the floor, bending over and resting her upper body on the bed. I adjusted her knees and the small of her back so her ass was thrust out obscenely, utterly exposing her pussy and asshole. Furthermore, I guided her hands to her ass. She willingly spread her cheeks for me.

“You are so pretty in this position,” I complimented.

Kneeling behind her, I playfully ate her asshole through a frantic orgasm.

“Stay as you are,” I said, getting up. “Don’t move while I quickly get the lube from my room.”

Half a minute later I returned with the lube. She was still in the same position, even spreading her ass with her hands.

“Let’s lock the door,” I said, locking the door. “We don’t want someone to catch us with my cock balls deep up your ass. This time we can’t guarantee the consequences.”

“That’s thoughtful,” she said. “I don’t want anyone to spoil our fun.”

I kicked off my shorts and knelt behind her. I started with fingering her pussy and licking her asshole. It’s been a long while since I had last worked on a virgin asshole, so I took my sweet time. I spent nearly half an hour massaging her asshole and working the lube inside with one then two fingers. She moaned and humped my fingers lewdly. I made her come by fucking her ass with two fingers.

Her asshole took several minutes to stretch wide enough to accept three fingers comfortably. I finger fucked her ass with three fingers for a few minutes, getting her ready for the real thing.

“Lube my cock, baby,” I said, standing up and pulling her upright. “Make it ready to slide smoothly up your hot tight ass.”

She took the lube and thoroughly greased my rock hard cock.

“I want to look in your sexy eyes as I fuck your gorgeous ass for the first time,” I said, laying her back on the bed.

She pulled her legs back and spread her ass.

“Guide it in,” I said as my cock head touched her glistening pucker, making her shudder.

She held my shaft, and my cock gently and slowly popped past her asshole. She moaned, and her asshole squeezed my cock.

“Do you like your first taste of my cock in your hot ass, baby?” I asked softly, pausing.

“Yes,” she hissed. “It’s so filling.”

“Now you know that your magnificent ass was made to be enjoyed,” I said. “I am going to enjoy it like it deserves.”

Her tight ass took several minutes to swallow my cock balls deep. I paused a little then proceeded to fuck her gently. As she warmed up, I fucked her harder and harder. When she convulsed in orgasm, I held her tightly and drilled her twitching ass vigorously, doubling her orgasm. I pounded her until she went limp.

Since I had already come several times that day, my cock was ready to fuck for hours. I let it do just that, fucking her ass in every position we could think of and making her come numerous times. I kept her ass well lubed to help her endure all that drilling. I also did not let her pussy and her mouth rest too much.

At the end we were both tiring. We had our last fuck with her lying prone and me pounding her ass from above. When she came, I dumped my last come load of the day in her desperately sucking rectum. We kissed and rested a little with me still on top of her. She continued to milk my softening cock.

“Did you enjoy being my new anal slut?” I whispered in her ear.

"You know I did," she cooed. "It was the most exhilarating night of my life. What about you? Did you enjoy fucking my virgin ass?"

"Yes, a little," I said.

"Just a little?" she said disappointed.

"Yes, because then your delightful ass was no longer virgin but more thrilling," I said.

"All right," she smiled.

She puckered up, and I pecked her lips.

"If you don't mind, I intend to enjoy your ass every chance I get," I said.

"I don't mind," she said. "I want you to."

We had our long goodnight kiss then I left with the lube. I showered and went to bed.

On Friday between fucking mother and sister, I got Claire a good lube and an identical butt plug to her sister's. I instructed her on how to care for her ass. We had a quickie. I fucked her pussy through a few orgasms then came on her face.

Late on Saturday morning my aunt had hidden in the closet before I called Claire and Mary to my room. I sat on the edge of my bed and had them sit on either side of me, wrapping my arms around them.

"You are both gorgeous," I said, looking at one then the other.

They smiled, blushing slightly.

"Get down on your knees," I said, gently pushing them off the bed. "Be good girls: play together and share. Take turns sucking my cock. Get me ready to take care of your horny orifices."

They looked at each other and smiled. Claire's smile assured Mary. On their knees, they pulled my shorts down, each pulling one side. My cock popped up, greeting them. I sat back and enjoyed myself as they sucked and licked my cock and balls.

"Take your sister's clothes off while she sucks my cock," I instructed Claire.

Mary cooperated as Claire stripped her naked.

"Be a good girl and return the favor," I instructed Mary.

Naked, they resumed sucking my cock deep. Lying back, I pulled Mary astride my face. I fondled her tits and pinched her nipples while eating her pussy to orgasm. I pushed her off my face and onto my cock. She rode my cock to a wild orgasm while her sister rode my tongue to one. Next Claire mounted my cock.

"Mary, lube your sister's asshole thoroughly just like I do yours," I instructed. "Get it ready for me."

Claire started to gasp and twitch as Mary worked on her ass. I felt Mary's fingers work inside Claire's asshole. Mary continued fingering her sister's ass until she came.

"Guide my cock into her ass," I instructed Mary. "Be gentle because she's new to this unlike you."

Mary popped my cock out of Claire's pussy and gently pushed it into her asshole. Claire grunted softly when my cock head popped past her sphincter. She bounced gently, driving the rest of my cock up her ass.

"Lube her asshole while she rides my tongue," I instructed Claire.

Pulling Mary astride my face, I proceeded to lick and probe her pussy. While bouncing on my cock, Claire lubed Mary's asshole, working her fingers in her own rhythm, causing Mary to ride my tongue in the same rhythm. I orchestrated our fuck so Mary came immediately after Claire.

"Help your sister sit on my cock," I instructed Claire as I arranged Mary astride me in the reverse cowgirl position.

Claire held my cock as I spread Mary's ass. Mary gasped when she lowered herself swallowing half of my cock up her ass. She plunked down, swallowing up the rest and gasping again.

"Finger fuck her pussy with one hand and yours with the other so you can come together," I instructed Claire. "Bring your ass over here so I can finger fuck it for you."

Mary bounced on my cock happily. Claire squatted to my right. She used her left hand on her sister's pussy and her right hand on her own. I fucked her ass with two fingers of my right hand while I used my left hand to fondle Mary's tits. It was not hard for them to come together. They both went nuts as both holes of each were diddled vigorously.

"Lick your left hand clean and let Mary lick your right hand," I instructed Claire.

Each sister licked the other's juices off. I helped Mary off my cock and pulled both sisters by their heads to my cock. Lying back, I enjoyed their mouths on my cock and balls. I pulled their asses closer and fingered them while they slobbered on my cock. A little later, I pulled Mary astride my face and ate her fuck holes to orgasm while she took turns with Claire to suck my cock. I next gave Claire the same treatment.

After I sucked Claire's pussy dry, I laid her so that her head was near the edge of the side of the bed and her ass was near the edge of the foot of the bed. I arranged Mary on top of her in the sixty-nine position. Standing behind Mary, I slipped my cock into her pussy.

"Finger her asshole," I said, guiding Claire's hand to Mary's ass. "Mary, finger your sister's holes. Make her come when you come on my cock."

Each girl had her holes diddled to orgasm. I removed my dripping cock from Mary's pussy and pushed it into Claire's mouth. Claire sucked me clean. I walked over, bringing my cock to her pussy. This time Mary fingered Claire's ass while Claire fingered both Mary's holes to orgasm. I pulled my dripping cock out of Claire's pussy and pushed it into Mary's mouth. Mary sucked my cock eagerly.

"Guide my cock into her ass," I said, pulling my cock out of Mary's mouth.

Mary pressed my cock head into Claire's asshole.

"Finger her pussy," I instructed Mary as I fucked Claire's ass.

Having learned the lesson, Claire fucked her sister's holes with her fingers while her sister and I took care of her own fuck holes. After they came, I moved my cock from Claire's ass to Mary's mouth. Mary did not hesitate to suck me deeply. I held the back of her head and fucked her throat.

"Now clean her sticky pussy," I said, taking my cock out of Mary's mouth and pushing her face into her sister's pussy.

While Mary licked her sister's drenched pussy, I guided her fingers into Claire's ass.

"Keep eating her and fingering her ass while I fuck yours," I instructed Mary as I moved to her ass.

A good girl, Claire was already eating her sister's pussy. Each sister moaned into her sister's pussy. I removed Claire's fingers from Mary's ass and guided her hand to my cock as I aimed my cock at Mary's asshole. Claire guided my cock in then resumed eating her sister hungrily. Claire came in Mary's mouth while she and I made Mary come in hers.

Each girl cleaned her sister's pussy with her tongue while I gently sawed my cock in and out of Mary's ass. I finally removed my cock from Mary's ass and pushed it into Claire's mouth. I rolled Mary off Claire and sucked her tits while fucking Claire's mouth.

After they ate each other's pussy and tasted each other's ass on my cock, we were ready to romp. I fucked Mary's pussy and ass while she ate Claire's pussy and ass respectively to orgasm. They traded places, and Claire got to eat her sister's pussy and ass while I drilled her own.

My first come load splattered their faces. Each licked my come off her sister's face. After they sucked my cock back to life, I fucked every hole they had before my next come load flooded Mary's pussy. I had Claire eat it out and dribble it into Mary's mouth. After a long while of fucking and sucking, Mary got to return the favor. Meanwhile, I had each spread her sister's ass for me while I fucked it into a nice wide gape. I frequently switched my cock between a girl's ass and her sister's mouth and had the latter drool into her sister's gaping rectum.

We continued to fuck until I gave each girl the chance to eat my come out of her sister's ass and feed it back to her sister over a lewd kiss. By the time Claire got to eat my come out of Mary's ass, we were all tired and ready to quit.

They rested in my arms for a few minutes then left. I locked the door behind them, giving my aunt a chance to come out of the closet. She was already naked. She immediately attacked my resting cock.

"You have become the family stud," she said, stroking my cock briskly.

"It's a great privilege for me," I said. "I really appreciate it."

"It's even a greater privilege for us," she said. "You are such a good stud."

"Thanks," I said.

"You are good," she said. "My daughters have never got along this nicely. You made them friends."

"They are now more enjoyable to fuck," I smiled.

"They are more enjoyable to be around too," she said.

It was dark by the time I dumped my last come load of the day deep in her twitching rectum. I had already come inside her mouth and pussy. She left with her well-fucked ass full of my come.

For the following week, I enjoyed fucking Claire and Mary together almost daily. We spent New Year's Eve at home while everyone else was out.

We rented a few sex digital videodiscs and spent the evening in the living room. The movies had heavy anal themes. The young girls in the movies got their asses fucked hard and deep. Their assholes gaped wide, and they did not have a problem sucking the big cocks coming right out of their asses. They all swallowed come like it was the elixir of life.

At first we were sitting back, enjoying the movies, with the girls sitting on my sides. My cock hardened, and their hands fondled it through my shorts. I fondled their tits through their thin tops, but soon they needed attention between their legs. Before long they were taking turns sucking my cock while I fondled their asses and fingered their tingling holes.

Claire was the first to ride my cock. She leaned to the side so I could continue watching the movie. Mary switched her tongue between my balls and her sister's asshole. Her tongue and my fingers took turns probing Claire's asshole. Mary got up and kissed me. She guided my hand to her pussy. While I fingered her pussy, she fingered her sister's ass.

Claire came, and Mary replaced her on my cock. After Mary came, I arranged them on their hands and knees on the floor so we could fuck while watching. I started with Mary's ass. While I fucked her ass, she fingered both her sister's holes. It was wild to fuck while watching and hearing other people fuck onscreen.

For the rest of the night my cock did not enter their pussies. Their receptive assholes eagerly swallowed my thick shaft repeatedly as I fucked them deeply. They came frequently, and their assholes gaped nicely. They were soon doing everything the girls in the movie did—that could be done with one cock—and then some. Neither did the girls in the movie come nor did they eat come out of each other's well-fucked asses like my horny cousins did, proving they were world-class anal sluts. Obviously my cousins did it because they loved it, not because they were paid.

My first come load spurted into their mouths, but all my subsequent come loads exploded in one twitching rectum or the other. They were soon eaten nonetheless.

At midnight I was fucking Claire's ass in the missionary position and tongue fucking Mary's. Claire spread her sister's ass for me and ate her pussy. Instead of dropping the ball, I dropped a ball load of come deep inside Claire's twitching rectum. Both she and Mary were coming as we rang in the New Year.

The two sisters shared that celebratory come load over a kiss. When I kissed them, wishing them a happy new year, I tasted my come on their tongues. They immediately went to working on my cock, giving me my first blowjob of the year.

My sweet aunt called before leaving the party, giving us time for Mary's thirsty asshole to swallow my last come load. The sisters immediately shared it over a kiss. They next spread each other's ass for me while I gave each gaping asshole a deep kiss, sticking my tongue as far as it would go up their rectums.

We had called it a night just before my aunt and uncle returned home. I was drifting into sleep when my aunt entered my room.

"You are not going to sleep with your aunt unsatisfied, are you?" she whispered, reaching for my cock.

Her talented mouth did not fail to suck my cock to rock hardness within a couple of minutes. She hiked her dress and knelt astride me. Her pussy was soaked when she pulled her panty crotch aside and squatted on my cock, swallowing it all the way in. I pulled her straps off her shoulders, and we soon had her dress collected around her waist, setting her braless tits free.

She fed me her tits while I fingered her ass. Her asshole was already lubed. It accepted two fingers readily. After she had her first orgasm, drenching my cock in her juices, she effortlessly switched my cock from her pussy to her ass.

"Nothing feels like bouncing on a big cock in one's ass," she gasped. "It beats any New Year's party."

"Nothing feels like a hot lady's tight ass bouncing on one's cock either," I said.

Needless to say, a couple of hours later I had fucked her silly and filled her three holes with come. I fed her the come load I dumped in her pussy but let her keep the one in her ass.

"I wish you a happy new year full of all the pussy and ass you want, my stud," she said.

"Thanks," I said. "I wish all your dreams come true."

"Thanks," she said.

"Do you know what my New Year's resolution is?" I asked.

"What?" she asked.

"I intend to fuck you and mom together," I said.

"I don't mind if your mother doesn't," she said.

"Do you think she would mind?" I asked.

"I am not sure," she said. "We have never shared a man before."

"Anyway, New Year's resolutions are not supposed to be easy," I said.

"Good luck," she said before kissing me goodnight.

Naturally on Sunday, the day before I left, we had wild goodbye fucking.

When I arrived home on Monday afternoon, I found mom and Alex starving for my cock. I had missed them too. I had to fuck them right away. I fucked mom first.

Mom took me to her room. We attacked each other like long-lost lovers. Our mouths crushed each other, and our tongues dueled like foes before laving each other lovingly. Meanwhile, we groped each other, tearing clothes off.

When I finally cupped her bare pussy, she shuddered. Her pussy was already drenched, and my cock was rock hard. My cock slid into her pussy effortlessly, and we started fucking without any foreplay.

"Yes, finger my ass," she breathed urgently when my fingertips teased her asshole.

She came before my finger was all the way up her ass. I did not release her until she came again, drenching my cock and balls. I already had two fingers in her ass. I pushed her onto the bed and pushed her legs over her head. She promptly guided my cock into her ass.

"I want to fuck you and Aunt Michelle together," I said, just after she gasped when I slipped my cock up her cock-starved ass.

"Like you did to your cousins?" she moaned. "That would be really hot."

"So you already know about what I have done with my cousins?" I asked.

"Your mom has to know all about your achievements," she said. "It's my duty to stand by you and my right to be proud of you like I am now. You fill me with pride just like you fill me with cock."

Poor Alex had to wait to the evening, but she got to spend the night with me. When our lips met, she guided my hand to her pussy. Before we broke the kiss, she was coming all over my fingers. I ate her pussy through another orgasm to calm her down a little. She was so horny and receptive I had to take advantage of her and fuck her hard and wild like I had never fucked anyone before. She loved it, coming more than ever.

All that bliss started with doing my cousin a favor. My belief had always been that being good is its own biggest reward. That belief never failed me.

The End

Virgin Mary

My aunt needed my help for her little daughter that was not interested in boys. She was so desperate she was going to give me any reward if I succeeded. I naturally did it for my cousin, not for the reward. My aunt did not believe that I succeeded, so I let her hide and watch. She insisted to give me my reward, and I insisted that I did not want any.
