

The family that plays together stays together

Chapter 2

Let's recap what we know. Bob and Gina are a fun loving married couple Gina caught their daughters out on the pool deck shaving and eating each other's pussy and Gina had them shave hers. The three females then formed a daisy chain, brought each other to a cum and that is how Bob found them. They convinced him to let them shave him bald and Gina said she was the one doing the job and that is how we left off with Bob getting ready to be bald like a little boy.

Gina sprayed shaving cream on Bob's pubes and soon he was bare as when he was 10, ass included. Gina had him jump in the pool to rinse off any remaining cream and so she could check for any hair she missed. Bob did as he was told and was soon back on the deck on his back. Suzie got down and checked out her father for any hair and found none but because he was so hard and dripping precum, she couldn't resist and sucked his cock into her mouth. Sara said it wasn't fair as Susie had already sucked his cum from him and Gina told Suzie it was only fair and she reluctantly let go and Sara quickly had his cock in her mouth. He could feel her licking around his shaft and head with her tongue and soon felt her swallow. As she swallowed, it allowed his cock to slide into her throat. Everybody saw her do it and expected her to gag but all she did was look up into her father's eyes and smile, as best she could with his cock in her throat. She then started face fucking herself and stuck her finger in the side of her mouth to get it wet and then shoved it up his ass. As soon as her finger was buried deep and she wiggled it around he blasted his cum hard and strong, deep into her throat. She felt it happening and pulled back just enough for him to fill her mouth. He came more than he had cum in a long time and when he finally stopped, Sara pulled off, swallowed hard to make a show of it. She looked up at her father

and thanked him for his delicious cum. He couldn't say anything except to thank her for what she had just done. Gina asked her where she had learned to deep throat like that and Sara said she had read about swallowing to get a cock in her throat and since she had very little gag reflex, she had to try it. She said she loved it and he could face fuck her anytime he wanted. Gina and Suzie couldn't believe what they just witnessed but jumped on Sara and kissed and finger fucked her to a cum. Bob, being spent, could only watch as the girls brought Sara off. As soon as she came, Gina said they all needed to talk. She asked the girls if they had or wanted to include their brother. Sara said they had actually planned to have sex with him first but she was glad they had sex together instead. Gina knew Bob Jr. was home so she went in to find him. Bob and the girls stayed out pool side.

Gina went into the house and upstairs to Jr.'s door. She knocked and he opened it with the biggest hard on she had seen her son have. He started to apologize for it but she put her finger to his lips and hushed him. She at the same time reached down to take hold of it and he started to pull away. She let go and took hold of his head, held it and deep kissed her son, for the first time. He again started to pull away but she would not let him go. She finally stopped kissing him and then looked him in the eyes. She asked him if he had seen what had happened outside. He hesitated and then finally told her he had indeed seen them and hoped he could be included. She dropped to her knees, sucked his cock into her mouth and gave him a blow job, after only a couple minutes, he blew his load into her mouth. She stood up and told him he was more than welcome to join the rest of the family. They went downstairs hand in hand and walked outside to greet the others.

Bob could tell by the look of his wife and the fact that Jr.'s cock was limp, that they had had some sort of sex. Gina was the first to speak and said that Jr. wanted to join the family fun.

She said he had tasty cum as she had sucked him off in his bedroom and he had watched the action from his window. Sara and Suzie jumped up and put their arms around him and told him they couldn't wait for him to cum in their pussies. Gina looked at Bob and said it was a good thing they had put the girls on birth control pills. Bob told the kids they needed to talk and set some ground rules. Everybody grabbed a deck chair and Bob began. He said even though he had never imagined having sex with any of his children or them with each other, it had begun and he knew they would not stop.

Bob proceeded to tell the kids that even though they were now allowed to have sex with each other, he added anytime and place they wanted, he told them in no uncertain terms that nobody was to be forced to do anything they did not want to do. He asked each one individually if they agreed. Sara and Suzie said they agreed and Suzie looked at Jr. and then asked her dad if begging would be considered forcing somebody. Bob looked at his wife and Gina said it would not be force but for the person begging if the other really did mean no, then no it was. Gina asked Suzie why she looked at Jr. before she asked the question. Suzie said it was because Jr. had been begging to see the girls naked for the last week and they didn't know how to handle it without it feeling like he was trying to force them. Bob said now nobody had to beg to see anybody naked, he was making a new rule and that was the entire family was now to be nude wherever they were home and if they brought a guest home the guest was to be told and had to follow the house rule. Sara asked if that meant if one of her girlfriends came over they had to be nude or they could not come over. Bob told her that was now the rule and if the friends didn't want to come over then she would have to go to their house. Suzie said she knew all of her friends would be okay with the rule and Sara said she thought only one girl would not like it and that was her best friend Betty. Jr. said he hoped Betty would be willing as he wanted to see her naked and fuck her.

Gina smacked him on the shoulder and said that was crude. Bob reminded her that the new rule of nude and open sex kind of took the crude out of what Jr. had just said. Suzie asked if it included their parent's friends and Bob said it did. Gina looked at him and smiled. Bob asked who she was smiling about and she said her best friend, Betty's mom. Bob thought Jill was hot and had said so to Gina many times. He suggested maybe Gina have lunch with Jill and let her know the new rule and ask if she would be okay with it and invite her and Betty over. Gina said she would the next day.

Bob looked at Jr. and told him that he had to be shaved since everybody else was. Jr. had not paid much attention to his dad as he was too busy staring at the girls, mom included. He started to object but before he could say much, Bob said he now included that in the house rules. He could not enforce friends needing to be shaved but his family was from then on going to be bald and there would be no arguments. He told Sara and Suzie they were to shave Jr. and after they were finished, he would flip a coin to see who got to fuck their brother first. The girls jumped up, got the shaving stuff and Gina told Jr. to lie on his back. He did and she sat on his face while the girls shaved him. Bob just sat back and enjoyed the show. He was slowly stroking his hard cock but didn't want to cum as whichever daughter lost the coin toss, he was going to fuck.

It didn't take long for Gina to start cumming from her son eating her pussy and thinking about all that had gone on in the last hour or so. She looked at her husband and asked him to kiss her. Bob did without hesitation and this brought Gina off even more. She finally had cum so much she fell to her side and looked down at her son's face. It was shiny wet from her pussy and she asked him if he was okay. He told her he was good and she had a mighty fine tasting and

super wet pussy. He said he was looking forward to fucking her soon. She said she was looking forward too him also but he had a sister top fuck first.

The girls were soon finished shaving their brother, he jumped into the pool and it was Bob who inspected he for any missed hair. Jr. was a bit hesitant to have his dad holding his cock but even that didn't stop him from getting hard. Bob looked at Gina, smiled, and then turned back to Jr. He opened his mouth and sucked Jr. in. Gina, knowing Bob was bi-curious, did not say anything but the kids were all shocked and Jr. started to pull away but Bob pulled him back and soon had his son's cock deep into his throat. He didn't suck his son to cum because he wanted to be sure Jr. had cum for his sister. He pulled off and Jr. could only thank his dad. Bob said he had wanted to suck cock for many years as he was bi-curious and he figured today was the best day to try since this family nudity and sex were all new to everybody. He then reached for his pants, pulled out a coin and just as he was getting ready to flip it, he added the idea that he would fuck the loosing daughter. Both girls said they hoped they lost. Jr. said what about him, didn't they want to fuck him and they both said they did and had wanted to for a long time but to be able to fuck their dad was the ultimate thrill. Bob flipped the coin, Sara called heads and it was tails. She jumped onto her dad before he could toss the coin to his pants, grabbed his cock and sat down on it hard. She had lost her cherry by shoving a big vibrator in her pussy.

Time to end this chapter and go on to another one. I know I don't like LONG stories as I get lost reading them and this one got too long.
