STORY SUMMARY

Coach Alexander's protoge gymnasts are 14 year old fraternal twins. Troy and Anna are naturally beautiful and after all of the gymnastics training their bodies are works of art. The coach has worked with them since they were young. When the beautiful twins began to develop sexually, the coach met with their parents, Ed and Samantha. He asked Ed and Samantha if they were really committed to their kids being the best. Ed and Samantha told the coach they would do anything he asked. The coach was pleased.

The coach explained that if they were to be top gymnasts they could not have any distractions. He explained that a teen's strong sex drive is a tremendous distraction. The twins' parents were confused. Coach Alexander told them that the 12 year old kids needed to deflower each other and begin to sleep together. At first the idea of their children mating was hard to comprehend much less accept. As they thought about it...both parents soon found the idea of their children mating very stimulating. Ed and Samantha encouraged their children to breed.

The coach was true to his word and the twins became state champions. The twins are now about to turn 15 and the coach has a very special birthday present for them. It is a sexy 12 year old boy named Ethan who wants to be a state champion too.

In the last chapter the twins enjoyed their birthday present. They took Ethan's virginity everyway imaginable.

We also met 12 year old Tammy the babysitter who is also in Ethan's class at school. She was babysitting for 2 year old Jason while the family went to dinner. Tammy has no idea that Jason is Troy's son...she just knows that Troy has an incredible love for the boy.

The twins and their parents were totally unaware that their babysitter Tammy was snooping around Troy's room while they went out for dinner. Tammy found Troy's cum stained boxer briefs that smelled of pussy. As she continued to snoop around she found a pair of panties that could only be Anna's. She hid the underwear in her backpack. After a wild night of sex at the Thompson's house and some incredible masturbation sessions with Troy's underwear for Tammy, it is not the next morning...

As always, if you are not supposed to be reading this story...then please don't...please practice safe sex. This story is a total fantasy.

TWIN GYMNASTS 3

THE NEXT MORNING

Twelve year old Ethan Edwards was disoriented when he awakened. He lay there with his eyes closed thinking about the wild sexual dream he had last night. The wild sexual adventure with Troy at the Italian restaurant and then the wild sex with the incredible looking twins...it all seemed so very real. As Ethan slowly awakened he realized that he had slept naked. That was something that he normally did not do. Ethan was lying on his side with his eyes closed enjoying the feeling of his morning wood and the flashbacks from his dream. As Ethan inhaled he smelled the sexy scent of an excited pussy...just like last night in his dream. He was startled by the fact that the room smelled of sex...that wasn't a dream.

That was when Ethan was further startled by a warm hand on his naked shoulder and a deep sexy voice telling him good morning. As Ethan opened his eyes he realized that it wasn't a dream. He was looking into Anna's smiling face and her incredible deep blue eyes.

"I think we wore the sexy boy out last night Troy." Anna said with a smile. Ethan gasped as her fingers began to explore his raging erection. He felt Troy's fingers move from his shoulder to his stiff nipple.

"When I woke up...I ummm...thought it was all just an amazing dream that couldn't possibly be true...that was the most amazing night of my life...You guys are amazing." Ethan told them in a gush of breath. My family has always...you know...been kind of shy about sex stuff...I never dreamed that it

could be as good as last night...and the stuff in the restaurant was unreal.” Ethan said as he felt Troy’s hands all wandering all over him. Anna was fingering the head of his cock lightly.

“It is only the beginning Ethan...it just gets better from here.” Anna told him and kissed his cheek.

Ethan rolled on to his back his blond hair was disheveled from sleep. The back of Ethan’s left hand brushed against the wet tip of Troy’s boner. Ethan felt Troy’s hand join Anna’s hand exploring his cock and balls.

“You are such a sexy little guy...I could just eat you up.” Troy said as he sucked and then nipped Ethan’s hard little pink nipple. “I think I will eat you up.” Troy said as he flipped back the sheet. Anna held the stiff 12 year old cock straight up and Troy hovered over it. Ethan could feel Troy’s hot breath on his sensitive cock head. Troy began to flick the tip of the 12 year old boner with his stiff tongue. Then Troy licked the stiff 12 year old boner from base to tip as his fingers touched and explored the boy’s bare pubis. Anna’s fingers gently explored his balls and then toyed with the incredibly sensitive spot behind his ball sack. Troy grinned up at Ethan and looked at Ethan big brown lust clouded eyes. “Nice way to start the morning...isn’t it?”

The stark naked 12 year old boy’s body vibrated with intense sexual excitement. Ethan was speechless and could only nod.

Troy picked Ethan up by his hips and as he did he offered the hard boy cock to his beautiful sister. She devoured the sexy 12 year old boner while her brother began to feast on Ethan’s balls. Troy sucked one cum filled testicle and then the other. Then Troy began to lick and suck the pink boy pussy. Troy probed Ethan’s pleasure place with his stiff tongue until the boy was on the verge of orgasm.

Troy felt that the boy’s body was literally quivering with excitement. Troy knelt between the boy’s knees and spread the precious creamy soft globes of flesh as he prepared to skewer the sexy boy pussy with his stiff hard cock. Troy had never admitted to anyone just how turned on he was by sexy young boys. He would often be watching television with the family and see a sexy young boy in the show. During the next commercial break in the show, Troy often slipped away to the bathroom and jacked off in the sink while thinking about what the young boy might look like naked and what it would be like to suck and fuck him.

Anna smiled up at her twin brother and her finger tips explored his smooth pubis. She used the steady stream of precum that leaked from Troy’s cock to lubricate his shaft. Troy’s leaned forward and used the flow of precum from his cock head to lube the sexy boy’s hot cunt.

Anna fondled Troy’s balls as she said, “You always have had a thing for hot young boys.”

Troy looked startled.

“Sexy boy...who did you think you were kidding when we all were watching TV and a hot young boy would come on the screen. You always got hard. Then you slipped away to the bathroom. I loved going in the bathroom after you. It always smell like a cum factory. Thinking about you jacking off over hot

young boys made my pussy hot and wet. Sometimes I found a stray glob of cum that you missed when you cleaned up the sink and counter. I scooped it up and tasted you seed while I fingered myself to orgasm.

"You knew?" Troy asked her.

She smiled and nodded. I knew it was your secret and it turned me on to know your secret so I never said anything.

"Anna you are so amazing..." Troy said as he leaned over and kissed his sister passionately.

Ethan absorbed the news about Troy being hot for young guys and found that it only turned him on more.

Anna lubed Troy's hard thick shaft with his precum that was now flowing twice as hard. Troy rubbed his cock head against Ethan's hot pink boy pussy. Ethan moaned.

Anna leaned down and began to suck, lick and nip at Ethan's throbbing erection. Troy mounted the boy as his sister kept Ethan on the verge of a mind numbing orgasm.

Ethan reached down and pulled his hips wide apart presenting his pussy for Troy's deepest penetration. He groaned and winced as the thick head of Troy's cock penetrated his near virgin sphincter. Ethan gasped for breath as the thick teen shaft penetrated him and stretched his boy pussy to receive him.

Ethan loved the feeling of Anna's attention to his aching boner and was disappointed when she quit sucking him. Anna unexpectedly straddled Ethan with her back to him as she took his boy cock deep in her pussy. Anna faced her sexy brother and she began to bite and suck on her handsome brother's lower lip as she pinched his nipples.

Anna began to fuck herself with Ethan's hard cock and she felt the boy go over the edge and spurt his cum deep in her pussy. Anna began to moan as the young boy's orgasm pushed her over the edge too. She massaged her own clit until the bolts of pleasure were at the extreme. That was when Troy pinched her nipples hard and she began to ejaculate all over Ethan and Troy.

She felt Troy's body shudder with pleasure as he thrust uncontrollably into the sexy boy. She felt her brother go over the edge and begin to fill Ethan's boy pussy with his hot cum. Ethan moaned as Troy pounded his pleasure place again and again. Ethan felt Troy's hot semen flood his ass. Jet after jet of hot cum poured into his sweet sexy 12 year old boy pussy.

They lay there in the afterglow for a long while. Then they all realized how bad they needed their morning pee.

Anna was the first on in the bathroom. Troy mumbled, "Oh crap...you are going to make me wait. Anna paused by the shower door and she grinned with her blue eyes filled with mischief. She opened the shower door and the boys looked at each other and grinned. Troy grabbed his now semi hard cock and aimed it at the floor drain in the middle of the tile shower. He groaned as a heavy stream of pee began

to flood the drain. Ethan watched in awe as Anna loosed a stream of pee and then thrust her hips forward aiming the stream toward the drain like a boy. Everyone giggled and then Ethan's stream joined theirs. For Ethan, it was a weird bonding ritual that went far beyond their sexual relationship and meant that they could share anything. As soon as they finished, Anna turned on the warm water and they hugged each other as the warm water cascaded over their beautiful bodies. They were all intensely aroused as they washed and touched each other. They savored the experience without consummating it sexually which only made it more intensely stimulating. Anna was the first one out of the shower. She grabbed towels and then arranged her sexy boys side by side as she slowly and toughly dried their perfect naked bodies.

Ethan helped himself to fingerfulls of the constant flow of Troy's precum.

Anna giggled and told Ethan, "I love him but he is really kind of messy."

Ethan only nodded as he licked his fingers clean of the tasty sexual treat.

The boys carefully dried Anna and Troy got the blow drier to dry her hair. They took turns blow drying her hair and brushing her golden locks.

Anna stood and kissed both of their cheeks and then took their hands and headed down stairs. As they went past their parents room there was the unmistakable moaning of two people rutting like wild animals.

When they got downstairs, Ethan said, "I am confused...I thought your mom wanted Troy...to..well...you know...fuck a baby into her."

Anna kissed the sexy boys still damp sandy brown hair as she said, "Oh she does sexy boy...they are probably butt fucking....you saw how much daddy loves butt fucking." She said with a tender smile and stroked one of Ethan's cheeks while she tenderly kissed the other cheek.

Anna found a bowl of fresh fruit salad in the refrigerator and pulled some bowls out of the cabinet. Looking at the two naked boys with their beautiful hard cocks made her pussy ache. As Anna put fruit salad in the bowls she felt her pussy juices running down the inside of her leg. She carried the bowls of fruit over to the table and set Troy's down in front of him. She looked down and saw that his thick hard boner was tight against his belly and there was a large puddle of precum that had collected at the base of his cock.

Troy reached over with his index finger and scooped up several drops from the inside of her thigh and he smiled as he licked them from the tip of his finger. She then set Ethan's dish in front of him and she kissed him on the lips. She glanced down at his lap and saw that his cock head was almost purple because it was so engorged with blood.

"Oh my God Ethan..your cock is so hard. She reached down and fondled the angry red cock head. We are going to have to take care of that..Soon!" She said with a grin.

NEXT DOOR AT TAMMY'S HOUSE

Tammy awakened from an intensely sexual dream about Troy and Ethan. She imagined that they had stripped her naked last night and Troy had taken her in his strong arms and laid her down on the floor with her legs spread wide. She tried to imagine what Troy's naked body looked like as he knelt between her legs. Troy smothered her with kisses as she felt his stiff cock pressing insistently against her moist pussy lips. She felt him take her virginity as she awoke from her intensely sexual dream. Her pussy tingled and was wet with her excitement. She found Troy's underwear under her pillow as she began to pleasure herself. Tammy covered her face with his boxer briefs and she inhaled the scent of his dried semen. She rubbed her hard clit again and again until she had to bury her face in her pillow to stifle her moans of pleasure as her sweet young body convulsed with wild jolts of pleasure. Her pussy was soaked and it was making a wet spot on her sheets. She put the sexy boy's underwear over her face and inhaled his scent as she imagined herself kissing his hard boner. She shuddered again as her finger continued to massage her lust-swollen clit.

Tammy got out of bed and smiled at the wet spot on her sheet. She walked into the bathroom that she shared with her 10-year-old brother. She pulled off her t-shirt and shook out her curly sandy brown hair. It was only in the past few weeks that her puffy nipples had become breast buds. Her fingers explored her nipples and she ran an index finger through the few curly blond hairs above her pussy. She reached into the shower and turned on the water. As Tammy turned to grab a towel she saw her little brother Roger standing in front of her naked, holding his 10-year-old boner as he studied her naked body. She realized that she had forgotten to close the door that connected his bedroom to their shared bathroom. She smiled at him as she grabbed a towel from the rack and put it on a hook by the shower. Tammy stepped into the warm water. She saw that Roger never took his eyes off her pussy.

As she stood there with the warm water cascading down over her, Tammy realized how much she liked having Roger look at her naked body. She grinned thinking about his little boy boner being hard as he looked at her. It made her pussy tingle to think about it. She decided that some evening when they were alone she would put on a show for Roger.

Tammy got out of the shower and pulled on shorts and a t-shirt and then dried her hair. She looked in and saw that her little brother was still in his room on his bed naked. She walked in and stood beside his bed. Roger lay there with his knees bent and the fingers of his right hand toyed with his hard little boner. Tammy put her hand on his knee and then slowly slid it down his thigh toward his crotch. She leaned down and kissed his cheek. "You are a very sweet little brother." She told him as she smiled. As Tammy began to turn to leave his room, she trailed her fingers down his cheek and across Roger's chest. She thought it was so cute that his nipples got rock hard. Her finger paused to flick his hard nipple a couple of times. Then her hand trailed down across his belly button. She stopped at about where his waistband would normally be. He moaned when she lifted her fingers. She smiled at him and thought about what they might do later.

Tammy didn't have any place great to hide Troy and Anna's underwear...or at least she thought they must be Anna's. She unzipped her book bag and stashed the underwear at the bottom of the bag. Her pussy was soaked. As she hid the underwear, her fingers found something that felt like soft rubber. She pulled it out and found that it was Jason's pacifier. That made her smile. She decided that she would take it to the Thompson's house in a few minutes.

When Tammy finished dressing her pussy was completely soaked. All she could think about was seeing Troy again. As Tammy walked next door she decided to go to their back door. She thought she might have a better chance of catching a glimpse of Troy back there. She took the sidewalk around the house. As Tammy walked across the patio toward the sliding glass door, her jaw dropped.

Troy, Ethan and Anna were all naked in the family room. Her heart began to race as Troy looked up at her as he had sex with his beautiful sister. She looked through the glass door and saw that his body was completely hairless and his thick penis was ramming in and out of Anna's pussy. She also realized that Anna's pussy was bare too. Her breasts were small and very sexy. She walked up to the sliding glass door and heard Troy say.

"Ethan...let Tammy in and help her get naked like us." Troy told the 12 year old boy.

Ethan was in shock as he opened the door and stood before his classmate Tammy stark naked.

Tammy looked his sexy young body up and down several times. "Ethan...I always thought you were hot..but dude..your body is amazing." She told him. She stared as Ethan's 12 year old hairless boner and her hand went out to touch it.

Ethan moaned as he felt the contact of her fingers and the sensitive head of his cock. Ethan was in a trance.

"Ethan...I told you to help Tammy get naked and join us." Troy told him as he laughed at the boy who looked like a deer caught in headlights.

"Troy why don't you help Ethan strip the sexy girl naked...I want to watch." Anna said as she kissed her twin brother. Anna wasn't sure but she thought that Tammy might have stopped breathing. Tammy's eyes kept flashing back and forth between Ethan's boner and Troy's thick hard cock.

Troy stood and lifted his sister beside him. His throbbing erection danced with each beat of his heart as he thought about revealing Tammy's beautiful body. Troy went to Tammy and Ethan. His fingers caressed her cheek and he swept her silky black hair out of her eyes. She looked up at him with her deep brown eyes that were clouded with lust. Tammy looked down and her small fingers found both boys' throbbing shafts. She moaned as she touched them.

Troy kissed Tammy tenderly on the lips and then kissed Ethan's lips too. Tammy at first was shocked to see the two sexy boys kissing and then as she watched as Troy's hand explored Ethan's sexy body. Her body shook with excitement and her sweet little pussy tingled and flooded with her juices. These boys are so delicious, she thought...so much sexier than she ever imagined. Tammy reached out and stroked

each boy's butt as the two boys increased the passion of their kiss. She could tell that the boys were French kissing.

Troy turned to Tammy and he kissed her passionately too. As he broke their kiss Troy watched Ethan strip off Tammy's shorts. Tammy's wet panties were soon on the floor too. Troy smiled as the sexy young boy kissed Tammy's hot pussy lips as Troy slipped her t-shirt over her head. Troy almost shot cum all over her from just seeing her precious breast buds. He could not resist them. First he tenderly explored the precious beautiful buds until he had the pink nipples rock hard and then he kissed and licked each nipple until her pussy ached.

Anna joined them and she kissed the back of Tammy's neck and then kissed her lips as her twin brother feasted on the 12 year old breast buds. Anna ran her fingers through Ethan's silky soft blond hair as the boy parted Tammy's pussy lips with his stiff tongue.

The three of them soon had Tammy moaning and groaning with the wild jolts of sexual pleasure. The twins and Ethan caused were driving Tammy crazy with lust. She gasped when Ethan's hot tongue found her hard clit and began to pleasure it. She could not believe that this quiet, shy and very sexy classmate was giving her the most exquisite pleasure she could imagine. Her knees grew shaky as the first wave of orgasm hit her.

Ethan tasted Tammy's juices as she began to ejaculate and it only made him suck her clit harder until he felt her whole body shaking. Ethan eased his finger into her pussy and he felt her hymen. His cock was so hard he was afraid he would spill his hot cum all over her leg as his boner grazed Tammy's shin.

Troy and Anna felt Tammy's body convulse and shudder as the waves of pleasure became more intense. They supported her as her knees became weak and her pussy began to squirt all over Ethan. As her orgasm subsided Tammy looked down at Ethan wet face. Before she could apologize, Ethan said, "Whoa...that was so fucking hot...I mean way fucking hot. Tammy I never dreamed that you could have such a sweet pussy." Ethan said with his face and mouth covered with Tammy's ejaculate.

The twins giggled and glanced over their shoulder at the noise from the doorway. Their mom was standing in the doorway with Jason's naked two year old body wrapped around their mom's naked waist. Jason's fingers played with his mom's nipple as he watched the four kids in the family room.

Troy went to his mom's side and kissed her and rubbed his boner against her hip as he kissed Jason too. His mom kissed him back and nibbled his neck. Her fingers found his raging erection and she whispered in Troy's ear how bad she wanted his stiff cock in her wet pussy. Troy spread a soft blanket on the floor and his mom and Jason lay on the blanket. She moved Jason's sweet lips to her stiff nipple and let him nurse on her even though she stopped lactating months ago, she love the feeling of his small mouth nursing on her nipple.

Tammy and Ethan watched in awe as Troy mounted his mother and his bare boner slipped easily in her hot wet pussy. Samantha moaned as her sexy boy's 15 year old stiff thick shaft penetrated her. Troy groaned as he felt her hot wet pussy engulf his thick shaft. He sucked on her other nipple as he watched

his son suck on his mom's boob. Troy's fingers played with Jason penis until the little guy's penis was rock hard.

Anna pulled Tammy to the floor and began to kiss her passionately and finger her pussy. "Oh sweet baby...you are a virgin...a precious little virgin that needs a good fucking...Ethan's head snapped back and looked at Anna and Tammy after he heard the part about needing a good fucking. Ethan had been watching Troy suck on little Jason's boner while he wildly fucked his mom's pussy.

Troy's dad walked in and immediately dropped his shorts to the floor and reached in a drawer for the bottle of lube. He greased his raging erection and as he did he watched Anna guiding Ethan's boner into Tammy's pussy. He was going to fuck Tammy's sweet little ass sometime...but right now he wanted a piece of Troy's sexy ass.

Troy's daddy buried his cock deep in his son's awesome ass.

Troy groaned as the thick shaft penetrated his sexy ass. "Oh daddy...fuck me hard and fast...I am so close." Troy begged.

"Troy baby...fill me with your potent cum...give me your baby." Samantha begged her 15 year old son.

Listening to all of this pushed Ethan right to the edge and having Anna's fingers guiding his hard cock into Tammy's pussy had young Ethan gasping for breath. Before he could even pop her cherry, Ethan began to shudder and convulse as the powerful waves of pleasure hit him again and again. He squirted his cum into the sweet little virgin without popping her cherry.

Anna whispered, "That's okay baby boy...you just went off a little early....too much stimulation. I can have you hard again in no time." Ethan felt Anna's finger slip inside Tammy's pussy and begin to rub his cock head and the rim of his cock while it was inside Tammy. While Anna was fingering his dick and Tammy's pussy, she parted his cheeks and began to lick his boy pussy. Anna's thumb found Tammy's clit and she massaged it. Soon she had both kids wild for each other. Ethan moaned... "Oh fuck...so hard and so hot for Tammy."

Tammy wrapped her legs around Ethan and pulled him tighter and she cried out as she felt his hard cock pierce her hymen. Ethan had taken her virginity. Ethan began to wildly fuck Tammy. Anna pulled her finger out of Tammy's pussy and smiled when she saw the red streaks on it. Anna continued to lick Ethan's boy pussy as she played with Tammy's awesome breast buds. Tammy started gasping for breath as she went past the point of no return.

"Oh Ethan...fuck me hard baby...fuck me real hard...yes...like that...oh God...oh yes...please keep fucking me. Tammy screamed out as the first wave of pleasure rocked her body. She thrust her cunt at Ethan again and again until he began to wildly fuck her and cry out while riding his wild orgasm. Ethan felt the hot cum race through his hard cock as the tip of his boner ground against her unprotected cervix. His cock stretched her cervix open as he jetted hot cum in her womb.

Ed watched Ethan fuck Tammy as he fucked Troy harder and harder until he felt his son's ass start to spasm with a wild orgasm. Ed groaned loudly as he shot a load of thick creamy cum deep in Troy's boy pussy and Ed knew that his son was filling his mom's womb with his potent seed. Samantha was so fertile right now and she wanted another one of Troy's babies so bad and so did he. Ed loved that Troy came so much because he couldn't wait to lick the excess off Troy's boner and Samantha's pussy.

As they all came down from their orgasms, Jason began to whimper. His daddy had stopped sucking his little boner while he filled their mommy's ass with his potent cum. Jason wanted his little boner sucked some more. Troy grinned and began to suck the little cock and flick the head of his boner until Jason began to shudder and shake with his dry orgasm. Troy rolled over and held the little guy up and let Jason cute little toes play with his boner his daddy rock hard boner. The little toes danced up and down the cum slick shaft of his daddy's boner. Troy grinned and said, "If you keep that up little guy..daddy is going to spray you with cum. Everyone laughed.

Tammy moved over beside Troy and she began to kiss Jason's naked body. Jason was still facing his daddy so she kissed his back and cute little butt. Tammy straddled Troy and she guided his thick cock toward her pussy. Tammy couldn't wait to feel Troy's cum spurt into her pussy.

Tammy's 14 year old sister Cindy had told her how good it felt to have hot cum squirting in her pussy after she got home from her date with her boyfriend Randy last Saturday. Cindy was telling her sister this as she and Tammy were fingering each other while they lay naked in each other's arms in Cindy's bed. Cindy told her sister how much she liked it when Randy fucked her bareback. Tammy could feel Randy's cum in her sister's pussy. Cindy encouraged Tammy to taste Randy's cum. So Tammy began to eat the thick hot cum out of her sister pussy.

As Tammy ate the cum out of Cindy, Cindy told Tammy that when 16 year old Randy brought her home from the movie they were kissing in his car. He told her it was a beautiful evening and they got out of the car and lay down in the thick soft grass under the big old oak tree in the front yard. It was very dark. Cindy was wearing a sun dress and she straddled Randy as he leaned back against the tree. She unzipped his jeans and pulled his cock out of his boxers. She pulled her thong aside and eased her pussy down on him until she had completely engulfed his hard cock. Randy was super horny and it was a dark night. He put his hand under her dress and stripped it over her head. He tossed it aside and feasted on her awesome tits while she rode his rock hard shaft. Randy spurted cum deep in her pussy again and again until he had emptied his nuts of their potent seed. They stayed joined in the afterglow of sex for a few minutes. Cindy told Tammy she then giggled and gave Randy a quick kiss and grabbed her dress and ran for the front door. She ran through the house naked and ran into her little sisters arms in the hallway. That was when they had gone to Cindy's room to make out.

Cindy spread her legs wide for Tammy and she watched her hot little sister begin to eat Randy's fresh cum out of her pussy. Cindy taught her little sister how to suck and lick on her clit. Tammy sucked it until Cindy was squirming around with the wild pleasure her little sister was giving her. Then Cindy began to suck and lick Tammy's cunt mostly focusing on her hard clit. Soon they were both moaning with wild pleasure as they heard their parents come in the back door. They slipped under the sheets

and pretended to be asleep when their mom looked in to check on them. Cindy prayed that their mom didn't want to kiss them good night because both of their faces smelled of fresh sucked pussy.

As soon as the door closed, Cindy slipped her fingers in Tammy's pussy and whispered that she needed to get laid and lose her virginity. Tammy giggled as her sister fingered her clit until she rocked with the powerful waves of an intense orgasm. They hugged each other tight and drifted off to sleep.

Tammy thought about that as she mounted Troy's cock. Troy groaned with pleasure as she took his thick shaft to the hilt. They were both hugging and kissing naked little Jason while Tammy ground her hot tight pussy down on Troy's raging boner. "Oh fuck Tammy your pussy is so hot and tight. The baby was standing on Troy's belly as Troy reached around him and began to pinch one of Tammy hard little nipples until she squealed with pleasure. That was all it took to push Troy over the edge. Tammy ground her hot cunt against him again and again as he jetted hot cum into her sweet pussy. Tammy gasped as she felt his hot semen squirt into her womb and her hot cunt began to ejaculate all over his bare boner.

That was when little Jason arched a small yellow stream of warm pee up in the air and it landed perfectly in Troy's open mouth as Troy groaned with the wild pleasures of orgasm. Troy closed his mouth but the little boy pissed all over his face and chest as he continued to squirt hot semen deep in Tammy womb.

Everyone had a good laugh over little Jason giving Troy a shower.

Ed took Ethan by the hand and led him to a spot on the family room floor. Ed lay down and pulled the sexy naked 12 year old down on top of him. Ed's cock was rock hard and leaking tons of precum in anticipation of fucking the beautiful sexy boy. Ed spread the boy's soft hairless cheeks and his boner naturally found the hot boy pussy. The boy groaned and moaned as the thick man shaft penetrated him for the first time. Ed loved that the boy pussy was so hot and tight. He knew he could not last long with this sexy wet-dream of a kid riding his rock hard boner. The boy took Ed's cock to the hilt and then began to fuck himself with the big thick shaft. Every time Ethan came down on it, the shaft hit a place that was wildly pleasurable. Ethan kept fucking himself until he felt the seed rise up from his nuts.

"Oh fuck Mr. Thompson....you're gonna make me cum." The 12 year old boy began to fuck himself hard and fast on the thick man shaft until the wild pleasurable feeling was so intense that he went over the edge. A jet of hot boy cum squirted from the tip of Ethan's cock with enough force to cause it to land on Ed's lower lip. When that happened Ed went wild and began to fill the beautiful kid with his hot cum. Jet after jet of hot semen shot up the sweet boy's ass. The kid kept squirting semen all over Ed. They both emptied their nuts at the same time and the young boy collapsed onto Ed's strong chest and held the older man tight as he felt Ed's cock continuing to throb in his ass. They lay there for a long time until Troy, Anna and Tammy said they were going to take showers. Ethan stood up and joined them.

Ed hugged Samantha as they held Jason. "Did you ever think our life could ever be this amazing?" Ed asked Samantha just before he kissed her passionately.
