STORY SUMMARY

Early yesterday as Carley stood there looking at her sleeping brother's naked bodies intertwined she studied their hard boners as she played with her own hard clit. As she dipped her finger into her moist 10 year old pussy, she knew that she had to have a boner in her cunt soon. As she went back to her room and wildly masturbated, she tried to imagine what it would be like to have either Doug or Mike make love to her. Watching her mom making love to both of her brothers only made the need for a boner in her pussy more intense.

After the wild sexual scene in her parent room and watching her mom and dad make love while the family skinny dipped, Carley made her decision and she talks to her daddy about who she wants to take her virginity.

At the Marina Doug friend 15 year old Mickey is caught masturbating outside by his 12 year old brother Wesley. Mickey was jacking off while looking at the sext message of Jeff's boner. Wes watched the gas dock for his brother. There are no customers and Wesley had time to daydream about his very special relationship with his brother.

CARLEY MAKES A DECISION

When the family got back to their dock after skinny dipping at Shelter Cove, the boys raced to the house to get something to eat. Carley shyly took her daddy's hand and walked to the end of the dock where they sat down to talk.

Carley snuggled up to her daddy and held his arm. She was kind of nervous about talking to him about this but she had decided early this morning before they were all doing sex stuff in her parents' bedroom that she wanted to feel a hard boner in her pussy.

"Ummm...daddy...I need to talk to you...I want to tell you something," She said hesitantly.

"I...ummm...want a penis in me...like you and mom and the boys and mom did...you know...I want to be fucked...real bad...my pussy aches for it..and ummm...I was thinking I want Mike to do it...is that awful...I love Doug so much...but his boner is so big compared to Mike's...it ummm..well it kind of scares me...and you know...I umm...well wanna get fucked real bad...do you think Doug will hate me for wanting Mike to take my virginity?" She gushed out in one breath and then looked anxiously into her sexy daddy's deep blue eyes.

Bill didn't say anything. He just scooped his sexy 10 year old blond beauty in his arms and showered her with kisses. He whispered, "I love you so much. I think Mike is a great choice for you for your first time...and ummm...Doug will understand if you explain it just as you did to me.

Doug showered and while Mike flopped down on his bed naked. Doug went out the back door and his mom saw him heading for Sally's cottage. She noticed that he had just showered and had a raging boner in his board shorts.

DOUG GOES TO SEE SALLY

Doug knocked on the back door and Devon, Sally's 15 year old brother, answered the door. He let Doug in and noticed the bulge in Doug's shorts. He called Sally and just shook his head as he walked back to the family room. Devon groped his hard cock through his shorts as he thought about Doug getting sexy with his sister. He stared at the television but he was thinking about his sister and Doug.

Sally took Doug by the hand and led him down the hall to her room and pushed the door shut. She knew that Devon was watching a baseball game. Sally quickly stripped off Doug's shorts and his t-shirt. She could eat this sexy boy up and she wanted to see him totally naked.

Doug stripped Sally naked and the two of them began to breed. There was no foreplay or kissing. This was two beautiful young kids filled with lust. They both wanted raw sex.

Doug laid her sexy naked body back on the bed and he put her legs over his bare shoulders. He rammed his hard 13 year old cock in her pussy and she groaned with pleasure. Doug's hard cock ached for her pussy and it was so lovely, wet and hot as he penetrated her. The two of them were completely oblivious to the world around them as Doug mounted her 12 year old pussy and began to wildly hump her. He sucked her beautiful breast buds as his hard cock pounded her pussy.

Sally began to whimper and moan as the intensity of Doug's thrusting peaked. Doug went over the edge. His hot cum squirted in her stretched cervix made her cry out as the powerful climax rocked her. Sally whimpered and moaned with the intense pleasure as her body convulsed and shuddered again and again.

After they mated Sally began to lick Doug's cock clean of their combined juices. She sucked and licked him until his boner was rock hard again and then she pulled him into her pussy. Doug and Sally were humping uncontrollably when her brother opened the door and he stood there watching them breed while he rubbed his hard cock through his shorts.

Devon pulled down the front of his shorts and he began to jack his cock as he watched them mate. His little sister was so sexy. He had wanted to breed her many times but was afraid he parents would find out. Devon groaned as his hard cock squirted hot cum halfway across the room.

Doug and Sally looked up and saw the ropes of creamy cum shooting out of her 15 year old brother's dick. Devon blushed and shook the last of the cum off his dick before pulling up his shorts. They all looked at the creamy evidence of Devon's lust that was all over the floor. Devon turned and left.

Doug thought it was cool that Sally's older brother got off watching them. Doug stood up and Sally took her panties and cleaned all of the creamy cum and juices off Doug's semi erect cock. She sniffed the scent of his cum from the panties and looked up at Doug and smiled. They heard her parents' car in the driveway and Doug quickly dressed and dashed out the front door.

Sally came out shortly after with her hair a little disheveled and sat on the arm of the couch and picked up Devon's coke and took a drink. Devon could smell the combination of his sisters juices and Doug's cum. He smoothed her hair and smiled at her just before their parents walked in.

Doug walked in the house and found his dad and mom kissing in the kitchen. "Get a room you guys," he teased.

"We had one this morning and everyone still walked in on us." His mom said with a smile as she stroked the side of her sexy son's face. She reached down and groped his now flaccid cock. She smiled knowing what the short trip next door had been about. She wanted to ask about Sally but decided that this was not the time.

CARLEY'S FIRST TIME

Doug looked up as his naked brother and sister came out of the bathroom. They were both still damp from their shower and Mike's prepubescent 11 year old boner was rock hard.

Carley saw Doug and knew that she had to tell him.

She walked into the family room stark naked and hugged her big brother. Doug wrapped his arms around the sexy blond 10 year old and kissed and hugged her.

"Doug...I love you so much and I want you...she said as she fondled his hard cock...but I want Mike to be my first...it's just that you're so big...you know...for the first time.

Doug kissed her lips and it was a long tender kiss as he hands roamed over her naked back. "It's cool...ummm...are you going to...you know...do it now?" He asked.

She nodded.

"Awesome...could I watch...I mean you two are so sexy...it would be hot to watch you make love."

She nodded and took his hand and led him to her double bed. In the hall she wrapped her other arm around Mike's naked waist and the three of them headed toward her room. When they got in the room, her 11 year old brother Mike took her in his arms and kissed her...it was no brotherly kiss...it was

a kiss with raw passion and need. Doug glanced up and saw his mom and dad in the doorway watching their two youngest children getting ready to mate.

His parents marveled at how strong the Mike's prepubescent sex drive was. He rubbed his boner against his naked sister as his fingers lightly toyed with her stiff puffy nipples. Mike other hand found her small pussy and he parted her lips and found her stiff clit.

After a few minutes of intense kissing, Mike and Carley moved to her bed. They stretched out on the white eyelet bedspread and Mike kissed her and then began to feast on her beautiful puffy nipples. His fingers parted her pink and lust swollen pussy lips as he gently fingered her. Mike felt her hymen and his cock got even harder as he thought about taking her virginity as Doug took Sally's cherry the day before. Mike had watched his mom eat his sister's pussy earlier that morning and he wondered what it would be like to do that.

Carley was shocked when Mike kissed and licked his way down her torso until he was licking and kissing the outer lips of her pussy. His thumbs parted her pussy lips like a flower opening up. Mike's stiff tongue began to pleasure her most intimate places. Mike was surprised that he liked the taste of his sister's pussy and he loved the way she twitched and shook as he found sensitive places with the stiff tip of his tongue. His tongue penetrated her cunny and she moaned and groaned with the pleasure. Then he licked and sucked her clit and that really drove Carley wild. Her blond hair was a tangled mess from shaking her head back and forth as the lightning bolts of pleasure raced through her body. Carley thrust her 10 year old cunt at Mike's mouth to intensify the contact. She could barely breathe the pleasure was so incredible.

Mike loved giving his sister pleasure and it thrilled him to give her awesome feelings. Mike wanted to take her over the edge. His mom showed him her clit earlier that morning and told him that was what gave her such awesome pleasure when he fucked her this morning. Mike saw how Carley clawed at the sheets when he worked her clit with his tongue.

Carley gasped as Mike tongued her clit. "Mike...ohhhh...Mike...ahhh....ungh...oh Mikey...too...ohh...mmm. She groaned and whimpered. She wanted to tell him it was too much...but her mouth wouldn't work. Carley cried out as the sensations rocked her.

Mike smiled as he continued to feast on her hot pussy. Suddenly there was a rush of juices into his mouth. Her body convulsed like she was holding an electrical wire. When the convulsions eased Carley was limp.

She watched as Mike prepared to mount her. "Oh God Mikey...not sure...so soon...oh..." Then she felt the tip of his cock pressed against her pussy lips...she groaned and thrust her pussy forward and the head of Mike's prepubescent 11 year old boner entered his sister. He pushed until he felt her hymen straining against the tip of his cock.

His sister was still moaning and groaning. "Oh fuck Mikey...need you bad...need you now...fuck me...please fuck me.

Mike thrust his boner until he felt something snap. Carley yelped at the momentary pain and then shoved her sweet 10 year old cunt toward her brother. He fully penetrated her and she breathed heavily for a moment as his boner stretched her young pussy. Then the two of them began to breed. They thrust against each other hard and fast. They were both groaning and moaning as the good feeling hit them simultaneously. Their tongues did an erotic dance as the prepubescent kids rutted like wild animals. They both cried out as their passion hit the peak and their young flesh slapped together until they were both completely spent.

Nancy's cunt was flooded with her juices as she watched Mike and Carley make love. Nancy's pussy ached for a boner. Doug was lying on the bed next to his brother and sister and Nancy decided that she had to have his sexy 13 year old boner. Nancy rolled Doug over and quickly straddled him as she mounted his awesome 13 year old boner. He slid easily into her cunt. She reached over and fondled Bill's awesome cock and told him that she wanted his cock too.

Doug was confused. He had never even considered the idea of two cocks in one pussy. Doug felt his dad's cock against the base of his cock and he gasped when the head of his dad's thick cock entered his mom. It was so tight. Doug and his dad began to thrust. Their two cocks were held tightly together by his moms red hot pussy.

"Dougie...Bill...I want..." she gasped and breathed hard, "...you to fill my pussy with your cum...and Bill I want you to cum all over our son's sexy cock. I want you to squirt all over each other just like you and Mattie used to do."

Doug's jaw dropped...his mom was talking about his dad and Uncle Matt double fucking her.

All of the wild images raced through Doug's head as the tightness and his dad's thrusting carried him over the edge. "Oh fuck mom....I'm cumming..." The boy said as he thrust uncontrollably. Bill and Nancy both felt Doug's hot semen squirting and that pushed Bill over the edge. Bill jetted thick creamy cum all over his son's cock and flooded his wife's womb. As he thrust against her cervix, Bill thought about what it would be like if she were not on birth control. Nancy started screaming with the intense climax and she squirted all over her husband and 13 year old son.

As they came down from their orgasms, Bill watched Carley and Mike mating. He watched as both of them had intense orgasms. Since Mike had dry orgasms, his cock remained hard and after only a moment he began to thrust again.

Nancy was lying beside Doug and stroking his hair. Doug young flaccid cock was covered with his mom's juices and thick cum of his own and his dad's. Bill moved between the sexy boy's smooth legs and began to feast on the family's juices that dripped down the boy's balls. Nancy asked Doug if she had taken his virginity earlier in the morning.

Doug said, "Ummm...well...no."

"It was Sally...wasn't it?" His mom asked.

Doug said, "Yeah...me and Mike did it with her yesterday...it ummm...was her first time too."

Bill was totally hard again thinking about his sexy sons with the beautiful nymph next door. It was a beautiful image.

Mike finally pulled out of his sister's aching pussy. That was when they saw the small puddle of blood on the white bedspread. Doug pulled his younger brother into a tight embrace as he told him that it was so cool that they had both taken a girl's virginity and lost their virginity together. Doug felt his brother's slippery boner rubbing roughly against his abs as the boy sought yet another orgasm. The family orgy continued well into the night and into the small hours of the morning.

THE NEXT MORNING

They were all awakened the next morning by Doug's cell phone chirping with a text message. Doug opened the message as he sat on the edge of the bed and where the whole family could see it. The screen on his iPhone lit up with a color image of a thick teen cock. The cock was so hard that the head was almost purple. The message below the hard cock was, "Dude...I need you so bad...please call me."

Doug's face turned a deep shade of red as the family looked at his first ever sext message.

"Whoa...look at that fucking cock...it's amazing...who is it?" Mike asked enthusiastically.

Carley leaned up and reached out with her index finger and traced it over the head of the boner in the picture. "Very cool boner," she said.

Everyone in the family was looking at the iPhone image and then as one they all looked at Doug who looked terribly embarrassed. The room was so quiet that you could hear a pin drop as they waited for him to tell them who it was.

"It's....well...ummm...it's....Jeff." He said and when the room remained quiet he went on, "Jeff and me...well...ummm...we went skinny dipping in Shelter Cove earlier this week...and ummm...well we...ummm...did sex stuff too."

Bill's cock was throbbing and leaking precum as he thought about his beautiful smooth sexy 13 year old being sexy with the manly looking 14 year old. Jeff's body was so developed he look like he was in his late teens and his cock matched that impression. He was a very hot and very developed young teen.

Nancy hugged her son and said it was pretty normal for young guys to mess around every way imaginable. "Did you like it?"

Doug blushed. "Yeah I did...a lot...I...ummm...dreamed about it a lot this week and ummm...other guys too."

His dad stood up and put his arm around Doug's shoulder. "It is cool big guy...you maybe bisexual...hot for both guys and girls. Don't worry about it. As hot looking as you are, you will have lots of guys and girls that want to be sexy with you. You'd better call him back and see what he wants," his dad said with a laugh. "Like you don't know what he wants," he said and laughed even harder as he headed to the bathroom.

The young boy's cock was throbbing. He could not believe that his entire family knew that one of his good friends was lusting after him.

Doug was unaware of what his family was thinking. His little brother was envious that Doug was going to get sexy with Jeff. Mike thought Jeff was incredibly sexy. His little sister Carley was having similar lustful thoughts about Doug and Jeff. His dad was wondering if Jeff was going to be the lucky one to get to fuck Doug for the first time. They all watched enviously as Doug walked into the family room to call his friend with the throbbing boner.

Carley went in to take a shower and as she washed her pussy she thought about all of the amazing things that had happened in the last few days. Her brother fucking her and her mom eating her pussy were both awesome. Carley really liked it when her mom tongue fucked her and sucked her clit. Carley thought about Sally next door and wondered what it would be like to eat her pussy. Her clit was rock hard as the sexy 10 year old thought about eating her 12 year old neighbor. She decided that she was going to see Sally.

Mike needed to return Kevin Christopher's wake board. He pulled on some basket ball shorts and a t-shirt. He slipped his sexy feet into his leather flip flops and found the wakeboard leaning against the side of the house. Mike walked two blocks over to where Kevin's cottage was. He knocked on the back door and Kevin's dad sent him upstairs to Kevin's room. Recently the boys had worked some grab ass into their rough housing. It was like watching two young bucks that mimicked the mature bucks mating rituals. They wrestled a lot and would cop feels of each other's junk while they were wrestling.

Almost immediately they found an excuse to wrestle. Kevin could tell something was different. Their wrestling had a different urgency. Kevin smiled as he felt Mike grab him from behind. Mike wrapped his arm around Kevin's waist and pressed his hard cock against Kevin's butt. Kevin liked the feeling of his friend dry humping his ass.

Mike's mind was racing and his cock ached from thinking about Doug and Jeff. Mike roughly thrust his hard cock against Kevin's ass. As Mike thought about what it would be like to really fuck Kevin's ass his need for release grew. Mike slipped his hand in his friend's basket ball shorts and found that Kevin was going commando. His hand was exploring Kevin's naked boner.

Kevin gasped with pleasure. His first instinct was to not let his friend touch his boner. Kevin half heartedly tried to wrestle away from the hand that was giving him such pleasure. He wanted to tell Mike to stop but his pleasure addled mind could not form the words...or did not want to form the words. Mike began to rut against Kevin's sexy butt. Kevin's silky black hair flew around wildly as he gyrated with the intensity of the pleasure Mike's hand was causing. Feeling Mike rhythmically humping

his ass just added to Kevin's sexual excitement. He desperately wished they were naked. Mike's fingers felt the sparse growth of hair at the base of Kevin's cock and enviously ran his fingers through the slightly younger boy's curly pubic hair. Mike began to stroke Kevin's shaft and Kevin could only moan with the intensity of the pleasure. Mike kept imagining his naked boner sliding in and out of Kevin's tight ass...he had to make that happen...some day soon.

Kevin loved playing with his hard boner, but it had never felt like this. What Mike was doing to his boner was awesome. Suddenly it started to feel very weird and Kevin wanted to tell Mike to stop but suddenly Kevin was gasping for breath as he felt the good feeling take hold of him. His body shuddered and convulsed with the wild pleasures. He was aware of Mike moaning in his ear as he felt Mike's body shudder. As the awesome intense feelings faded Mike eased his hand out of Kevin's shorts. His hand was covered with a few drop of clear liquid.

Kevin and Mike were speechless as they looked at the clear drops in his hand. Kevin was mystified.

Mike smiled as he looked up at Kevin and said, "Dude...you just came."

Kevin's eyebrows furrowed not understanding what that really meant. He had a million questions...but for the moment was too shy to ask them.

Mike grinned at his friend and said, "Man if you liked that...there is a lot of other stuff I can show you."

Kevin could only nod. He wanted to hold his friend's sexy naked body in his arms more than anything.

Mike thought about Doug and Jeff and decided that he would see if they would let him hang out with them. He told Kevin he needed to do something with Doug and would call him later. Kevin watched in awe and disbelief as Mike licked the clear boy cum off of the palm of his hand.

Mike grinned as he said, "Tasty!" Mike waved as he headed out the door and down the steps.

Kevin stood there watching the sexy blond boy leave as Kevin groped his stiffening cock.

AT THE MARINA...MICKEY'S LITTLE BROTHER CATCHES HIM

Mickey was working at the marina. Mickey's phone chirped earlier when the text message arrived from Jeff. Mickey knew to wait to open it until he was alone because Jeff had been sending really awesome sext messages. When the gas dock quieted down he went in the small gas shack beside the dock and pulled out his cell phone. He opened the text message and saw the photo of Jeff throbbing boner with the message about his needs.

Oh fuck Jeff is so hot, he thought as his own 15 year old cock went rock hard look at Jeff. Mickey had overslept this morning and he had not had time to take care of his morning wood. Mickey reached in his short, short cutoff jeans. As always he wore them commando. Mickey's cock ached for attention.

Mickey pushed his semi erect boner down so that the head of his 6 ½" cock stuck out of the leg of his shorts. That action alone sent wild jolts of pleasure through him.

He looked around and satisfied that no one was around, He began to jack his raging boner. Mickey made a "V" with his first two fingers and began to drag the fingers back along the head of his cock holding it tight against his inner thigh. His cock head was so sensitive that he groaned softly. He was paying particular attention to the rim. The wild sensations of pleasure raced through his abdomen and made him shudder. Precum was running down his leg in a steady stream as he jacked himself roughly needing a quick release as he dreamt about sucking Jeff's awesome cock. Looking at the picture of the throbbing monster only made his need more intense. Mickey knew it was not going to take him very fucking long...his need was great. He made a hoarse groaning sound as he felt himself approach the edge he bent and grabbed a small wastebasket and gasped as he held it up and ropes of hot creamy cum squirted into the tiny basket. Every scrap of paper in the small waste basket was coated with his thick creamy teen cum. He studied his friend's cock in the sext message as he rode the wild waves of pleasure. When the awesome feelings passed, Mickey looked up and was startled to see his little brother Wesley standing there watching him with a big smile on his face.

Wesley was groping his 12 year old boner in his cargo shorts as he studied his brother's softening cock as it dangled in the wastebasket dripping thick cum. Wesley peered in the waste basket. "Whoa dude you really needed to bust a nut." He said as he looked over at the image of the rock hard boner on his brother's cell phone. Wes smiled.

"Holy shit...you scared the crap out of me," Mickey told the sexy boy as he hugged him and kissed the top of his head. Wrapping his cum covered hand around Wesley shoulder. His hand left a cummy print on his little brother's naked shoulder.

Wes grinned and said, "You're lucky it wasn't one of the girls. You know how they'd freak if they saw that monster of yours. They'd tell mom and you would be in the line for the confessional with Fr. Tom Saturday afternoon." Wes said with a chuckle.

Wes just groped his own 12 year old boner as he studied his big brother. Wes worshiped his big brother. They were so close they were almost inseparable.

Mickey pulled his little brother into the gas shack and into his arms. He kissed his little brother passionately and slipped his hand in the front of Wesley's shorts. Wes moaned at the pleasure his brother's hand caused. The sexy half naked boy reflexively began to thrust against Mickey's hand. Mickey's other hand was lightly stroking his brother's back. The little guy humped and groaned against the palm of Mickey's hand until he groaned deeply and squirted his milky 12 year old cum on the palm of his big brother's hand. Mickey licked Wes'cum off his hand and then kissed his brother again so that they could share his fresh cum.

Mickey asked Wes to keep an eye on the pumps while he slipped away to talk to Jeff about the sext message.

WESLEY DAYDREAMS ABOUT HIS BIG BROTHER

Things were quiet at the gas pumps and Wes sat there thinking about his big brother and how much he loved him. Mickey was the best...Wes knew that he would do anything for his big brother.

There were 6 kids in their family. The older kids took care of the younger kids. That was the only way their mom could survive. So she started Mickey with chores when he was 5. One of his chores was to give his little brother a bath. Their mom started having Mickey take a bath with Wes when he was 2 and Mickey was 5. Wes loved that his older brother would soap him up with his bare hands. It felt so good to feel Mickey's bare hands all over him. Their bodies would rub together in the tub and both boys loved the feelings that it caused. Mickey always washed Wesley's cock until it was hard.

Wes remembered when he was 4. He thought it would be funny to pee in the tub. Wesley let go a stream that arched in the air and splattered all over his 7 year old brother's face and mouth. Mickey took hold of his own cock and peed all over Wes. The two boys giggled as they peed all over each other. They thought it was uproariously funny. They still played pee games from time to time.

Wes couldn't remember a time when they didn't sleep together. They almost always slept naked except when it was super cold and then they would wear a long sleeve t-shirt and be naked from the waist down. They rub boners to stay warm. Mickey joked with his little brother it was like boy scouts rubbing two sticks together to make a fire.

Wesley would wake up at night and need to go to the bathroom and be afraid to go down the hall alone. He would wake Mickey and beg him to take him to the bathroom. Their parents occasionally found the two naked boys going down the hall in the middle of the night and it made them smile that Mickey took care of Wesley like that. When they got to the bathroom, Mickey flipped up the toilet seat and held Wesley's flaccid penis while he peed. The little guy was usually so sleepy that he was liable to pee all over the bathroom. Wesley pretended to be sleepier than he was just so that his big brother would hold his cock while he peed.

Wesley thought about how they learned really early that it felt really good to rub their boners against each other. Wes was about 6 and Mickey was 9 the night they kept rubbing together long enough until they both got the good feeling. After that night neither of them could get enough of the good feeling.

They started trying other things that might feel better than just rub fucking. They often wrestled around in bed as they rub fucked and sometimes ended up head to toe. One night when he was 9 and Mickey was 12 and they had wrestled around until they were head to toe, Wes started rubbing Mickey's boner all over his face.

"I dare you to kiss it." Mickey had said.

A big brother's dare was all it took. Wes got a mischievous grin on his face as he held his brother's raging 12 year old boner in his fingers. He began to shower the head of Mickey's cock with small quick kisses.

"Oh fuck that feels good," Mickey moaned.

Wes stopped and looked at his brother for a moment and just smiled. He would do anything for Mickey. Wes turned back to the throbbing shaft and put a long slow kiss on the tip of his brother's cock. That got another moan of pleasure from Mickey. Wesley opened his lips a bit and took a bit of the tip of his brother's cock into his mouth and then closed the lips and slowly pulled his head back dragging his lips along the ultra sensitive head of his brother's cock.

"Little dude...that is fucking amazing." Mickey moaned.

"Do it to me Mickey...pleazzzzzzzzzzze" Wes begged.

Mickey did it to Wes only he took the entire head of his 9 year old boner in his mouth and then ever so slowly pulled his head back until the tip of Wesley's cock slipped from his moist lips.

They kept doing it to each other and loving the wild jolts of pleasure that raced through their bodies.

They wildly rub fucked that night to the best orgasms ever. Mickey's 12 year old body felt wildly different feelings that night. There was a strange new tension in his abdomen as they rub fucked. Mickey gasped as he went over the edge thrusting his 4" boner against his 9 year old brother's hairless lean body. The good feeling hit and it was totally awesome. Mickey felt himself squirting and their bodies got wet. That night was the first time that Mickey had a wet orgasm. He squirted a few drops of clear cum all over his little brother smooth white belly. They turned on the light to see what had happened and there they were 5 clear drops of precious boy cum.

Wes remembered how cool it was to have Mickey hold him tight and tell him all about cum. The next morning was Saturday and Mickey did not have to work until that afternoon at the gas pumps. Wesley was the first to wake up. He loved watching the steady rhythm of the rise and fall of Mickey's chest as he slept peacefully. They had kicked off the covers in the night when they got too warm. Wes studied Mickey's 12 year old boner as it throbbed. He knew Mickey must be having a hot dream. Wes decided he was going to kiss Mickey's boner. Wesley kissed the tip of Mickey's cock and his brother moaned in his sleep. Wes tried what they had done the night before and he took the head of Mickey's cock in his mouth. His thumb was in the small light brown patch of curly pubic hair at the base of Mickey's shaft. Wes took the stiff 12 year old boner down to the circumcision line and then pulled his moist lips back along the shaft and over the rim of his cock.

Mickey mumbled in his sleep... "So fucking good..."

Wesley studied the boner and thought it was very cool looking. He wondered what it would be like to taste it. Wesley had heard older boys at school talking about blow jobs on the bus. He learned enough to know that a blow job involved putting your cock in somebody's mouth and having them suck it. The 9 year old stuck his tongue out and licked his brother's cock head with a swift lick. He couldn't decide how you would describe the flavor...but he liked it...and from the way Mickey moaned it must have felt pretty good too.

Wesley was a little bit worried that his brother was losing interest in him. He had watched Mickey the other day when Rose Hughes came in to get gas for their jet ski. Rose is the prettiest girl in school and Mickey almost acted goofy to get her to like him. And then there was Mickey's best friend, Jeff Tompkins. The other day when they thought no one was around, Wes had seen Mickey and Jeff kind of hidden between two of the boats in dry storage. They had their hands in each other's shorts playing with their boners.

Wes was afraid his awesome big brother wouldn't want to do sexy stuff with him anymore. This time when he took Mickey's cock in his mouth he wrapped his tongue around it. The sensations were so strong and good that his brother practically levitated out of bed.

"Holy fuck that's amazing." Mickey said and he put his hand on Wesley's naked back and stroked it. "Oh God Wes...please don't stop. That is the most amazing thing I have ever felt."

That was exactly what Wes wanted to hear. He didn't care what happened...he knew he was giving Mickey pleasure that he had never had before. He hugged the boner with his tongue and pressed it against the roof of his mouth. Mickey was gasping for breath the pleasure was so strong. The family was up and moving around the hallway and Mickey begged Wes to keep going. Wes figured out that Mickey liked it best when he bobbed his head up and down.

"Oh fuck little guy...can't stop...gonna." Mickey half moaned and half whispered as he went over the edge. That was the first time Wes tasted cum. It was sweet and a little salty. He liked it, but he really liked the way it made his awesome big brother feel.

Wesley smiled as he sat there rubbing his boner through his shorts in the gas shack as he thought about that first time Mickey squirted in his mouth. Mickey was squirting right when their dad called down the hall to get them to come to breakfast. His mouth was still full of cum, when he sprang out of bed as he heard the heavy footsteps coming down the hall. He had his back to the door and was pulling on a swim suit when the knob began to turn. Mickey barely got the sheet pulled over his wet cock before the door opened. Their dad told them to get up and get to the table NOW!

He closed the door to give them some privacy as they pulled on some clothes. Both boys were giggling as the near discovery as they quickly pulled on their clothes. Wesley still had his brother's cum in his mouth as they walked down the hall to the kitchen. The rest of the family was saying grace when they got to the table. They had their head bowed as Mickey and Wes looked at each other and grinned. Their dad caught them messing around during grace and gave them a stern look and wondered what the two boys had been up to.

That had been a wonderful year. The two brothers pleased each other every chance they got. As the year went on, Mickey got more curly sandy brown pubic hair and his cock and balls kept getting bigger. His big brother suddenly was a lot bigger than he was. Mickey and Jeff spent more time together and Wes suspected that there was sex involved. He used to worry about Mickey not wanting to do stuff with him, but the more Mickey's body changed and developed the more he wanted to be sexy with Wes.

Wesley was up in the storage loft one afternoon cleaning it out for his dad. It was really hot up there so he opened the window. As he looked down he saw something that no one else could see. His big brother and Rose Hughes were in a boat that was tied up at the back dock. They were completely sheltered from view except from above. Wes remembered how hard he was watching his brother sucking on Rose's beautiful little breast buds. They kissed passionately and Mickey put Rose's hand on his hard cock. She moved her hand away several times before she started to feel him up. Mickey unzipped his shorts and his hard cock popped free and he gently wrapped her hand around his boner. As he sucked her nipples, Mickey held Rose's hand and began to masturbate himself with her hand. Rose was startled when Mickey groaned and thick creamy cum began to spurt all over Rose's hand and Mickey's belly.

Wesley was rapidly stroking his own prepubescent boner. Wes' body shook as he watched his brother climax. Wes' good feeling was more intense than normal.

Wes thought back about how he worried again that Mickey would lose interest in him. Rose's body was so hot and sexy. Wesley discovered that Mickey doing sexy stuff with Rose only made him more horny.

Mickey was on fire that night after Rose masturbating him to a climax. Mickey kissed and hugged Wes' 10 year old body more intensely. Wesley felt him playing with his nipples like Mickey had played with Rose. Mickey started kissing Wes more passionately and as he did he played with Wes' 10 year old asshole. At first Mickey just rubbed it and then after a while he began to insert the tip of his finger. Mickey ground his hard boner against Wes as he increased the depth of his finger penetrating Wes' boy pussy. As Mickey neared his orgasm he whispered in Wes' ear that he had such a hot tight boy pussy. As Mickey said that, his hot thick teen cum exploded all over Wesley's sexy body. Wes knew that his 13 year old brother wanted to fuck him.

The next few days they happily sucked each other's cock and stroked each other to orgasm every chance they got. Wesley remembered how his brother couldn't get enough sex.

Wesley wanted to please Mickey more than anything in the world. He thought a lot about what it would be like to have his big brother fuck him. It was about 6 pm and the marina was closed. Wes headed to his favorite place to think. There was a long pier that ran alongside the huge storage shed. The end of the pier faced out toward the lake and the sun sinking in the west. The lake was smooth as glass and there was only the distant sound of a boat racing across the lake to break the stillness.

Wes thought about Mickey's finger in his butt and the more he thought about it the harder his cock got. He tried to imagine what it would feel like to be fucked by his 13 year old big brother. He knew it would hurt. Wesley was going to let his big brother fuck him. He wanted to do it now before he thought about it too much and chickened out. Wesley walked back up the dock and found the door to the storage shed had been locked.

Wesley pulled his key from his pocket and unlocked the door and relocked it. As he looked around, Wesley saw his dad going out the front door of the marina and locking it. His dad didn't see him. Wes

was pretty sure that Mickey was planning on working late to finish up a job for a customer. Mickey should be the only one in the marina.

Wes heard the sound of something being dropped back in the repair shop. Wesley saw Mickey facing away from him standing in an old boat. His brother was shirtless and working on the red ski boat installing a new bilge pump. Mickey's 13 year old back was slick with perspiration and Wes loved watching the muscles in his back ripple as he tightened down the screws that held the pump in place. While Mickey's back was to him, Wesley stripped naked and he was standing there naked waiting for his brother to notice him. Wesley didn't think his boner had ever been this hard. A few moments later Wes saw that Mickey was beginning to straighten up. Wes turned and bent over pulling his ass cheeks apart. He saw his brother discover him as Wes looked over his shoulder.

"Whoa...fuck...Wesley...what are you doing?" Mickey asked with a surprised smile.

"You can Mickey...you know...you can fuck me...if you want to...really," Wes told his brother.

Mickey saw the beautiful naked 10 year old presenting his ass in a very slutty and wanton fashion with his asshole pulled wide open. Mickey's cock had never been as hard as it was at this moment. At the same time he saw the fear and concern in Wesley's huge brown eyes. Mickey jumped out of the boat and he took Wesley into his arms and pulled his naked body against his sweaty chest. Mickey moaned as he pulled the sweet sexy boy against him. The feeling of his naked 10 year old body was magical.

Mickey led Wes to the side door. There was a door out of the machine shop that led out to a very secluded patio surrounded by tall hedges. There was a picnic table where they ate lunch most days and a coiled hose. Mickey kept a bar of soap back here so that if he worked late he could shower off the sweat and grime before he went over to his friend's house. Mickey toed off his running shoes and enjoyed the feeling of the grass between his bare toes. He let his cargo shorts drop to the ground and he reached over and turned on the hose. He let the cool water from the hose cascade over his naked body and then he held the hose over Wesley's sandy brown hair. His little brother looked so sexy with a stream of water running down his face.

He set the hose in the grass and grabbed the bar of soap and began to wash Wesley's sexy body. Wesley loved the feeling of Mickey's soap slippery hands all over his body. Mickey washed the little guys nuggets that were held so tightly in his sack and his awesome 10 year old boner. Mickey lovingly washed the head of Wes' cock. He then spun the little guy around and carefully washed his crack and the puckered pink boy pussy that he wanted so desperately. Mickey's soap slick middle finger slipped easily into his brother's boy pussy.

Wesley then took his turn washing his big brother. When he got to Mickey's awesome 13 year old boner, he studied it carefully as he soaped his shaft. Even though he had touched Mickey's cock thousands of times...tonight was different.

Mickey saw his little brother's eyes widen as he washed the flared head and rim of his cock.

Wes looked up at Mickey with a look of resolve in his eyes...he lowered his head and kissed his brother's lust swollen cock head. Mickey kissed and hugged Wesley. They coiled up the hose and turned off the water. Mickey picked up his shorts and shoes. They dripped water as they walked inside and gathered up Wesley's clothes and the brothers walked naked arm in arm through the cavernous dry storage shed. There were wet foot prints on the concrete floor as they walked along.

"Where are we going?" Wes asked.

"Down there...I need to get something and then we will go down to the covered slips."

Mickey stopped by the big over head door where they received new boats. Mickey stopped at one of the hot new Donzi boats that had arrived. It was sitting in a wooden cradle looking sleek and fast. The seats were still covered in plastic that protected them during shipment. Mickey pulled a duffle bag off the back seat and the brothers still damp from their shower walked toward the covered slips. Mickey fingers rubbed Wesley's neck as they walked along. He felt the little guy's tension. They reached the spot where the concrete floor ended in the wet storage slips. In one of the middle slips there was a beautiful classic 1966 mahogany 30 foot Chris Craft cabin cruiser that had been lovingly restored. The rich wood had recently been sanded, stained and varnished. The chrome grab rails sparkled. It looked like the clock had been turned back to 1966 when the boat first rolled into the showroom.

They walked down the finger pier beside the boat. Mickey watched as his naked 10 year old brother jumped aboard. Mickey drank in the details of Wesley's smooth muscular legs and his tight little soccer butt. Mickey stepped aboard with his hard cock wagging back and forth with his movement. Wes's eyes were glued to the stiff shaft. Mickey jumped down into the cockpit of the boat and ruffled Wes' hair. Mickey reached in his duffle bag and pulled out a set of keys and he unlocked the door to the cabin.

The cabin had a very elegant feel. Wesley immediately noticed that the dining table had been folded down to make a double birth and there was a large beach towel spread out over the birth. Mickey slipped away to this boat when he needed to relieve the tensions in his loins during the day. It was one of his favorite places to bust a nut.

Mickey took his sexy 10 year old brother in his arms. They pressed their bodies together and each boy felt the other's aching boner. As much as Mickey ached to fuck the sexy boy, Mickey knew that he needed to take this very slow. He kissed Wes with a passionate kiss that made their tongues dance in a wild mating ritual. He felt Wesley's heart pounding in his chest. He picked the boy up and lay him down on the bunk. Mickey stretched out on the bunk beside Wes and lightly tickled and stroked his brother's naked body.

Wes loved how kind and gentle his brother was, but he could see the naked lust in Mickey's eyes.

"Ummm...Mickey..."

"Yeah...little dude," Mickey answered as he stroked his brother silky sandy brown hair and peered into his deep brown eyes.

"You can...ummm...you know...do it now. I know you want to really bad." Wesley told him. Wesley pulled his knees up to his chest and spread them wide. His beautiful smooth 10 year old cheeks parted and then Mickey watched as the pink puckered ass hole opened.

Mickey couldn't believe how awesome his little brother was. He knew he was scared and yet was totally about pleasuring his big brother. He hugged that sexy naked boy and kissed him tenderly. "Do you know how much I love you sexy guy?"

Wes shook his head.

Mickey grinned and held his hands way apart and said, "This much!" just like he had when Wes was little.

Wesley giggled and let go of his knees. He raised his eyebrow and put one hand at the base of his brother's cock and the other at the tip. "That's funny" he said... "I would have guessed this much," he said with his hands spread the length of his brother's cock. Then he laughed and they both did until tears ran down their cheeks. It was just the thing to lighten the mood.

Mickey kissed his brother and they became very sensuous as he stroked his little brother's small scrotum and felt his small testicles.

Mickey never told anyone that he often brought his notebook computer over to this boat and got naked and surfed porn websites where dudes were doing each other. He loved www.gayteenlove.com because it always had hot videos with smooth young guys doing incredibly sexy things to each other. One video that was vivid in his memory had two sexy young smooth guys and the one guy spread his lover's cheeks and he began to tongue fuck him with his stiff tongue. It looked so hot.

Mickey repositioned himself between Wesley's legs and lifted his muscular hips and spread the cheeks. Mickey began to lick his brother's crack and then began to probe his boy cunt with his tongue.

"Oh fuck Mickey...that is so hot and so nasty....oh fuck yeah." His 10 year old brother moaned as he shook his head from side to side with the pleasure. Mickey slipped one finger in and played with Wes' boy cunt until he was relaxed and then he added his other middle finger. The sexy 10 year old adjusted quickly to being penetrated by two fingers.

Mickey reached into the bag and found the lube that he brought. Wesley leaned up on his elbows and watched his big brother grease his thick 13 year old boner. Then Mickey lubricated Wes' boy pussy.

Wes held his knees up and presented his virgin asshole to his sexy brother. Wes watched his sexy brother as he prepared to penetrate him. Wes felt the blunt tip of Mickey's cock against his virgin butt and he held his breath. Mickey kissed the bottoms of Wesley's bare feet and rested them on his shoulders as he prepared to fuck the sexy 10 year old. Mickey was literally trembling with excitement.

Mickey began to push and Wes' eyes went wide at the flared head of his brother 13 year old boner began to stretch his 10 year old ass hole. He gasped as the head of his brother's cock stretched him

wider and wider. Mickey saw Wesley wince with pain and a tear trickled down his cheek. Mickey started to pull back and Wesley grabbed him and pulled him to him. In that motion Mickey's thick 13 year old cock head penetrated his brother. Wesley was panting as he tried to adjust to the intrusion. Mickey held still and it took everything he had to do so.

The feelings racing through Mickey's cock head were amazing...so tight and so hot...so intimate. Mickey felt twinges in his nuts and fought to hold back his orgasm. After a few moments that seemed like an eternity to both boys, Wesley nodded and Mickey shoved more and more of his lovely thick 13 year old cock in his brother's incredibly tight ass. It was so tight and felt so awesome, Mickey wasn't sure he could fully penetrate his brother without shooting off.

They held each other tight and kissed passionately as Mickey's boner relentlessly probed deeper and deeper inside his very sexy little brother. Wes occasionally stopped and panted as the stretching of his virgin ass took his breath away. Wes suddenly felt Mickey's pubes against his butt and then the flesh on flesh as they were fully joined in intercourse.

"We did it," Wes cried enthusiastically. "You are fucking me."

"Oh fuck yeah...little dude...your ass is amazing...fucking amazing...best thing ever!" Mickey told him.

It was still uncomfortable, but Wes saw how much pleasure fucking him was giving his sexy big brother. "Fuck me bro," he said softly.

"Little dude your boy pussy is so hot and tight that I am not going to last long. Your ass is amazing," Mickey said as he began to pump his 13 year old boner in and out of his 10 year old brother's sweet ass.

Mickey held Wes and kissed him as the intensity of their fucking increase. Wes loved the look of awe and pleasure on his big brother's face.

Wes pulled Mickey's lips to his and their tongues went wild as Mickey groaned with the intense pleasure of his orgasm.

Mickey felt like his nuts were going to turn inside out. The force of his orgasm was so strong. He gasped for breath as he thrust rapidly. Eventually the pleasure subsided. He felt the wetness between their bodies and realized the Wes came at the same time he did. The two sexy brothers lay there a long time in the warm cabin of the boat on a hot summer evening lost in the afterglow of their love making. They remained joined in intercourse and were as close as two brothers could be. Their bodies were covered with a fine sheen of perspiration from their love making and the warmth of the boat's cabin. They didn't care. Mickey kissed his little brother playfully. He nibbled Wesley's lower lip and then pulled it out and let it snap back. That made them both laugh.

Wesley stroked his brother's face and stared into Mickey's deep brown eyes. He ran his fingers through Mickey's shaggy sandy brown hair. "We did it," he said as he felt his brother's cock in his ass. "You fucked me."

Mickey kissed his little brother again. "You are the most awesome little brother ever! I love you so much..so fucking much."

They kissed a long time and just held each other. We are late for dinner. We'd better get going.

As they both stood up Wes fondled his brother's junk and looked up in his eyes lovingly.

As Wes stood there in the gas shack thinking about that evening, he could not believe that was two years ago. He loved Mickey so much. He looked over at Mickey on the phone with Jeff. Mickey was groping his hard cock as he talked to Jeff. Wes wondered if he could suck that beautiful cock for his brother. As Wesley groped his boner he thought about Mickey and Jeff and wondered if they would ever include him in their sexy play.
