

## April's Shower

A re-imagining of the song "Little April Showers" from Disney's wonderful film "Bambi"

Cute and sweet  
little April Flowers  
Wearing a frock in the warm summer sun

Daddy loves  
his precious April  
What can compare with a cute little preteen  
smooth little girl, flat chested girl  
love her love her

Sun shines down  
on his little April  
She takes her dress off  
throws it away

Panties next  
and her smooth pudenda  
tempts daddy Mike now to  
stroke her and play  
with April's labia today

I wanna pee  
the twelve year old begs him  
While daddy fingers her slit and her clit  
Please, please, please  
I have to pee dad  
Mike says that she should just let it all flow

Drip, drip, drop  
April cannot hold it  
Her pussy pouts. Mike watches her pee  
Drip, drip, drop  
What a lovely sight now  
Watching her pee as it leaves her urethra  
Sweet golden shower

Mike loves a rainy day  
Loves preteen pussy play  
Feeling her waters pour  
Loving his daughter more  
How he loves her golden shower  
Pretty little pitter patter  
Strokes her pussy, feels her love lips  
Aching now for her vagina

Drip, drip, drop

down over his fingers  
Mike's cock is hard as he strokes April's slit  
Drip, drip, drop  
Lovely April's shower  
Pretty and warm nothing else can compare.

Drip, drip, drop  
Her flow is slowing now  
Daddy is happy he loves his small girl  
Drip, drip, drop  
Any time she wants to  
April can piss on her father like this  
Mike loves her piss...
