Chapter 6

Justin and Judy were locked in a passionate lovers kiss and embrace. He had his hand down at her pussy and was playing with her deep and she had her hand wrapped around his dick. They were both lost in the moment and there could have been an explosion beside them and John didn't think they would even notice. June asked him if he liked what he saw and he told her he was so happy the kids had decided to fuck and for Justin to take Judy's cherry. If they hadn't he probably would have ended up raping Judy and he looked at June and said she would have done the same to Justin. She could only nod her head in agreement and watch the kids. Finally Justin broke off the kiss and held Judy's head in his hands and looked into her eyes and told her she was the most beautiful woman he knew and asked if he could make love to her. She told him to fuck her and to not be too gentle as she was so horny she didn't think she would feel him break her cherry anyway. She pulled him on top of her with his dick and helped him line up. As soon as his dick head was just inside, she let go, grabbed his ass cheeks and told him to shove it in. He

did, she let out a scream that hurt everybody's ears. He bottomed out and she held him tight, not allowing him to move. After a few seconds, she was starting to feel better and loosened her grip on him. He looked her in the eyes and told her he was sorry he had hurt her she told him to shut the fuck up and kissed him. She grabbed his ass again and as best she could she pulled him back and then shoved him forward. He quickly realized what she wanted and started the in and out motion of fucking her. They started fucking slowly and pretty soon they were fucking each other so hard, June was scared Judy was getting hurt. Judy told John her concern and he told her he didn't think it would cause any permanent damage but she could check when they were done. The kids fucked for almost 20 minutes and Judy had come so many times everybody lost count. Justin finally announced to the world he was going to cum and Judy begged him to cum in her pussy. He started to cum and it with such force that Judy screamed she could feel him cumming and how much she loved it. Justin came so much that it oozed out from around his dick and dripped down through her ass crack to the bed. He was finally done cumming and his dick went soft and started to fall out of Judy's pussy. June noticed him falling out and went to the kids.

June put her hand on Justin's shoulder and told him what a wonderful lover he was and she was amazed at how long he lasted. He finished pulling out and fell to his back, breathing hard, beside Judy. June saw the mess they had made in Judy's pussy and could not resist burying her face between her daughter's legs and cleaning her up. After a couple of seconds, she looked at John and told him Justin needed cleaning also. June went back to sucking Justin's cum out of her daughter's pussy and played with her clit at the same time. She decided she would be eating Judy on a regular basis from that day forward, if Judy would have her.

John licked his son's dick and soon he took his dick into his mouth. Justin reached down and held onto John's head and said to his dad that he could suck his dick anytime he wanted to as

it felt so good. John took his mouth off long enough to tell him that he tasted pretty good too and would love to suck him anytime.

The two parents cleaned up their children and after a few minutes they switched so John was eating Judy and June was sucking Justin. Both of the kids became turned on once again and looked at the parent they were with and asked them to fuck them. Both John and June we also turned on and John asked June if it was okay if he fucked Judy, she told him only if it was okay if she fucked Justin. John got between Judy's legs and told June to climb on top of Justin and they could all fuck side by side.

John looked down at his daughter and told her how much he loved her and thanked her for allowing him to have sex with her. She told him she loved him also and she was so excited to have sex with him. She said she loved the feel of Justin's dick in her and couldn't wait to feel his. She begged him to take her as she was so horny from him and her mom cleaning her up after Justin had fucked her. She reached down, grabbed his dick and lined it up with her pussy. As soon as John felt her pussy lips separate, he slowly entered her. She begged him to shove it in but he told her she might be sore from her time with Justin, after all it was her first time. He soon bottomed out and relaxed enough for her to get used to being entered again. He asked her if she was okay and she told him she was more than okay and loved the feel of him inside her. She told him she was ready and she was not sore at all. He started slowly fucking her as he wanted both of them to enjoy it.

June and Justin watched and listened to Judy and John. As soon as John had entered Judy, June, being on top, looked down at Justin and asked him if he was ready to fuck the hole he came out of. He told her he was more than ready and pulled her face down to kiss her. As they were kissing he reached down to feel his mom's pussy. He found her to be so wet with excitement,

when he stuck a finger in it felt like he had stuck it inside a water balloon. She sat up and leaned back giving him better access to her pussy. He played with her clit and finally she couldn't stand it any longer and told him to lift his dick straight up and as soon as he had she sat down hard. She moaned as soon as he entered her and broke out in a huge smile. She sat there for a second, savoring the feel, and then started moving up and down fucking herself. Justin thought to himself how much he had wanted to do this for so long and never thought it would ever happen. He reached up and played with her nipples and this caused her to moan again and she told him she liked the twisted and pulled also, but not real hard. He did as she asked and in less than a minute she screamed out she was cumming and begged him to fill her with his cum. This caused him to start cumming he was also so excited and turned on. As soon as June screamed she was cumming, Judy screamed out she was too.

Judy told her dad she wanted his cum in her pussy and after they were done fucking, she and her mom were going to suck the guy's cum out of each other. This brought John right to the edge of cumming and he blew hard and Judy told him she could feel him cumming and she started cumming hard herself. They continued to fuck and quickly slowed to a gentle in and out motion. Judy looked over at her mom, through out of focus eyes, and saw that she had fallen forward and was lying on Justin's chest. The entire family was breathing hard and trying to catch their breaths. Judy spoke first and told her mom they were going to eat each other.

June told her she wasn't sure she could move. She reached out for her daughter's hand and pulled it to her mouth. She kissed her hand and told her how much she loved her and how proud they were to call her and Justin their children. She was finally able to move and told John to get off his daughter and she crawled between Judy's legs. She turned around so her pussy was above Judy's mouth and lowered it to her at the same time she stuck her face into Judy's crotch.

Both women ate the other with gusto. It didn't take long and Judy was yelling out she was cumming once again. Because her pussy was still partially full of her dad's cum and she was extremely excited once again, she started squirting her cum into her mom's mouth. She continued to cum for quite some time and even though her mom's pussy was sitting on her face she could do nothing except cum. She slowly started calming down and remembered her mom and dove back in. She used her tongue and fingers to bring her mom off as she sucked Justin's cum out of her. She brought her to the brink and knowing that blowing into her mom's pussy would cause her to squirt, she blew hard into Judy and was treated with a shower all over her face and she was able to swallow some as well.

The guys sat there watching and were fascinated with the show. They each started getting hard and reached over taking the other's dick in his hand. They slowly stroked each other just enjoying the sensation and show. As soon as the girls were done cumming and separated, they sat up and saw what the guys were doing and asked them to do a 69 as well. John looked at Justin and shrugged his shoulders. Justin said sure why not. They got into position with Justin on top. They didn't need any further encouragement and sucked each other's dick down to the root in one smooth motion. They sucked each other and John reached up with his hand and started sticking his finger into Justin's pucker. Justin pulled his mouth off his father and told him to fuck him with his finger. John did just that and rubbed Justin's prostate causing him to cum down John's throat. Justin kept sucking his dad off and soon grabbed John's balls and squeezed gently. This caused John to cum in Justin's mouth and Justin fell to the bed. Both guys looked at the other and thanked him for the cum.

The girls applauded and Judy spoke up and asked them how soon before they were going to actually fuck as sucking each other off didn't count. John told her he couldn't think about

cumming or fucking for the rest of the day, he had cum more than he ever had in the past and didn't know when his dick would work again. He told the family he thought they should maybe think about getting something to eat as they had skipped lunch and they had been fucking so much he was famished. June told them it was guy's night to cook and she was fine with hot dogs. They all got up from the bed and went outside to prepare dinner. Nobody bother with cleaning the cum off and figured it was no big deal since they were out in the middle of nowhere.
