“Are you ready for tonight?” Doris asked over the phone.

“Oh, yes,” I said.

“I’ll see you after ten,” she said. “Andy will be asleep. He’ll be out of our way and we’ll be out of his.”

My relationship with Doris had started when she gave me an expensive present for my eighteenth birthday. The next day she took me with her to San Francisco to keep her company. When we checked into the hotel I thought I would sleep on the couch. I need not have worried, especially that we did not sleep much anyway after she had me rub her back. She had me lick her then she sucked me and had me fuck her in every way possible. By four in the morning I had come over twelve times in and on her hot body. We had been doing it a few times a week ever since but I would never forget that spectacular night. I had never thought older women could be that hot and wild. This would be my first time with her while her husband was home.

A few hours later I was knocking at her door. She gave me a big kiss and led me to the guestroom. She was wearing a pink robe.

“I see that you are very ready,” she said as she felt up my stiff bulge.

“How can I not be?” I smiled, giving her butt a playful squeeze.

“Would you like a drink?” she offered. “Pussy juice?”

“Sure,” I said.

“Help yourself,” she said standing before me.

I slowly undid her robe and took it off, laying a light kiss on her belly button. I cupped her crotch and gently squeezed her pussy through her thin thong. She gasped and started to moan and sway. I could feel the heat of her sizzling pussy.

“Not from concentrate, is it?” I said as I continued to squeeze her pussy.

“Oh, no,” she gasped. “You’ll squeeze it yourself to ensure quality and freshness.”

“I love the service here,” I said as I started to pull down her thong.

“Satisfaction is guaranteed,” she gasped as I kissed her pouting pussy.

“That’s what keeps me coming for more,” I said, pushing her to the bed.

Presents
A Nightingale Classic
The Tigress

Doris sat on the edge of the bed then lay back, leaving her feet on the floor. She parted her knees, offering her moistening pussy. I wetted my middle finger in my mouth then pushed it into her pussy. I finger fucked her slowly then increased the pace. Her wet pussy milked and leaked around my finger. She moaned and humped my finger. I removed my slick finger and used its tip to tease her stiff clit. She squirmed and gasped as I continued to tantalize her clit, occasionally dipping in her pussy for extra lube.

Kneeling between her legs, I nudged her knees further apart then dived into her pussy. I ate her like the hundreds of times I had done before. Several minutes later she was convulsing violently and gushing her tasty juices down my eager throat.

I gave her time to catch her breath while I showered her inner thighs with kisses. Then she turned around and let her head hang off the edge of the bed. I pushed my cock into her open mouth. She pulled me deeper into her mouth and started to suck. I fucked her throat while treating her pussy to another licking. I worked some of her leaking juices into her asshole. She finally let go of my cock and gushed again in my sucking mouth.

I left her pant for air with her air hanging upside down and jumped between her legs. I drove my hard shaft all the way in her hot and juicy pussy in one smooth stroke that made her grunt and swing her head up. She wrapped her legs around me and tossed her head from side to side while we fucked passionately. The bed squeaked and her pussy leaked as our bodies humped and bumped each other for over fifteen minutes. At the end Doris grunted and convulsed as she shoved her gushing pussy into me.

Before her orgasm ended, I flipped us over onto the other end of the bed, getting her on top. I gripped her hips and thrust wildly into her still twitching pussy. That kicked her into a new orgasm. I continued to drill her fluttering pussy until she collapsed on top of me. I started to finger her asshole while she recovered.

Doris kissed me and stuck her tongue down my throat. While we kissed she reached back and guided my cock to her asshole. She broke the kiss and gasped as she thrust her ass down my cock, swallowing my entire shaft swiftly. She lowered her mouth to mine and we resumed kissing as she worked her horny asshole up and down my stiff shaft.

"I want you to come deep in my ass," she smiled as her asshole continued to milk on my cock exquisitely.

"Come for me first," I whispered, meeting her ass stroke for stroke.

"I will," she said, raising her upper body as she extended her arms.

She held my eyes with hers and started to bounce her ass hard and fast. I grabbed her waist and thrust into her vigorously. A minute later she started to come and I followed suit. Her asshole expertly and thirstily drained my spewing come. Her asshole continued to milk on my softening cock even as we kissed afterwards. She finally broke the kiss and pivoted around.

"We need to be cleaned up," she said as she lowered her pussy onto my mouth and her mouth onto my cock.

I lapped up her copious juices as she licked my cock and balls clean. Then I spread her ass and started to lick and probe her anal cream pie. Her asshole opened up and my come started to dribble into my mouth. I pushed my tongue deeper to open her asshole wider and sucked harder.

Soon, her ass was squeaky-clean. I pushed her ass off my face and she turned around and kissed me on the mouth. I rolled her under me and dribbled all the come into her mouth. She sucked eagerly then stuck her tongue into my mouth for more. We kissed some more and wrestled on the bed.

"Do you know why you are here tonight?" she said, stroking my hardening cock. "This late?"

"No, I don't," I said.

"Midnight is a few minutes away, then Lynn will be eighteen," she said, still playing with my cock. "I want you to be my present to her and make her a woman. Would you do that for me?"

My cock twitched in her hand and became harder than steel.

"Do you really want me to do that?" I asked in disbelief.

"Yes," she said. "I've always promised her this would be a very special night for her. Can I depend on you?"

"Have I ever let you down?" I said.

"I knew you wouldn't," she smiled. "Let me gift-wrap you. She must be waiting."

Doris retrieved three flowery sheets and a very long ribbon. She wrapped the first sheet around my legs, the second around my head and upper body and the last one around my midsection. Then she tied the ribbon around the last sheet. My sight was totally blocked, but I could breathe.

"Remember that she is a complete virgin," Doris said. "Your responsibility is to turn her from an innocent angel to a horny slut, gently and smoothly. I want her to love sex as much as I do. Do you understand what I mean?"

"Yes," I said.

"Let's go," she said as she carried me on her arms.

She left the guestroom and walked a little then I heard soft knocking on the door. The door opened.

"Happy birthday, Lynn," I heard Doris say as she walked in. "This is my present to you."

"What is it, mom," asked Lynn excitedly as Doris gently deposited me onto the bed.

"Come here and feel," Doris said.

Then I felt a hand feel up my stiff hard-on.

"What is this?" Lynn said as she continued to tentatively squeeze my cock.

"It's a man," Doris said. "He's going to make you a woman."

"Who's he?" Lynn asked.

"Unwrap your gift," Doris said.

I could feel the ribbon get untied and pulled off then the sheet around my midsection was removed.

"That's enough for now," Doris said.

Then I felt Lynn's hand cautiously touch and stroke my cock.

"Kiss it and lick it," Doris directed.

Lynn licked the underside of my cock cautiously. My cock pulsed against her tongue.

"That's it," Doris encouraged. "Now take the head into your mouth and suck it like a lollipop."

Lynn took my cock head in her mouth and started to suck on it tentatively.

"Take it in and out," Doris directed. "Do it slowly and keep your tongue working around it." She waited until Lynn carried out her suggestions then continued her directions. "Take it as deep as you comfortably can. Take it easy and always remember that your goal is to enjoy your lover and yourself."

Lynn experimented with my cock as she tried to carry out her mother's directions. Her ministrations obviously were not impressive but they were enjoyable.

"Let me show you how I would do it," Doris said. "Start like a lady admiring a fine piece of art, slowly and sensuously. Give it time to fully wake up under your tongue."

Lynn let my cock out of her mouth and seconds later my cock was treated to her mother's familiar and exquisite mouth. Doris first did some tongue acrobatics to my shaft and cock head then she started to nibble on my cock head. Several seconds later, she took the head in and started to drool on my cock as she sucked it in deeper.

Lynn could not see what her mother's tongue was doing to my cock. She could only see her mother's mouth go up and down my shaft a few times, increasing the depth every time, and then take my cock all the way down to my balls. Doris deep throated me for a couple of minutes. By the way she moaned I could tell she was enjoying herself and so did I. Finally she let my cock plop out of her mouth.

"Wow, mom!" Lynn exclaimed. "How do you do that?"

"You'll learn in due time," Doris said. "If you enjoy it you are going to be a great cock sucker. Now I am going to blindfold you and let you suck him while I unwrap the rest of him."

A minute later, I felt Lynn's mouth take my cock head in and started to suck every so gently and slowly. Meanwhile my legs were set free then my upper body was unwrapped. I could see Lynn for the first time that night.

Lynn had been my girlfriend, but her mother had made me promise her on our night in San Francisco that I would help her daughter remain virgin until she was eighteen. Lynn and I kissed and

petted, but had never had oral or penetration sex. Her mom had been keeping me busy and content. I knew I was having the best sex anyone of my age could.

Lynn was dressed in animal print hot pants and a matching halter-top. Her eyes were blindfolded with a matching band. Her outfit was so thin and tight it outlined her pussy lips and stiff nipples. When I traced her pussy lips through her hot pants she shivered and gasped sharply. She was so excited I could feel her heat through her bottoms. She looked like a wild animal ready to be tamed. My raging hard-on was ready to ravish her virginal but eager orifices. I felt up her butt while she continued to suck on my stiff shaft.

Lynn continued to suck on my cock as I tickled her pussy and anal area through her hot pants. I gently pulled her astride my head. I felt up her ass thoroughly through her pants. I started to slide my fingers up the leg openings and stroke her bare ass cheeks. Then I held her cheeks and massaged her pussy with one thumb and her anal area with the other. She gasped uncontrollably.

I unrolled her onto her back and started kissing her face lightly. I teased her lips with my tongue tip. I removed her top and teased her tits all over except her nipples, driving her nuts. After a few minutes of that, I sucked her erect nipples a little.

"You are going to be pampered like a queen," I whispered in Lynn's ear. "Then you are going to get fucked like a whore."

She shivered.

"That's right, sweetheart," Doris said. "Tonight you'll get to indulge in carnal pleasures and delights and be a little whore. Maybe you'll take after your horny mom and become a real slut. Maybe you already are. Let go and enjoy your first birthday as a young and real woman."

Returning to her nipples, I licked them a little and soaked them with my drool. I straddled her chest and teased her nipples with the tip of my cock. I massaged her tits with my cock then took my cock to her face. I brushed her face and lips with my cock. She stuck her tongue out and toyed with it.

She tried to suck my cock into her mouth, but I did not let her. I just gave her the head and let her nurse on it for a couple of minutes. She tried to hold my cock, but I pinned her hands to the mattress. Later, I thrust gently, fucking her mouth with the first quarter of my cock. She moaned quietly as her stretched lips massaged the end of my shaft. Finally, I put my hand on her forehead, holding her head down as I ever so slowly withdrew my cock from her reluctant mouth. I let my cock head linger at her lips a little, brushing and teasing. She extended her tongue and teased my cock back.

Replacing my cock with my tongue, I kissed her gently. While she sucked on my tongue, I put my right hand between her legs and squeezed her excited pussy through her wet pant crotch. She humped my hand urgently, but I kept the pressure teasingly light. Her pussy was ready for cock, but was not going to get it soon. I started to tease her pussy lips with my fingertips, making her gasp and squirm. Meanwhile, Doris watched approvingly while she toyed with my cock to keep it hard.

When Lynn was about to go crazy with desire, I rolled her over. While teasing her neck and earlobe with my tongue and lips, I started to stroke and tickle her tight ass through her silky shorts. I teased her ass crack, getting very close to her tormented pussy. She moaned and pushed her ass up as I concentrated my teasing on her asshole. I stroked and played with her ass for a long time, drawing her attention to the pleasures beyond her pussy. Her mom continued to play with my cock.

Lynn's hopes went too high when she felt my fingers pull on the elastic waistband of her hot pants. However, I was not going to pull off her shorts just yet. I pulled her waistband back up then pulled it down a little more. I slowly worked her waistband down then up several times punctuated by light strokes to her crotch or ass. She finally got to sigh in relief as I yanked her shorts off, leaving her totally naked except for her blindfold.

After all that teasing, she did not feel any shame as I raised her ass and parted her knees, arranging her in a position that exposed her pussy and ass outrageously. Maybe her blindfold did not let her feel how naked and exposed she really was. Her virginal orifices looked so fresh and ripe, silently screaming to be taken. As much as I wanted reap them, I wanted to make it a memorable experience for her. My cock head

was dripping, but I had a duty to do. After all, her mom had been extremely good to me. A light swipe of my tongue tip along her dripping pussy lips made her gasp and jump. She tasted fresh.

“You are very beautiful,” I complimented softly, guiding her hands back to her ass.

Under my guidance, Lynn spread her ass for me, very lewdly exposing her virgin pucker. I wanted her to get used to offering her ass for sex from day one. To make my point, I lowered my head and tickled her asshole with my tongue tip, making her gasp. Her inexperienced asshole clenched shyly. I let it alone for a few seconds then returned to teasing it with my tongue. She gasped a few times then started to moan as her asshole warmed up to the new ministrations. She moved her ass subtly against my tongue.

After getting a little taste of her asshole, I let my tongue move down to her drenched pussy. Although she was not in the best position for pussy eating, it was not hard to work her pussy to a good orgasm. I started with teasing her pussy lips and clit, lapping up her juices, for a minute. She really humped my tongue. I spent less than five minutes eating her pussy to build her orgasm. Finally, I held her elbows tightly as I lashed her clit through a violent orgasm. She screamed as she gushed in my mouth,, convulsing wildly. I gently licked her copious juices as she recovered.

She lay flat on her stomach. I lay on top of her, letting my hard shaft nestle between her ass cheeks. I humped her ass gently and she humped back.

“You taste so delicious,” I whispered. “My cock is anxious to taste you.”

We kissed lightly, building up into a gentle tongue kiss. We broke the kiss and I returned to her ass. I licked her asshole gently. She started to moan and, soon, reached back and spread her cheeks for me. In a couple of minutes, she was back on her knees, her ass thrust out for maximum access. Her asshole started to relax under my tongue. I massaged and teased her anal pucker with my tongue patiently, feeling it open up slowly. I did that for a long sweet time. Her asshole started to suck on my tongue tip. Doris meanwhile was fingering herself.

Lynn moaned and humped my tongue eagerly, opening her ass as wide as possible. My tongue started to fuck her ass and she responded wildly. Holding her by the hips, I stepped up my lingual attack on her receptive asshole. She bucked her ass as if I was tonguing her pussy. Her orgasm approached and my tongue started to go stiff. It took all of my willpower to keep going until she started to come, but it was worth the effort.

She convulsed and her asshole twitched around my tongue. I continued to lick her asshole until her orgasm ebbed. She collapsed to the bed and I went to lapping her juices off her drenched pussy. Doris grinned contentedly.

While kissing Lynn, I rolled her onto her back. I switched my mouth between her tits until she started to squirm. Then I straddled her and pushed my leaky cock into her mouth. I let her suck on it for a few minutes, gently fucking her mouth and letting her sip my leaking fluids. Two thirds of my cock was as much as she would take comfortably in her mouth, but I enjoyed fucking her inexperienced mouth and stretching her formerly innocent lips around my shaft.

Pushing Lynn’s knees against her chest, I took my position before her virgin pussy. Doris squeezed some cream out of a tube and proceeded to apply it to Lynn’s pussy, reaching inside with her fingers. She then knelt behind me and held her daughters’ feet. Lynn gasped as I brushed my cock head over her wet pussy. She looked a little nervous though. I rubbed her pussy with my cock head for a minute, getting both her pussy and my cock head soaked with her juices.

Leaning forward, I held the base of my shaft in one hand and started to thrust gently into Lynn’s pussy without entering her. After a couple of minutes, she started to respond and push back as her desire and heat increased. When her orgasm was imminent, she moved a little more violently, but her mom held her feet firmly. When her orgasm hit, I thrust my cock in, breaking her in. She grunted in pain, but her orgasm did not stop. As she convulsed, I pushed my cock farther and farther inside until my balls pressed against her ass, doubling the force of her orgasm. I fucked her gushing pussy with short fast thrusts until her orgasm died completely. Doris moved aside. When I looked at her, she smiled and gave me the thumb-up sign.

“Happy birthday, sweetheart,” Doris said to Lynn.

“Thanks, mom,” replied Lynn.

Lying on top of Lynn, I gave her a minute to recover then I resumed fucking her with short but deep strokes. She was really hot. She picked up the pace quickly and, soon, was heading to orgasm. I made her come four more times. When she recovered from her fifth orgasm on my cock, I rolled us over, getting her on top.

“Ride his cock, baby,” called Doris. “Get yourself fucked.”

Lynn started to bounce. I paced her, moving her in longer strokes. She soon was bouncing on my cock like there was no tomorrow. I raised my head and captured an erect nipple of hers. She came on my cock in no time. While she recovered, I fucked her gently, kneading her ass. She recovered and started to ride me again. I tickled her asshole with my middle finger. Seeing that, Doris drooled onto her daughter’s asshole. I teased Lynn’s asshole a little more then popped my finger tip in, making her gasp. As she continued to bounce on my cock, I proceeded to fuck her ass deeper and deeper with my finger. That made her bounce wilder. Soon, she was coming on my cock, her pussy gushing on my cock and her asshole sucking at my finger.

Lynn and I kissed as her pussy milked on my cock. Lynn was sucking on my tongue when her mom removed her blindfold. When we broke the kiss, Lynn saw me.

“Nick?” Lynn said in shock.

“Happy birthday, baby,” I said.

“Thanks, Nick,” she said and resumed kissing me.

Doris guided Lynn off me. She helped her daughter wash up while I washed up in a different bathroom. My cock was fresh and ready for more. I lay in bed, waiting for the others. Soon, Doris and Lynn returned.

“We’ll let your pussy rest while we introduce you to other sensual delights,” Doris said to Lynn. “You’ll never forget today. Lie back and enjoy.”

Lynn lay back. I licked her clit a little then went straight to her asshole. Her mom helped her pull her legs all the way back. Soon, Lynn was moaning and spreading her ass for me.

“You still have a little hole to be deflowered,” Doris said.

“Mom, don’t you think his cock is a little too big for me back there?” Lynn asked.

“No, sweetheart, it’s not,” Doris replied. “It’s big but not too big and we are going to help you with it. We are going to prepare you gently and carefully. You are going to love every minute of it just like I did some twenty years ago and I didn’t have my mom to coach me through it right then. Just relax and have fun.”

Lynn’s discussion with her mom did not slow her from pushing her ass for more of my tongue. Her asshole opened up. I gave her two fingers to suck. Then I pushed one of those fingers up her ass. Using generous amounts of spit, I squeezed the other finger in. After a couple of minutes of swirling and twisting my fingers within her ass and working spit inside, I inserted a third finger. While I reamed out Lynn’s asshole, Doris played with Lynn’s tits and nipples.

I wanted to stretch out Lynn’s asshole neither so much that she would feel pain nor to the extent that would take away the thrill of inserting my cock there. I wanted her to be ready for my cock, but I wanted driving my cock up her ass to be challenging for both of us. I removed my fingers from her ass and probed her asshole with my tongue while I let her suck my fingers.

As I aimed my cock at Lynn’s asshole, her mom stroked my cock, spreading spit all over it. She drooled on my cock head and poised it at Lynn’s glistening pucker. I applied gentle pressure and Lynn’s asshole started to dilate under my cock head. My cock head sank slowly in as her asshole opened up gradually. I had to give a gentle thrust to pop my cock head past her sphincter. She grunted and gripped at my cock, her asshole tightly stretched around the end of my shaft. I rolled her clit with my thumb as her mom continued to tease her nipples. Several seconds later, I started to thrust gently, slowly advancing into

my girl's last refuge of virginity. She grunted softly as my thick shaft sank into her splayed ass, stuffing her rectum little by little.

When I was halfway in, I started to pump my cock in short strokes, slowly driving it in. She continued to breath in soft grunts until I made a hard thrust to drive the last inch of my cock up her ass. She let out a loud grunt as my balls pressed against the back of her ass. I was still playing with her clit when I paused for her to get used to the new and intense feeling. Her mom was still pulling at her nipples.

"You are no longer virgin anywhere in your body," I announced.

"That's right, sweetheart," said Doris. "You are no longer an innocent girl. Now, you are on your way to become a complete slut like your mom."

With that said, I started to gently bugger Lynn. Naturally, my thrusts got harder and harder as her ass got more and more used to my presence and my thrusts. It took several minutes for me to be able to fuck her with long smooth strokes without losing control. She moaned in joy, pulling her cheeks apart for me.

Leaning forward on my hands, I proceeded to take her with deep hard strokes, making her entire body shake with each thrust. Doris let go of her daughter's tits and started to play stroke my ass. Lynn was having a great time, every thrust driving her closer to orgasm. I picked up the pace and drilled her ass vigorously until she started to convulse in orgasm, almost throwing me off her. Her pussy juices leaked to where my cock was plugging her ass. I continued to pound her until her orgasm died completely, then I fucked her gently. We kissed deeply as I continued to stroke within her.

When we broke the kiss, I pulled out. I straddled her and pushed my cock into her mouth. She parted her lips and sucked my cock dutifully as I thrust gently into her mouth. I fucked her mouth for a couple of minutes then pulled out. I was still straddling her chest when her mom bent down and took my cock in her mouth. Doris deep throated my cock a couple of inches above her daughter's mouth. She allowed me to switch my cock between her mouth and her daughter's.

After that exciting cock sucking, Doris arranged her daughter on her hands and knees and let me kneel behind her. Doris drooled on her daughter's asshole and gently inserted one then two fingers in. She gently reamed out her daughter's ass for a minute. She took my cock in her hand and sucked my cock head, covering it in spit. She guided my cock head to Lynn's asshole and left it there. I pressed my cock head into Lynn's ready pucker then popped it in, making her gasp.

Doris watched as I held Lynn's hips and proceeded to thrust gently. Soon, Lynn was fucking back like her life depended on it. Our gentle fuck developed into a hard flesh-slapping ass fuck. A few minutes later, she started to lose control as her orgasm approached persistently. I held her hips tightly and drilled her vigorously. She convulsed in orgasm and her asshole went into an orgasmic fit.

"Come inside her," urged Doris.

Doris wetted a finger in her mouth then popped it up my ass. My cock started to twitch immediately, spewing thick come deep inside Lynn's sucking bowels. Doris took her finger out of my ass and sucked it. I continued to thrust in Lynn's ass until my cock went limp. She collapsed on the bed and I gently pulled my cock out of her well-fucked ass.

Lynn turned around and eagerly took my cock in her mouth. As she licked my sticky cock, her mother retrieved a small red silicone triple ripple butt plug from somewhere and aimed it at the relaxed opening of her daughter's come-filled ass.

"This butt plug will keep your ass ready and the come inside," said Doris. She spitted on Lynn's asshole then pressed the plug against her anal orifice. "You'll also love the full feeling when you get used to it."

I held Lynn's head against my cock as her mother pushed the plug in ripple by ripple. Lynn grunted as each ripple popped past her sphincter. When she finished cleaning my cock, I turned her around and inspected her plugged ass. Her asshole stretched tightly around the groove in the butt plug. I pulled at the plug base gently, making sure her sphincter held it securely in place.

"Hot ass!" I said as I slapped her on the ass.

"Lynn, we'll let you rest for a little while," Doris addressed her daughter. "You can watch Nick fuck me. We'll let you help with your mouth and hands to keep you hot and ready for more. Okay, sweetheart?"

"Yes, mom" replied Lynn.

"Why don't you come over and help me get him up?" called Doris.

Doris shucked her robe and was totally naked. She straddled my face, facing my cock. As soon as her wet pussy came down on me, I went to work. Lynn joined her at my cock. Doris moaned, letting Lynn suck my cock.

"Oh, he's getting my pussy and ass ready for his cock," Doris moaned to her daughter. "He's going to fuck my pussy and ass like he did yours."

Doris humped my tongue as I lapped up her juices. I cleaned up her pussy, teased her clit a little then went to her asshole. I planted a few kisses on her asshole then swabbed it all over with my tongue, eliciting a long moan from her. I licked and teased her asshole for a couple of minutes. She pushed her ass for more. I started to probe her ass with my tongue tip. Her asshole opened up and started to nibble at my tongue. By then, she had lowered her mouth to my cock, taking turns with her daughter. My cock enjoyed the contrast between being sucked by an innocent inexperienced mouth and being sucked by a depraved experienced one.

"Feel free to wander around and watch what he's doing to me back there," Doris said to Lynn.

Doris took over sucking my hard cock and Lynn crawled behind her mom. I winked at her as I continued to eat her mother's ass. My hands had Doris's ass spread wide as my tongue fucked her asshole and worked spit inside her rectum. Doris humped my tongue back. I reached out and gave Lynn's tit a playful squeeze. I gave her two fingers to suck then I worked those fingers one then both into her mother's ass as she watched. I spitted on my fingers and worked them all the way up Doris's ass. While fucking and reaming out Doris's ass with two fingers, I had Lynn suck two fingers of my free hand. Then I squeezed the two fingers into Doris's ass. I pumped my four fingers in and out of Doris's ass then started to stretch it open. I spitted a couple of times through the open gap in Doris's ass then resumed fucking it with my fingers. Lynn returned to sucking my cock.

"I guess I am ready now," Doris announced, pulling her ass off me. "Why don't you hold his cock for me as I sit on it?"

Lynn, being a good girl, held my cock by the base as her mom lowered her ass onto it. I gently pulled Doris's cheeks apart as she guided her anal opening to the tip of my cock. She grunted softly as she sucked the head of my cock up her ass. Lynn let go of my cock and watched her mom lower her ass all the way down. I grabbed Doris's tits and squeezed them gently as she bounced her ass on my cock, slowly at first. I thrust back, meeting her stroke for stroke.

Lynn intently watched my stiff cock plow her mother's ass deeply. Doris moaned and gasped as she fed her ever-hungry asshole solid cock. After a few minutes of bouncing on my cock, Doris pulled her ass off, popping my cock out.

"Suck it, baby," Doris said to Lynn as she pulled her ass a little back.

Before Lynn's lips hit my cock, I had two fingers filling her mother's anal void.

"Yes, baby," encouraged Doris as her daughter's lips worked up and down my stiff shaft. "Suck it and slobber all over it."

Lynn sucked my cock obediently and with increasing eagerness for a minute.

"Put it back in," Doris directed, pushing her ass forward.

Lynn popped my cock up her mother's ass and Doris resumed bouncing. Doris let her daughter suck my cock once more before she rode it all the way to orgasm.

Lynn watched her mom convulse in orgasm with her asshole tightly stuffed with my thick shaft. Doris collapsed on top of me. She continued to grind her ass into me as she panted for air.

"Suck it, then put it back in," Doris directed her daughter.

Lynn took my cock out of her mom's ass and sucked it eagerly. She then put it back. Doris sat up and pivoted around my cock, changing into the horseback position. She let me suck on her full tits while she rode my cock. Lynn a few times took the initiative to take my cock out, suck it then put it back in her mother's ass. Doris bounced her ass on my cock to orgasm, but while doing so, she also worked me up nearly to orgasm. She continued to shove her ass over my cock wildly throughout her orgasm.

"Suck it hard," Doris panted as she dismounted me, letting my cock plop out of her ass.

Lynn pounced on my cock and sucked as hard as she could.

"Make him come and swallow all his come," Doris directed, guiding Lynn's hand to my shaft.

Lynn jerked my cock into her thirstily sucking mouth. My cock swelled and started to spew come deep in her mouth. She was caught off guard by my intense orgasm, but she did her best swallowing and sucking for more. Some come leaked from the corner of her mouth. Her mother licked that off.

"Good girl," commended Doris and pecked Lynn at the lips.

I grabbed Lynn and gave her a big deep kiss, tasting my come on her tongue.

"Now I'll leave you alone to play some more," Doris announced as she got off the bed. "But there is one thing I want you to do. Nick, I want you to come in her pussy before you leave if you want to leave or before you go to bed if you decide to spend the night with her. Don't be rough on her pussy. Just before you come, put your cock in her pussy and come there. Lynn, I want you to go to bed with both your holes full of come. Put on your shorts before going to bed. Don't worry if it leaks; that's how sluts are made. Do you both understand?"

"Yes," Lynn and I said.

"Very well," said Doris. "Have fun and have a good night. Happy birthday, my little whore."

"Thanks, mom," Lynn said.

"Good night, Doris," I said.

Naturally, Lynn had to resurrect my cock. She did that in a couple of minutes. I let her suck on it for a couple of more minutes then rolled her onto her back. I straddled her and fucked her mouth gently. Soon, I fucked her mouth harder. I used my cock to slap and rub her face. She stuck her tongue out and I flicked it with my cock and let her tease my cock with it. I let her suckle my cock a little more then took it out.

For the following round, I arranged her on her hands and knees. I held the base of the plug and gently pulled the last ripple out. I drooled on the ripple and worked it in and out of her ass for a while, watching her asshole stretch then contract. She gasped and moaned. I pulled the second ripple out and pumped it in and out for another minute. Finally, I pulled the first ripple out, totally removing the plug from her ass, then worked it in and out for a little while, playing with her asshole and watching it close shut then stretch around the plug head. I drooled on her asshole and used the plug head to work my drool inside.

Keeping only the head of the plug in her ass, I pulled her upright. I gently popped the plug out of her ass then took it to her mouth. I let her nurse on the plug head for a minute then started to fuck her mouth with it. Finally, I left it planted all the way in her mouth and guided my cock to her ass. I pressed my cock head into her ass and popped it in. Holding her right tit in my left hand and my shaft in my right, I worked my cock head in then totally out of her ass repeatedly, making her moan around the butt plug.

Leaving my cock head in her ass, I arranged our kneeling position for maximum penetration. Holding her hips, I started to work her ass back and forth over my cock. She was still sucking on the butt plug, only the base sticking out of her mouth. I bucked her ass faster and faster, driving her to orgasm. She had a hard orgasm, her asshole sucking desperately on my cock. I drilled her ass through her orgasm.

When she recovered, I gently plopped my cock out of her ass and replaced it with the butt plug. Standing up and holding her head with both hands, I guided her mouth over my cock. I worked her head back and forth, fucking her mouth. I slapped her lips and cheeks with my cock and rubbed it all over her face.

I held her head against my crotch and lowered it to the bed, laying her on her back. Pushing her knees against her chest, I knelt before her ass. I slowly pulled the butt plug from her ass and plugged her ass with my cock head. I let her suck on the plug while I drove the rest of my cock up her ass. I fucked her at a nice pace for a few minutes then stepped up the pace. After two minutes of vigorous fucking, she was coming, moaning around the butt plug. I was about to come myself. I pounded her convulsing ass through her orgasm.

While she recovered, I slowly withdrew my cock from her ass then popped the head in her drenched pussy. I stroked my shaft slowly while diddling her clit with my thumb. I kept myself at the brink of orgasm while I worked her up to orgasm. When she started to twitch and moan wildly around the butt plug, I thrust my cock all the way in, making us both come. While she came, I pumped the depths of her cunt full of my come. Her twitching pussy milked my cock dry although it drenched it with juices. I lay on top of her and we cuddled. While we kissed, I pushed the butt plug up her ass.

I did not want to go home so late at night, so I chose to stay the night. Lynn wore her shorts over the butt plug and we drifted to sleep in each other's arms. I waked up at seven in the morning and snuck home.

Lynn waked up at noon. She called me.

"This evening I'll have my girlfriends over to celebrate my birthday," she said. "Why don't you come over?"

"I will," I said.

I went out and bought Lynn a special present. At eight, I was knocking at her door.

"My folks left the house for us to midnight," she said as she opened the door for me.

We kissed and she let me in. Six sexy girls were dancing to the music. She introduced them to me one by one.

"This is Jenny, my best friend," said she, introducing a blonde in tight shorts and a sleeveless halter sweater. "These are Cindy, Ann, Pam, Linda and, of course, Alex. And this is my boyfriend, Nick."

My sister Alex was there. They were all brunettes except Jenny, Pam and Alex.

We all danced. I danced with every one of her friends. Being teenagers, they all had squeezed themselves in the tightest and shortest clothes. Most of them were in short shorts, miniskirts, tanks, halters and crop tops. Even Alex was wearing a crop tank and a miniskirt.

Lynn was wearing a crop tank and a tight miniskirt. I groped her provocative body several times while we danced. She was quite wild when she danced slow with me, holding me tightly and grinding her crotch into mine. She also let each of her hot friends dance slow with me, including Alex. Her best friend Jenny was the hottest. She guided my hands to her butt and clung to me like a second skin. I could not resist squeezing her butt a few times.

When Lynn bent down to blow the candles, my hand was between her cheeks, tracing her ass crack through her miniskirt. I knew by then that she did not have panties underneath.

"Wait," called Jenny when Lynn was about to start cutting the cake.

Jenny went from girl to another, whispering in their ears. She finally whispered something to Lynn.

"What do you say, girls?" called Jenny. "Should she do it?"

"Yeah," they all answered in unison.

I had no clue what they were all whispering about.

"I'll do that gladly on one condition," Lynn said, groping my crotch. "Each and every one of you has to do it first, starting with you, Jenny."

There was silence for a few moments, then Jenny smiled.

"How about it, girls?" Jenny called.

They all agreed, some more hesitantly than others.

My cock hardened under Lynn's hand.

"I hope you don't mind letting my friends suck you before I do," Lynn said.

Honestly, there were a few pairs of lips that I wanted to see wrapped around my cock, especially Jenny's.

"Whatever you say," I said.

"Okay, Jenny, you know what to do," Lynn said to Jenny.

We moved away of the table. Lynn stood beside me and Jenny knelt before me. The other girls formed a semicircle and watched.

Jenny felt up my bulge through my pants then lowered my pants to my knees. She stroked the outline of my cock through my briefs before taking them down my thighs, letting my cock bounce out in her face. She held my shaft in her right hand.

"Nice cock," she said, stroking my cock.

She continued to stroke my shaft while she let her tongue out and started to tease my cock head. My cock twitched.

"Jenny, you don't have all night," reminded Lynn. "There is a long line behind you."

Jenny closed her mouth over my cock head and started to suck. I watched her lips stretched around my shaft, as she worked them back and forth, taking me deeper and deeper. All the girls watched intently, including Lynn. My cock was soon delving in Jenny's throat. She held my butt and pulled me into her, taking my cock all the way down her throat. She pushed my cock down her throat several times, then returned to sucking me faster.

"Next," called Lynn.

Jenny reluctantly moved away and Linda took her place. Pam, Anne and Cindy followed. They all were eager cock suckers, but Jenny and Anne were the best.

"You'll have to do it like the rest of us," Lynn said to Alex.

Lynn guided Alex to me and nudged her shoulders down. That was a little awkward. Alex was shy, but apparently eager. Lynn pushed her head forward and she took my cock in. Soon, her eagerness overcame her shyness and she was sucking my cock wildly. It was not a surprise to me that she could deep throat my cock easily. I had caught her a few times practicing on bananas and the like.

Finally, it was Lynn's turn. She had to pull Alex away from my cock.

Lynn smiled proudly as she knelt before my glistening hard cock. She held my cock and rubbed it all over her face. She spit on my shaft and used her tongue to spread her spit all over my shaft. She slapped her face with my sticky cock. She stuck her tongue out and flicked my cock at it several times before she took my cock in her mouth. She sucked me eagerly, but she was too new to be able to deep throat me. She took my cock out a few times. She slapped and rubbed her face with it before taking it back in.

Holding my hips, she shoved her head forward energetically and I thrust back meeting her. I finally held her head and proceeded to fuck her mouth briskly, feeling my orgasm build up inside me.

"I am going to come," I panted as my come threatened to explode.

"Share the come," called Jenny, holding the cake next to Lynn and me.

Lynn smiled wickedly as she yanked my swollen cock out of her mouth and started to jerk it over the cake. Seconds later, my cock started to twitch. She continued to jerk it while aiming the spewing come to hose down the cake evenly, providing a second icing. Jenny returned the birthday cake to the table while Lynn cleaned my cock with her mouth.

Lynn cut the cake and everybody took a portion, including myself. Every girl started with the icing. I fed my icing to Lynn. We had soft drinks since Lynn's folks did not allow drinking.

We returned to dancing. Now that every girl had sucked my cock, our dancing got really wild. They felt up my crotch and I felt up all over their bodies, kneading their butts and squeezing their pussies through their bottoms.

At the end, they called upon Lynn to open the presents. Some had brought her perfume, some had brought sexy lingerie and the rest brought other stuff. Lynn kept my present to the end. When she opened it, the girls went nuts. I had brought her a Lucite butt plug.

“Put it on,” Cindy giggled.

“Yes, put it on,” called Anne.

“What do you think, lover?” Lynn asked me.

“I have to fuck her in the ass before I can put it in her,” I said. “Anyone wants to watch?”

“Yeah,” they all shouted.

“Whoever wants to watch has to hold Lynn’s ass for me,” I said. “At the end of her turn, she has to suck my cock after I take it out of Lynn’s ass. Anyone for it?”

Silence engulfed the room.

“Your friends are a bunch of chickens,” I said to Lynn.

“Come on, sluts,” called Lynn.

“Okay, I am for it,” Jenny said.

“Me, too,” Anne said.

“Okay, the rest have to leave so that we can proceed,” I announced.

“I’ll do it,” said Cindy.

“Me, too,” said Pam.

“I will, too,” said Alex.

“Me, too,” said Linda.

“Linda, come here,” I called.

I bent Lynn over the table and hiked her miniskirt, exposing her ass and pussy. I lowered my pants and briefs, exposing my hardening cock.

“Sit down,” I said, motioning Linda to a chair nearby. She complied. “Suck!”

Linda sucked my cock for a minute. I held her head and thrust in her mouth. The other girls watched intently.

“Spread her ass for me,” I directed.

As Linda spread Lynn’s ass for me, I bent down and rimmed Lynn for a couple of minutes. Lynn moaned, pushing her ass back. Her asshole relaxed and nibbled at my tongue tip. I rubbed my cock head up and down Lynn’s pussy then pushed it in. I thrust several times in Lynn’s pussy, soaking my cock in her juices. I pulled out and pushed my cock in Linda’s face. Linda reluctantly took my cock in her mouth. I held her head and took a few strokes in her mouth.

“Spit on her asshole,” I directed.

Linda spat on Lynn’s pried asshole. I spread the spit with my middle finger then pushed my finger in. I fingered Lynn’s ass a little then let Linda suck my finger. Linda was not very eager to do it, but she did.

“Spit on her asshole again,” I directed.

I pressed my cock head into Lynn’s pucker. Linda’s spit let my cock sink slowly, making Lynn grunt softly. Thrusting gently in Lynn’s ass, I worked my cock all the way in. I fucked her for a minute then took my cock out. I pushed it towards Linda’s mouth. Linda opened her mouth cautiously. I held the back of her head and pushed my cock in. I had her suck me thoroughly.

“Girls, now that Linda has sucked my cock and helped me fuck my girl in the ass,” I called to the other girls, “don’t I deserve to see her ass and maybe lick it?”

“No, no way,” said Linda, pulling away, but I held her hands.

“What do you think, Jenny?” I asked.

“Yes,” Jenny smiled wickedly. “What do you say, girls?”

“Yeah, yeah,” shouted the other girls.

“This is a democratic country, Linda,” I said, pulling Linda up. “Take Lynn’s place and let’s see your tight ass.”

Lynn helped me pull Linda to the table. Linda resisted halfheartedly.

“I need volunteers to hold her hands,” I said.

Jenny and Cindy volunteered. Linda did not resist as her friends held her hands, keeping her bent over the table. I lowered her shorts and panties, exposing her pale ass. I pulled her cheeks apart. As I let my tongue at her asshole, I continued to open her pussy with my thumbs then let it close. Her pussy was getting wet fast. She started to squirm when she felt my tongue toy with her asshole. Meanwhile, Lynn stroked my cock and spread spit over it repeatedly.

Linda’s asshole was obviously virgin. I continued to lick it and probe it until it relaxed and started to suck on my tongue tip. Linda was having a great time. I suddenly removed my tongue from her ass and pushed my cock half an inch lower, stuffing her pussy. She gasped and shivered as my cock filled her suddenly. I held her by her bare waist and started to fuck her wet pussy briskly. She moaned and fucked back.

When we established a nice rhythm, I drooled on Linda’s asshole and massaged it with my thumb. She approached orgasm quickly. I popped my thumb in her asshole and pumped her pussy vigorously, letting her come immediately. I drilled her twitching pussy until she went limp, then I fucked her gently.

Linda did not hesitate to suck her juices off my dripping cock.

“It wasn’t bad, was it?” I said as I pulled her panties and shorts up.

“It was great,” she said.

From then on, the girls had been eager to bend over.

“Alex, you are next,” I said as I slapped Linda playfully on the ass.

I let Alex suck my cock, then I fucked Lynn’s pussy. Alex sucked me before I sank my cock in Lynn’s ass. She also sucked me after I took it out. I helped her bend over the table, where I ate her ass. She seemed new to anal play, but she enjoyed herself immensely. I ate her pussy to orgasm while fingering her virginal asshole. Pam followed. She did what she had to do, then I ate her ass and fucked her pussy to orgasm.

Cindy did not show any hesitation to suck my cock after I pulled it out of either of Lynn’s holes. I switched my cock between her mouth and Lynn’s ass several times since it was her idea to plug Lynn’s ass. The minute I put my tongue on her asshole, I knew it was not virgin. She had a great time as I tongue fucked her ass. Soon, my cock was slicing through her wet pussy.

“You take it in the ass, don’t you?” I asked as I guided her hands to her ass.

“Yes,” she gasped.

She spread her ass and I drooled on her asshole and popped my thumb in. I reamed out her ass for a minute. I removed my thumb from her ass and let her suck on it while I guided my cock to her asshole.

“So, I guess, you are ready for this?” I said as I pressed my cock into her asshole.

“Yes,” she grunted as my cock head pushed her sphincter open, stretching her asshole wide.

Lynn drooled all over my shaft as I gave Cindy a few seconds to relax her asshole. Holding her hips tightly, I drove my cock little by little up her ass as she spread it wide for me. She continued to groan as my cock opened its way through her tight but willing rectum. Her groans died when my balls touched her

pussy, my hard shaft totally impaling her ass. I pumped her ass gently for a couple of minutes, priming her for serious ass fucking. When she was ready, I held her hips and pounded her ass through a wild orgasm. She fucked back dutifully until she totally lost control. She gladly sucked my cock when I plopped it out of her well-fucked ass.

Anne enjoyed her rimming session, but was a virgin in the ass. Her pussy had a good orgasm on my cock as I fingered her virgin ass. Jenny was an anal slut. She held the base of my cock in her hand and continued to switch my cock between her mouth and Lynn's asshole. I fucked her ass with my tongue then with two fingers. Later, she reached back and moved my cock from her pussy to her horny ass. She sucked my cock so eagerly after her ass came on it I had to yank it away from her mouth.

By the time I went through all of them, Lynn's asshole was gaping and full of spit and my balls were too heavy with come. I held her hips and drilled her ass vigorously. When she started to come, I let go, pumping her twitching rectum full of thick come. I continued to thrust within her ass until my cock started to soften. I spitted all over the butt plug then pulled my cock out and pushed the plug in. Lynn's ass was so loose the plug popped in like it belonged there.

The clear butt plug held Lynn's sphincter open and allowed us to peek inside her come-filled rectum. I let the girls peek inside. I finally straightened Lynn's miniskirt and let her suck my cock clean. She loved the feel of a full ass.

It was less than half an hour before midnight. The girls went home after each gave me a lewd tongue kiss, including Alex. Lynn and I cleaned up.

"Did you like my friends?" she asked.

"Yes," I said. "They are all very hot, but unfortunately I did not fuck them all in the ass."

"Don't worry about that," she said. "You are going to bugger each one of them, but first things must come first."

"What do you mean?" I asked.

"You'll know later," she said.

I went home and she went to bed with the plug up her ass.

A few days later, Lynn was going down on me in her room. I was pleasantly surprised when she took my cock balls deep down her throat. She did a great job on my cock for a beginner.

"I see that you've been practicing," I said.

"Um-mum," she moaned around my cock.

After she sucked me to her heart's content, I went down on her. I ate either of her pussy and asshole to orgasm. I fucked her pussy to orgasm then went to her asshole. By then, she had become used to getting her ass fucked until it gaped. After a while, we were relaxing. She was lying prone and I was on top of her, slowly sawing my cock within her ass.

"The other day, you fucked every one of my friends except Alex," she said. "She felt bad about it."

"She's my sister," I said. "I very much wanted to fuck her, but I couldn't, especially with all the others watching. We were not even supposed to have oral sex, not to mention fucking."

"What's the big deal?" she said. "It was my birthday. You were not supposed to fuck my friends, not even to fuck me. But you did it and everybody had a good time except your poor sister."

"It took all my willpower not to fuck her," I said. "I really wanted to."

"But you didn't try to approach her later and make it up to her," she said.

"How would I approach her?" I said. "After all, the party ended and that was that."

"All you have to do is to kneel behind her and drive your cock home," she said. "She'd even let you fuck her virgin ass."

"I don't think it's that simple," I said.

"What if it really was?" she said.

"I'd do it right away," I said.

"Let's find out about that," she said as she clapped her hands. "Alex, come out here."

The closet opened and out came Alex. She was wearing a flimsy robe and blushing deeply.

"Alex?" I said in shock.

She slipped out of her robe and climbed onto the bed. She silently got on her hands and knees. My cock thickened inside Lynn's ass when I saw Alex's. She was dripping.

"Can you see how easy it is?" Lynn said.

I did not answer.

"Someone is waiting," she said, squeezing my cock with her asshole.

I slowly dismounted Lynn and moved to Alex. I could not believe it when I knelt behind her, my cock a couple of inches behind her ass.

"Let me suck you a little before you stick it in her," offered Lynn, pouncing on my cock.

Lynn sucked me for a minute then aimed my cock at Alex's pussy. I moved forward and poised my cock head at Alex's pussy hole. Alex looked back at me, begging me silently to fuck her. I drove my cock into her needy pussy, making her gasp. She was so hot inside I had to pause for a few seconds. Holding her hips, I started to pump her molten pussy. She moaned and gasped, pushing her ass back to meet every thrust of mine. Naturally, she came quickly and violently, bathing my cock and balls in her gushing juices. I continued to pump her until she collapsed her head and shoulders on the bed. I held her hips up, fucking her gently.

Lynn smiled wickedly at me then drooled onto Alex's vulnerable asshole. I toyed with Alex's asshole while I continued to fuck her pussy gently. Her asshole was too responsive. It accepted my thumb surprisingly easily. Lynn smiled. That was not how it had been a few days ago.

"Are you sure it is still virgin?" I whispered to Lynn.

"I am not the only one who'd been practicing," she laughed.

While I fucked Alex's ass with my thumb, she bucked her ass back, fucking her pussy on my cock. Soon, she was coming again. I thrust vigorously in her pussy, doubling the intensity of her orgasm. Her asshole gripped at my thumb as her pussy gave my cock and balls another juice bath.

When Alex finished coming, Lynn held my cock. She pulled it out of Alex's pussy and poised it at her asshole. Alex parted her knees farther and lowered her ass. Lynn pressed my cock head gently into Alex's hole. I felt the little pucker open up then it sucked my cock head in. Both Alex and I grunted softly at the feeling. Her pretty asshole stretched wide around my thick shaft, gripping tightly at it. While I paused, Lynn drooled on my shaft and spread her drool all over it.

"Fuck her ass," Lynn whispered, pulling Alex's cheeks apart.

"Alex, do you want me to fuck your virgin ass?" I teased.

"Yes, please," hissed Alex.

"You got it," I said.

Holding her hips, I thrust gently, driving my shaft deeper and deeper up her virgin ass. A minute later, my balls pressed against her wet pussy as my cock head oozed inside her bowels. I paused a little, savoring the wonderful feel of her ass squeezing my entire shaft. She milked on my cock. I started to pump gently, working my cock in and out of her ass. I fucked her with short strokes to open up her asshole.

Lynn drooled on my shaft again, making it much slicker. Soon, Alex was bucking her ass as I fucked her with long deep strokes. Lynn and I kissed lewdly as she continued to hold Alex's ass open for me. Alex was obviously headed to orgasm fast. I fucked her harder. Seconds later, she came wildly as I drilled her twitching asshole vigorously. I continued to pound her ass until her orgasm died, then I fucked her gently until she recovered.

As I pulled Lynn's head down, I slowly pulled out of Alex's ass, leaving it with a little plop. Lynn opened her mouth and sucked my cock in. She deep throated me for a couple of minutes, coating my cock with spit, then pushed my cock back into Alex's ass.

"Come in her ass," Lynn whispered as she spread Alex's ass.

This time, I buggered Alex for over fifteen minutes, enjoying both of us. At the end, I made her come.

"I am going to come," I panted.

"Yes, yes, come inside me," she gasped.

While she convulsed in orgasm, I pumped a big come load deep inside her sucking rectum. When she finished draining my balls, I pulled my softening cock out. She turned around and took it in her mouth.

Alex sucked my cock until it was hard again. She and Lynn took turns on sucking it. Finally, Alex lay back and pulled her legs over her head. Lynn guided my cock into Alex's come-filled ass. I fucked Alex gently, frequently taking my cock out for Lynn to suck.

Lynn moved away and let me fuck Alex to a hard orgasm. When she came back, she gave Alex the Lucite butt plug I gave to her on her birthday. Alex sucked the butt plug then Lynn gave it to me. I pulled out then pushed the plug into Alex's ass. Lynn drooled on the plug as I drove it in. Alex grunted as the plug popped past her sphincter. I made sure she was securely plugged. Lynn and I took a good look inside Alex's come-filled ass before I straddled Alex and pushed my cock in her mouth.

Lynn lay next to Alex. I alternated my cock between their mouths. I fucked their mouths until I was about to come. Then I pulled up and let my come spurt over their faces and open mouths. They licked my come off each other's face, concluding with a lewd kiss.

"Now, she's a happy girl, aren't you, Alex?" said Lynn.

"Yes," nodded Alex happily.

"Don't you ever leave your sister in need," said Lynn.

"You bet I won't," I said.

Alex put on her clothes, keeping the plug up her ass. We kissed lewdly before she left for home, leaving me with Lynn. Lynn and I resumed our night. We had to get her pussy and ass full of come.

On the next day, Alex and I spent most of the day, trying to get enough of each other. I continued to ream out her asshole with my cock until it gaped. When I was done with her, every hole in her body had been fucked to satisfaction and had sucked a hearty come load. She was so hot she willingly ate my come out of her asshole. By then, I became addicted to her mouth and ass.

A couple of days later, Lynn and I were in the living room. She was sucking my cock when mom came out of the kitchen. Mom stood there tongue-tied. I continued to moan and stroke Lynn's hair as I pretended for a few seconds that I did not know mom was there.

"Mom!" I said as I finally looked up.

Mom was blushing deeply. Lynn gave my cock one long suck then let it out of her mouth but continued to stroke it with her hand.

"I didn't know you were..." mom stammered.

"It was all Lynn's fault," I said. "She's an exhibitionist little whore."

"It's nobody's fault," mom said. "Just go upstairs and finish your business."

"Yes, why don't you go upstairs while I discuss it with your mom?" Lynn said to me. Lynn kissed my cock on the head then tucked it in. I stood up and she pushed me towards the stairs. "Good boy."

"You don't need to discuss anything with me," mom said to Lynn.

"Yes, I do," said Lynn as she guided mom to sit down. "You've seen me in a compromising position and I need to clarify it with you. Please, sit down here, Mrs. Callabsa."

“I know how it feels to be a teenager,” mom smiled shyly. “I once was one myself.”

“Do you know that I have always admired your chest?” Lynn said lowly, signaling me with her hand to go away. “I hope one day I’ll be as sexy as you are.”

I did not want to jeopardize what Lynn was doing so I went to my room, sporting the biggest boner I had in months. I waited for the longest ten minutes of my life. My cock was rock-hard and oozing like a loose faucet. I had to gently wipe my cock head several times. Finally, I left my room to check on them.

My heart bounced wildly in my chest. I could hear it pound as I sneaked towards the stairs. I almost came when I saw what was going on. Mom was half lying on the back of the couch, moaning softly as Lynn sucked on her left nipple. Mom was holding Lynn’s head to her tit. They were both topless.

I sneaked down the stairs slowly and nervously. I almost tripped a few times. As I got closer I noticed that mom had her eyes closed. Finally I was a few feet away. Lynn noticed me and signaled me with her hand towards mom’s free tit. I continued to move stealthily until I closed my lips on mom’s stiff right nipple and gently sucked it in.

Mom gasped and opened her eyes. Lynn and I continued to suck as if nothing happened. A few seconds later mom laid her head back.

“You, guys, are crazy,” mom said as she put her right hand behind my head. “You shouldn’t be doing this to me...but don’t stop.”

We were not about to stop. While devotedly sucking on mom’s tit, Lynn reached for my pants. She unbuckled the belt and undid the fly then started pulling my pants down. I twisted around to help her with them. My hard cock sprang out and soon I kicked my pants and briefs off. She held my cock and stroked it a few times.

Lynn slid her hand up mom’s dress. Mom gasped then started to hump Lynn’s hand. Lynn maneuvered her hand a little then mom gasped sharply and squeezed her legs. Lynn was in. Mom relaxed slowly as Lynn started to finger fuck her. While that happened I used my right hand to work mom’s dress up over her hips. Mom was very helpful in that. She also helped me pull off her panties as she continued to respond to Lynn’s finger fucking. Lynn popped mom’s nipple out of her mouth and proceeded to lick up and down mom’s cleavage.

“Fuck her tits,” Lynn said to me as she continued to finger fuck mom.

I looked at mom. Mom did not say a word, but she looked expectantly. As I moved to mount mom, Lynn captured my cock in her mouth and proceeded to deep throat me a few inches from mom’s face. Mom seemed to watch Lynn’s lips and tongue shuttle up and down my cock as she humped Lynn’s hand. Lynn soaked my cock in her saliva then let it go.

I hesitated to mount mom until I saw her hold her tits together and smile invitingly. I laid my cock between her tits. She squeezed her tits around my shaft and I started to pump gently. While fingering mom’s pussy, Lynn slid off the couch and knelt between mom’s feet.

“Tit fuck her while I eat her tasty pussy,” Lynn called before she buried her face between mom’s thighs, making mom gasp.

Mom twisted lustfully, humping her pussy into Lynn’s face. She moaned and twisted as Lynn continued to eat her with gusto. She kneaded her tits, making it feel better for both of us. I enjoyed her lush tits for a few minutes then I pushed my cock toward her mouth. She was too eager to oblige me. Two minutes later she was reluctant to let me know. While mom’s pussy was well taken care of, Lynn’s poor pussy must have been dripping into Lynn’s panties.

Once I dismounted mom, Lynn pushed mom’s legs all the way up and her tongue started to take frequent trips down south. I knelt behind Lynn and hiked her dress. I pulled her panty to the side, exposing her drenched pussy. She jumped when I touched my cock head to her pussy lips. I gently rubbed my cock head up and down her lips, making her squirm and moan into mom’s pussy.

“Put it in, you bastard,” Lynn finally had to scream, taking her mouth briefly off mom’s pussy.

“Oh, my little whore needs hard cock, doesn’t she?” I teased.

“You’re damned right I do,” Lynn cried again. “Uh!”

She grunted as I suddenly shoved my cock into her sodden cunt, driving my cock balls deep into her. Grabbing her hips, I started to fuck her, thrusting her face into mom’s pussy and making her grunt with every stroke. My cock soaked in her abundant juices. Even my balls were getting wet with her leakage. She bucked her ass back as hard as she could, holding her mouth to mom’s pussy.

“Put it in my ass and give it to me,” Lynn said.

“Mom, does my horny whore deserve a nice ass fuck?” I said.

“Yes, she does,” Mom moaned. “She is doing a good job on my ass.”

“In that case, I am going to do a little job on her ass before I feed it the meat,” I said as I yanked my cock from Lynn’s pussy.

Lynn started to moan and twist as I put my tongue to her hot asshole. I licked her anal pucker thoroughly then I started to probe her hole with my tongue. Her asshole relaxed as she ground her ass into my mouth. I drooled generously onto her asshole then I aimed my cock at her ass.

“Come on, put it in,” Lynn said, reaching back with one hand to spread her ass.

She gasped when I thrust forward, popping the head of my cock past her sphincter. I held her hips tightly and drove the rest of my cock all the way in until my balls pressed against her sticky pussy.

“Yes,” she hissed, arching her back.

When I cupped her tits through her dress and squeezed gently, she moaned and started to rock back and forth. I thrust into her fucking her asshole with long, smooth strokes.

“Are you having fun, mom?” I asked.

“Oh, yes,” mom moaned.

Lynn finger fucked mom with two fingers in the pussy, one in the ass and a thumb rubbing mom’s clit.

“When are you going to make her come?” I asked Lynn.

“Very soon,” Lynn said, squeezing a second finger into mom’s ass.

Lynn continued to swing her ass back and forth as she straightened up.

“You are going to make her come,” Lynn whispered to me. “That’s what we are here for. Make me come then move on to her. She’ll be ready. She’s already ready.”

Lynn bent forward and resumed eating mom’s wet pussy. She had three fingers pumping and twisting within mom’s asshole. I grabbed her hips and started to pound her ass in increasing vigor. She bucked her ass back in matching vigor. When she started to gasp before her orgasm, I wrapped my arms tightly around her and drilled her ass with extreme force. She convulsed violently in my arms, but I continued to hold her tightly and bang her twitching ass until she went limp.

Lynn fell on the floor, letting my cock plop out of her asshole and her fingers plop out of mom’s ass and clear the way to mom’s utterly exposed holes. Mom was still holding her legs up. Before she knew what had happened I jumped her and thrust my cock into her soaking pussy. Her pussy started to spasm.

“I...I...” mom grunted as I started to thrust into her. “Oh, uh.”

Before she could say anything she started to twitch in orgasm. I fucked her vigorously halfway through her orgasm then I yanked my cock out of her gushing pussy and pushed it into her fluttering asshole. She grunted as half of my cock slid in. Her asshole clamped tightly on my shaft, but continued to spasm. I made her grunt again as I drove the rest of my shaft home. She was still convulsing when I started to thrust briskly in her twitching rectum, rekindling her orgasm.

She finally relaxed and I started to fuck her slowly. She had a big smile on her face when she started to fuck back. Her asshole milked on my pumping shaft as we gradually climbed into a heated fuck.

“Yes, yes,” mom grunted as she pushed her ass for more cock.

“You like that, don’t you?” I teased.

“Yes, yes,” she hissed.

“You like coming on my cock, don’t you?” I said.

“Yes,” she hissed.

“I like that, too,” I said. “Next time you come on my cock I am going to flood your bowels with a big load of come. Would you like that?”

“Oh, yes,” she said.

“I am going to fuck you senseless before I fill you with come,” I said, stepping up the pace.

Mom fucked back eagerly. Lynn got off the floor and sat to the left of mom. Lynn slipped her left hand down her own panties and reached for mom’s pussy with her right hand. A few seconds later I started to feel the anal spasms induced by Lynn’s finger play. While Lynn fingered herself in the same rhythm I used on mom, she fingered mom on and off in a teasing way just to keep her on the edge.

“Are you having fun, mom?” I said.

“Yes, yes,” mom gasped.

“No kidding,” Lynn said as she removed her hand from mom’s pussy and raised two dripping fingers to my mouth. “Have a taste.”

I moaned as I sucked mom’s juices off Lynn’s fingers.

“It tastes great,” I said.

I suddenly started to fuck mom really hard then a minute later I slowed down as suddenly. I slowly slid my cock all the way out, letting it plop out softly then slid it back in as slowly. I did that several times then I thrust my cock toward Lynn, pulling her head to me.

“Have a taste,” I said.

“Gladly,” Lynn smiled, her hands still working at both pussies.

Lynn worked her mouth back and forth along the entire length of my shaft, sucking and milking on it. I held her head gently as I slowly fucked her throat for a minute. I pulled out and knelt down.

I started by kissing mom’s asshole, making her gasp. I pulled Lynn’s fingers out of mom’s pussy and licked the sticky fingers thoroughly. I lapped up mom’s copious juices, probing and sucking her pussy for more. I returned Lynn’s fingers to mom’s pussy and returned to licking mom’s pucker. In a minute, mom’s asshole was eagerly sucking on my tongue tip. I soon moved to tongue fucking mom’s ass. She moaned and squirmed, spreading her cheeks for me.

Removing my mouth from mom’s ass, I looked at Lynn’s fingers pump in and out of mom’s pussy. Lynn’s fingers were dripping with mom’s juices. I squeezed two fingers into mom’s wet pussy and wiggled them as Lynn continued to finger fuck mom. I pulled my slick fingers out of mom’s and pushed them into mom’s asshole. I started to finger fuck mom’s ass in the same rhythm Lynn used on mom’s pussy but in opposite directions. Mom moaned, rolling her hips back and forth.

I removed my fingers from mom’s ass as I pulled Lynn’s hand off mom’s pussy. I sucked on Lynn’s sticky fingers as I gave her my fingers to suck. I gave mom’s drenched pussy a long tongue kiss that I ended with giving her clit a little suck.

Finally I got up and bent over mom. I kissed her on the mouth. She sucked on my tongue eagerly. As our tongues wrestled I guided my cock to her pussy. I rubbed my cock head over her clit then pushed it into her pussy, making her grunt in my mouth. We started to fuck gently.

Our fuck heated up quickly. When our flesh started to slap audibly I pulled out and thrust my cock into Lynn’s mouth. While sucking on my cock, Lynn removed her left hand from her pussy and slid two fingers into mom’s ass. Mom had cooled down and was humping Lynn’s fingers gently. I removed my cock from Lynn’s mouth and put it back to mom’s pussy. Lynn continued to pump and wiggle her fingers within mom’s ass as I fucked mom’s pussy.

Mom fucked back eagerly and soon we were slamming into each other. I suddenly removed my cock from her pussy and pushed it into Lynn’s mouth. I switched my cock between mom’s pussy and Lynn’s

mouth a few more times. Finally I removed my dripping cock from mom's pussy and moved Lynn's fingers from mom's ass to my mouth. I sucked Lynn's fingers then guided Lynn's hand to my cock. I let Lynn guide my cock to mom's asshole.

Mom gasped as my cock popped in her ass. Lynn fingered her own pussy and watched while I drilled mom's eager ass at an increasing pace, driving a grunt out of mom with every thrust. I pressed her knees down and thrust into her as hard and fast as I could for a minute then I slowed down steeply. I plopped my cock out of her ass then I climbed onto the couch pushing it in her face. I let her suck it for a minute then resumed fucking her ass vigorously.

Holding her ankles against the back of the couch, I fucked mom with hard, rhythmic strokes, making her entire form shake with every thrust. I maintained my pace as she gasped and her asshole started to spasm. Lynn was watching with a hand down her panties and the other fondling her tits.

Mom twisted her head from side to side and contorted her face as her orgasm approached. I continued to fuck her stiffly, enjoying the involuntary contractions of her lustful asshole. She suddenly gasped sharply and started to convulse. I held her ankles tightly and drilled her spasming asshole with extreme vigor. Midway through her orgasm I let go of mine, giving her a hard, deep thrust. I held my swollen cock balls deep inside her, letting my first spurt shoot deep into her twitching bowels. I resumed thrusting into her, letting her sucking rectum drain my balls totally.

As her orgasm died, I thrust deep inside her and teased her clit and pussy lips, making her asshole contract around my softening cock. Her asshole continued to milk on my cock as I withdrew slowly, finally plopping my cock out.

I knelt down and lapped up all the copious juices around her sticky pussy. I sucked her pussy hole dry then I moved down to her asshole.

"Leave that to me," Lynn said, pushing my head aside as she climbed off the couch.

Lynn spread mom's ass and proceeded to lick and probe mom's asshole. I climbed on top of mom and let her suck my sticky cock clean. Lynn was still eating mom's ass when I dismounted mom and gave her a deep kiss.

Finally Lynn emerged from between mom's cheeks. She bent over mom and opened mom's mouth with her fingers. Mom did not know what was happening until she saw come dribble out of Lynn's mouth. Lynn dribbled all the come in her mouth then kissed mom on the mouth. They devoured each other's mouth and tongue, passing my come back and forth. Finally they broke the kiss. I gave mom a deep kiss then gave Lynn another. They both tasted of come.

Kneeling on the floor, Lynn swallowed my cock and started to suck. A minute later mom knelt beside Lynn and shared my cock with her. Two minutes later my cock was hard and ready, but they were not ready to let it go. They continued to lick it and deep throat it, taking turns to lick and mouth my balls.

Mom led Lynn and me upstairs and to her bedroom. Lynn helped mom mount me. She was very considerate. She made sure mom was having the best time we could show her. That resulted in Lynn's not getting fucked for hours on end. Mom finally insisted that Lynn should get fucked. Mom was also a good sport as she ate Lynn while I fucked Lynn's pussy then ass. Even then Lynn ate mom devotedly.

Lynn and mom came in each other's mouth a few times. I deposited six come loads in mom and two in Lynn, but all of them got shared between the two horny women. Lynn and I walked out just in time for dad to come home.

Dad was parking the car as I walked Lynn home.

"He's next," Lynn said.

Lynn took me to her room, where we fucked some more. There her cock-hungry holes sucked two come loads out of me. We rested in each other's arms for half an hour then I went home and straight to bed.

I had a long sleep. When I waked up on Saturday morning, I shaved and showered then went downstairs. Mom was sitting in a couch, reading a book. Her legs were crossed and her dress had ridden halfway up her thighs.

“Good morning, mom,” I greeted and pecked her on the lips. “You were wonderful yesterday.”

“So were you,” she said as I sat next to her.

“Do you want to do it again now?” I said and claimed her lips again.

Her lips parted and our tongues met in a deep kiss. I put my hand on her thigh and inched it up towards her crotch. Her legs parted of their own accord and my hand finally cupped her pussy through her panties. She moaned and cupped my bulging crotch.

We continued to kiss while I slipped my hand down her panties and started to massage her wet pussy. She undid my belt and fly then pulled my pants and briefs down to my knees. She wrapped her hand around my stiff shaft and started to stroke it. I pushed one finger into her pussy, making her moan into my mouth. Soon I was pumping her with two fingers. Her pussy leaked on my fingers constantly.

When my fingers were slick enough I removed them from her pussy and slid them down towards her ass. She tilted her butt to the side to make room for me. I popped a finger up her ass and started to work it in and out. She moaned while milking on it and sucking on my tongue. I pushed my thumb into her pussy and fingered both her holes simultaneously.

“Can you ever get enough?” she said, breaking the kiss.

“Not when you are this sexy,” I said as I removed my fingers from her and proceeded to pull her panties down.

“I can’t either,” she smiled mischievously.

She kicked her panties off and I pulled her astride me. She guided my cock to her pussy and sat all the way down on it. I held her ass and started to rock her back and forth as we resumed kissing. Before long my fingers made their way to her ass and I started fingering her with one then two fingers. She bounced wildly, enjoying the ride.

“You want my ass, don’t you?” she smiled sexily.

“Of course I do,” I said.

“Then take it,” she said, squeezing my fingers.

“I am not in a hurry,” I said. “I want to make you come on my cock first.”

I had four fingers stretching her asshole before she started to convulse in orgasm. I buggered her to orgasm in the living room, then I took her to my room so that dad and Alex would not catch us. A couple of hours later we broke for brunch. Then we resumed our tryst in the master bedroom after dad and Alex left the house. Mom was as wild as Lynn and Doris combined and as insatiable.

I spent the night with Alex and Lynn in my room.

On Sunday afternoon, I was with Lynn and Alex in Lynn’s room when mom decided to visit Doris. When Lynn heard the bell ring, she looked out of the window and saw that it was mom.

“This is your mom,” she said. “How do you like to fuck the four of us together?”

“That would be wild,” I said.

“Then hide here until I call you,” she said.

She got dressed and left Alex and me. We stayed in her room for well over an hour, sucking and fucking, of course. Then she came back, clad in her panties.

“We are ready,” she said. “Bring this blindfold and come in five minutes. Alex, follow him in fifteen more minutes.”

She disappeared quickly. My cock hardened and started to ooze as I imagined how it would be. Seeing that, Alex took it in her mouth. I finally took the blindfold and went to the master bedroom. I walked in, clad in my sheer red briefs with my cock hard as a board. Lynn was lying on the bed in her panties, her knees parted and her feet on the floor. Mom and Doris were also clad in their panties, sucking on Lynn’s tits and massaging her pussy. She held their heads to her tits.

“Nick?” mom said in surprise. “What are you doing here?”

"I brought the blindfold," I said.

"Thanks, Nick," said Doris as she took the blindfold from me.

Doris tied the blindfold around Lynn's eyes. I touched my lips to Lynn's. Lynn and I kissed gently then feverishly. She stroked my hard cock slowly through my thin briefs as our tongues wrestled wildly.

I broke the kiss and knelt before Lynn. I gently pulled her skimpy panties down and she kicked them off. I kissed her pussy and stood up. She sat up. Doris nudged Lynn's shoulders forward. Lynn climbed off the bed and knelt before me. She lowered my briefs halfway down my thighs, letting my cock break free. Holding my hips, she closed her mouth around my cock head and started to suck. I thrust instinctively into her mouth. Doris knelt behind Lynn and reached for her daughter's pussy. Lynn started to moan as her mother finger fucked her. She took me deeper and deeper and soon I was fucking her throat. She humped her mother's fingers lewdly.

"Doesn't the little whore look sexy in the blindfold?" Doris said to mom as she continued to finger fuck Lynn nonchalantly.

"Uh-huh," mom nodded, watching intently as she sat on the bed.

Smiling at mom, I reached out and pinched her near nipple.

"She's drenched," Doris said, removing her dripping fingers from Lynn's pussy. "I think they are ready."

Doris had me suck her fingers then she helped Lynn up. She guided Lynn to the bed and had her bend over and brace her hands on the bed. I stood behind Lynn and guided my cock into her wet pussy. She moaned as my cock slid up all the way into her. I held her hips and started to fuck her.

"Amy, help me," Called Doris. "Let's pull her cheeks apart."

Each woman grabbed a cheek and pulled out, letting Lynn's asshole bloom invitingly. The two women watched my glistening shaft slide in and out of Lynn's leaky pussy. I occasionally squeezed the women's tits. I pulled out and rubbed my dripping cock head over Lynn's asshole then I pushed my cock back into her pussy. Doris spitted onto Lynn's asshole. I let go of Lynn's right hip and used the thumb of my right hand to spread the spit all over her asshole. Lynn gasped when I popped my thumb into her ass. She continued to fuck back rhythmically as I pumped and wiggled my thumb within her.

A minute later, I pulled out and turned my glistening cock toward Doris. She swallowed it in one gulp and started to suck it deeply. Lynn squirmed as I continued to finger fuck and ream out her asshole. Doris reluctantly let go of my cock. I removed my thumb from Lynn's asshole and had mom suck it while I poised my cock head on Lynn's waiting pucker.

Mom was still suckling my thumb when I popped my cock head up Lynn's ass. Lynn grunted and lunged back swallowing half of my shaft in one stroke. I removed my thumb from mom's mouth, grabbed Lynn's hips and plunged the rest of my cock in.

Doris and mom continued to spread Lynn's ass as they watched my thick shaft pump Lynn's fully stretched ring in long, smooth strokes. At the end of an outstroke, mom spitted on the end of my shaft near Lynn's hole. As I plunged in, Lynn's asshole rubbed mom's spit into the rest of my shaft.

"This looks like a great ass fuck," mom said.

"It is," Lynn said.

I plopped my cock out and spitted right into Lynn's gaping asshole then plugged it again with a thrust that made Lynn grunt and lurch up. I continued to fuck her ass deeply, enjoying her gasps and moans. Finally, I pulled my cock out and turned it toward mom. Mom sucked it into her mouth and I started to fuck her throat gently.

Right then Alex walked in, stark naked. When mom saw her, mom tried to pull away from my cock, but I held her head firmly with both hands and continued to fuck her mouth until her resistance vanished. I held mom's head with my left hand as I continued to fuck her throat. I nudged Alex's shoulder down with my right hand. When she knelt down, I switched my cock to her eager mouth.

"Ales, what are you doing?" mom asked in surprise.

“She’s having fun just like you,” I said.

I held mom’s head with my left hand and Alex’s with my right and started to switch my cock between their mouths.

“Why don’t you scoot aside and make room for the new little slut?” I said to mom, slapping her face with my sticky cock.

Mom moved aside and Alex bent over next to Lynn. I pushed my cock into Lynn’s pussy. I while sawing my cock within Lynn’s pussy, I guided mom’s hands to Alex’s ass. Grabbing Lynn by the hips, I drilled her hard. Within two minutes she was gasping and shaking in orgasm. Her pussy convulsed and gushed all over my cock. Her mom was still holding her ass spread. I could see her asshole twitch in pleasure.

I continued to drill her fluttering pussy until her spasms started to subside. Then I yanked my cock out of her pussy and shoved it into Alex’s splayed ass. She gasped and started to fuck back. Within minutes, she was heading to orgasm. I held her tightly and pounded her twitching asshole mercilessly until she went limp. When she lowered her hips to the bed, I went down with her. I thrust into her ass gently as she panted for air, smiling faintly. I kissed her on the lips as I gently pulled my cock out of her ass.

I knelt behind Alex and kissed her asshole. Then I lapped up her and Lynn’s copious pussy juices. I probed and sucked both pussies hole dry. I looked up when I heard moans and gasps. Mom was on her back with her legs wide apart and her eyes blindfolded. Her panties were gone and, between her legs, Doris’s mouth was working diligently. I squeezed Doris’s butt. When she looked back I motioned her to move off.

Doris rolled off mom and I jumped between mom’s legs. I brushed my cock head up and down mom’s wet pussy until mom started to gasp and squirm. Then I thrust my cock all the way into her, making her grunt. Her pussy squeezed on my cock and I started to fuck her. I could not see her lust-glazed eyes, but I had seen them before and I knew exactly what they would look like. I captured her lips between mine and we started to kiss while our crotches thrust into each other.

We broke the kiss and started to fuck harder. Doris reached between us and started to diddle mom’s clit. Lynn watched from the side, lazily toying with her own pussy. So did Alex. Mom made the moves and noises that precede a wild orgasm. A minute later, she was convulsing beneath me, her pussy gushing her juices all over my cock and balls. I drilled her pussy vigorously until she collapsed motionless. Then my cock swelled and started to twitch. I pounded her forcefully and held my cock deep inside her as my come burst out. She gasped and her pussy started to spasm. She shook and convulsed as her twitching pussy sucked every drop I had to offer.

I pulled my sticky cock out of mom’s come-filled pussy and straddled her face. She sucked my cock dutifully. Meanwhile, Doris was between mom’s legs, sucking my come out of mom’s pussy. I moved off mom in time to watch Doris savor my come then spit it into Alex’s open mouth. Alex passed it to Lynn. Lynn swirled it around in her mouth as she moved towards mom. Mom knew what was coming when Lynn pulled mom’s lips apart with her fingertips. Lynn dribbled the come slowly into mom’s gaping mouth. Mom swirled the come around then swallowed it all.

Doris gave mom a long, deep kiss. During the kiss Lynn removed mom’s blindfold and tied it around her mom. Mom and Doris continued to kiss lewdly while Lynn and Alex were busy reviving my hardening cock. Soon, mom and Doris joined in and my cock and balls were carefully tended to.

That afternoon, I fucked the four wild women for hours. I came in each asshole and in Lynn’s mouth. Each of my come loads was sucked out and snowballed around until swallowed.

“Now you are a full member in our horny little team,” Lynn announced at the end, addressing mom. “Your husband is next.”

Mom, Alex and I dressed and went home together.

Lynn started to work on dad late in the following afternoon after she knew Alex would be out. Lynn, mom, dad and I were in the living room. Dad was reading the paper while the rest of us watched TV. Lynn was sitting in my lap, rocking gently.

"Mr. Callabsa, do you mind if I sit in your lap?" Lynn said, hopping off my lap, as he put the paper away, hopping off my lap. "I am a little mad at Nick."

"Be my guest," dad said.

"In that case, I get to sit in your boyfriend's lap," mom said, moving over.

As soon as mom sat in my lap, my cock jumped to full hardness against her ass crack. She rocked subtly to keep me hard. I could see that Lynn was doing her special sneaky lap dance. I had to know she was wearing neither panties nor a bra. She was only in thin stretch shorts and a light tee. Within minutes, my cock was harder than steel.

"I am going to lounge a little in the backyard," mom said as she stood up.

"I'll join you," I said.

I walked next to her, keeping her between dad and me to hide my boner.

"Let's play together while they play together," mom said as I sat back in a chaise.

She knelt next to me and took my cock out. I closed my eyes and enjoyed several minutes of nice, deep cock sucking. I hiked her dress and let my right hand feel up her ass and trace her crack.

"Your pussy must be hungry to be eaten," I said as I sat up.

She gave me a final long suck then let go of my cock. I sat her in the chaise and pushed her legs back. I pulled her panties to her knees and dived between her thighs. She was wet and ready. I lapped her juices and probed her leaky pussy with my tongue. She just moaned and leaked more. I guided her hands to her ass and started to rim her asshole. Soon, her asshole was nibbling on my tongue just like her pussy had before.

"Aren't you going to check on them?" mom asked.

"Not before I make you come," I said.

"Thank you," she moaned. "You are so sweet."

"Did I tell you how sweet you are down here?" I said.

I pushed a forefinger into her pussy and a middle finger up her ass then focused my oral attack on her clit as I finger fucked her vigorously. A minute later, she was coming like a freight train. I drank her gushing juices and sucked her dripping folds thoroughly. She was still panting when I left her to check on the others.

I sneaked into the house and peeked. Lynn was on her knees demonstrating her deep throat skills to dad. They both seemed to enjoy themselves very much. I was a few feet away when dad spotted me. I was stroking my hard cock.

"She's a good cock sucker," I commented.

"It's not what you think," dad stuttered, trying to push Lynn away.

Lynn held dad's hips tightly and continued to fuck her throat with his hard shaft.

"I think she's a damn good cock sucker," I said as I moved toward her, still stroking my cock.

Dad watched in shock as I knelt behind her. I lowered her shorts and shoved my cock into her pussy, making her grunt.

"Don't you think she's good?" I asked dad as I proceeded to fuck Lynn.

"She's great," he finally said.

"Suck his cock, you little whore," I said as I slapped Lynn on the butt.

"Where is your mom?" dad whispered.

"She's relaxing near the pool," I said. "She won't bother us in a while."

I drooled onto Lynn's asshole and started to work it out with my thumb. She doubled her efforts on dad's cock and I doubled mine drilling her pussy. Within a few minutes dad started to come in her mouth. She sucked on his cock head thirstily while jacking his shaft hard. By the time she drained him, I started to come myself, triggering her orgasm. While her pussy gushed around my cock and her asshole sucked on my thumb, I filled her twitching pussy with come.

Lynn and I continued to thrust into each other until our orgasms died completely. She zipped up dad and stood up, stepping out of her shorts. She picked up the panties and stuffed them down dad's robe pocket. Dad stared silently as she walked away. I followed her.

Lynn walked to mom. I could see Lynn dribble dad's come as she bent over mom's face. She lowered her mouth the rest of the way down and the two women started to kiss. I watched from the house as Lynn straddled mom's face and mom started to eat Lynn's cream pie.

A few minutes later Lynn came back. She led me into the living room.

"I am still not satisfied," she said as she led me up the stairs. "I need you to do my ass several times."

Dad surely heard that, but he did not let on. In my room, every hole in Lynn's body got solid workout after the other. When I walked her home on wobbly legs she was very satisfied and wearing one of my shorts.

Everything went back to *normal* until Super Bowl Sunday. Lynn's father was due to join dad for a night of football. Lynn and I camped in the living room, making out. We kissed lewdly and teasingly. Soon, my left hand was down her panties tickling and fingering her moist pussy. Her hand was squeezing and massaging my hard cock through my pants.

By the time the doorbell rang, Lynn was dripping and her panties were soaked. I had her lick her juices off my fingers several times. We paused until her dad entered and was received by dad. The two men sat on the sofa and waited for a few minutes until the game started. Meanwhile Lynn and I sat silently although I had my right hand squirming under her butt, tickling her crack through her thin thong.

As soon as our dads got into the game, I pulled Lynn astride me. She humped my cock while we resumed kissing. I held her butt and pulled her into me. I let my right hand creep under her short dress and started to feel up her bare cheek. A minute later, my fingers were under her thong, tickling her asshole.

"You are so naughty," she whispered.

"Oh yes?" I whispered back, popping a fingertip up her butt.

"Yes," she gasped.

We continued to kiss while I moved my fingertip gently within her asshole, making sure her short dress hid my hand as much as possible. She milked on my finger while she continued to hump my hard bulge.

"Why don't you go to a room," Lynn's father finally said during a commercial break.

"I want to watch the game," I said.

"You don't seem like it," he said.

"I am a little distracted but I will be watching in a while," I said.

"Besides, if we go to a room, we'll be having sex instantly," Lynn said.

"You *are* having sex," he said.

"Dad?" Lynn said angrily, hopping off me. I could smell her excited pussy as she padded away. "You have to make it up to me."

Lynn plopped her butt in her dad's lap, acting angry as she threw his arms around herself. She looked at me and winked wickedly. Soon, she was taking every chance to squirm and fidget. A few minutes later she winked at me, motioning me to leave.

"I'll be back in a little while," I said, moving to the door.

Dad took the chance to go to the bathroom during the commercial break. Lynn blew me a kiss as I pulled the door behind me. I walked to the Flints house, where mom and Doris waited.

"Is it time?" Doris asked as I came in through the door.

"I think so," I said.

"Let me see," she said as she knelt before me.

Doris unzipped my fly and fished out my cock. She sucked my cock for a minute then mom joined in. I held their heads in my hands as they shared my cock.

"Let's go," I finally said.

We snuck through the backdoor. When I peeked into the living room, Lynn was still squirming in her dad's lap.

"Do you mind, Mr. Callabsa, if I had sex in your house?" Lynn asked dad.

"Make yourself at home, Lynn," dad replied.

"You are so nice, Mr. Callabsa," Lynn gasped as she rose then plopped onto her father's thighs, apparently swallowing his entire cock into her pussy. "I'll let you fuck my ass after dad comes in my pussy. Keep your cock hard for me, will you?"

"I will," dad said nonchalantly, squeezing his bulge.

Lynn started to bounce on her dad's cock. I returned to mom and Doris. They took my cock out and started to suck on it. Several minutes later, our attention was drawn by Lynn's orgasmic screams. I pulled away and peeked into the living room again.

After Lynn finished coming on her dad's cock, she rested for a minute. Then she slowly rose up, letting her dad's slick cock slide out of her pussy. She got off the couch, turned around, bent over and pushed her ass in her father's face.

"Eat me out, dad," she said. "I don't want come leaking all over Mr. Callabsa."

Andy held her ass and proceeded to eat her pussy. She started to moan.

"Oh, yes," she moaned. "I like that. Suck it all, dad."

I walked over and shoved my cock into her mouth. She sucked me while her dad continued to eat her pussy. Finally, he was done.

"Get my ass ready," Lynn said to me as she knelt before dad.

She thrust her ass out and proceeded to suck on dad's cock. I knelt behind her and started to lick her asshole. Soon, I was tongue fucking her ass. A minute later, I was finger fucking her ass and pussy at the same time while drooling constantly onto her asshole. I removed my fingers from her holes and took her thong off. I held her waist with one hand and guided my cock to her pussy with my free hand. I grabbed her hips and shoved my cock in, making her grunt.

Lynn continued to suck dad's cock as I stroked in and out of her, getting my cock well coated with her abundant juices. I slowly pulled out of her pussy then drooled on her asshole. She reached back with one hand and spread her ass as I pressed my cock head against her glistening asshole.

She gasped when I popped my cock in her ass then moaned as I slid all the way in. I held her hips and started sawing my cock in and out. I noticed that Andy was watching while stroking his hard cock. I started to fuck Lynn's ass. That's when I saw Alex watching from the stairs. She was only wearing panties. Her right hand was working inside her panties.

"What's going on here?" asked Alex.

She climbed down the stairs and walked towards us. Dad and Andy were taken by surprise by her presence. They tried to cover up, but they were already caught with their pants down, literally. Lynn and I continued about our business like nothing happened.

"No, Mr. Flint," Alex called. "You don't need to hide that. I can take care of it for you."

She knelt between Andy's knees and pushed his hands away. She took hold of his hard cock and started to suck on it. Soon, she was sucking it deeply and he was moaning in pleasure.

"Isn't this much better?" she moaned.

"Yes," he grunted.

Lynn looked back at me and smiled as she pulled forward, letting my cock plop out of her ass.

"Now we are both ready," she said as she turned around and sat in dad's lap.

She squatted and reached between her thighs. Dad held her ass in his hands, pulling her cheeks apart for her. Dad's cock bent under her asshole then sprang straight, popping into her ass and making her grunt. Dad lowered her slowly down his cock and she started to bounce gently. She reached between her thighs and diddled her clit a little then sucked her fingers.

"This feels so good," moaned Lynn as she started to work her ass up and down dad's hard shaft in long strokes. Dad held her ass in his hands and paced her. "Good ass fucking must run in the family."

"You are the judge," I said.

I watched Lynn's stretched asshole slide up and down dad's shaft for a few minutes. Her glistening pussy twisted with every stroke. I sneaked to the kitchen where mom and Doris waited and brought them in. We walked in with my hands down the backs of Doris and mom's hot pants and their hands stroking my hard shaft. Andy was jacking his hard cock and Lynn was still bouncing on dad's cock. Andy was the first to see us. He froze in shock for a few seconds then attempted to take his cock away from Alex and push it inside his fly.

"If I were you I wouldn't do that," Doris said to Andy, still stroking my cock. "The party has just begun."

Dad did not know what to do when he saw us, but Lynn continued to bounce her ass on his hard shaft.

"Lynn, keep bouncing until you come," Doris directed. "You deserve a good come, you little whore."

Mom knelt down and started to suck my cock. Doris knelt before Lynn and proceeded to eat her daughter's twitching pussy. I held mom's head with one hand and fucked her throat gently. Lynn came in her mother's eager mouth very soon. She bounced and jerked wildly as dad struggled to steady her convulsing ass.

Lynn sat on dad's cock while her mom lapped up her copious juices. Doris helped Lynn off dad's cock and had her kneel before him. Alex continued to suck Andy as Lynn started to suck dad.

"Gentlemen, now you are going to watch Nick fuck the ass off me and his mother," Doris said as she knelt down, thrusting her ass out, and stuck her face between her daughter's cheeks.

Mom lowered Doris's shorts and I moved in. I licked Doris's pussy then her ass. Mom took my pants off and slipped underneath me. She held my hips and resumed sucking my cock. Doris moaned into Lynn's freshly fucked ass as she licked it.

Doris's ass relaxed and I tongue fucked it. I fingered it with one then two fingers, pumping a finger in her pussy. Her ass was ready for cock. I moved forward and thrust my cock into her pussy. Mom slid forward with me and proceeded to lick and suck Doris's clit. I held my cock balls deep inside Doris's pussy and enjoyed the spasms elicited by mom's oral works. Within a few minutes, Doris came over my cock, drowning my shaft and balls with her juices. I waited until she calmed down then pulled out. Mom spread Doris's cheeks for me as I pushed my dripping cock head into the ready asshole.

My cock popped in, making Doris grunt into asshole. As I thrust into Doris's ass, Lynn humped her mother's rocking head while sucking dad's hard cock. I grabbed Doris's tits through her sheer top and proceeded to fuck her ass with long, hard strokes. She spread Lynn's ass and fucked her tongue into Lynn's ass.

Mom knelt behind Alex and rid her of her panties. Alex had been still fingering her pussy. Mom replaced Alex's hand with hers and used her free hand to massage her own pussy.

Lynn came in her mother's mouth then Doris came on my cock. I continued to pump Doris until her asshole relaxed then I pulled out. She sucked my cock then kissed her husband deeply as I lapped up her pussy juices. Meanwhile, mom got out of her flimsy clothes and helped Alex onto the couch. Mom pulled Alex's ass to the edge of the couch and pushed her legs over her head. She arched her back, thrusting her ass invitingly, and proceeded to lick Alex's pussy.

Holding mom's ass in my hands I drooled onto mom's asshole then proceeded to tongue kiss it. Doris proceeded to finger fuck mom's pussy with two fingers, making mom moan into Alex's pussy. I pushed one then two fingers into mom's ass. Doris continued to finger fuck mom as she drooled on my fingers while I pumped them in and out of mom's ass.

I finished the ass play and pushed my cock into mom's pussy. As soon as my balls touched the outside of mom's pussy, Doris started to diddle mom's clit with her left hand while fucking mom's ass with two fingers of her right hand. I felt mom's spasms and heard her moans and gasps into Alex's crotch. Mom came very quickly, bathing my cock in her juices.

Doris removed her fingers from mom's ass and had dad suck them. I poised my slick cock head on mom's asshole. Doris held my shaft with her hand and pressed my cock head in. Mom grunted into Alex's pussy as my cock head popped inside her. Doris resumed toying with mom's pussy as I pushed the rest of my cock into mom's ass.

Mom ate and fingered Alex's ass as I fucked hers. Doris slid under mom and proceeded to eat her pussy gently. Minutes later, mom came in Doris's mouth as I drilled her fluttering rectum vigorously. Doris continued to lick mom's gushing pussy until mom's orgasm died completely. Then Doris pulled my cock out and sucked it. Mom continued to tongue fuck Alex's ass until she made her come. She continued to tongue her asshole until Alex went limp.

"Fuck her," mom said as she moved off Alex. "Fuck the little whore."

Alex's pussy was drenched. I pushed my cock in like a hot knife in butter, making her grunt. As soon as my balls touched her asshole, mom and Doris started to suck each other's husband. Lynn knelt next to me. She took my cock out and sucked it before returning it to Alex's pussy. I grabbed Alex's ankles and proceeded to fuck her until she came drenching my cock and her asshole.

Alex was still coming when mom and Doris switched places with their partners. Mom and Doris lay back on the couch in the same position as Alex. Dad had just started fucking Doris's pussy when I slid my cock up Alex's ass. On my left side, Andy fucked mom's pussy eagerly. The three horny women held hands as they got fucked. Lynn diddled her own pussy. She switched my cock between Alex's asshole and her own mouth several times.

Alex was the first to come. Her asshole went into wild fits around my cock. I continued to pound her jerking ass until she went limp. Then I pumped within her slowly. Finally, I climbed over her and had her suck my cock.

"Let's switch," I said as I climbed off Alex.

Lynn squeezed herself between mom and Alex. We shifted to the left. Mom had a break while I got Lynn, dad got Alex and Andy got his wife. Lynn's pussy was drenched. She was so close to coming. I dipped my cock in her sodden pussy then pushed it into her asshole. My cock slid all the way up her ass in one smooth stroke. I held her ankles and proceeded to drill her receptive asshole. She was the first to come, quickly followed by Doris. Andy and I fucked our partners lazily until dad made Alex come.

The women changed their positions, kneeling on the floor and resting their upper bodies on the couch. This time, I had mom's ass, dad had Lynn's and Andy had Alex's.

"I've always wanted to try the club sandwich," Doris said in the middle of the fuck.

"You mean triple penetration?" mom said.

"What else?" Doris said.

"Me, too," mom said.

Doris pushed Andy off Alex then pulled dad and me off Lynn and mom, respectively. She pushed dad onto the floor and mounted him, beckoning to me. I knelt behind her and stuffed her ass for her.

"Come here, Andy," she called to her husband. "I still have a free hole. Can't you see I can talk?"

It was not easy to establish a rhythm at Doris's bottom, but when we did Doris started to shake. Her twitching orifices humped back and forth eagerly meeting the wicked hard shafts. When I squeezed her tits she gasped and when I pinched her nipples through the sheer top she started to come and the rhythm was lost. I held her hips tightly and pounded her ass in my own rhythm. Dad did the same with her pussy while Andy continued to muffle her screams with his cock.

Finally Doris collapsed limply on top of dad. She rested for a minute then rolled off. Mom pounced on dad's cock, Lynn pounced on mine and Alex pounced on Andy's. They sucked our cocks then mom mounted dad. I mounted mom from behind, plugging her ass with hard cock. Several minutes later, she was on the side, panting for air while Lynn rode the wild sandwich-making machine. Alex was not about to give up her turn. She laid Andy on the floor and rode his cock while she sucked dad's and I plugged her ass.

Alex came very quickly, but she continued to ride energetically to a second orgasm. The little whore had the three of us come in her thirstily sucking orifices. She rested for five seconds, during which she continued to suck on dad's softening cock. She yanked her squishy holes off Andy and me and planted her sticky pussy on Andy's mouth.

Mom kissed Alex and I could see that they were passing come back and forth. Meanwhile, Doris sucked my cock clean. She then moved to Alex's asshole. After sucking Alex's ass dry, Doris shared the come with Lynn.

When Andy was done with Alex's pussy, mom kissed him hungrily, trying to suck every trace of come she could get out of his mouth.

The orgy continued until every man had fucked and probed every woman's mouth, pussy and ass at least a couple of times with his tongue, fingers and cock. All the women had been double and triple penetrated again and every hole had been come in at least once. At the end, we all were exhausted and we did not know the result of the game. We dressed and got ready to call it a night.

"Doris, let's go," Andy called to his wife.

"Doris is staying," mom said to him. "I am coming with you."

"That's so nice of you, Amy," he said. "Thank you."

"I am sure you know how to thank me later," mom smiled.

"I sure do," he said.

Mom left with Andy with his hand on her butt and her arm around his back. Doris and dad left upstairs, leaving Lynn and Alex with me.

"That was a great achievement, girl," I said to Lynn. "You are one of the hottest whores ever."

"Oh, yeah?" she smiled. "Why don't you take me to your room and treat me like one?"

"I would, but I am fucked out now," I said.

"So am I," she said. "Let's go take a nap then start over."

"Is there any room for me?" called Alex.

"Of course, as long as you have room for us," said Lynn.

I led both girls to my room with my hands on their asses.

"Now that we've got the bottom line covered," Lynn said, squeezing my spent cock, "I am going to work on letting this guy up the rest of my friends' asses and up a few you haven't met yet."

"I am also going to introduce you to a few asses of my own," said Alex.

"Those are my girls," I said, slapping their asses playfully.

The End

The Tigress

My mother's friend and my lover wanted to initiate her daughter on her eighteenth birthday. More of her daughter's hidden talents showed in her birthday party. She later used her skills to seduce others, starting with my mom. That was only the start.
