Marty and Sarah – After the Prom

By Megan

Straightening out the quilt on the back seat of the stretched black limo after the prom, Sarah leaned back and pulled up her gown. Slowly, she slid down her white glittery pantyhose and then silky panties underneath. Smiling at Marty she placed her hands on her knees and spread her legs wide apart.

Ever since Sarah and her friend Courtney had played some after-school sex games with him on a dare, Marty had

been hoping for another chance to savor her delicious pussy. And now it was in front of him, just a few feet away, waiting to be devoured.

“I’ve been waiting all night to have you eat me Marty. Do me like you did at Courtney’s house. Please?”

Marty got down in between her thighs and pushed her pussy lips apart with his thumbs. Her pink tunnel glistened. Inhaling her girlish aroma, Marty began to lick her clit gently, teasing its tiny hardness out from under the flap of skin where it hid.

Sarah’s juices were flowing and a wet spot was quickly forming on the quilt under her. Marty flicked his tongue back and forth, paying special attention to the sensitive patch of skin just below the bottom of her slit. He remembered how much she liked it when he did that. Sarah moaned gently and ran her fingers through Marty’s hair.

He also recalled how much he liked her taste and smell – Courtney smelled stronger and didn’t taste as nice. He had stolen the pillowcase from Courtney’s house that Sarah had gotten a wet spot on and hid it in his closet, far in the back so his mom wouldn’t accidentally find it and wash out the precious aroma. Since then, whenever Marty needed to get a hard-on to jack-off with, he’d just sniff the pillowcase and he would spring to attention instantly.

But the taste and smell of Sarah's pussy was not Marty's main objective this evening. He had other ideas. But he knew that he needed to "warm" her up a bit before he made his move.

Sarah let out a deep sigh and her legs went limp.

"Oh Marty, I just had the best orgasm ever, even better than the one you gave me at Courtney's house. But I want another. Think of something special that will give me a really, really big one."

"Well I did have a special treat in mind for this evening." Marty said admiring Sarah's half-naked body.

"Like what?"

"You'll see."

Marty got up and removed a small tube of lube from his tuxedo jacket and gently coated his finger with it.

"What are you going to do," Sarah squealed.

"Well I'm going to start by fingering that sweet ass of yours while I lick your clit again. And when you are nice and open I'm going to fuck that virgin asshole of you with my rock hard cock."

“I’ve never had a finger or penis or anything up my ass before, you won’t hurt me, will you?”

“No, I’ve been planning for this day for ever. I’ve wanted to explore your bottom since the day you dared me to lick your butt-hole. I’ve jacked off so many times dreaming about it, I lost count.”

“I kind of thought you might. I didn’t think a guy would want to put his tongue on a girl’s poop chute, but you really got into it. I really liked it and I actually wished you’d at least have fingered it then and there!”

Marty had Sarah pull her knees back by placing her hands behind them. The girl’s fuzz covered pussy and pink puckered asshole was clearly visible and all of the skin surrounding them was shiny from a combination of Marty’s saliva and her percolating wetness.

Marty began to lick Sarah’s slit again, pushing the lips from side to side with the tip of his tongue, and then placed the tip of his finger at the very opening to her ass. Pressing gently, her hole resisted and then opened slightly. As he pressed harder there was some additional resistance but the more Marty licked, the more relaxed Sarah became and soon his finger was slipping deliciously deep into Sarah’s body.

The sensations were almost overwhelming. Sarah squealed and bucked her hips.

“Oh finger me good Marty. I can’t wait to have all of you in me fucking my ass so good. I love how it feels. I want to make Courtney so jealous!”

Marty began moving his finger in and out, taking care to let the lube do its job. Satisfied that a her ass was responding, Marty went back to work, licking and sucking on Sarah’s clit. She squirmed and her ass gobbled up Marty’s intruding finger lustfully.

Soon Sarah’s asshole was open wide and ready to receive Marty’s cock.

Wiping the lube from his hands, he undid the tuxedo pants and slid them off. He had worn black bikini underwear and his erection made them tent straight out. Sarah reached out and pulled them off.

“Can I suck you Marty? I want you as big and as hard as I can have you when you get in me.” Sarah asked.

“Just for a minute.”

As much as he wanted to deposit his load in her bottom, Marty really wanted to cum in her mouth, something they hadn’t gotten to at Courtney’s house. As she sucked and stroked his shaft he imagined the spurts of cum splashing the back of her mouth and oozing out the sides.

Worried that he'd spew before it was inside her ass, Marty gently pushed her away.

He carefully lubed the full length of his hard shaft, already slippery from the mixture of saliva and pre-cum, and placed an extra wad on the tip.

Returning to Sarah, he placed the tip at the opening of her ass and gently pressed it. Sarah groaned as the head of Marty's cock pushed past the opening and started filling her up. Grasping the shaft with his hand just above his balls, he slowly guided it deeper and deeper into Sarah.

"Rub your clit for me Sarah, make your ass open all the way up to me."

Sarah slipped a finger into her goey pussy and rubbed her swollen clit in a circular motion. Her asshole relaxed more and Marty's cock was now in her up to the hilt.

"I'm going to fuck your ass now Sarah, I'm going to fuck it until I spill my wad into you."

With that Marty began to fuck her in and out balancing himself with his hand on the back of the seat. Sarah placed her feet on his shoulders and took the full force of his penetrations.

“Oh fuck me, fuck my ass as hard as you can. I want your cum in it, fill me up, make me burst.” Sarah cried out.

Marty pumped her harder and harder, slipping in and out of the snug anal embrace on his shaft. Sarah was at the verge of a major orgasm. She yearned for Marty to drench her bowels with his sperm and to make her pussy explode with an orgasm at the same time. It was just the kind of cum she had been hoping for.

Marty tried to restrain his cum by imagining Courtney’s expression when Sarah described her first ass-fucking. Sarah hadn’t been his first choice for a prom date, Marty had really wanted to treat Courtney’s virgin hole to his probing but she had accepted another invitation before he could ask her.

But Sarah was just as nice and Marty couldn’t wait to fill her dirty cavern with his snowy white ejaculation.

“Oh fuck Marty, I think I’m gonna cum.”

“Cum for me Sarah. Don’t hold back. Show me what a good cummer you are. As your reward I will give you the biggest load ever, oh god.”

Marty couldn’t hold it any longer and he unloaded massively into Sarah’s ass. She could feel the hot liquid

spewing against her insides and his cock throbbing with each spurt. It seemed to go on forever.

Sarah came. It was a wonderful earth shattering electrifying cum. Her asshole clamped tight around Marty's cock, milking the last drops of his semen from it. Her pussy opened wide and she released a little spray of girl ejaculation onto Marty's chest.

They hugged and kissed; wrapping their tongues together while Marty's cock remained buried deep in Sarah's bottom.

After a few minutes Marty slowly withdrew his softening cock from her body.

"You sprayed me Sarah, I've never seen a girl cum like that. Good girl. I think I rewarded you well."

"I've never done that before. Oh and yes, I could feel you filling me up with your cum, it was the best reward a girl could have."

Fishing around in the drawers in the limo, Marty found some paper towels and gently wiped his penis. Sarah smiled as he cleaned up. His cock was still hard.

"I think I owe you something special too, Marty." Sarah said.

“Like what.”

“Well, I know you’d like to cum in my mouth and have me swallow it.”

“Oh yeah I would.”

“Well, um, I’m not sure I want to put your dick in my mouth tonight. I mean after all it might have, you know what on it.”

“Yeah I guess so.”

“But I’ll jack you and when you’re ready, you can shoot it into my mouth and I’ll eat it. Would that be okay?”

“Fuck yeah it would.”

Sarah reached out and took Marty’s cock in her hand and began to gently stroke it up and down, while cradling his balls with her other hand. A small drop of pre-cum oozed out almost immediately and lubricated the tip.

After a few minutes, Sarah asked, “Marty, would you like my finger up your ass? Courtney and I read somewhere that guys really jizz big when they get fingered there.”

“Oh Sarah, please do it.”

Sarah took the lube and coated her finger. Still jacking Marty with one hand she slipped her hand under him and felt around for his boy hole. Finding it she started to wiggle it in. It hurt a bit but Marty didn't want to say anything. The image of Sarah's finger probing his ass was too good to risk ending.

“Go deeper Sarah, I'll tell you when to stop.”

Finally Sarah's fingertip landed on the soft surface of Marty's prostate gland. It burned a bit.

“Stop, now just rub that spot gently.”

“Is that your prostate gland.”

“It's prostate. But yeah that's it.”

Sarah stroked his shaft faster, rubbing the sensitive head with the flat of her palm. Clear pre-cum flowed coating it. Sarah touched her tongue to her hand to taste it.

“Is that pre-cum?”

“Yeah.”

“Tastes okay.”

“God Sarah this is like the best handjob I’ve ever had – it’s better than the one you gave me at Courtney’s. How did you get so good.’

“Courtney and I looked at that boys site Jackingworld.com and practiced some of the jack-off techniques using a banana. So I’m doing okay?”

“Fuck yes.”

He could feel his balls starting to tighten. “Sarah, let me finish this, open your mouth and let me shoot into it.”

“No I want to finish it. It’s my special treat. I can jack you and not miss my mouth.”

She opened her mouth and pushed out her tongue, squeezing his cock and stroking harder and faster.

“Come on Marty, feed it to me. Just like you wanted to the other day.”

Marty strained to get his cum to rise.

Sarah soon realized that Marty needed a little extra help and she placed the tip of his cock on her tongue and began to tickle it. It was all that Marty needed.

While his ejaculation wasn't as powerful as the last, it was every bit as massive.

The first spurt drenched her throat and mouth. The second coated her tongue and the third hit her face just below her nose and dripped down onto her lips. She closed her eyes and swallowed.

It wasn't delicious, but it wasn't bad. She was proud of herself having swallowed her first mouth cum and unless Courtney had given her date a blowjob that evening she was way ahead of her – anal and oral in the same night.

“How do I taste?”

Sarah leaned over and kissed Marty, pushing a small amount of his cum onto his tongue.

“Now lick it off my nose.”

Marty eagerly complied, cleaning off Sarah's nose and lips. He had never wanted to try his own juice before, but he couldn't say no to Sarah – besides it didn't taste that bad and he figured that if he wanted her to keep swallowing his cum he had to at least show he could do it too.

“So, what did you think?” Sarah asked.

“Not bad. I'd do it again.”

Sarah paused for a moment and smiled. There's one place left you haven't cummed in yet, and there's still some time left before I need to be home. I'll make a deal, you have a taste and I'll let you put it there."

"You want me to eat you after I cum in you?"

"Yes. Is it a deal?"

"I'll let my boner do the talking."

Marty slid next to Sarah on the quit and motioned for her to squat down on his cock. She climbed on and he slid into her. Sarah squealed as Marty's cock took her virginity, but the feeling of him deep in her belly soon took away the pain. She began to ride him hard pushing him in as deep as she could get him.

"Fuck me Marty. I wish Courtney was here to see this. And she thought she'd be your fuck toy first. I bet she didn't even get a good fingering tonight!"

But Marty wasn't even listening; he was concentrating on boiling up another load for Sarah.

"I'm almost there Sarah"

He reached behind and slid his finger into her ass, which was still lubed from the earlier fucking. He could feel his dick pumping inside her and the sensations overcame him. Pulling Sarah down hard on his shaft he shot into her womb.

As soon as he had finished, Sarah got off and pushed him down on the seat.

“Open your mouth Marty.”

Marty obeyed. Sarah squatted over him and let his cum mixed with her juices drip out of her pussy and onto his lips.

“Taste good?”

It was much more pungent than his cum or her pussy juice was alone. But now it was Marty’s turn to share. He kissed Sarah and slid the mixture onto her waiting tongue.

“Now that was sexy.” Sarah exclaimed. “I just hope my mom or dad doesn’t smell me before I get into the shower tonight.”

“Yeah, that would be a problem.”

“I love you Marty. But I think I’ll need to share you with Courtney too. I always get to do things first with you

though. I still haven't given you a blowjob. You can't let her do that before I do."

"I think I can handle it."
