Tween Teen Lust 2

During lunch, the twins discovered that Zach and his mom only lived 2 miles away from where they live in Chicago. Like Zach they are at the beach for the summer. Jordan was quiet and during most of lunch he couldn't take his eyes off Zach.

After lunch Austin and Andrea said they were going to show Zach around and then go to the beach. They grabbed some towels and headed out the door. When the twins and Zach left, Jordan continued to sit at the table which was unusual.

Sharon started by rubbing Tim's bare calf muscle under the table with her bare foot. "Zach is a very handsome young boy...isn't he?" Sharon said to Tim

"Yes he does appear to be well into puberty. From the dark shadow of hair on his upper lip and his raspy voice, I would say his body is maturing rapidly. Judging from the bulge in his shorts, he penis and testicles appear to be nicely developed" Tim replied to his wife. His foot was in Sharon's lap and his bare toes massaged her pussy through her bathing suit. Both of them knew the effect that this conversation would have on Jordan.

Jordan looked at his dad surprised that he was talking about Zach sexual development. Jordan was sitting there thinking about the same things. Jordan desperately wanted to go with the twins and Zach, but his boner hadn't been raging because of his fantasies about seeing the Zach naked.

"What did you think of Zach, Jordan?" His dad asked.

Jordan's face turned bright red and he was not able to speak.

"It's okay buddy..." His dad said as he got up from the table.

Jordan's eyes went wide at the sight of the huge bulge in his dad's board shorts.

His dad moved around behind Jordan's chair.

Jordan did not move because he didn't want to stare at his dad's boner even though he really wanted to stare at it more. Jordan was sure his parents wanted to talk to him about being attracted to Zach. Jordan couldn't help staring at Zach during lunch. He had those big deep brown eyes that you could get lost in and that smile. Jordan wanted to take Zach and strip him naked and kiss him all over his gorgeous body.

Jordan was startled when he felt his dad put his hands on Jordan's bare shoulders. His dad leaned down and kissed the top of his head.

"It's okay buddy...you know that you like guys and all...I know about it. The other night when you had Michael spend the night...your 12 year old friend that loves computers...I couldn't sleep..." Tim felt his son's shoulders suddenly stiffen. "I wanted a glass of milk and I didn't want to wake anybody up so I came downstairs without turning any lights on. I heard noises coming from the family room. I went to the door way and looked in and saw you and Michael stark naked in the middle of the family room rug. It must have been a full moon because there was the most beautiful light coming in through the French

doors that lit your two bodies like they were works of art...and I guess they really are. I watched as your intertwined bodies as you sucked each other. It was really quite beautiful to watch you pleasure each other. Michael's young body is so beautiful."

Tim felt Jordan's shoulders relax.

"I watched as Michael lay on top of you with his beautiful and barely pubescent body. His sexy young hips became a blur as he face fucked you. It was exquisitely beautiful to watch the young boy slip over the edge into orgasm..."

Tim's hands were now massaging Jordan's 14 year old naked chest. Tim felt the stiff nipples under his hand as he rubbed Jordan chest.

"...He looked amazing as he began to uncontrollably face fuck you and then your hips came up off the floor and flooded his mouth with your cum. You must have really flooded his mouth with your thick teen cum because he pulled off choking and gasping. I watched your beautiful boner as it squirted hot cum all over Michael's young face. Watching you and Michael was really one of the most erotic things that I have ever seen. I was so excited watching you. My cock ached for release. As your erupting boner slimed his 12 year old face, I began to spontaneously ejaculate into my boxer briefs.

I had to hold on to the door way because my knees went weak as I came. You were so beautiful son...the way your cock ejaculated all over his handsome young face. I went back upstairs as quietly as I could. My cock was still throbbing. I could not get the image of your beautiful bodies out of my head. I woke your mother as I stripped off the cum filled boxer briefs and still wet with my hot cum. I took your mom into my arms and I told her about the beautiful thing that I had seen. We made love 3 times before we were able to sleep."

Jordan wanted to be grossed out hearing about his dad cumming and his parents making love, but the thought that his dad shot off while watching him sucking Michael's 12 year old cock totally turned Jordan on.

Jordan's mom got up and came over to him. He could not believe that the crotch of her bathing suit was soaked and she smelled funky...like earlier when he and was sucking his friend Robert while Robert sucked Marie's clit. Marie had just turned 12 and wanted to hang out with her older brother and his new friend. Jordan wondered if his dad could smell the cum that Robert shot all over his face.

His mom kissed his cheek. "Oh baby...you smell like cum."

He started to try to explain but his mom put her finger to his lips to quiet him. "It is okay Jordan...your daddy likes guys too...he is bisexual and I am guessing that you are too. I love to watch him with a guy." She pulled Jordan into her arms protectively and she felt his hard cock pressing against her through his board shorts. She realized that he was now as tall as she was. Jordan developed late but his raspy voice and sudden growth spurt indicated that he was catching up with his friend's quickly. His naked back felt so firm from swimming and surfing. Her hand slipped up his abdomen to his chest. It was nicely muscled with a nipple that was hard as a nail.

His mom stroked his still smooth face and told him how he had developed into such a sexy young man. "You are not my little boy any more. You have manly needs...and umm...I can feel your need." She said as she kissed his cheek.

Jordan was startled and excited that his mom felt his need.

"I miss the way you used to streak around the house naked with your penis bouncing up and down as you ran. While I miss that my little boy is gone...there are so many exciting thing about having a handsome teenager." She inhaled deeply and then kissed his smooth chest. "I love the funky smell of a teen age boy." She lightly ground her bikini covered pussy against his throbbing boner that was still contained by Jordan board shorts. She tenderly kissed Jordan's cheek as her fingers caressed his tight ass through his board shorts.

Jordan gasped for breath. He had always thought his mom was about the sexiest woman ever.

At night in this small condo he could hear his dad mount his mom and Jordan slowly jacked his cock as he listened to them breed.

Jordan was snapped back into the moment by his mom's warm breath on his cheek. His mom was standing so close to him and her pussy was rubbing against his hard boner. Jordan was afraid that his cock was going to ejaculate in his board shorts.

Jordan couldn't believe he was thinking about it..but he really wanted to fuck his mom while his sexy dad watched him.

Her lips brushed Jordan's lips and they melted into a very passionate kiss. His mom's fingers traced the outline of his hard boner through his shorts. "Oh baby...your cock is so big and thick and hard." She said with a moan.

Jordan gasped as he felt his daddy reach around and untie his board shorts.

His dad pushed the shorts down Jordan's legs leaving him standing naked sandwiched between his mom and dad. Jordan's body was developing so beautifully. His dad fondled his seed heavy nuts and Jordan teen shaft as it pulsed with the boy's aching need. The rim of his cock head was hard as steel his dad thought as his thumb rubbed it.

Jordan's dad reached over and pushed the bottoms on his mom's bikini to the floor. His dad hugged him tight as he unfastened the top of her bikini and she let it fall to the floor.

Sandwiched between his parents his stiff shaft slipped between his mom's legs and her thighs were slippery with her juices.

"I can tell you need to make love to your mom. I also know she wants to feel your boner in her pussy." His dad said as he licked and kissed Jordan's neck in a very sexual and seductive fashion. His dad's fingers found Jordan's small brown nipple and it was so hard that his fingers couldn't resist playing with it for a moment.

The three of them went to the bedroom and Jordan watched his mom stripped his dad naked. Jordan almost lost his shit when his dad's boner sprang into sight. It looked amazing. The curly blond hair at the base of his thick shaft was so thick and the shaft with its thick flared head looked so powerful and inviting.

His dad stepped behind him and Jordan felt the moist head of his dad's cock in the small of his back. His daddy kissed his neck and whispered, "Are you a virgin?"

Jordan nodded that he was.

"I will help you Jordan. See how your mother is on the bed with her legs spread wide. She wants you so bad. Let's go to her. Kneel between her legs and prepare for her to receive your magnificent 14 year old cock. Touch her pussy lips gently and tell her you want to fuck her.

Jordan touched the pussy he came from and his mom moaned as he found her stiff clit. His dad reached around and parted her pussy lips so that Jordan could get to the swollen clit.

"Kiss and suck her clit...gently and insistently...until she begs you to fuck her Jordan." His dad told him.

Jordan leaned down and lapped his mom's clit until she squirmed and gasped for breath. He stopped afraid it was too much for her.

"Oh no...don't stop Jordan...she loves what you are doing."

Jordan began to lap her clit and as the intensity built she squirmed more and more with the intense erotic pleasure. He kept going and saw that she was clawing at the sheets beside them and moaning.

"Oh Jordy...don't stop...so close...need it so bad." His mom said as she thrust her cunt at her beautiful 14 year old man child. Jordan sucked her clit and then flicked it rapidly with his tongue until he felt her body vibrating. His mom screamed and her pussy began to ejaculate all over Jordan beautiful face.

Jordan wasn't sure what to think. His daddy held his mom's cunt lips open and said, "Fuck her son...fuck her now." He guided his son's cock head to the garden of pleasure. Jordan gasped as his young cock was engulfed by the wet white hot pussy. His father lay beside him and he lubricated a finger with his own copious precum. As their sexy son rode his mother roughly, his daddy slipped his lubricated finger in Jordan pink puckered asshole. Tim was surprised at how easily his thick finger slipped into the boy. As he explored his son, Tim realized that Jordan's ass was full of cum. He had been playing wild sexy games with Robert and Maria. Young Robert had fucked a load of cum in his beautiful son's ass.

Tim found that his two middle fingers slipped easily into the sexy boy. While Jordan may not have lost his boy/girl virginity until he mated with his mom, his boy pussy was experienced. Jordan pushed his ass back on to his dad's fingers as he roughly fucked his mom. Jordan's earlier orgasms helped his staying power.

"Oh Daddy...oh yeah," The boy cried as his dad put the third finger in his ass. Tim pulled his fingers out and allowed his cock to drool all over his son's boy pussy as they stilled their fucking for a moment. Tim pressed his mushroom headed thick cock against his son's pucker and pressed forward.

The boy gasped as he was invaded by his daddy's thick shaft.

It was a beautiful sight a handsome mother and father joined sexually with their recently pubescent son. The three of them found a marvelous rhythm. Sharon cried out and both of her men fucked harder and faster. The boy's tight ass sucked his daddy over the edge into orgasmic bliss first and Tim's hard cock exploded a fiery hot load of cum into Jordan's sweet ass. The orgasm was so powerful Tim thought it had sucked every drop of cum from his body as he mercilessly pounded his son's ass. Rope after rope of thick cum ejaculated deep in Jordan's pleasure place.

The pounding of Jordan's young prostate flung Jordan over the edge and he began to pump his mom's pussy full of his thick hot cum. Each of his dad's powerful thrusts made Jordan pump more of his teen cum in his mom's pussy.

The moment her son's hot seed splashed against her cervix, Sharon screamed and her pussy squirted all over her sweet son. They rode each other roughly until they were completely spent sexually.

THE TWINS AND ZACH AT THE BEACH

As they walked through the yacht club complex, Zach was anxious to ask Austin and Andrea more about their sleeping arrangements. The two seemed very comfortable being naked with each other and Andrea kept feeling Zach up in front of her brother. Zach's boner was beginning to stiffen again just thinking about it.

As Andrea and Austin told Zach about all of the stuff that they could do, she could tell that he was totally distracted. Andrea put her arm around Zach's neck and hugged him. "I think Zach is a million miles away thinking about other stuff Austin." Andrea said as she gently pulled the handsome dark hair boy toward her.

Zach smiled at her shyly.

Zach was so sweet and precious, Andrea thought she could eat him up. She used her finger to sweep a stray lock of his shaggy jet black hair out of his eyes as she pulled him down into a kiss. Their lips locked and he felt her hand intimately exploring his cock through his cotton shorts.

"That's what you were thinking about...wasn't it?" Andrea said with a sweet mischievous smile.

"Yeah," he replied kissing her passionately not caring who might be watching.

They laughed as they broke their kiss and ran toward the beach. When they reached the beach they dropped their towels, kicked off their sandals and ran down to the surf. They waded out into the surf

and dove into a breaking wave. Austin was still wearing his red Speedo and his sister had changed into a sexy royal blue one piece swim suit that showed off her beautiful nipples. When Zach dove into the wave the force of the water pulled his shorts down to his knees. He stood up with his white ass facing the beach in water that was mid thigh deep and pulled his shorts up to the delight of Austin and Andrea. They swam out further. There were not many people out swimming.

Austin announced it was time to skinny dip. They played rock paper scissors to see who would be the first one to hold all three swimming suits and Andrea lost.

Andrea pulled down her suit as Zach and her brother watched. Zach got a good look at the breast buds when the next wave went by them.

"Your tits are so freaking cool...they are hot." Zach said as they rode up and over the next wave. Austin and Zach were diving and swimming like young dolphins. They surfaced giggling and laughing at how awesome it felt to swim naked.

Zach dove underwater and swam toward Andrea. He swam between her legs and the surging wave started to pull Zach away from her. Zach grabbed her leg and pulled himself between them and that was when the approaching wave swept them up its face. It spun Zach over and he was half way through her legs holding on to her hips as they went up and over the wave. Zach came down first and planted his feet on the bottom and he held on to Andrea as she slid down his chest. She landed with her feet apart and they both felt his cock go about half way in her pussy.

"Whoa...what an awesome ride and I love the way it ended," Andrea said with a laugh.

Austin swam up and felt between his sister's legs and found Zach's boner halfway into her pussy.

"Dude...no way...you landed with your bone in her..." Austin laughed hysterically until the next wave hit him and he got a mouth full of salt water.

Tim, Sharon and Jordan walked down to the beach. When they were sitting on the beach under their sunshade, Tim asked Jordan if he wanted to go swim with the Twins and Zach.

"Ummm...do you mind if I hang out with you guys for a while?" Jordan asked.

His dad turned to him and lovingly stroked his shaggy blond hair and said, "Having you hang out with us would be awesome." Tim realized how rare a moment that this was. Most 14 year old boys were embarrassed by their parents and wanted to stay as far away as possible. Tim loved the fact that Jordan wanted to be with them and he didn't mind his dad touching him lovingly in public. Tim leaned over and kissed Jordan on the cheek and told him he loved him.

Jordan hugged his dad's neck and told him that he loved him too.

As the three of them sat there, Tim started watching the kids out in the surf with his binoculars. As he watched he saw the three bare butts come into view as they dove through a breaking wave. He started laughing and leaned over and told Jordan to look at the kids in the surf.

Jordan saw Zach and his sister riding up the wave and it sure looked like they were joined together. Jordan leaned over to his dad and told him what he had seen. His dad had been looking down and applying sunscreen.

"Maybe you should swim out and tell them to dial it down a bit. A little naked body surfing is one thing...having intercourse in front of the whole beach is going a bit too far." Tim told Jordan. Jordan grinned and stripped off his t-shirt and ran down toward the water.

Andrea, Austin and Zach were surprised when Jordan swam through the wave and joined them. "You guys are maniacs. It was one thing when you were just skinny dipping...but we saw you...well...you know...joined." Jordan told them.

"Huh?" Austin replied.

"Fucking...dork...they were fucking and we could see it from shore." Jordan said with a laugh as he smacked his naked brother in a very older brother way. "Don't tell me you didn't see Zach put his hot dick in you sexy sister's pussy...I saw you feel them up when it happened."

"Well...I just wanted to be sure we were talking about the same thing." Austin said with a grin.

"So...ummm...was dad pissed?"

"No...he was pretty cool about it." Jordan told the three younger kids. "Things kind of changed...ummm...all of a sudden. It's....well...pretty complicated...but he is not mad...he just wants you to dial it down...those were his exact words."

"No way...dad knew I was...ummm...sort of having sex with Zach and he didn't freak?" Andrea asked.

"Well what about mom?"

"She seemed pretty cool with it too...they know about you and Austin...and they know you know that they know..."

"So...ummm...dad told you about that too?" Austin asked.

"No silly...I came home one afternoon and I heard moaning coming from your room and I peeked in and you two were breeding like there was no tomorrow...I really didn't know little dudes could get it on like that...but you sure were.

Andrea looked at Zach hoping he wasn't freaked out.

Zach smiled. "It's okay...I pretty much had it figured out with your underwear and bathing suit beside the bed and your long blond hair on the pillow...it wasn't hard to put the pieces together...but umm...it sure made me hard thinking about it. How long have you guys been doing it?"

We started sleeping together when we were 4. We slept naked every night and it wasn't until we were 9 that they told us we should stop. They gave us our own rooms at home but mom and dad kept finding us together in bed naked. Maybe it was a twin thing but we loved touching each other...the touching

just became more intimate...and loving. When we were 9 we began to have sex. Once we started we couldn't get enough of each other.

Zach looked at Jordan, "Did you...ummm...know what was going on?"

"Not for a long time...I knew they slept naked...I just never thought about my brother and sister being sexual...or when I did I thought I was the only one who was thinking that stuff...I stroked off a lot thinking what it would be like to see them making love."

"Cool...and you are sure your dad is not going to freak all over my ass?" Zach asked.

"I am sure...and umm...I think he thinks you are pretty hot." Jordan told the sexy dark hair kid as he looked into those deep brown eyes. "And...ummm...Zach...he is not the only one who thinks you are hot." Jordan said and his face flushed red with embarrassment.

Zach didn't say anything he just reached over under water and started to fondle Jordan's cock.

"Dude...you really are turned on...very cool...and...ummm...you've got a really cool boner."

Jordan to Zach in his arms and the sexy blond boy began to kiss Zach passionately. Their boners rubbed together under water. When Jordan broke the kiss he said, "Dude you are white fucking hot. Let's go back to the condo."

They pulled on their bathing suits and headed for the beach. As they waded out of the water they were oblivious to all of the people who had noticed that they were skinny dipping. The three boys had raging boners and made no effort to hide them. No one on the beach could take their eyes off the sexy foursome.

Tim and Sharon saw the kids coming back and they gathered up their things and headed for the condo. The kids were disappointed that the parents were heading for the condo...all except for Jordan. Jordan knew that things in the family were about to get very interesting.

Austin and Zach's boners went down as they walked with Tim and Sharon. When they got to the condo Tim told them that they needed to talk for a moment. Zach was immediately worried.

"It's okay Zach...I am not upset...we just need to talk about a few things and get some things out in the open." Tim walked over and hugged the twins to him. He kissed the tops of their damp heads and tasted the salt water on his lips.

"You two have been sexy almost from birth. I am not sure exactly when it went from playful touching to making love, but your mom and I have known for a while that you frequently...and I mean several times a day...are having intercourse. For the time being you are both prepubescent...meaning that you are not sexually fertile...your bodies cannot produce the seed or the egg...but that will begin to change rapidly and we'll have to talk about that as your bodies ripen sexually. Zach and Jordan are already quite fertile and they are have strong...almost over powering need for regular sexual release. That is all quite normal." Tim said and gave them a moment to absorb what he had said as he poured a couple of

glasses of iced tea and handed one to Sharon. Tim took a sip of his tea and set the glass down on the table.

"We could have continued to pretend that none of these things were going on or we could celebrate them. Your mom and I have chosen to celebrate them. I saw Zach mount Andrea while you were swimming and then I saw Jordan kissing Zach. Zach are you attracted to guys and girls?"

Zach swallowed hard because he had never admitted his attraction to guys before. He knew they had seen him kissing Jordan...so it really wasn't like a secret...still it was kind of hard to say. He took a deep breath and said, "Yeah...I am very turned on by both hot guy and hot girls." There he had said it and the world didn't stop spinning.

"That's very cool...I am too." Tim told him. Austin and Andrea were shocked. It only took a second for the shock to wear off and Austin rush across the room with his arms thrown out for his dad. Father and son hugged for a long moment.

Austin looked up at his dad and he put his hand on the rock hard bulge in his dad's board shorts. "So ummm...Dad...do you...umm...you know...make the cum stuff when you think about Jordan and me?"

"Yeah I have. I often get hard thinking about you and Jordan...especially when I see you guys naked. I think you boys are so beautiful and Zach's body rocks too." Tim told him.

"And ummm...mom you are not...you know...creeped out by that?" Austin asked innocently.

Sharon hugged Tim and ran her fingers through Austin's damp hair and said, "No I have always know that your dad was very turned on by hot guys...it is part of what makes him very sexy to me. And Austin...I have made a woman's version of the cum stuff thinking about all 3 of my beautiful children. We both find all of you very sexy."

It got very quiet in the room for a long moment as the kids absorbed all of this information.

Jordan looked at his brother and sister and said, "Mom rocks...you know...in bed...it was amazing...and then dad did me too...like at the same time I was doing mom...it was so fucking hot."

"No way...you let Jordy do it with you...how come I didn't get to do it too?" Austin asked in a bit of a pouty 11 year old way.

She hugged her sexy youngest boy to her and kissed his forehead. "That's because it happened after lunch when you guys went down to the beach. I loved feeling Jordan filling my pussy with his cum...he is a hot sexy lover...And beautiful boy I want to make love to you too when you are ready."

"Ready....whoa...I am ready right now." Austin told her as he looked up at her with his deep blue eyes dancing with excitement.

"Zach...you...ummm...don't mind if I make love to my son do you?" Sharon asked the handsome dark hair boy seeing that he was totally lost in his lust.

Zach could only shake his head that he didn't mind as he watched Mrs. McCall's fingers slip into the waistband of Austin's Speedo. He watched the red swim suit slide down his new friend's smooth muscular legs. Andrea reached over and shoved Zach's shorts down revealing his beautiful boner with the small lush patch of black curly pubic hair at the base of his developing shaft. Zach started to take off Andrea's swim suit and looked back for her dad's okay.

Tim smiled and nodded that it was okay.

Zach slid her suit down and pulled it down her legs until it dropped freely into a puddle at her feet.

Andrea stepped out of it and she began to kiss Zach passionately. She looked up at Zach's deep brown eyes and said, "Come on salty boy...let's get you rinsed off." She led Zach into the small second bathroom with its small shower stall. There was just enough room for the two sexy kids to bathe each other.

After they soap each other and rinsed, Zach took the sexy young blond girl in his arms and kissed her passionately. His hard boner rubbed against her sex. Zach thought Andrea's bare pubis was about the sexiest thing that he could imagine. His fingers gently touched one of the beautiful pink nipples that made her small budding breasts so beautiful. Zach was surprised at how stiff her nipple was. As he stood in the shower with this beautiful young naked beauty he debated if he should tell her that he was still a virgin. It seemed strange to tell a beautiful naked 11 year old that had been having intercourse for two years that he was a virgin. Zach decided that he had better tell her before he did something dorky like trying to put his cock in the wrong hole...he realized that he had never even touched a pussy.

"Ummmm...Andrea...uhhh....I have...you know...never...umm done anything...you know with a girl." As the words came out he felt his face get hot with embarrassment.

"You mean you are a virgin?" Andrea asked him as she traced a path down the middle of his chest with her index finger.

His face turned a deeper shade of red and he could only nod.

"So...you will let me have your virginity?" She asked and Zach looked up hopefully and nodded. "That is so awesome." Andrea said as her finger made its way through the patch of pubic hair and down the shaft until her finger rested on the throbbing flared pink head of Zach's 13 year old cock.

She kissed him passionately as her hand wrapped around the throbbing virgin shaft. Her other hand found the knob to turn off the shower. Andrea towed Zach out of the shower using his throbbing teen boner. She grabbed a towel and began to dry his body. Andrea kissed Zach's chest as she dried it and slowly got down on her knees to dry his feet and legs.

She dried Zach's feet. "Dude...you even have sexy feet...look at that she said as she studied his big toe...you even have a little hair growing on your toe...that is so hot." Andrea bent and kissed the top of Zach's toe. She combed her fingers through the fine black downy soft hair on Zach's legs. She felt her pussy quiver as she stroked his shins and the luxurious fine hair that was sprouting there.

"Zach you are so sexy...so manly..." She said as she looked directly at his nuts that hung low in his sack after the warm shower. "Do you make cum?"

Zach nodded.

"Sweet! I have never had a guy cum in me..." She said as she drug him toward the bed. "I am so hot for you."

Andrea lay back on the bed and her legs spread naturally and invitingly to receive Zach. She put her arms out for Zach. "Come to me sexy boy...I want to take your virginity and put it in my precious place and keep it forever...and I want you to fill me with your cum."

Zach knelt between her legs and he was relieved when she took his throbbing cock and guided his cockhead to her inner lips. "Wow Zach...your cock is so much bigger and thicker than Austin's boner."

"Mine was exactly like his at 11 and it started developing pretty fast. Pretty soon he will be able to cum too." Zach told her wondering if Austin and Andrea would fill her belly with a baby. Zach did not have time to think about that. Her small fingers on his boner were making him crazy with lust. When his boner touched her inner lips he felt the warm moist pussy begin to devour his cock.

"Oh Zach...I love the feeling of your lovely big cock in my pussy." She gasped as Zach's boner stretched her cervix as he fully penetrated her 11 year old pussy. "Oh Zach you are so hot...I love that you gave me your virginity to keep forever." She moaned as he began to thrust his teen boner in her sweet pussy.

"Oh wow...so fucking amazing...your pussy is awesome." He said as he began to thrust faster. "This is so awesome."

The beautiful boy and girl began to breed wildly. Andrea felt his muscular hips flex with each powerful thrust. He rode her sexy blond prepubescent body as if he were a wild stallion. His cock and pubis banged against her stiff clit again and again until she wrapped her legs around him and pulled his cock deeply in her pussy.

The sexy boy ground the tip of his cock against her cervix until he cried out with the first wave of orgasmic pleasure. Andrea felt the first hot splash of cum against her cervix and her pretty preteen cunt went into orgasmic spasms.

"Oh fuck Zach....fuck me hard and fast. She yelled as the peak of passion increased until her whole body convulsed again and again and the precious little girl had her first squirting orgasm. Her little cunt sprayed Zach good with her ejaculate. When their ejaculations stopped, Andrea begged Zach to keep fucking her. Zach remained rock hard and fucked her again and again until they had another mind numbing orgasm.

They were spent but their bodies remained joined as one. They kissed and licked each other playfully with neither of them feeling the need to say anything.

In the other bedroom Sharon pulled Austin between her sexy legs and his boner slipped easily into her pussy. She was so turned on by the idea of having sex with her beautiful 11 year old boy that her pussy was quivering and dripping in anticipation.

"Oh mom...oh mom...so hot...so awesome..." Austin cried as he roughly thrust his 11 year old boner in his mom's dripping pussy. Sharon held him tight as his bare pubis pounded against her hard clit again and again. She was right on the edge when she felt his body shudder.

"Oh mom...the good feeling...can't stop." Austin said as he roughly fucked his way through his dry orgasm.

Sharon was mildly disappointed that she didn't get off until she realized that the hot sexy boy was still fucking her hot pussy like a maniac. Austin began to fuck his mom harder and faster until she was whimpering and moaning. She cried out as she went over the edge.

Austin felt his mom's hot pussy juices squirting all over him and that made him go over the edge again. Austin thrust and bucked until both of them were spent.

Austin began to suck on his mom's tit as he looked over to see his dad's huge cock in Jordan's mouth. It was so big and thick that Jordan could only take about half of it. Austin watched as his daddy began moaning and whimpering as the exquisite pleasure rocked him.

His dad lightly held Jordan's head and he began to thrust uncontrollably in his 13 year old son's mouth. The thick cock erupted a huge jet of thick hot cum that filled the back of Jordan's throat. It was such a flood of thick man cum that Jordan had to pull off. His daddy kept squirting hot cum all over his brother's sexy face.

"That was so cool." Austin said. "Did daddy squirt his stuff in your mouth?"

Jordan nodded and he opened his mouth. Jordan's tongue was curled to contain the hot semen. Austin looked at the cum in his brother's mouth in amazement.

"No way...is that fucking cool." Austin said as he watched Jordan close his mouth and his Adam's apple bobbed. "No way...you swallowed dad's cum."

Jordan opened his mouth proudly and showed Austin that it was empty as the rest of his dad's load began to run down Jordan's face and neck. Austin, not wanting to be outdone, looked at his brother's boner longingly. The 11 year old maneuvered himself around the bed until he was ready to take the 14 year old cock in his mouth.

Austin held his brother's stiff 14 year old shaft in his hand and looked at it a bit apprehensively and then without any further hesitation he took the head of Jordan's cock in his mouth. There was something special about the taste of Jordan's cock

Tim was so excited watching his young son pleasure his older brother that he mounted Sharon roughly. He began to ride her hard and fast and she loved every second of it.

“Oh fuck Austin you are so hot...I have wanted this for so long...oh yeah...that feels amazing.”

Austin began to bob his head rapidly and loved the way his brother clawed the sheets.

“Fuck dude...you got me so close...oh Austin...you are fucking amazing.” Jordan groaned as his nuts exploded his hot 14 year old cum in his 11 year old brother's mouth. Jet after jet of cum exploded from the tip of his cock. Austin could only take about half the load and that was when Jordan began to ejaculate all over the soft sweet features of his little brother's face.

Tim and Sharon both cried out as they watched Jordan masturbate all over his brother's sweet young face. They went over the edge together and Tim filled Sharon's cunt with thick hot cum. Sharon pussy began ejaculating wildly.

“Dude you are all hard again...watching my brothers really got you going.” Andrea said as she slowly stroked Zach's rock hard boner.

Jordan was rubbing his softening boner in the cum he had just ejaculated on his Austin's face. Austin gave him an impish grin and opened his mouth to reveal half of Jordan's load of cum. Jordan kissed his brother until they were trading tongue and cum. Jordan ate half of the cum he ejaculated in Austin's mouth and then began to lick the hot semen off his younger brother's face.

That was when Zach's phone rang. Zach grabbed his shorts, t-shirt and new flip flops and quickly pulled them on. He headed out to his own condo to meet his dad. When he walked in, his dad gave him a hug and a kiss on the cheek.

“Whoa dude you smell like pussy and cum...you must have had quite an afternoon. His dad kissed his cheek again just so he could inhale the scent again. Why don't you jump in and take a quick shower...I am starved...and I can't wait to hear all about your afternoon.

Tween Teen Lust 2 – Boner Meter

Thanks for taking the time to answer the anonymous Boner Meter survey. When I write these stories, I try to craft them in a way that brings as much pleasure and enjoyment to the readers as possible. It is really helpful to know what kinds of folks are reading the story, what they like/dislike about it and the level of pleasure it brought them. It helps me to know what to write and what would make the story better for you. I can't promise to use all of the ideas in the story. Some of your ideas fit and work beautifully. They often take the stories in exotic new directions that I probably would not have explored. Other ideas trigger thoughts and directions that give the story an unexpected twist and wild character sexual interactions. It is important to know that because I have a broad base of readers that have lots of different interests and fantasies, not every story twist will delight you. I do the best I can to delight you. Thanks for being loyal readers and for you awesome feedback!! Mack
