STORY SUMMARY

Coach Alexander's protoge gymnasts are 14 year old fraternal twins. He has worked with them since they were young. When the beautiful twins began to develop sexually, the coach met with their parents, Ed and Samantha, and explained that if they were to be top gymnasts they could not have distractions. He asked Ed and Samantha if they were really committed to their kids being the best. Ed and Samantha told the coach they would do anything he asked.

The coach was pleased. He told them that the 12 year old kids needed to deflower each other and begin to sleep together. At first it was hard to comprehend much less accept. As they thought about it...both parents soon found their twin's sexualality very stimulating.

The coach was true to his word and the twins became state champions. The twins are about to turn 15 and the coach has a very special birthday present for them. It is a sexy 12 year old boy named Ethan who wants to be a state champion too.

In the last chapter we learned a lot about the twins when they were 12 and sexually maturing. We see their love for their family begin to blossom. The twins have been given Ethan a 12 year old aspiring gymnast as a 15th birthday present by their coach. Ethan will be living with them for a while. They are to teach Ethan how to releive his sexual tension so that he can stay focused on his gymnastics.

After a wild dinner at an Italian restaurant, Ethan is on his way to Troy and Anna's house to begin his education.

As always, if you are not supposed to be reading this story...then please don't...please practice safe sex. This story is a total fantasy.

TWIN GYMNASTS 2

ARRIVING AT THOMPSON'S HOME...

Ed couldn't wait to get inside. They all headed into the family room.

Tammy Edwards, the 12 year old girl from next door, was babysitting 2 year old Jason. Tammy was always excited about babysitting for the Thompsons. She loved any chance she could get to spend time with Troy and Anna. Troy was just hot! She managed to take some pictures of him mowing the grass recently with no shirt and wearing those small competition shorts. When he moved she could see the outline of his cock. She couldn't count the number of times that she had gotten off while looking at those pictures. Sometimes when she was babysitting and the family came home they would have just picked Troy and Anna up from gymnastics. She loved that because he would be wearing those tight long pants that they wear in competition. She loved those pants because sometimes she could see the outline of his cock. Troy was always the one to take Jason from her. He really loves that little boy. Tammy thought Troy was such a great big brother. She had no idea that he was really Jason's daddy.

This evening when Mr. and Mrs. Thompson left for dinner, Tammy began to explore the house. There was really only one room that she was interested in...Troy's room. She had gone up to his room while she was alone with little Jason and found his unmade bed. Tammy set Jason on the floor to play while she explored Troy's inner sanctum. She tried to imagine his beautiful cock against the fly as she held it against her face. She loved his scent. She imagined slipping off his knit boxers and sleeping naked. She saw a large stain on the sheets and wondered if it was from Troy's semen. She smelled his pillow and bed. She furrowed her brow. It had the manly scent of Troy that she loved but it also smelled like pussy. Then she saw a pair of panties on the floor beside the bed. Tammy slipped her hand into her shorts and her finger found her hard clit. She wondered how the girl's panties got there and that made her even more excited. She took Troy's knit boxers and put them in her book bag. Then she picked up the pink and white striped panties. They smelled like an excited pussy and the size could only be Anna. Tammy's mind was going wild imagining the sexy twins naked and in bed. She took Anna's panties too. She couldn't wait to get home and enjoy them. She thought about why the girl's panties were left on the floor there. She wondered why Troy wasn't worried about his parents finding a pair of girl's panties on the floor of his bedroom. Her mind was really racing at those possibilities. Jason started to cry and she

picked him up. She carried him to the family room where she continued to play with her pussy while she played with Troy knit boxers.

Tammy heard the garage door go up a short time later. She slipped the underwear back in her bookbag and zipped it. Tammy heard the commotion in the kitchen as the family came in. Tammy was excited in every sense of the word. She was thrilled that they were home and her little pussy was wet from thinking about Troy naked and the sexy possibilities with his beautiful twin sister.

Tammy picked up little Jason and put him on her hip as she went into the kitchen. She was sure if she was holding Jason that Troy would come right to her. She was right.

As soon as Troy came through the door he went right to Tammy. While he asked her if Jason had been good he put out his hands for the little boy. As Troy slipped his hands under to little guy's arms to pick him up from her, Troy realized that the back of one of his hand was pressed against Tammy's really cute breast bud. Her nipple instantly went hard and Jason balked at having Troy take him away from Tammy. Jason did not want to leave Tammy and reached across Tammy's chest and held onto her by putting his hand on her other breast.

As Troy continued to try to take Jason he felt Tammy's nipple get even harder. Now Troy was getting hard too. As Jason gave up and came to Troy he planted his foot against Troy's groin in a way that stretched the fabric tight over Troy's rock hard cock. Tammy could not take her eyes off of Troy's magnificent boner. She hoped some day to get a peak at his bare boner. Troy looked at the way Tammy's nipples stood out in her white t-shirt. It was obvious that she was very turned on and not wearing a bra. He thought she looked hot. He smiled as she studied the boner in his competition pants.

Tammy looked over and saw Ethan. Ethan was in her class and she thought he was hot too. Tammy could not believe that Ethan had a full boner too. She wondered what they had been doing or talking about.

Anna leaned over and whispered in Tammy's ear that the boys looked pretty hot with their boners in those tight pants. Both girls giggled. Anna knew that she could get Tammy naked in a flash if she had her for a few minutes alone. Anna thought it would be really hot to see her sweet little 12 year old pussy, but right now more than anything she wanted to get sweet little Ethan naked.

Ed paid Tammy for babysitting and walked her to the door while Samantha put Jason in bed. Tammy noticed the bulge in Mr. Thompson's pants and wondered if he had a boner too. Tammy thanked him and said goodbye as she rushed home. Ed said good night and closed the door. The moment she got in her room she ripped her clothes off and began to finger her hot pussy. Her sexy pussy felt like it was on fire and fingering herself was the only thing that would put the fire out. She covered her nose with her underwear and thought about Troy's hand against her breast. It was only a few minutes of intense fingering before her body convulsed with an intense orgasm. She felt her pussy flood with her juices as the waves of pleasure hit her again and again.

Ed adjusted his rock hard cock as he walked down the hall toward the family room. Then Ed and Samantha sat on the couch and held hands and held their breath. The thought of being able to see this beautiful 12 year old boy naked and erect was mind blowing.

Ed watched as his sexy son whispered in Ethan ear. The younger boy looked shocked. Troy smiled as he took hold of the hem of Ethan's t-shirt and stripped it over his head. The boy had an amazing upper torso for a 12 year old boy. Troy allowed his splayed fingers to roam down the younger boy's naked chest. Troy flicked his hard nipples with one hand while the other hand cupped the obvious erection in the boy's competition pants. Troy lay down on the floor and held out his arms for Ethan. Troy told Ethan to keep his body rigid. Troy lifted the smaller boy up over his head as he lay on his back on the floor. Troy instructed the young boy to put his arms out like he was flying and to maintain his body in a perfectly ridged state. Troy watched as his sister slipped up from behind Ethan. Troy loved the startled look on the boy's face as her fingers hooked in the waistband of Ethan's competition pants. She slowly peeled the pants off of his legs. The sexy boy blushed an awesome shade of red at being the only one on the room naked...and erect.

Anna was fascinated with Ethan's boner. "Troy...it really is exactly like what yours was like when you were 12." Her fingers lovingly caressed his stiff shaft. "...And Ethan that is really good news for you because I really loved sucking Troy's hot 12 year old boner. And the only thing I love more than sucking his boner was having it in my pussy."

Ethan could not believe this. Troy was holding his naked body up in the air. On one side of him was Troy's sister who was a walking wet dream. On the other side he had Troy's parents watching this performance and staring at his naked body. It all seemed surreal. The more he thought about all of these people watching and touching his body the harder his 12 year old boner got. Ethan often had dreams about being stripped naked and people touching him. This was much better than his wildest dreams.

Troy still had the boy up in the air and Ethan maintained perfect form. Troy slowly lowered the boy until his hard boner touched Troy's lips. The family smiled as Troy slowly engulfed the hard boy flesh until his cock was in Troy's mouth to the hilt.

Ethan groaned deeply. It was the most amazing feeling ever. He was disappointed when Troy let his boner slip from his mouth.

"Mmmm...that's a sweet tasting cock...here you try some Anna, Troy said as he released the shaft from his mouth. Troy told Ethan to plant his feet on either side of his waist. Troy set Ethan's feet on the floor. Ethan had his back to Ed and Samantha. Ethan was bent at the waist. As he planted his feet wide apart his cheeks were parted and his boy pussy was presented to Ed. Ed watched the beautiful boy pussy and groaned at its perfection. Ed thought about how his sexy 15 year old son was going to take this Ethan's cherry...soon...very soon.

Anna put her arms out for the boy to come to her.

AS THE TWINS PLAY WITH ETHAN, ED THINKS ABOUT WHEN THE TWINS WERE 12...

As Ed watched Anna and Troy touch and explore the naked 12 year old, he thought back to when the twins were 12. The coach had just explained that the twins needed sexual release. Ed had watched their beautiful naked bodies playfully wrestling around on the floor. Ed loved watching their young sexy bodies contort as they tried to get the best of each other physically. He remembered how as they watched the 12 year old twins, Samantha played with Ed's hard cock as she commented on how sexy Anna's breast buds were. It was a time when Anna and Troy were both getting small patches of white blond pubic hair. Troy's boner was thickening and growing nicely.

Ed had always been attracted to other guys...he would just never admit it. He remembered that afternoon in Jacob Tracey's bed room when they had sucked each other to orgasm. It was one of the most exciting sexual experiences Ed could imagine but it also scared him that if he and Jacob continued he would be queer. That frightened him. Ed often masturbated to the stories on Nifty.org about guy sex and bi sex and wondered what could have been with Jacob. Thinking about Jacob's cock exploding cum into his mouth was usually what pushed Ed to orgasm.

Ed was incredibly turned on by his 12 year old son. When Ed looked down on the floor his son was on his knees and bent forward. His hips were spread naturally and the boy's pink boy pussy was presented to him. Ed had read stories about fathers and sons on Nifty and how the fathers penetrated their young sons. Ed was shaking with excitement. Troy looked back over his shoulder and smiled at his daddy and asked him if he would fuck him. "Daddy I love it when coach fucks me and I want you to fuck me too."

Ed could not take his eyes off of the beautiful globes of flesh that were parted to reveal the prettiest pink puckered boy pussy he had ever seen. The thought of the coach cumming inside that beautiful butt made his cock even harder.

Samantha rubbed his hard cock and she whispered in his ear, "Ed...baby...go ahead...you have wanted sex with Troy for a long time." Ed was shocked that his wife knew his secret. Sure he had fondled Troy but he had always managed to control himself. She knew his need...and she wanted him to do it.

In seconds he was on the floor. Ed's cock was slippery with all of the precum that had oozed from his slit. He smeared the precum around the shaft until it was slimy and then held the tip to the boy's precious pussy. Troy balanced his weight on his forehead as his strong fingers pulled the beautiful white globes apart.

"Daddy...I want you so bad...please fuck me."

As Ed entered the boy he found his boy cunt slippery...oh my God...it was sloppy seconds after the coach. The thought that the coach had recently fucked his son drove Ed wild. Feeling his cock sliding around in the Coach's cum made Ed crazy with lust.

Troy groaned as the head of his daddy's cock penetrated him for the first time. Daddy was much thicker than coach. Troy panted as his 12 year old boy pussy tried to adjust to his dad's thickness. Troy felt the thick long shaft penetrate him deeply and then he felt his daddy's crinkly pubic hair against his hips

Father and son were joined as one and Ed was ramming the boy to the hilt with each stroke.

Samantha moaned as she fingered her pussy while she watched her sexy husband fuck their beautiful baby boy. Samantha had been sexually attracted to Troy since he was little. She had wild sexual fantasies about him. She saw the way Ed looked at the naked boy and the lust in his eyes. One of her favorite fantasies was Ed making love to her beautiful little wild colt. Seeing Ed's magnificent cock enter the boy pushed her to the edge of orgasm.

Troy was so tight and good...Ed moaned deeply with each thrust into the tight boy butt. Ed held the precious boy tight and he slowed down to make this wonderful moment last. He loved squishing around in the coach's cum. Ed's balls were raging to release his load as he imagined the hairy muscular coach mounting his sexy, barely pubescent boy. The thought of the big burly man fucking his little boy pushed Ed over the edge. Ed quickly unleashed a major load of cum into the boy. Rope after rope of thick hot cum jetted into the precious boy butt.

Ed had just had one of the most intense climaxes of his life and he was still rock hard. Ed continued to fuck him hard for another 20 minutes before he cried out and fill his son with hot semen again. Ed loved fucking Troy as much as Troy loved being fucked.

Troy turned over and as he did Ed saw the puddle of creamy boy cum on the floor. Troy wrapped his arms and legs around his daddy and told him that he loved him so much. "Daddy...when you fucked me...you made me cum...I didn't even touch my cock...it was so cool." The boy kissed his daddy passionately.

Ed thought about how awesome it was to fuck his boy and he envied Troy and Ethan.

ETHAN LOSES HIS BOY/GIRL VIRGINITY....

Ed was snapped back to reality from his daydream about when the kids were young by Anna's moans of pleasure. He watched as Anna kissed and licked all over the sexy 12 year old boy's body. She kissed him a long and passionate kiss. The boy was so shy. She stood in front of the sexy naked 12 year old boy and slowly slipped off her warm up. She let it fall to the floor. Anna watched Ethan's eyes go wide as she pulled the straps of the leotard off her shoulders.

Troy watched in awe as he fondled his own boner through his competition pants. He watched Anna reveal her perfect little breasts with their lovely brown nipples...nipples that were oh so hard. She stopped and took the sexy boy's hand and put it on her right breast. His jaw dropped in awe. Anna combed Ethan's fine blond hair with her fingers and buried her nose in his hair as she tenderly kissed the top of his head. Ethan moaned as his hands explored Anna's perfect breasts. Anna reluctantly lifted her head as Ethan looked up at her with awe with those deep pools of brown. He watched as Anna's hands

went to the sides of her leotard and she slowly pushed it down her torso. As she reached her waist she began to pull her competition pants down too.

Ethan thought he nuts might actually explode as he watched her pull the leotard and pants slowly down over her hips. As she pulled it down further he saw her bare pussy...not a hair. As he stared at her pussy the clothes fell to the floor in a puddle at her feet. As he looked at her pussy he saw first one drop fall away and then two drops. My God he thought...her pussy is actually dripping wet.

Anna pulled the sweet, sexy boy against her body and began to kiss him. It was a tender kiss that became passionate very quickly. She loved the feeling of his young naked hard body against her. Her tongue licked his lips and she felt him go rigid. The precious boy had never been French kissed. Ethan was so nervous he didn't have a clue of what to do as she licked his lips a second time. Anna whispered some instructions in his ear and with the next kiss he opened his mouth and received her probing hot tongue.

The boy's nuts were on fire. She probed his mouth and then he stiffened his tongue and probed hers. She sucked his hard tongue like it was a cock and that was like pouring gasoline on a smoldering fire. She kissed his neck and licked it and sucked it. She licked and sucked her way down his beautiful 12 year old body...stopping to pleasure his stiff nipples along the way. Anna licked a trail from his belly button to his bare pubis. She licked his bare pubis...not a single hair. Her tongue lapped up his cock from base to tip.

She pulled him to the floor with her. Then Anna pulled the sex young boy on top of her with her legs spread so that her mom and dad could see his balls, boner and her pussy wide open to receive him.

The boy had a lovely stiff boner...nice and thick for a boy so young and when fully erect it was almost 4".

The boy was going to have a lovely big cock as he matured, Ed thought. Ethan's balls dangled in his sack in a tantalizing way that made Ed want to get on the floor and suck them. Ed watched as Ethan's cock disappeared into Anna's pussy.

Anna spread her legs wide for her young lover and his beautiful 12 year old boner slipped easily into her hot juicy cunt. Anna groaned with pleasure as the young boy took her to the hilt rubbing his bare pubis against her hard clit to the point where her eyes rolled up in her head.

"Oh yeah baby boy...fuck me just like that...so hot." Anna told Ethan.

Ethan was in a push up position as he entered the soon to be 15 year old girl and as his immature boner slipped into her pussy his eyes rolled up in his head as the waves of pleasure washed over him. In all of his wild fantasies about Anna and Troy, Ethan had never imagined anything this awesome.

Samantha watched Anna take the sexy young boy's virginity. Just seeing his bare little boner slide into her daughter's pussy made her own juices flow. Samantha stroked her clit as she watched the young boy make love to her sexy daughter. She loved the way his lean muscular body flexed and the sound of his moans as he began wildly thrusting in and out of the 15 year old's pussy.

Ed knelt in front of Samantha and began to worship her clit with his lips and tongue. Sam played with her own nipples as the waves of pleasure started to hit her. Troy watched in awe as his mom's pussy began to squirt his dad's face. His mom was screaming with the wild pleasures of orgasm.

Then Troy watched his sister making love to Ethan and thought back on the night that the coach told him and Anna that they must satisfy each other's deep sexual hunger if they wanted to be top gymnasts. Troy shuddered as he thought back on that day when his penis finally penetrated his sister's hymen and they were joined as one. He watched as the young boy bucked and thrust in his sister's hot pussy and her eyes as they rolled up with pleasure.

Troy thought back on how the coach taught him to eat pussy when he was 12. The coach had just filled Anna's 12 year old pussy with a thick creamy load of cum and coach told him to eat her pussy until she couldn't stop cumming. Troy loved the taste of coach's cum and his sister's wet pussy. As he ate his sister out, the coach filled his ass with his thick, hard cock and fucked the young boy until his filled his boy pussy with cum.

Ethan gasped and moaned as the thrusting pushed him past the point of no return. He wondered if he should cum in her sweet hot juicy pussy but there was no way that the boy could pull out now. He felt the hot cum come burning up from his young nuts and then explode out of his boner into her hot pussy. The boy moaned as jet after jet of his thick boy cream squirted in to her sexy hot pussy. He thought about making her pregnant and that only made his thrusting wilder. Ethan and Anna lay there for the moment spent.

As Troy thought about all of those things and watched his sister fuck the beautiful boy, he felt a deep craving for man sex. Troy eased Ethan aside and knelt between his sister's spread legs and began to lick the young boy cum out of her hot pussy. Anna moaned and thrust her hot cunt at her twin brother. As Troy lapped his sister's cunt he knew he was presenting his hot boy pussy to his daddy. Ed looked down and saw that his son was presenting his ass for his pleasure. Troy could be such a slutty boy some times and he did it because he knew that his daddy loved it when he presented himself to be fucked. Ed loved it when his son acted slutty. He stood and let his pants and underwear fall to the floor. He was flooding precum as usual. Ethan looked up and saw that Anna's daddy had a huge boner. He could not take his eyes off of the thick throbbing cock.

Anna glanced back over her shoulder and saw her father's awesome cock. She smiled as she leaned up and kissed the sexy boy's cheek. "It's pretty awesome...isn't it?" Anna asked Ethan.

"It's fucking huge!" The young boy said.

"Yeah it is about 7 1/2" and about 1 1/2" thick. It gets so hard that you can barely pull it away from his tummy. The first time he fucked me with it I thought he was going to split me in half. And now I can't get enough of it. Troy loves it as much as I do. He loves it when daddy fucks his boy pussy. The boy watched in awe as the thick cock drooled precum continuously. Anna's eyes clouded with lust as Troy insistently lapped his sister clit. Ethan could see globs of his thick creamy cum that Troy was licking out

of his sister's pussy. This was too fucking amazing, Ethan thought; Troy was eating his cum out of his sister's pussy while his daddy was getting ready to fuck him with that huge cock.

Ethan watched in awe as Ed prepared to make love to his very sexy son. Ethan couldn't imagine how Troy could possibly take that huge cock up his ass. Anna cried out as she sprayed her brother's face as she ejaculated all over him.

Ethan was awed. He didn't even know girls could cum like that.

After Anna caught her breath, she stroked the fine white blond hairs on the back of Ethan's legs. It caused him to jerk back and look into Anna's deep blue eyes. "Oh my God...Sorry!"

"There is nothing to be sorry about sexy boy," Anna told him as she played with his blond hair and stroked the side of his face. "It is very sexy to watch my daddy make love to Troy. I love to finger myself when I watch them. Go ahead and watch them while you fuck me with your beautiful boner." Troy moved aside to make room for the boy to slide between Anna's legs. Anna smiled because she could see that the poor boy was on sensory overload. She felt his boner begin to pound her pussy again and again.

Ed leaked as much precum as most men ejaculate during orgasm. He rubbed a hand full of his precum over his son's puckered ass and began to stretch it wide open with the thick head of his cock. Even after all of these years of being fucked by his daddy, the entry still made Troy groan. The thick shaft penetrated his ass as Troy gasped for breath.

Troy parted Ethan's cheeks and began to lap the young boy pussy. Anna loved the shocked look on the young boy's face as her brother ate his ass. "It feels so good when he does that...I love it to."

The young boy was so turned on that he was wildly fucking Anna's 15 year old pussy.

Ed had Troy turn over and had him lie next to his sister and Ethan. "Oh that's much better now I can see and play with your beautiful boner. You are getting a nice thick boner just like your daddy's," His dad told him as he began to fuck Troy's beautiful ass as he played with the hard 15 year old cock. "You want to fuck that little boy's butt really bad don't you...tell me how bad you want to fuck him."

"Daddy he has the sweetest body and the most beautiful ass I have ever seen on a boy. I want to fuck him so bad I can taste it...I want to fill that sexy ass with my cum." Troy told his father.

Troy felt his dad begin to pound his pleasure place. His daddy was so big and thick he could literally fuck a load of cum out of Troy. Troy tried to hold back for a few minutes but it was pointless. The big thick cock slamming him again and again made Troy's eyes roll up and his penis super hard. Troy groaned deeply with the intense wave of pleasure. The next thrust of his dad's boner made Troy paint his daddy with a thick stripe of creamy cum. That was all it took to push his daddy over the edge. He felt the heat of his daddy's seed flooding into his ass. His daddy could cum what seemed like gallons. The sexy father and son were lost in a world of the wildest sexual pleasures as their orgasms continued and the electric jolts of pleasure wracked their bodies. Troy was still ejaculating his thick creamy cum all over his daddy

and himself. They were both soaked and Troy was still receiving his father's hot semen. Soon both their orgasms had subsided. Troy looked up and saw that his mother was filming his coupling with his daddy.

Ethan could not believe that Troy loved to be fucked by his daddy and his mom filmed the whole thing. Ethan felt himself being lifted in the air by Anna. The sexy girl was amazingly strong. Ethan had felt himself on the verge of filling her with his cum again when she lifted him in the air. He went into the rigid flying pose.

She gently scolded him that he needed to stay focused on pleasuring his partner. "You will learn that there is a fine art to giving your partner exquisite pleasure in the same way that there is an elegance to each of the gymnastic apparatuses. She spun his body around until he was facing her toes and she lowered him so that his face was in her sexy bare pussy. She lowered him and parted her lips between the "V" of her fingers. His face instinctively dove into her juicy pussy. She softly coached Ethan on how to pleasure her. His lips and tongue gently fastened on her hard clit and he gently lick and sucked it until he had Anna moaning with intense pleasure.

"Oh Ethan...you are a natural...so good...so very, very good...oh yes right there...more...there..." Anna whimpered and then cried out at the first waves of pleasure hit her. Her body shook and shuddered with her first orgasm as she had planned. As her breathing returned to normal she said, "Now sweet baby eat my pussy...tongue fuck me with that amazing 12 year old tongue of your. Make me feel it like a boner."

The boy intensely tongue fucked her and then naturally went back to lapping her clit. He began to suck it and this time he felt Anna's sharp intake of breath as the powerful orgasm began to crest. She took his sexy boner in her mouth. There was nothing as magnificent as sucking a beautiful 12 year old boner she thought as the wild tensions build in her belly. She knew that the sexy boy was going to bring her to an amazing orgasm. She nipped and sucked and licked keeping the boy on the edge of incredible pleasure. She wondered if Ethan would give her some of that wonderful cum that Troy had given her when she first began to suck her brother.

It was wonderful..she had the boy moaning in sexual ecstasy. He begged her for release and that was when she allowed herself to slip through the whitewater rapids of orgasm. There was only the wild of release as she felt her pussy begin to squirt Ethan's precious face. Then she tasted it the sweet young boy cum that was so special. He ejaculated three wonderful jets of boy cum as he wildly face fucked the her. She pulled him up to her and she smiled as she saw his face was wet with her cum. She began in a cat like fashion to lick the beautiful boy's face clean.

She maneuvered the boy's body until she had captured his still throbbing erection in her steaming hot pussy. Ethan groaned when he felt how hot and slippery her pussy was. Anna opened her legs wide and allowed the baby virgin to wildly fuck her. Anna felt herself racing toward another powerful orgasm. Ethan groaned that he was so close. She wrapped her legs around his hips and pulled his young boner deep inside her.

"Fuck me Ethan...fill my womb with your precious seed." Anna cried out just before she screamed with orgasmic delight. She held his body tight as she felt him begin to buck and thrust with orgasmic passion. "Fuck me hard Ethan...fill me with your cum." She felt his hot semen squirt into her womb. As their orgasms subsided, both Anna and Ethan were soaked from their passionate love making.

After their orgasms had subsided, Troy stood over Ethan and held out his hand for the prepubescent 12 year old. The boy looked up at Troy unable to take his eyes off the almost 15 year old's magnificent cock which was rock hard and standing out proudly from Troy's sculpted body. Troy's body was still wet with his own cum. There was not a single hair on the 15 year old's body other than his shaggy blond hair on his head.

Troy took the sexy boy in his arms and kissed him passionately. Troy loved the smell of his sister's pussy on the boy. Troy opened his mouth and licked the lips of the younger boy savoring the taste of his sister. Ethan opened his mouth and Troy's stiff tongue penetrated his mouth. Their tongues dueled as the boys began their mating ritual.

Ethan losing his virginity to Anna was a beautiful and sexually exciting thing to watch. The tone of the boys mating was much more primal. They were two beautiful animals and the alpha male was going to have his way with the younger male. The room was filled with a very special electrical sexual energy. The boys danced around and maneuvered as their tongues dueled in each other's mouth.

Anna watched her brother making out with the very sexy naked boy. Anna so wanted to touch her brother's naked body and caress his beautiful boner. She ached to have him fuck her but she knew that this was his special time with Ethan. Anna knew that Troy would keep the young boy edging for a long time. She looked around and saw her daddy mounting her mom. Anna smiled and went to the family toy chest. She found a bottle of her favorite lube and the sex toy she lovingly called erectus maximus.

She could barely wrap her fingers around the shaft of the life like 8" vibrator. She stood where sexy Ethan could watch her lube the giant pink vibrating penis. She smiled at Ethan as she drizzled lube over the tip of the huge cock. He watched as she put the suction cup on the hard wood floor. He watched as she held her pussy aloft above the big thick cock. His eyes widened as she slowly impaled her 15 year old pussy on the thick shaft. She used her arms to raise and lower her pussy. The sound of the vibrator filled the room. Ethan watched as her eyes rolled up in her head as the vibration brought her to the edge of orgasm.

Ethan felt Troy's lips and tongue sucking and flicking his hard nipple while the older boy's fingers intensely stimulated his penis.

"Oh....fuck...Troy...so close...sister is so hot fucking herself."

Troy smiled as he looked over his shoulder at his sexy sister who was quite obviously performing for the sexy young boy. Troy knelt before the sexy young boy. His young body was near perfection...of course coach always wanted perfection. Troy studied the boy's penis and testicles. Troy was very turned on by

young boys...particularly hairless young boys. Troy was surprised that Ethan was as developed as he is without having any pubic hair.

Troy held Ethan's nuts on his finger tips. The young boy had really nice nuts for a 12 year old. They descended from his body and were quite heavy. Troy thought that these beauties would soon produce gobs of thick creamy cum.

Troy had seen Ethan's cock in a flaccid state and it hung down so that the head was nestled between his sexy boy balls. Right now Ethan was rock hard. Troy's finger tips ever so lightly stroked the boy's shaft. As Troy studied the sexy boy's shaft he realized that Ethan already has some nice thickness to his shaft. It wasn't a typical scrawny thin little boy boner. This was a nicely developed shaft. From the looks of things this boy was going to have a marvelous fucking machine between his legs. Troy smiled as he wondered how long it would take him to milk thick creamy cum from these lovely balls.

The head of Ethan's cock flared out nicely and was a nice shade of pink. Troy rubbed the rim of the cock with the pads of his index fingers until the rim turned a deep angry shade of red. He loved listen to the young boy moan as he intensely stimulated Ethan's cock. As Troy rubbed the rim he watched the nuts begin to draw up in preparation for orgasm...as if Troy would give the sexy boy release this easy and this early. Troy wondered if he could make the boy beg for release.

"Oh yeah...oh Troy...right there...soooo fucking good....mmmm...oh please don't stop." Ethan begged.

Troy smiled. This boy recovered fast. He had just made love to his sister Anna and he was ready to squirt again. Troy surrounded the base of the boy's cock with his finger tips and ever so slowly pulled them from the base of Ethan's cock to the tip. Troy knew from experience that it felt amazing but would not give the boy the steady rhythm that he needed for orgasm. Troy slowly repeated the slow stroking. The boy's nuts were drawing up tight in preparation for orgasm. Troy focused on stroking the balls and the boy's legs until he saw the nuts begin to relax and lower again. The boy began to wiggle and groan out of frustration. He really needed to seed. Troy did the slow base to tip stroke but stopped at the circumcision line. He bent down and with his stiff tongue found the powerful nerve bundle at the circumcision line on the underside of the penis. Troy's tongue traced up the midline of the penis and passed through the notch in the rim. The tip of his tongue traveled to the very tip of the boy's cock. Troy lovingly lapped the tip very slowly several times. Even though Troy wasn't giving the boy any rhythmic stimulation, the boy still managed to find his way to the verge of orgasm. Troy smiled. He pulled the boy's stiff cock down to reveal his bare pubis. Troy actually wondered if the sexy boy might actually be shaving his pubic hair. Troy looked very closely and there wasn't any shaving stubble. As he looked closer he saw two fine blond hairs. They were short and curly. Troy played with the two tiny hairs with the tip of his tongue. And then he managed to snag the first hair between his front teeth. With a quick jerk of his head, Troy pulled the first pubic hair. Troy grinned and worked his tongue until he felt the second hair. It took several moments but he caught the perfect little blond hair between his teeth and pulled it to. Troy smiled and savored having the perfect prepubescent boy. Now he needed to taste the sweet boy cum that is so rare. Troy had sucked his 11 year old cousin Eddie off and enjoyed his sweet boy cum. Eddie had just squirted a few drops in Troy's mouth.

Troy began to worship Ethan's cock. Ethan was quickly groaning and moaning as the older boy pleased his hard cock. Ethan felt the tension begin to build and he groaned with the powerful jolts of pleasure.

Ethan grabbed hold of Troy's head and he began to thrust his cock wildly. "Oh fuck Troy...I gotta...need to so bad...oh shit...here it comes." The boy felt the semen race from his young nuts and gasped as he began to ejaculate into the older boy's mouth. Nothing could have stopped him. The young boy had an overwhelming need to seed. He groaned as he felt his nuts release his hot boy seed in Troy's mouth. He thrust again and again until his nuts were spent. He could not stop thrusting. His cock craved the stimulation even after a powerful orgasm subsided. Ethan kept thrusting into Troy's mouth long after he quit ejaculating.

The young boy, finally spent, stood there panting with his fingers combing Troy's shaggy blond hair. Troy looked up at Ethan as he savored the wonderful flavor of young boy cum. Troy's fingers stroked the boy's sexy body as he thought that this must be the best birthday present ever.

Troy felt his mom standing behind him. Her hands gently caressed his shoulders and then slipped down his chest to his very hard nipples.

"Isn't Ethan the sexiest thing ever? It was so beautiful watching you suck the precious boy cum out of his hot looking boner. It reminded me of when we sucked your clear cum. The taste was heavenly." His mother said as she pinched his stiff nipples.

Troy was quiet as he smiled and savored the taste of fresh young cum. Troy still had the flaccid boy cock in his mouth. "What an awesome cock this kid is going to have," Troy thought.

Ethan watched as Anna continued to enjoy the huge vibrator. She was breathing hard as her body shook and her pussy began to squirt all over the hardwood floor as the powerful climax rocked her.

Troy had loved pleasuring the boy and keeping the boy on edge until he had a wild orgasm. Troy stood up and Ethan saw the puddle of precum that Troy left on the shiny floor. Troy rubbed his leaking cock all over the boy as if to mark him with his scent. Ethan looked up at Troy with his deep brown eyes and saw the cloudy lustful look in the older boy's eyes. Ethan could tell that Troy craved release and he was not sure what that meant and it kind of worried him.

The older boy's hands were all over his body. Troy was now at Ethan's side and lewdly humping Ethan and telling the boy how sexy he is while he cupped his junk with one hand and began to probe his boy pussy with the other hand.

"God daddy...Troy is going to fuck him...he is going to fuck that pretty little boy...oh man...my pussy is on fire thinking about it." Anna said to her daddy as she filled her pussy with three fingers. Her mother leaned over and sucked Anna's tit and Anna groaned appreciatively.

Ethan studied the thick teen cock. "My God," the young boy thought, "that fucking thing is huge." Ethan wrapped his hand around the stiff shaft. Troy's cock was about 6 ½" and about 1 ½" thick. Ethan's

hand was covered with a thick coat of slimy precum. The boy had no idea of how Troy could possibly fit his thick long cock in his butt. The thought of it scared him. Troy's need to seed was intense as he pulled the boy to the floor.

Troy help the boy assume the proper pose. The young alpha male was ready to take his prize. He held out his fingers for his sister to pour lube over. She spill lube on the floor as she cover her brother's hand and then she squirted a generous amount down the young boy's crack.

The young boy felt Troy begin to stretch his boy pussy. Troy inserted two fingers and as soon as the boy loosened some he inserted the third finger.

Ethan moaned loudly as the third finger really stretched him.

Troy leaned on the sexy boy with his fingers stretching him, Troy kissed and licked Ethan's back and lightly humped his slippery cock against Ethan's hip. "Man...little dude...you are so fucking hot I am afraid that I am going to shoot off before I can enter you. You are so sexy." Troy licked, sucked and gently nibbled on Ethan's shoulder. Troy felt the boy begin to loosen up and he began to gently fuck him with the three fingers.

Troy pulled his fingers out and covered his cock in lube. He pressed the tip of his flared cock head against the virgin boy pussy. He whispered to the boy to relax and push out as Troy began to push forward. Troy kept talking to Ethan and telling him how sexy he was and how awesome his ass felt. The little guy's ass was in spasm around Troy's hard cock. The contractions were driving Troy right to the edge of orgasm. Troy whispered in Ethan's ear to stay still and then he nibbled and sucked the boy's ear lobe.

Troy thrust his cock into the boy and buried it to the hilt. Ethan panted for a few minutes and then adjusted to the thick boy cock in his ass. Troy felt his hard cock bumping the boy's pleasure place. The more he thrust the better Ethan liked it. He felt Ethan's body relax.

"Troy...dude...fuck me hard...please...fuck me." Ethan begged.

That was all it took to push Troy over the edge. He began to thrust harder and harder until the room was filled with the sound of slapping flesh. "Oh fuck little dude...I'm cumming...." Troy's nuts began to pump thick ropes of hot cum deep into the sweet boy's awesome ass. Ethan cried out and the family watched as his hard boy boner began squirting wads of thick creamy boy cum on the floor. Troy rode the kid until the last powerful waves of pleasure subsided.

Troy's mom kissed the top of his head and whispered that she needed his boner.

Troy stood and lifted his mom and lowered her onto his thick shaft. Samantha moaned as her son deeply penetrated her. Her stiff clit ground against his hard cock. Samantha was so turned on from watching Ethan be pleasured first by Anna and then Troy. Her pussy was dripping as the sexy 15 year old held her in his arms and fucked her.

"Oh sweet baby boy...your cock feels awesome. Fuck me hard baby. Fill me with your seed." Samantha told her sexy son. "Your daddy wants you to fill my belly again with your baby...fuck me hard Troy."

"Mom are you...you know...fertile?" Troy asked.

She kissed him passionately and when she broke the kiss she said, "Oh yes....right at the peak of fertility." She ground her hot pussy against her sexy son until she felt him begin to thrust his beautiful thick cock in her pussy again and again until she felt the tip of his cock stretching her cervix as his thick creamy cum flooded her pussy. Samantha cried out as she went over the edge and ejaculated all over her son.

Troy set his sexy mom down and kissed her passionately. His boner was still rock hard. She loved the feeling of his slippery cock pressed against her abdomen. Troy stroked her hair and kissed her again. You are the sexiest mom ever.

Samantha led her son over to the side of the couch and she bent over and held on to the arm of the sofa and presented herself to be mounted doggy style. The horny young pup could not resist taking his mom from behind.

As the boy mounted his mom from behind, Ed watched. The boy's lean muscular body and coltish legs reminded Ed of a wild stallion mounting a mare. Mother and son had never looked sexier. Anna knelt between her daddy's legs and began to worship his hard thick cock. The flow of his precum was amazing. She loved the taste. As she heard her brother groan and the loud slapping sound from Troy's climax as he inseminated their mom again, Anna's mouth was flooded with daddy's cum.

It was getting late and their parents told them it was time for bed. The three kids headed up to their shower. Ethan watched as Troy and Anna cleansed each other. Then Troy took a razor and some shaving cream and shaved the tiny bit of blond stubble that grew on his sister's pussy. He thought she looked so cute.

Anna knelt and kissed the tip of Troy's boner. He always got rock hard when he shaved her. She lathered up his pubis and balls and then very carefully shaved him free of any hair. Then she stood and shaved each of Troy's arm pit so that they presented well when he was on the rings performing. Coach wanted their bodies perfectly smooth.

Brother and sister smiled when they looked over and saw Ethan masturbating as he watched them shave. He groaned as the first wave of pleasure hit him and he thrust his cock through his soapy fist again and again but his nuts were empty. It did not seem to bother Ethan. He rode the waves of pleasure of his dry orgasm.

They dried each other off. Ethan wondered where he would sleep. They walked into what appeared to be a masculine room with a queen size bed. Anna pulled back the crisp clean sheets. She smiled as she realized that her mom wanted everything to be perfect. This was the most wonderful birthday ever, She thought.

The three kids crawled into bed. Ethan was between two of the sexiest people he had ever seen and they were both naked. He thought he must have died and gone to heaven.

They were all too tired and sexually spent to have sex, but that did not stop them from touching and stroking each other. Troy was showering Ethan's back, shoulders and neck with kisses while his fingers stroked Ethan's thighs and hips. Troy was fighting sleep as he whispered to his sister, "Oh Anna he has the most amazing boy pussy ever."

Anna stroked Troy's face. "You looked so sexy tonight as you inseminated mom. Talk about an awesome birthday present. Someday beautiful brother...when we are done competing...I want you to fuck me full of your beautiful baby."

Their young minds raced with the possibilities as they drifted off to sleep.
