Oh My! Just like that and I'll...Oh!

Are you close?

Yes! Verry...Cloo...Oh God! I'm Gonna! I'm Commming!

Wow.

Ahhh! Ahhh! Ahhh! Holy Fuck! Whew! That was awesome!

Do you like it like that?

Oh yes! It's incredible. Makes me wonder why we haven't tried this before.

You like it better than when I...?

Oh Honey! This is...Oh...Ugh...so different. I love how your beard tickles my pussy lips!

Okay. Now tell me why you're still wearing your bra.

I got distracted, I guess, should I take it off?

Yes.

Okay, there. Better?

Yeah. It looked out of place. It's the only piece of clothing not on the floor.

Oh. Ah. How can you do that and still talk. I can barely concentrate.

I'm focusing on not getting too close. I'm having too much fun to come yet.

So what's so nice about this?

I love watching you come,; you're more beautiful than ever.

Wow, thanks. I love watching you too. We can watch each other so well like this. Umm, that's nice, right there.

You like to watch?

Yeah. I love to look at your cock. It's beautiful.

Thanks.

I really like to watch it go in and out. Uhh. Hmm. It gets all shinny with juices, and I like how it pushes its way in.

It is a nice sight. You like the view from where you are?

It's perfect. How's it feel in there?

Wonderful... nice, tight and slippery.

Yeah, my pussy's soaked.

I have to be careful...keep from getting too close.

Talking help?

Yep. My God you're beautiful. I love your breasts.

I love to have them touched.

Like that?

Just like that. Ahh. Keep it up and I might come again. You should come soon, so we can try something else.

Maybe. I like doing this. Watching you watch me.

Hmm. Oh, yeah do that. That's nice.

Like this?

Yeah. I like when you almost pull out as you fuck. Your cock rubs my clit as it goes back in.

Like this?

Yeah. Out far enough that we can see your cock head. Yeah, just like that--nice and slow and long. Ohhhh.

That feels great. And I like the reaction it causes.

Yeah, me too.

I'm glad we did this.

Me too.

Really?

Yeah. I'm glad we brought her into our bed.

Yes. Very much. Umm. Whew. I'm might just come soon.

I think you like her pussy.

As much as you like sitting on her face, and she can reach your boobs.

How are hers? You haven't taken your hands off them in a while.

They're nice, and it's an easy place to rest my hands. Almost as nice as yours.

Don't feel you have to say stuff like that just 'cause I'm letting you fuck her.

I'm letting her eat your pussy.

She's not eating my pussy right now.

She's not?

No. You know how I get after I come.

So she's...?

She's rimming me. You can't tell?

I didn't expect her to do that.

Yeah, and know what?

What?

She'll want you to fuck her in the ass after you're done with her pussy.

Is that before or after I fuck *your* gorgeous ass?

My naughty boy. I like how you think. Now hurry up and finish. I want you to come in my mouth.

She might not want me to take it out.

She can deal.

Will you two just shut up and fuck?!?
